Brief Introduction

Scout Movement is founded in 1907 by Lord Robert Baden-Powell, known as B-P, in England. Scout activities were first brought to Hong Kong in 1909. In 1911, some British merchants and military personnel started organizing Scout Groups. Scout Movement is a voluntary non-political educational movement for young people globally. Nowadays, The World Organization of the Scout Movement is made up of more than 160 National Scout Organizations, from over 220 countries and territories, with Scout members (without distinction of race, religion, creed or gender) exceeding 40 million all over the world. Developing for over a century, Scout Association of Hong Kong is now the largest local youth uniformed group of about 100 thousand members.

Vision

To be the best voluntary organisation for the development of young people in Hong Kong for the betterment of our society.

Mission

To operate an education movement for young people providing them with challenging and progressive training programmes for their physical, intellectual, social, spiritual and aesthetic development.

Values

We recognize the importance of:

- individuals developing a sense of personal identity and self worth which leads to responsible citizenship;
- adults providing suitable role models for young people;
- respect for equality and fairness in dealings with all people; and
- the development of understanding between individuals towards world peace.

Scout Promise

On my honour, I promise that I will do my best to do my duty to God and to my Country
to help other people and to keep the Scout Law.

Scout Law

1. A Scout is to be trusted.
2. A Scout is loyal.
3. A Scout is friendly and considerate.
4. A Scout belongs to the world-wide family of Scouts.
5. A Scout has courage in all difficulties.
6. A Scout makes good use of time and is careful of possessions and property.
7. A Scout has self respect and respect for others.

Statistics Inside Back

The year of 2016 marked the 105th anniversary of Hong Kong Scouting. We spared no effort in organizing a wide array of brilliant celebrating programmes. We also treasured the achievements we have made over the past 105 years that have not come by easily. To further our Scout Movement, we definitely will use our best endeavor and pass the torch on.

To Celebrate the 105th Anniversary

In 2016, the Association organized a series of commemorating events to share with all Scout members the joy of our remarkable achievement. With much enthusiasm and expectation from youth members and adult leaders, Hong Kong Scout 105th Anniversary Jamboree, the finale celebration event, was held from 23 to 27 December 2016 at Penny's Bay at Lantau (next to the Hong Kong Disneyland).

The Jamboree took "Scouting for Youth^{105}" as theme and emphasized 3 key elements namely "Youth Involvement", "Sustainable Development" and "International Scouting". To enhance "Youth Involvement" and respond to World Organization of the Scout Movement's (WOSM) exhortation "to ensure youth involvement at all levels in the Scout Movement", we invited youth members and young leaders to involve in the preparatory work of the Jamboree. Their creativity did vitalize the event.

The 5-day-4-night fabulous"105 Challenger Trip"attracted 5,973 participants, including 5,147 local Scout members/working staff, 545 overseas Scout members from 16 countries/regions, 281 Mainland youths as well as members from 4 local youth uniformed groups. We were delighted to know that all campers were devoted to the activities and grasped the chance to make friends with others of different cultural background. We also appreciated that the participants were supportive of sustainable development and environmental protection whilst enjoying the programmes. Thanks to all staff and helpers for their contribution and enthusiasm, the Jamboree was held successfully. We were glad to know that our youth members were willing to take charge of the next Jamboree. It revealed a spirit of carrying the torch on which made our 105th anniversary perfect and complete.

To Develop Sustainably

Since 2015, we have been proactively communicating and collecting opinions from different Scout members. Having conducted a SWOT analysis and making reference to directions from WOSM and Asia-Pacific Regional Scout Committee's Vision in 2023, we firmed up a short-term, mid-term and long-term strategic plan with 5 prime tactics – Expanding Scout Movement, Enhancing Scouting Image, Supporting Frontline Leaders, Strengthening Interior Communication and Contributing to Community.

There was gradual progress in the execution of the strategic plan. We set up "Membership Strategy Task Group" in October 2016 with the objective to meet the target of having 30% increase in number of youth members from 2015 to 2023. In the meantime, "Unification of Scout Training Skills Task Group" was set up to optimize and unify objectives and contents of training skills for youth members and Scout leaders. It is expected that our management team, frontline leaders and lay members could work together to promote Scouting under the 5 prime tactics.

For better governance, we accepted an assessment "Global Support Assessment Tool" (GSAT) by SGS, appointed by WOSM, from 15 to 16 October 2016. GSAT served as a high standard to assess National Scout Organizations against 10 dimensions with 91 best practice criteria in total. It checked if certain policies were in place and well implemented in our Association. We passed the assessment successfully and were awarded a 3-year certificate which will be valid until 16 October 2019. Based on the recommendations from the assessment, we set more specific targets for our 5 tactics to closely monitor our progress. For the sake of sustainable development of the Association, we will regularly review our policies and execution progress.

To Lead Outdoor Ethic

Educating our youth to be environmentally friendly is our responsibility. "Leave No Trace" (LNT), an outdoor ethic, was one of our major highlights in 2016-2017. Our 21 LNT Master Educators organized 8 LNT trainer courses and eventually trained 113 qualified LNT trainers. Among them, some were leaders of other 7 local youth uniformed groups and members of Lions Clubs International District 303 – Hong Kong & Macao, China (LCI District 303). Over 3,000 people received related education in our 44 LNT workshops. In order to extend the coverage of LNT education, we set up booths during "Hong Kong Scout 105th Anniversary Jamboree" to educate 1,300 campers including overseas participants.

In addition, to further promote LNT in the community, we sent LNT trainers to engage in different public events, such as Mountaineering Safety Promotion Day of Civil Aid Service, seminars on countryside activity of Agriculture, Fisheries and Conservation Department (AFCD) and 25th Hiking Festival of Hong Kong Hiking Association, China. Moreover, we jointly organized LNT campaign with LCI District 303 in January 2017.

On 23 March 2017, we set up "Hong Kong Leave No Trace Trainer Union" to gather together LNT trainers from different organizations to enhance LNT education. We look forward to being the leading organization in the field of outdoor ethic promotion in Hong Kong.

Apart from LNT, the Association greatly supported AFCD's environmental protection schemes. We continued being the supporting organization of AFCD's second phase of the "Take Your Litter Home" public education programme which was launched in September 2016. In addition, to cater for the Department's Hong Kong Geopark partnership scheme, we have set up Geopark Exhibition panels at Pak Sha Wan T.W.C Sea Activity Centre and Tung Tsz Scout Centre to introduce and display pleasurable rocks and fossils, as well as to provide Scout members site experience in Pak Sha Wan and Ma Shi Chau Nature Trail in Hong Kong Geopark.

To Serve Others

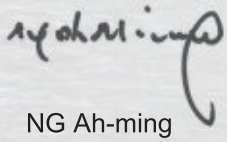

We devoted to cultivate and encourage youngsters to serve and contribute to the community. We were awarded "Highest Service Hour Award in 2015 (Public Organizations)" by Social Welfare Department. It recognized our Scout members' positive attitude in voluntary service. "Oxfam Trailwalker" was an instance to show the affection of Scout members in outdoor activities and voluntary work. They served as helpers to provide assistance at the check points every year. In addition to the 3 participation teams (with 4 members in each team) from the Headquarters, some more 6 teams were also formed by Scout members. In June 2016, the Association signed "Organ Donation Promotion Charter" as launched by Department of Health to promote organ donation. We keep our promise by encouraging members to register their wishes to donate organs in Annual Scout Blood Donation Day. Furthermore, "Contributing to Community" programme would be launched. "Elderly Service" would be the theme of the coming year to further foster the spirit of serving the community.

Regarding the service in Mainland China, the 5-year "Sichuan Youth Quality Training Project" launched from 2012 was completed in the end of February 2017. We were delighted that there were 170 thousand youths from Mian Yang and De Yang participated in related services which exceeded our original target.

To Accredit Training Courses

After 2-year preparation, the Association signed an agreement with The Open University of Hong Kong Li Ka Shing Institute of Professional and Continuing Education in October 2016 to jointly establish Professional Diploma in Aviation Studies. The Diploma was the first local part-time programme in Hong Kong that was based on Hong Kong Aviation Laws and Regulations and attained Hong Kong Qualifications Framework Level 4. It offered a golden opportunity to Scout members who were interested in pursuing a career in aviation industry to gain related professional knowledge. On the other hand, we also obtained approval from Commissioner for Labour to organize 4-day First Aid Courses for another 5 years starting from 29 June 2016. This would be a good opportunity for our members and leaders' self-enhancement.

Scout Association of Hong Kong has been growing up with Hong Kong and keeping in touch with WOSM in the past 105 years. Apart from sending Scout members to participate in overseas Scout conferences, workshops and training courses, we also assisted in hosting WOSM Finance Committee Meeting in Hong Kong Scout Centre in July 2016. In future, we will make all-out effort for better and up-to-date youth development. Our ultimate goal is that our youth members would continue contributing actively to Hong Kong, their country and the world.

Raffle Campaign is organized annually to help Scout groups, districts, regions and other units of the Association to raise funds for their training and activities. The Raffle Draw 2017 was held on 11 March 2017 at the lobby of the B P International House and 101 lucky prize winners were drawn.

Raised HK$6,540,000

Allocated back 85% of the proceeds to the selling unit, their districts and regions

Total prize value HK$440,000

Staff Development Programme

The Association provides different training programmes to equip our staff with necessary professional knowledge and skills to overcome job challenges. A series of occupational safety and health seminars provided by the Labour Department were arranged to help our staff to alert the importance of occupational safety and health. "Brain Gym Workshop" was held to increase the attentiveness of staff and ease their work pressure, as well as to restore their health. Also, "DISC Workshop" was held to strengthen managerial staff for their self-recognition as well as communication and coordination skills.

Information Technology

IT Office has assisted units in a range of system development projects including Training Management System (TMS), Estate Booking Management System (EBMS), Scout Enrollment Management System (JOINUS), and Youth Membership Information System (YMIS). IT Office has also involved in revitalizing the Association's Website. TMS and EBMS are now under user acceptance test stage. Once launched, Scout members would be able to complete training course enrollment via TMS and book the facilities of Hong Kong Scout Centre through EBMS, thus improving efficiency. JOINUS has been enhanced and a "Leader Recruitment" function is now available for those who are interested to become leaders to register at anytime they wish.

During the Hong Kong Scout 105th Anniversary Jamboree which was held in December 2016, IT Office helped to develop an Online Registration System to streamline the registration process and organized a QR tracking activity to promote the use of information technology.

Development of Association Properties

Superstructure construction works of the Hong Kong Scout Centennial Building at 34 Oi Kwan Road in Wanchai were commenced in July 2016. The Foundation Stone Laying Ceremony had been held on 10 December 2016. The whole project was targeted to be completed in the fourth quarter of 2018.

The energy-saving projects at Hong Kong Scout Centre, including air-conditioning chillers, hot water conversion system and lift modifications, were largely completed. Estate Branch is striving to liaise with the consultants and contractors to follow up the outstanding works.

Capital Works for Campsites and Activity Centres

The Branch continues to oversee all Association-funded improvement projects at campsites and activity centres. Premises benefited from the Association funding in the year includs Tai Tam Scout Centre, Gilwell Campsite and Shap Pat Heung District Headquarters. The energy efficient improvement works subvented by Environment and Conservation Fund at Gilwell Campsite and Pak Sha Wan Tam Wah Ching Sea Activity Centre had been completed.

Projects under Campsite Development Fund were also moving forward. Tendering exercise for construction of Tung Chung Scout Training Centre was completed in 2016. The construction works had been commenced and targeted to be completed in the fourth quarter of 2017.

Besides, the road improvement works at Tung Tsz Scout Centre funded by Leisure and Cultural Services Department was completed in 2016.

Tai Tam Scout Centre Building roof renewal works

Tai Tam Scout Centre pontoon replacement

Facilities improvement to Shap Pat Heung District Headquarters

Road improvement to Tung Tsz Scout Centre

Land Lease Renewals

The Branch continued to work closely with Home Affairs Bureau and Lands Department for renewal of the recreational land leases. The lease for Gilwell Campsite was renewed in 2017. For Hong Kong Island Northern District Headquarters, hold-over arrangement had been made to uphold the existing lease.

Tendering and Management of Capital Works Projects

The Technical Note on Tendering and Management of Capital Works Projects promulgated in 2012 was updated in June 2016.

Development and Planning

Programme Branch has formulated the *Youth Programme Policy* and the *Youth Protection Policy* this year in order to put the fundamental principles of World Scout Movement into practice, to cater for different needs of our youth members as well as to protect them from any dangers and harms. Furthermore, WOSM's *World Scout Youth Programme Policy* and *World Scout Youth Involvement Policy* were translated into Chinese and uploaded to the Association's website. Besides, *Safety Guideline of Sea Activities* and *Guideline of Boats Use Qualification in Sea Activities Centre* were issued to uphold the safety concerns of sea activities.

Social Responsibility

In 2016-2017, the Branch was committed to promote the Leave No Trace (LNT) education. A total of 113 persons received training and were qualified as LNT trainers. The "Hong Kong Leave No Trace Trainer Union" was also established to serve the purpose. Moreover, the Association has become a signatory of the "Organ Donation Promotion Charter" since June 2016 and the "Support Organ Donation–Scout Register Promotion Campaign" was launched to encourage members to contribute to the society.

Celebration on Anniversaries

To celebrate the 105th anniversary of Hong Kong Scouting, Programme Branch organized the "Dream of BP: The Permanent Mini Jamboree @ Kandersteg International Scout Centre" to let participants experience BP's wish of Permanent Mini Jamboree. "Hong Kong Scout Scarf Day 2016" was held to promote and reaffirm the Scouting values. 2016 marked the 100th anniversary of the founding of the Cub Scout Section of the World Scout Movement, activities with the theme of "Jungle Fever" were held. Moreover, "Cub Scouts Jungle Book Commemorative Badge Set" was produced to let Cub Scout members know more about the story of *Jungle Book*. The badge set also served as a teaching material for leaders when organizing activities.

Sustainable Development

Programme Branch strives to attract more youths to participate in Scouting Movement by organizing various activities, such as "Sharing Session on Overseas Exchange Activities and Working Holidays", "Hong Kong Scout Flight Simulator Flying Competition 2017" and "Hong Kong Grasshopper Scout Story-telling Competition 2017". On the other hand, policies and measures have been enhanced, including accepting young leaders aged 18 to 23 to take the AYP Gold Award assessment; upgrading the Weather Information System apparatus and establishing the windsock at Tai Tam Scout Centre. Last but not least, representatives were sent to participate in different uniformed groups' invitational matches to develop close rapport with them, not to mention good results were achieved.

Leader Training and Wood Badge

The Hong Kong Training Team organized 82 Wood Badge Training Courses (2,310 participants), 39 Recognized Skills Courses (748 participants), 7 Scoutcraft Accreditation Courses and Workshops (217 participants), 19 Scoutcraft Accreditation Examinations (102 participants), 2 Basic Operations Courses (59 participants), 3 Trainers' Basic Courses (68 participants) and a Workshop on Pioneering Safety (15 participants). There were a total of 3,519 leaders enrolled for the courses, examinations and workshops. Moreover, 172 leaders attained the Wood Badge.

Sharing of Experience, All in Harmony

The Gilwell Reunion and Trainers' Gathering were held on 25 and 26 December 2016 at the campsite of "Hong Kong Scout 105th Anniversary Jamboree" in Penny's Bay, Lantau Island, with 560 and 224 participants respectively. "Trainers' Seminar" was held on 3 Decemeber 2016 at Hong Kong Scout Centre with 130 participants.

To encourage Scout members to foster a close relationship with the family, Training Branch organized "Happy Family Campaign" activities named "Fun Kitchen" and "Happy Orienteering". There were 763 and 439 Scouts and their family members participated in the events respectively.

Training Resources

To provide a more comprehensive collection of reference books to Scout leaders and publications with historical value, Training Branch published a Chinese-English bilingual edition of *Games on Spiritual Development*, 2nd edition of *Mountaineering*, 2nd edition of *Knotting* and 2016 edition of *Wood Badge Holder List*.

Overseas Training

Over the year, Training Branch delegated 4 Training Team members to attend Asia-Pacific Regional Workshop on "Adults in Scouting Performance Efficiency" organized by Scout Association of Macau.

Training Branch also sent Leader Trainers to assist the "Basic Training Course for Leaders of Adults of Cambodia Scouts" held in Cambodia, "Workshop for Drafting National Training System for Myanmar Scouts" held in Myanmar, and "25th Training Team Workshop of Scouts of China" held in Taiwan.

Quality Assurance of Training Courses

Training Branch has developed Quality Assurance Scheme to ensure and enhance quality of Leader Training Courses. Over the year, we completed evaluations on 79 training courses, 6 course visits and 209 in-service trainings.

Recruitment of Leaders

The "2nd Leader Orientation Programme" has successfully recruited 24 people to join the Scout Movement. Participants have received basic training including the General Information Course of Wood Badge Training and the Practical First Aid Certificate Course, paid visit to Scout groups and carried out practical training before they became Scout leaders. Besides, the "New Leaders Matching Scheme" continued to equip potential leaders by introducing the characteristics of different sections of Scouting, basic Scout ceremonies and knotting skills before they joined Scout groups and commenced their service as frontline leaders.

Adults in Scouting Forum

"Adults in Scouting Forum" was held on 28 August 2016 to promote the concept of "Adults in Scouting" and its key elements to leaders at different levels. Participants also exchanged ideas of the implementation of *Adults in Scouting World Policy* in the Association.

Support to Scout Groups

Nine Scout groups have taken part in the "Scheme for Supporting School-based Scout Groups" in 2016-2017. Short-term instructors visited the participating Scout groups during school hours to assist the inexperienced leaders understanding the purpose and method of Scouting, and to provide guidance in several areas including administration, planning and organizing sectional unit meetings. In addition to the support to existing Scout groups, Development & Adult Resources Branch is determined to recruit minority youth to the Scout Movement. After continuous efforts, a new Scout group for ethnic minorities was established by a service centre of The Lok Sin Tong Benevolent Society.

Happy Family Campaign

The Association received funding from Home Affairs Bureau again to arrange "Happy Family" thematic programmes to promulgate the fundamental value of family. Seven activities organized by various units and regions attracted over 6,500 attendees. One of the highlights was a cleanup activity at Lung Kwu Tan Beach in Tuen Mun organized by Development & Adult Resources Branch on 26 March 2017. The activity has not only raised the youth and their family members' awareness on environmental protection but also facilitated the inter-generational communication and enhanced family harmony.

First Aid Service and Training

The Association was assessed and granted a renewal of approval of our First Aid Certificate Course recognized by Commissioner for Labour under the provision of Occupational Safety & Health Regulation, Chapter 509A. Apart from the training course recognized by the Labour Department, a variety of first aid training including First Aid Badge Training Course for Scout Section and the AED training course were arranged. Some 500 members were trained in the year under review. During the same period, our First Aid Team had provided service in big events organized by different Scout units, NGOs and government departments, and served around 45,000 people. One of the highlighted services was operating a 24-hour medical post at the "Hong Kong Scout 105th Anniversary Jamboree" which lasted for 5 days.

Promotion of Scout Movement

Public Relations Branch continues the Scout Image Project to promote Hong Kong Scouting through different channels, e.g. social media platforms, peer engagement, and live broadcasting of major Scout events. Since the launch of the Association's Facebook page in July 2016, nearly 4,500 "Likes" have been accumulated and much positive feedback received. The page is managed by a group of young Scouters. Apart from Scouting news, event promotions and activity highlights, some interesting facts about Hong Kong and World Scout Movement were also highlighted and shared. Interactive games have been organized, e.g. inviting Scout members to upload photos and giving out souvenir badges, etc. Besides the Facebook page, a YouTube channel has been set up. Promotional trailers, event highlights and interview videos were uploaded on the channel to show the public the variety of Scout activities. Information technology and social media platforms were used to promote the "Hong Kong Scout 105th Anniversary Jamboree" held in December 2016. Most up-to-date information of the Jamboree was disseminated through the designated Facebook page; a series of video clips under the theme "Prepared for the Jamboree" was produced and uploaded to the YouTube channel. During the Jamboree, photos and videos were posted on different social media platforms instantly to share the happy moments. Moreover, the opening ceremony, campfire and closing ceremony were broadcasted live on the Internet to let the public and overseas Scout members join the spectacular events together.

Keep our Promise, Heartfelt Salute!

A brand new Scout Theme of the Year "Keep our Promise, Heartfelt Salute!" has been launched in April 2016 to promote the core values of the Scout Movement i.e. Scout Promise and Law. Scout members are encouraged to join or organize theme-related activities to put the Scout Promise into action. They can also record the good deeds in daily life in the form of a short essay, photo or video to give heartfelt salute to people who live up to Scouting spirits. By the end of March 2017, nearly 22,000 Scouts have joined various theme-related events.

30th Anniversary of Scouts of the Year Selection

"Scout of the Year Selection" celebrates its 30th anniversary in 2017. The Selection gives formal recognition to the Scout members who have set the best example to their contemporaries and to arouse public awareness of the outstanding personality of Scouts. In 2016, 5 more Scout members joined the "Scout of the Year" family, making the total number of awardees to 176. Apart from continuing their services in Scout Movement, Scouts of the Year also participate in volunteer work to serve the community.

The Scout of the Year Association (SOYA) gathers all Scouts of the Year to keep contributing to Hong Kong Scout Movement and society since its establishment in 2010. Members of the 7th Executive Committee were elected during the Annual Meeting held on 11 June 2016. To celebrate the 30th anniversary of the Selection, SOYA organized a gathering during the "Hong Kong Scout 105th Anniversary Jamboree". Around 50 Scouts of the Year and guests joined the gathering to reminisce about their unforgettable moments during the Selection.

Scout Parents' Day

Under the auspices of Home Affairs Bureau and the Family Council, the Association continued to launch "Happy Family Campaign" to promote harmonic family relationship. Public Relations Branch organized "Scout Parents' Day" in February and March 2017. Over 3,000 Scouts and their family members joined various Scout activities to share the fun of Scouting together.

In the year under review, more than 1,300 Scouts travelled to 21 countries and regions to take part in various Jamborees, seminars and other exchange activities, while some 1,000 Scouts from 24 countries paid visit to Hong Kong and joined our activities.

Joint Colour Presentation Ceremony for Overseas and Mainland Exchange Activities 2016 cum Messengers of Peace Coordinator Scarf Presentation Ceremony (6.7.2016)

"Joint Colour Presentation Ceremony for Overseas and Mainland Exchange Activities 2016 cum Messengers of Peace Coordinator Scarf Presentation Ceremony" was held on 6 July 2016. Mr NG Ah-ming, Chief Commissioner, presented the colours to 9 Hong Kong Contingents, symbolizing the embarkment of the overseas and Mainland exchange programmes. To promote the "Messengers of Peace" (MoP) initiative, Mr NG also presented the MoP Scarfs to the MoP coordinators.

World Organization of the Scout Movement Finance Committee Meeting (30-31.7.2016)

Invited by World Organization of the Scout Movement (WOSM), the Association hosted the WOSM Finance Committee Meeting at Hong Kong Scout Centre on 30 and 31 July 2016. Over 20 elected leaders, each from a different country, attended the meeting. They were greatly impressed by the support we rendered during the meeting.

59th Jamboree-On-The-Air cum 20th Jamboree-On-The-Internet (15-16.10.2016)

"Jamboree-On-The-Air-Jamboree-On-The-Internet" (JOTA-JOTI) is held on the 3rd Saturday and Sunday in October every year. Scouts around the world would communicate with each other by amateur radio and Internet to demonstrate international friendship. 59th JOTA cum 20th JOTI was held on 15 to 16 October 2016 which attracted over 2,700 Scout members to participate. The theme was "Discover our World", which encouraged Scouts around the world to create opportunities for discovery.

3-day Invitational Programme at Hong Kong Scout 105th Anniversary Jamboree (23-25.12.2016)

Apart from receiving overseas campers in the "Hong Kong Scout 105th Anniversary Jamboree", International Branch organized a "3-day Invitational Programme" as well. There were 28 guests from Japan, Mongolia, Thailand, Sri Lanka, Malaysia, the Philippines, Nepal and Taiwan converged in Hong Kong. They joined the opening ceremony of the Jamboree, paid a visit to their national delegations at the campsite, explored the tourist spots and had a dinner gathering during their stay.

Overseas Scout Leaders to Hong Kong

This year, a number of prominent Scout leaders from around the world visited Hong Kong and our Headquarters, including the Vice-Chairman and Secretary General of the World Scout Committee, Chairman of Asia-Pacific Regional Scout Committee, International Commissioner of the Polish Scouting and Guiding Association, National Scout Organization of Thailand, Korea Scout Association and the Scouts Association of Malaysia and the delegation of Saudi Arabia Scouts.

In the year under review, over 720 Scout members visited different Mainland provinces to carry out service projects and cultural exchange activities. During the same period, 900 Mainland youths paid visit to our Association or took part in our activities.

Hubei Internship Programme 2016 (11.6-10.7.2016)

Followed by the success last year, "Hubei Internship Programme" was re-launched in Summer 2016. A total of 21 participants worked at 4 prestigious corporates in Wuhan, Hubei, for 1 month. It gave them a taste of working in China and a chance to experience the culture of Mainland job market. Weekend excursion and exchange activities were arranged during their leisure time, which enriched their knowledge about the cultural and economic development in China.

Mainland Exchange Study Tour 2016 (15, 18-19.6.2016)

"Mainland Exchange Study Tour 2016" was held in June 2016. Twenty-five members explored the opportunities brought by the Belt and Road development strategy and the economic growth in the Pearl River Delta. They also shared the experience in organizing Mainland exchange programmes for Scout members. The workshop was concluded by an excursion to Shenzhen and Qingyuan. They met with members of the Shenzhen Youth Federation to discuss the development trend of youth programmes. They also visited Evergrande Football School and Qingyuan City Planning Exhibition Hall to map out a new direction for exchange between Hong Kong and Mainland youngsters.

Volunteer Teaching and Community Service Project in Jiangmen (1-3.7.2016)

In July 2016, a Contingent of 44 people visited Jiangmen and conducted a 3-day volunteer teaching to the local students. They taught the students how to sing English songs, act in drama, read the tongue twisters and give a speech. After that, they headed to Jiangmen No.8 Middle School, where game stations were set up to illustrate Scoutcraft, such as first aid, knotting and adventure. With the help of Scout members, local students also learnt to build a Roman catapult. A total of 150 Mainland youths participated in the project and they were deeply impressed by our service.

10,000 Miles Friendship Trek (22-31.7.2016)

Introduced since Year 2002, "10,000 Miles Friendship Trek" enables participants to enhance the knowledge of history, culture and economic development through excursion activities of our homeland. A joint delegation of some 280 members coming from our Association and other 13 youth uniformed groups went to Beijing and Inner Mongolia in July 2016. The teenagers attended a youth meeting under the National Flag programme in Beijing followed by a number of excursions and exchange activities in the Inner Mongolia.

Sichuan Service Projects

After the earthquake of Sichuan in 2008, the Association assisted in the reconstruction of Mianyang City Youth Activities Centre and Deyang City Youth and Children Palace. Hong Kong Scouts were committed to implement a 5-year Sichuan Youth Quality Training Project. The Project concluded successfully in February 2017. Some 148,000 and 20,000 Sichuan youths received training in Mianyang City Youth Activities Centre and Deyang City Youth and Children Palace over the 5-year period respectively, which overachieved the original target of 113,400 and 11,700 youths.

Our volunteer team together with a team of Mainland volunteers provided 5 training and activities in 2016 to around 610 Sichuan youths, and supported the psychological rehabilitation of the youngsters of Mianyang, Deyang and the surrounding areas. We continued to implement Sichuan Volunteer Training, with a view that these trained trainers could promote volunteering locally. In 2016, 113 Sichuan volunteers received our training.

Regions

Hong Kong Island Region has continued to set its goals to align with the Association's development strategies over the year.

Development of Scout Movement

Increasing and retaining membership are the main focus of Scout Movement. To achieve the first goal, districts of the Region have conducted a variety of activities like exhibitions and recruitment events. They also contacted schools and community organizations to seek for opportunities to form new groups or expand the existing units.

To retain members, attractive activities were organized with educational and Scouting elements. Participants enjoyed and experienced the fun of Scouting and were encouraged to continue to engage in Scout Movement. In 2016, 8,738 participants attended 124 Scouting events, training courses and competitions. A good portion of youth members attained highest sectional awards, including 162 Golden Bauhinia Awardees, 37 Chief Scout's Awardees, 19 Dragon Scout Awardees and 3 Baden-Powell Awardees.

The overall membership in the Region in 2016 was 9,626, an increment of 3.16% from the previous year.

Positive Image of Scouting

As in previous years, the Region assisted the city's mega-event "The Standard Chartered Hong Kong Marathon" with more than 1,300 members participating and providing logistics support. Their work received positive feedbacks which helped to elevate the image of Scouting. Two iconic events of the Region: "Island Scout Day 2016" and "Island Scout Trail Walk 2017" continued to spread the Scouting spirit to the community. Charity element was added to the events, encouraging members to help others and serve the community, which also helped to promote Scouting.

Support to Frontline Leaders

The Region continued to support frontline leaders in numerous ways. Over 140 leaders attended a leader day named "I am a Scouter" and were commended for their excellent service in Scouting. The Scout Leaders' Club continued to provide a variety of services and activities to frontline leaders including shopping discounts, movie gala and other events.

The Training Team maintained its high level of performance and standard. A total of 26 training courses and workshops were organized and attended by 704 participants. In addition, 24 leaders attained the Wood Badge.

Various enhancement works at Tai Tam Scout Centre were completed. The enhancement will bring better services to the campers. In 2016, 40,000 people visited the Centre, reaching nearly 100% utilization rate.

Enhance Internal Communication

The Region organized activities like retreats, training team seminars and programme seminars to further enhance the communication among leaders and commissioners. Other events were also organized for lay members to let them have a better understanding of the Association and create a sense of belonging.

Service to the Community

Over the year, 7,981 members participated in more than 83,267 hours of service programmes organized by the Region, districts and Scout groups, such as a programme for the visually impaired and disabled and a shoe-donation programme to children from low income or single parent families. The activities aligned with the commitment of the Region to "make contributions to the community".

Youth Participation

In order to facilitate youth participation and succession, "Scouting for Life – Overseas Exploration" was organized for the second time. Youth members were also invited to join the organizing committees of major events to allow them actively contribute in Scouting.

Happy Family

The Association continued to receive funding from Home Affairs Bureau to hold Happy Family Campaign to promote family core values. The Kowloon Region held the Happy Family Campaign day camp in Tung Tsz Scout Centre on 22 January 2017 which attracted more than 500 participants coming from some 160 Scout families. The event further promoted the importance of family harmony and mutual communication within the family, reinforced parent and child relationship and encouraged the community to build happy families.

Serving the Community

The Region launched an elderly-serving day in Sham Shui Po District on 5 March 2017. Over 200 Scouts and their family members visited some 400 elderly with difficulties to help cleaning the apartments and distribute lucky bags to spread love. They also enjoyed a variety show together. The event aimed at educating youth the concept of serving the community, encouraging parents and child join hands to do social services and manifesting the traditional virtue of the Chinese culture to respect the elderly.

Sichuan Service Project

To echo the Sichuan Service Scheme launched since 2012 by the Association, the Region maintained close ties with schools in Sichuan throughout the year and arranged students with suitable glasses to correct their vision. The joyous smile on their faces and the thank you letters became the powerful drive of the volunteers.

Internal Communication Enhancement

On 3 July 2016, lay members of the Region visited all the 9 District Headquarters. Regional Commissioner introduced the history as well as the features of the District headquarters. District Commissioners then gave a brief of the operations of the districts and shared the challenges and opportunities they were facing. Group Scouters explained the group operation to lay members. Through the visit, volunteers of different levels established a closer working relationship with each other.

Gilwell Campsite

The Region held the closing ceremony for "Gilwell Campsite 55th Anniversary Celebration" on 13 November 2016 which was the epilogue of the celebrations throughout the year. All guests unveiled together the memorial plaque for the "March To Gilwell" fundraising walkathon, after which the plaque would be erected at the lecture hall of Golden Jubilee House, to express the gratitude to the support of lay members. The Region is now planning to establish a "Leave No Trace Activity Centre" in Gilwell Campsite to promote and actualize the mission for environmental concerns.

Hong Kong Scout 105th Anniversary Jamboree

The Region was responsible for camp service, special night events, stage management as well as Kowloon Sub-camp activities during the "Hong Kong Scout 105th Anniversary Jamboree". Through the Jamboree, every participant experienced the 3 main themes of the Jamboree viz Youth Involvement, Sustainable Development, and International Scouting, and would continue to realize the said themes in the future.

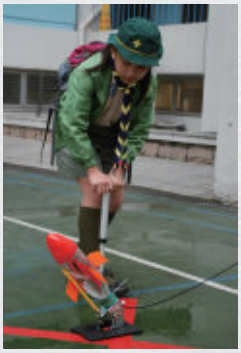

Creativity and development

East Kowloon Region is very committed to the training up of youth members as innovative and responsible persons to catch up with the times. Various trendy progammes and training activities were organized to meet youth members' interest and needs. The first-ever aviation exploration day was organized to enhance the knowledge of science. Participants experienced the excitement of aviation through different aviation activities like paper plane competition and flight stimulation. Besides, to acquaint the Cub Scouts with the Jungle story, "The Jungle Book Film Gala" was held. Over 700 Cub Scouts, their parents, Scouters and lay members joined the film.

Promotion and image building

To further promote Scouting, the Region organized "Scout Promotion Day" in Wong Tai Sin Scout District, introducing traditional activities of Air Scout, Sea Scout and Scout to the public. The event was a great success with over 1,000 participants took part in various challenging activities with fun. The Region is going to organize more promotion activities in the coming years. To put the Sectional belief "service-oriented" into practice, Rover Scouts in the Region celebrated Mid-Autumn Festival with low income families and elderly with their hand-made mooncakes.

Generation, human and nature

It was excited to have nearly 700 youths coming from the Region, overseas, the Mainland and other uniformed groups joining together in the "Hong Kong Scout 105th Anniversary Jamboree". The Sub-camp themes were "Generation", "Human" and "Nature". Welcome party was held in "Dai-Dat-Tei" style, a traditional Hong Kong night bazaar. Numerous traditional yet interesting game stalls and local food tasting counters were operated. The Sub-camp was filled with joy and campers enjoyed the bustling atmosphere very much. A challenging pioneering playground was set up for campers to train up their equilibrant and courage. Campers experienced the key elements of the Jamboree viz youth involvement, the joyful of international Scouting and importance of sustainable development. It is expected that campers would share their experience with other Scouts and uphold the jamboree spirit.

Pak Sha Wan Tam Wah Ching Sea Activity Centre

With generous donation, Pak Sha Wan Tam Wah Ching Sea Activity Centre underwent a series of facilities and environment enhancement projects: pontoon replacement, slope remedial project and CCTV system upgrade. Moreover, the Centre replaced and purchased training equipment, such as PICO sailing dinghies, pioneering equipments and cooking utensils. As the Centre is located next to the Hong Kong Global Geopark of China, exhibition panels provided by the Agriculture, Fisheries and Conservation Department about the Geopark have been displayed in the Centre to arouse Scout members, as well as campers, the awareness on environmental protection and conservation. In the coming year, the Centre will purchase Stand Up Canoe and organize related trainings and activities so as to provide quality sea activities to youth members.

Challenging Experience for Successor

In the first half of 2016, New Territories Region (NTR) held the "Challenge for Life" programme in Australia to nurture and train up young leaders to be successors of the Region. The 15 participants had to complete a series of assigned tasks and make a full planning of their trip to Brisbane, including travel schedule and training arrangements. They also prepared souvenirs and organized fund raising activities. Before heading to Australia, participants joined various workshops and outdoor trainings for 5 months to equip themselves. In the 8-day trip, they took up challenges that they could not experience in Hong Kong like skydiving and tree top challenges. The team overcame every challenge and built up trust among each other. This gave them a valuable experience and an important lesson in their Scout life.

Celebration for 105th Anniversary of Hong Kong Scouting

To celebrate the 105th anniversary of Hong Kong Scouting, the Association held the 5 days 4 nights "Hong Kong Scout 105th Anniversary Jamboree" at Lantau Island in December 2016. Over 1,200 Scout members and leaders from NTR participated in the Jamboree. NTR Sub-camp also served Scout members from Iceland and the Philippines, as well as youth from Shenzhen, this provided a very good platform for Hong Kong Scout members to interact with youth from different culture. To echo one of the themes of the Jamboree, "Youth Involvement", NTR Sub-camp invited young leaders and members to prepare certain activities, one of them was the Sub-camp party held on the first night of the Jamboree. The show displayed the development of Hong Kong Scout and NTR by 5 chapters namely "Reproduction", "Nurture", "Cocoon Breaking", "Developing" and "Spreading Wings". Audiences were amused by the great performance. Among the 9 Jamboree competitions, NTR won 2 championships, 5 first runners-up and 2 second runners-up. Inspired by the "Messenger of Peace" logo, the gate of NTR Sub-camp was made of a lifelike pigeon spreading its wings and flying onward which made NTR the first runner-up in the Sub-camp Gate Competition.

The Way Onward

To comply with Chief Commissioner's development strategies, NTR will review and concentrate resources in 5 aspects: Expanding Scout Movement, Enhacing Scout Image, Supporting Frontline Leaders, Strengthening Interior Communication and Contributing to Community. 2018 marks the 60th Anniversary of NTR. Various celebration activities are under planning. The big band show "Music Wonderland 2017" to be held in November 2017 is not only a kick-off ceremony of the celebration but also a fund-raising programme for the renovation of NTR Headquarters which aimed to provide a better venue for Scout trainings and activities for our members.

Thanks to the dedication of volunteers and the support of various parties, all the activities and events held in 2016-2017 had been accomplished with great success. A 3-year strategic action plan has been hammered out by respective divisions, of which a clear target of a 10-percent annual increase of membership and a Scout group support programme will be evaluated periodically. All sections would give their full support on the implementation of the plan to achieve the goals on membership development and group support.

Award attainment for quality enhancement

As at 31 December 2016, New Territories East Region (NTER) had a total of 11,788 members and 225 Scout groups. The Region organized 50 youth events and 12 leader training courses with 22 leaders successfully completed the Wood Badge Training. The number of Scouts achieving the highest awards reached 222, including 178 Golden Bauhinia Awards, 34 Chief Scout's Awards, 6 Dragon Scout Awards and 4 Baden-Powell Awards. The overall results were encouraging.

Remarkable 105th Anniversary event – Full Participation

"Hong Kong Scout 105th Anniversary Jamboree" was held from 23 to 27 December 2016. Most of the members of the Region took part in this remarkable event of Hong Kong Scouting. The planning of the Sub-camp involved the participation of youth members, which aimed at providing opportunities for the new-generation to involve in strategic planning of different projects, and to design activities catering for the interests of youth. The results were remarkable and were highly appreciated by our participants.

Swimming gala–An unprecedented success

Besides, "1st NTER Scout Track and Field Day" and "1st NTER Scout Swimming Gala" were held to enrich traditional Scout training. These diversified activities served to enhance the cohesion among members and encourage physical training towards better health and fitness.

Overseas expedition with huge challenges

To continue the training of youth members through overseas expedition, the Region organized another programme, an 11-day trip – Melbourne Challenge, in 2016. Our courageous 27-member team made their adventurous journey through hiking and camping on snowy mountains, making the way into the pitch-black cave underground and undergoing challenges of adventure training at Gilwell campsite. Upon completion of the programme, members who received sponsorship would apply what they have learnt to assist in various Regional activities and events.

The Way Foreward

For the year 2017-2018, the Region will continue to organize fascinating youth activities and programmes which include the Heyuan exploration trip, air activities related competitions, Old North District Office Open Day, and NTER Scout band performance/joint uniformed groups military band show. With good team work and good spirit, our members will work hand in hand to implement the strategic action plan as formulated, with the aim to attain 10-percent increase in membership through recruitment in development projects and retention of members by delivering full support to the Scout groups. The Region strives for excellence and perfection in all aspects of the development.

Accredited Learning Programmes under Hong Kong Qualifications Framework (QF) Level 3

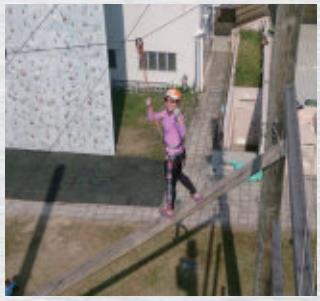

Since 2013, Leadership Training Institute (LTI) has operated 3 QF Level 3 learning programmes – Certificate in Leadership Skills, Certificate in Expedition Skills and Certificate in Adventure Education: Principles and Application. As at the end of the year, the Institute offered 18 programmes and 231 learners have completed the programmes successfully.

Leadership Training Institute Review

Leadership Training Institute Review Committee was established in July 2015 to review the operations and effectiveness of the Institute, as well as to explore the future development of the Institute. A Review Report was submitted to Chief Commissioner on 26 August 2016. LTI will follow-up the suggestions and recommendations of the report.

Training Programmes in Wong Siu Sang Leadership Training Institute

A variety of adventure education training programmes have been organized for our members and general public since the establishment of the Institute. In the year of 2016-2017, LTI offered 178 programmes for 61 units with a total of 7,593 participants. Workshops and gatherings were held periodically by the Adventure Education Instructor Team to exchange and share experiences.

Leadership Training for Tertiary Institute Students

With trust and recognition from tertiary institutes, LTI was invited to design and deliver a general education elective course, "Leadership in Practice", for students of United College of The Chinese University of Hong Kong. Eighteen cohorts with a total of 387 students have successfully completed the courses since 2008. LTI also collaborated with PolyU-SPEED to organize a credit bearing general education course on leadership in which 402 students have successfully completed the study in the period of 2016-2017.

Aviation Training Centre

Due to strong demand for quality flight training, the number of patronage has increased from 740 in 2015-2016 to 800 in 2016-2017, an 8% increase from the previous year.

The Centre continued to provide flight training support to Venture Scout Section's Air Crew Badge and flight instructional training to leaders. In 2016-2017, 361 participations were related to Air Crew Badge training, involving 316 flight hours. A total of 332 flights related to instructor training have been conducted, involving 358 flight hours.

The Centre also assisted members to plan their actual flight training to achieve different level of pilot licenses. Over the year, 3 Venture Scouts and 2 leaders earned their Scout Wing by completing their solo flight trainings in short amount of time in New Zealand and Malaysia with the help of flight simulation training in the Centre.

The Association continues to work as a co-organizer of "Cathay Dragon Aviation Certificate Programme". Seven members were graduated from the certificate programme in 2016, 3 of them have earned their Scout Wing after the completion of the Programme and 2 of them started their career in the aviation field. In 2017, another 10 members were invited to join the Programme. As in last year, they would go through a 9-month comprehensive aviation training. Members would be offered the opportunity to take an observation flight operated by their mentors to experience the actual flight operation from the cockpit.

The Friends of Scouting (FOS) is a subsidiary of Scout Association of Hong Kong. It assists the Association in extending its services to non-Scout youth and providing social service in response to the needs of the community.

"Creating favourable circumstances for young people to develop themselves and make contribution to the community" is FOS's mission statement. The services of FOS include Integrated Children & Youth Service, School Social Work Service and Comprehensive Education Service. There were 10 Scout groups under the sponsorship of FOS.

Integrated Children & Youth Service

In 2016-2017, the 2 Service Centres for children and youth service located in Yuen Long and Kowloon Bay organized "Caring with love" project to enhance mental health of young people. The project aimed to develop love and caring culture in schools and community through various programmes for students, parents and teachers. In particular, seminars were held to facilitate teachers and parents to identify emotional issues of young people at earlier stage. Moreover, we made use of social media to spread positive messages on "Caring and Love" to prompt positive energy such as "Support", "Hope" & "Stand by you" among young people. Furthermore, we also provided training to develop "Gatekeepers" to protect youth from attempting suicide.

Apart from socialization and social competence development, our centres served children with special education needs. "Active Heart of Children" project, which provided service to Attention Deficit/ Hyperactivity Disorder (ADHD) children and their parents, gained good recognition in the community.

FOS has also organized various programmes to serve different community needs. "Know the Future" project for non-engaged youth and "Life Planning" project for students were some of the services to enhance youth life planning. "Life Planning" project serves 28 schools in the community. Besides, "Healthy School" was organized with subvention of Beat Drug Funds for 5 secondary schools in 2016-2017.

School Social Work Service

The School Social Work Team provided stationing service for 10 secondary schools in Yuen Long and Tuen Mun. Services included individual counselling, group and developmental work, parent education and community services. In 2016-2017, the common theme for the schools we served was "Caring and Healthy Campus", which aimed to promote caring culture in schools, foster acceptance of different culture and encourage the understanding of those with learning difficulties. The theme emphasized 4 elements: Respect, Acceptance, Admiration and Cultivate a healthy self. Our school social workers organized 254 programmes/groups with a total attendance of 26,900 and handled 951 cases. On the whole, the School Social Work Team achieved the targets. Their work not only met the requirement of Social Welfare Department, but also successfully passed the "Service Quality Standards" on-site assessment in May 2016 with positive comment.

Education Service

The Education Centre organized various academic and interest courses to provide learning opportunities to people of different walks of life. A total of 526 courses from April 2016 to March 2017 were conducted, including 83 subvented courses (comprising 23 courses of Adult Education and 60 courses) and 443 non-subvented courses funded by Employees Retraining Board (ERB). The total number of enrollment was 4,828 of which 73% were children and youth.

In 2016, "Pilot Project on Child Care Training for Grandparents" was launched under the subvention from Lotteries Fund which received good feedbacks. We were also invited by the Information Services Department to have a video shooting for promotion in news.gov.hk. The Centre also launched the exclusive "Foundation Certificate in Camp Services" course with approval from ERB. Graduates were qualified to register as a Provisional Part-time Camp Counsellor under Leisure and Cultural Services Department. The Centre will launch related course in the coming year for adults with learning aspirations to pursue continuing education and training.

The Baden-Powell Scout Club of Hong Kong (BP Club) is committed to upholding the fellowship among serving and retired/inactive Scouts in Hong Kong, encouraging them to keep the Scout Promise and Scout Law as well as the spirit of Scouting.

Diversified Activities

A wide range of local and outbound activities were organized in the year, including Lychee Journey in Dongguan, 5-day Taiwan Exchange Tour, 3-day Jiangmen Gourmet Safari, Lunar New Year Pun Choi Feast, Friendship Camp 2016, Mahjong Competition and Singing Contest 2016. The Inauguration Ceremony and Annual Dinner attended by 313 people was held on 30 October 2016. The Ceremony was co-officiated by Mr David YIP, Chairman of the Executive Committee of the Association, and Mr NG Ah-ming, Chief Commissioner. All guests had a joyful evening.

In addition to regular programmes, BP Club was assigned to take charge the souvenir shop of the 5-day "Hong Kong Scout 105th Anniversary Jamboree". The whole team made concerted efforts to design and source souvenirs, arrange promotion fairs, handle pre-orders and manage the souvenir shop at the Jamboree site, all for contributing to the Scout Movement in Hong Kong.

Interest Classes and Talks

To help our members develop a healthy lifestyle, different interest classes including Taiji, Erhu (Chinese violin), Chinese Opera and social dance were arranged as in the past. Apart from these interest classes, an introductory photography workshop was organized to allow our members to acquaint themselves with the basic knowledge and techniques of photography. A workshop on Chinese tea was also arranged. A tea expert was invited to share with our members the tea culture and tasting techniques. Participants enjoyed very much the demonstration of brewing of major types of Chinese tea and the art of beautiful ceramic tea ware.

Activities of Interest Clubs

This year, our Wine Society organized 6 wine gatherings, allowing our members to appreciate the wines from Chile, South Africa, Spain, Germany, Israel and Austria. Specialists were invited to introduce the characteristics of wines from various origins and tasting techniques.

To put the Scouting spirit into practice, our Chinese Opera Society delivered 2 community service programmes on 30 October 2016 and 18 March 2017 respectively, sending our blessing to the elderly with series of beautiful songs and also gift bags.

Apart from supplying Scout uniforms, the Scout Shop of Hong Kong also offers outdoor gears, books and Scout souvenirs to our members. The Scout Shop constantly provides products with good quality at affordable prices. Various outdoor product promotions are also launched via interactive platforms such as Facebook page and Internet shop.

Main shop

In 2016-2017, the Scout shop put more effort into developing products with Scouting characteristics, including semaphore signal folder, UV protective hat, ball pen and umbrella with Scout logo. Among the new products, the semaphore signal folder has generated satisfactory sales since its launch in May 2016. The Scout shop will continue to explore various outdoor gears and books, and also souvenirs from the World Scout Shop. Moreover, the Product Development & Design Sub-Committee will be set up to develop more Scouting products with local features to promote Scouting, as well as to increase product variety.

Internet Shop

Internet Shop (www.scout.org.hk/shop) has been established since March 2011 with more than 1,900 registered members. It aims to explore foreign market and promote Hong Kong Scouting products. Customers from all over the world such as Australia, New Zealand, United Kingdom, United States of America and Spain have visited the Internet Shop and placed orders. Furthermore, the web page of the Shop will constantly be upgraded so as to enhance viewer's e-shopping experience. Promotion will also be made via the Association's Facebook page to increase the sales.

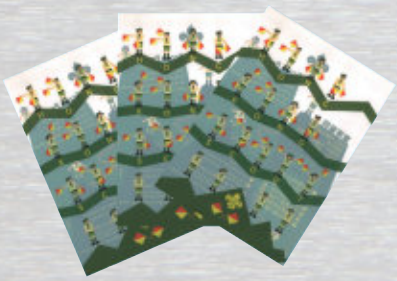

Facebook

Messages and posts published on the Shop's Facebook page enjoyed ratings of no less than 1,000 times per message. Messages concerning how to take care (washing & ironing) of Scout uniform and Scout souvenirs from World Scout Shop were exceptionally popular. The Scout Shop will continue to utilize this channel to draw members' attention and attract responses.

Looking Forward

The Product Development & Design Sub-Committee will be set up. It is expected more innovative ideas and products will be introduced to the Shop. Besides, the re-opening of Wanchai outlet is under preparation in order to cope with our members' need.

The Commissioners' Club is located on the 8th floor of the Hong Kong Scout Centre with around 5,000 members. Over the past 20 years, the Club serves to provide a well-equipped and elegant meeting place for members, Scout leaders and adult members to enhance fellowship.

A well-equipped Commissioners' Club

The Club is featured with a number of facilities including Kum Tao Heen, Impeesa Bar, Brownsea Lounge and Gilwell Corner. Kum Tao Heen in-charged by renowned chefs provides a comfortable venue to serve Cantonese cuisine. Brownsea Lounge boasting one of the best panoramic views of the Hong Kong skyline is also a cozy outdoor space for social gathering. Impeesa Bar and Gilwell Corner are the ideal places for chit-chatting and social gathering with fellow Scouts, friends and members.

Brownsea Lounge

To further improve the outdoor surroundings, the Club re-designed the green area of the Brownsea Lounge. New plants such as 5-feet tall Podocarpus Macrophyllus, Brazil Bougainvillea, Glory Bush and Chinese Ixora were grown to create a harmonious natural environment.

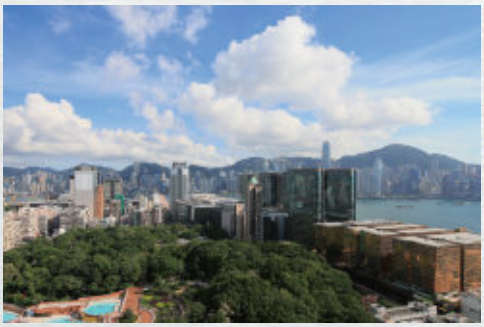

Activities

An annual banquet for members was held on 17 February 2017 to celebrate the Lunar New Year with around 200 members and guests. The dinner was highlighted by the live band performance and lucky draw.

Member Exclusive

Free Drinks (beers and soft drinks) and live jazz music performance are available for members at Impeesa Bar on every Friday. Different exclusive benefits were offered to members thoughout the year, including discount on 4G Pocket Wifi service plan.

The Hong Kong tourist industry went through a turbulent period in 2016. According to data announced by the Hong Kong Tourism Board (HKTB), total visitor arrivals in 2016 recorded a 4.5% decrease from the year before. While there was a drop in arrivals from Mainland China, the number of visitors from other international markets increased by 3.1%. A number of currencies, including the Japanese yen, Korean won and euro recorded value depreciations during the year. In addition, there was an easing of visa requirements as well as the implementation of tailored promotions to attract Mainland visitors in many countries, which directly affected the overall competitiveness of the local tourism industry.

Moreover, the hotel room supply in Hong Kong has been increasing for years, totalling 74,868 rooms as of last December. The HKTB also estimates that the total number of hotel rooms will reach 87,417 by 2019, a nearly 17% rise compared to 2016.

Despite these unfavourable market factors, B P International House (BPIH) recorded a slight increase of average room occupancy rate during fiscal year 2016-2017 compared to the same period last year. The average room rate however slightly decreased, but overall performance remained stable.

One of the effective initiatives BPIH launched was the roll out of a synergistic and balanced mix of versatile sales platforms with heavier emphasis on flourishing e-commerce channels. The booking of different room packages directly from our website also proved successful and helped us better consolidate and further explore our client base significantly.

To increase travellers' enjoyment, BPIH will launch a guest room refurbishment project based on a modern, simple design to create a more spacious environment with a new, chic style. Two F&B outlets are also continually being upgraded to provide a more pleasant ambience and greater guest experience. The new equipment installed in Cafe by the Park and Flamingo Lounge now create a more comfortable and elegant impression.

Gordon Wu Hall will further upgrade its overall facilities with the installation of a large-scale LED screen as well as a state-of-the-art projector and audio-visual system in August 2017, in order to enhance the overall event experience. Moreover, car park renovation work is slated for completion in mid-2017.

BPIH has long contributed to a wide range of community services, including "Earth Hour", "Hong Kong Cyclothon 2016", and other territory-wide events to meet our responsibilities as a good corporate citizen. In addition, BPIH is committed to supporting the younger generation through its collaboration with The Friends of Scouting to arrange a couple of hotel visits for secondary school students. Through touring around different departments and meeting veteran employees for learning their insights and work experiences, the activities helped to inspire youngsters who are interested in the hospitality industry.

Looking forward, BPIH will continue to monitor and respond promptly to future global challenges and market changes, as well as satisfy varied customer needs. BPIH will also earmark greater resources to further develop online sales platforms, marketing campaigns, staff training and hardware upgrade projects. By initiating more efficient cost control measures and enhancing risk management protocols, BPIH is confident of achieving satisfactory performance steadily over the coming years.

Independent auditor's report to the Council of Scout Association of Hong Kong

(Incorporated under the Scout Association of Hong Kong Ordinance)

Opinion

We have audited the financial statements of Scout Association of Hong Kong ("the Association") set out on pages 4 to 49, which comprise the statement of financial position as at 31 March 2017, the statement of income and expenditure, the statement of comprehensive income, the statement of changes in funds and reserves and the cash flow statement for the year then ended and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the financial statements give a true and fair view of the financial position of the Association as at 31 March 2017 and of its financial performance and its cash flows for the year then ended in accordance with Hong Kong Financial Reporting Standards ("HKFRSs") issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA").

Basis for opinion

We conducted our audit in accordance with Hong Kong Standards on Auditing ("HKSAs") issued by the HKICPA. Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the financial statements* section of our report. We are independent of the Association in accordance with the HKICPA's *Code of Ethics for Professional Accountants* ("the Code") and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information other than the financial statements and auditor's report thereon

The Executive Committee members are responsible for the other information. The other information comprises all the information included in the annual report, other than the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

KPMG

Independent auditor's report to the Council of Scout Association of Hong Kong (continued)

(Incorporated under the Scout Association of Hong Kong Ordinance)

Responsibilities of the Executive Committee members for the financial statements

The Executive Committee members are responsible for the preparation of the financial statements that give a true and fair view in accordance with HKFRSs issued by the HKICPA and for such internal control as the Executive Committee members determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Executive Committee members are responsible for assessing the Association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Executive Committee members either intend to liquidate the Association or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. This report is made solely to you, as a body, in accordance with our agreed terms of engagement, and for no other purpose. We do not assume responsibility towards or accept liability to any other person for the contents of this report.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with HKSAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with HKSAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.

KPMG

Independent auditor's report to the Council of Scout Association of Hong Kong (continued)

(Incorporated under the Scout Association of Hong Kong Ordinance)

Auditor's responsibilities for the audit of the financial statements (continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Executive Committee members.
- Conclude on the appropriateness of the Executive Committee members' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Association's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Association to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Executive Committee members regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Notes to the financial statements
(Expressed in Hong Kong dollars)

1 General information

(a) Organisation and activities

Scout Association of Hong Kong (the "Association") is a body corporate with perpetual succession established under the Scout Association of Hong Kong Ordinance (Chapter 1005 of the Laws of Hong Kong) for the purpose of furthering and promoting the Scout Movement in the Hong Kong Special Administrative Region ("HKSAR").

The Association established The Hong Kong Scout Foundation in accordance with the Scout Association of Hong Kong Ordinance. On cessation or dissolution of the Foundation Management Committee, the Association would be the legal owner of all funds and assets under the name of the Foundation.

(b) Operations included in the financial statements

The financial statements include the operations of the following:

(i) Headquarters of Scout Association of Hong Kong ("Scout Headquarters");

(ii) The Hong Kong Scout Foundation ("the Foundation");

(iii) The Scout Shop of Hong Kong ("Scout Shop");

(iv) B P International House ("Hostel");

(v) Hong Kong Island Region, Kowloon Region, East Kowloon Region, New Territories Region and New Territories East Region, including New Territories Region Development Fund Commission and New Territories Campsites & Sea Activities Centre Development Fund (collectively known as "the Regions"); and

(vi) Gilwell Campsite, Pak Sha Wan Tam Wah Ching Sea Activity Centre, Tai Tam Scout Centre, Tung Tsz Scout Centre, Shatin Scout Centre, Tai Mei Tuk Sea Activity Centre and Choi Chee Ming Luen Kwong Scout Centre (collectively known as "the Campsites").

1 General information (continued)

Their principal activities are as follows:

Scout Headquarters, the Regions and the Campsites:

- furthering and promoting the Scout Movement in the HKSAR.

Hong Kong Scout Foundation:

- managing any funds assigned by the Executive Committee of Scout Association of Hong Kong;
- receiving any donations for the Foundation; and
- managing the surplus generated from the investment of the funds.

Scout Shop of Hong Kong:

- selling of Scout uniforms and other accessories.

B P International House:

- operating a hostel.

2 Significant accounting policies

(a) Statement of compliance

These financial statements have been prepared in accordance with all applicable Hong Kong Financial Reporting Standards ("HKFRSs"), which collective term includes all applicable individual Hong Kong Financial Reporting Standards, Hong Kong Accounting Standards ("HKASs") and Interpretations issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA") and accounting principles generally accepted in Hong Kong. Significant accounting policies adopted by the Association are disclosed below.

The HKICPA has issued certain new and revised HKFRSs that are first effective or available for early adoption for the current accounting period of the Association. Note 2(c) provides information on any changes in accounting policies resulting from initial application of these developments to the extent that they are relevant to the Association for the current and prior accounting periods reflected in these financial statements.

2 Significant accounting policies (continued)

(b) Basis of preparation of the financial statements

The measurement basis used in the preparation of the financial statements is the historical cost basis except for financial instruments classified as available-for-sale securities (see note 2(d)) which are stated at fair value.

The preparation of financial statements in conformity with HKFRSs requires management to make judgements, estimates and assumptions that affect the application of policies and reported amounts of assets, liabilities, income and expenses. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the results of which form the basis of making the judgements about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

Judgements made by management in the application of HKFRSs that have significant effect on the financial statements and major sources of estimation uncertainty are discussed in note 3.

(c) Changes in accounting policies

The HKICPA has issued a number of amendments to HKFRSs that are first effective for the current accounting period of the Association. None of these developments have had a material effect on how the Association's results and financial position for the current or prior periods have been prepared or presented.

The Association has not applied any new standard or interpretation that is not yet effective for the current accounting period.

(d) Investments in debt and equity securities

Investments in debt and equity securities are initially stated at fair value, which is their transaction price unless it is determined that the fair value at initial recognition differs from the transaction price and that fair value is evidenced by a quoted price in an active market for an identical asset or liability or based on a valuation technique that uses only data from observable markets. Cost includes attributable transaction costs. These investments are subsequently accounted for as follows, depending on their classification:

(i) Held-to-maturity debt securities

Dated debt securities that the Association has the positive ability and intention to hold to maturity are classified as held-to-maturity securities. Held-to-maturity securities are stated at amortised cost less impairment losses.

2 Significant accounting policies (continued)

Impairment losses for held-to-maturity securities are recognised when there is objective evidence of impairment and are measured as the difference between the asset's carrying amount and the present value of estimated future cash flows, discounted at the asset's original effective interest rate (i.e. the effective interest rate originally computed at initial recognition of the asset). Objective evidence of impairment includes observable data that comes to the attention of the Association about events that have an impact on the asset's estimated future cash flows.

If in a subsequent period the amount of an impairment loss decreases and the decrease can be linked objectively to an event occurring after the impairment loss was recognised, the impairment loss is reversed through the statement of income and expenditure. A reversal of an impairment loss shall not result in the asset's carrying amount exceeding that which would have been determined had no impairment loss been recognised in prior years.

(ii) Available-for-sale securities

Other investments in securities, being those held for non-trading purposes, are classified as available-for-sale securities. At the end of each reporting period the fair value is remeasured, with any resultant gain or loss being recognised in other comprehensive income and accumulated separately in the investment revaluation reserve, except foreign exchange gains and losses resulting from changes in the amortised cost of monetary items such as debt securities which are recognised directly in the statement of income and expenditure.

Dividend income from these investments is recognised in accordance with the policy set out in note 2(n)(v) and, where these investments are interest-bearing, interest calculated using the effective interest method is recognised in the statement of income and expenditure in accordance with the policy set out in note 2(n)(iii). When these investments are derecognised, the cumulative gain or loss is reclassified from the investment revaluation reserve to the statement of income and expenditure.

When there is objective evidence that available-for-sale securities are impaired, the cumulative loss that has been recognised in the investment revaluation reserve is reclassified to the statement of income and expenditure. The amount of the cumulative loss that is recognised in the statement of income and expenditure is the difference between the acquisition cost (net of any principal repayment and amortisation) and current fair value, less any impairment loss on that asset previously recognised in the statement of income and expenditure. Objective evidence of impairment includes observable data that comes to the attention of the Association concerning the underlying financial stability of the investee as well as a significant or prolonged decline in the fair value of an investment below its cost.

2 Significant accounting policies (continued)

Impairment losses recognised in the statement of income and expenditure in respect of available-for-sale equity securities are not reversed through the statement of income and expenditure. Any subsequent increase in the fair value of such assets is recognised directly in other comprehensive income.

Impairment losses in respect of available-for-sale debt securities are reversed if the subsequent increase in fair value can be objectively related to an event occurring after the impairment loss was recognised. Reversals of impairment losses in such circumstances are recognised in the statement of income and expenditure.

When the investments are derecognised, the cumulative gain or loss recognised in investment revaluation reserve is reclassified to the statement of income and expenditure.

(e) Property, plant and equipment

Property, plant and equipment is stated at cost less accumulated depreciation and impairment losses.

Construction in progress represents building and leasehold improvements on which construction work has not been completed and furniture and equipment pending installation. It is carried at cost which includes construction expenditures and other direct costs less any impairment losses. On completion, construction in progress is transferred to the appropriate categories of property, plant and equipment at cost less accumulated impairment losses. No depreciation is provided for construction in progress until they are completed and available for use.

Depreciation is calculated to write off the cost of items of property, plant and equipment, less their estimated residual value, if any, using the straight line method over their estimated useful lives as follows:

– Leasehold land	Over the unexpired term of lease
– Buildings	50 years
– Leasehold improvements	Over the shorter of the unexpired term of lease and their estimated useful lives
– Machinery, motor vehicles, furniture, fixtures and computer equipment	3 - 15 years
– Programme and training equipment	4 years

Both the useful life of an asset and its residual value, if any, are reviewed annually.

2 Significant accounting policies (continued)

The carrying amounts of property, plant and equipment are reviewed for indications of impairment at the end of each reporting period. An impairment loss is recognised in the statement of income and expenditure if the carrying amount of an asset, or the cash-generating unit to which it belongs, exceeds its recoverable amount. The recoverable amount of an asset, or of the cash-generating unit to which it belongs, is the greater of its fair value less costs to sell and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the assets. An impairment loss is reversed if there has been a favourable change in the estimates used to determine the recoverable amount.

Gains or losses arising from the retirement or disposal of an item of property, plant and equipment are determined as the difference between the net disposal proceeds and the carrying amount of the item and are recognised in the statement of income and expenditure on the date of retirement or disposal.

(f) Leased assets

An arrangement, comprising a transaction or a series of transactions, is or contains a lease if the Association determines that the arrangement conveys a right to use a specific asset or assets for an agreed period of time in return for a payment or a series of payments. Such a determination is made based on an evaluation of the substance of the arrangement and is regardless of whether the arrangement takes the legal form of a lease.

(i) Classification of assets leased to the Association

Assets that are held by the Association under leases which transfer to the Association substantially all the risks and rewards of ownership are classified as being held under finance leases. Leases which do not transfer substantially all the risks and rewards of ownership to the Association are classified as operating leases.

(ii) Operating lease charges

Where the Association has the use of assets held under operating leases, payments made under the leases are charged to the statement of income and expenditure in equal instalments over the accounting periods covered by the lease term, except where an alternative basis is more representative of the pattern of benefits to be derived from the leased asset. Lease incentives received are recognised in the statement of income and expenditure as an integral part of the aggregate net lease payments made.

2 Significant accounting policies (continued)

(g) Inventories

Inventories are carried at the lower of cost and net realisable value.

Cost is calculated using the first-in, first-out method and comprises all costs of purchase, costs of conversion and other costs incurred in bringing the inventories to their present location and condition.

Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

When inventories are sold, the carrying amount of those inventories is recognised as an expense in the period in which the related revenue is recognised. The amount of any write-down of inventories to net realisable value and all losses of inventories are recognised as an expense in the period the write-down or loss occurs. The amount of any reversal of any write-down of inventories is recognised as a reduction in the amount of inventories recognised as an expense in the period in which the reversal occurs.

(h) Receivables

Receivables are initially recognised at fair value and thereafter stated at amortised cost using the effective interest method, less allowance for impairment of doubtful debts, except where the receivables are interest-free loans made to related parties without any fixed repayment terms or the effect of discounting would be immaterial. In such cases, the receivables are stated at cost less allowance for impairment of doubtful debts.

Impairment losses for bad and doubtful debts are recognised when there is objective evidence of impairment and are measured as the difference between the carrying amount of the financial asset and the estimated future cash flows, discounted at the asset's original effective interest rate where the effect of discounting is material. Objective evidence of impairment includes observable data that comes to the attention of the Association about events that have an impact on the asset's estimated future cash flows such as significant financial difficulty of the debtor.

Impairment losses for receivables whose recovery is considered doubtful but not remote are recorded using an allowance account. When the Association is satisfied that recovery is remote, the amount considered irrecoverable is written off against receivables directly and any amounts held in the allowance account relating to that debt are reversed. Subsequent recoveries of amounts previously charged to the allowance account are reversed against the allowance account. Other changes in the allowance account and subsequent recoveries of amounts previously written off directly are recognised in the statement of income and expenditure.

2 Significant accounting policies (continued)

(i) Trade and other payables

Trade and other payables are initially recognised at fair value and subsequently stated at amortised cost unless the effect of discounting would be immaterial, in which case they are stated at cost.

(j) Cash and cash equivalents

Cash and cash equivalents comprise cash at bank and in hand, demand deposits with banks and other financial institutions, and short-term, highly liquid investments that are readily convertible into known amounts of cash and which are subject to an insignificant risk of changes in value, having been within three months of maturity at acquisition. Bank overdrafts that are repayable on demand and form an integral part of the Association's cash management are also included as a component of cash and cash equivalents for the purpose of the cash flow statement.

(k) Employee benefits

Salaries, annual bonuses, paid annual leave, contributions to defined contribution retirement plans and the cost of non-monetary benefits are accrued in the year in which the associated services are rendered by employees. Where payment or settlement is deferred and the effect would be material, these amounts are stated at their present values.

(l) Income tax

The Association is exempted from Hong Kong Profits Tax by virtue of Section 88 of the Inland Revenue Ordinance.

(m) Provisions and contingent liabilities

Provisions are recognised for liabilities of uncertain timing or amount when the Association has a legal or constructive obligation arising as a result of a past event, it is probable that an outflow of economic benefits will be required to settle the obligation and a reliable estimate can be made. Where the time value of money is material, provisions are stated at the present value of the expenditure expected to settle the obligation.

Where it is not probable that an outflow of economic benefits will be required, or the amount cannot be estimated reliably, the obligation is disclosed as a contingent liability, unless the probability of outflow of economic benefits is remote. Possible obligations, whose existence will only be confirmed by the occurrence or non-occurrence of one or more future events are also disclosed as contingent liabilities unless the probability of outflow of economic benefits is remote.

2 Significant accounting policies (continued)

(n) Revenue recognition

Revenue is measured at the fair value of the consideration received or receivable. Provided it is probable that the economic benefits will flow to the Association and the revenue and costs, if applicable, can be measured reliably, revenue is recognised in the statement of income and expenditure as follows:

(i) Sale of merchandise, food and beverage

Revenue is recognised when merchandise, food and beverage are sold and the related risks and rewards of ownership have been transferred to the customers. Revenue is stated after deduction of any trade discounts.

(ii) Hostel room and hall revenue

Hostel room and hall revenue from rooms and other ancillary services is recognised when the services are rendered.

(iii) Interest income

Interest income is recognised as it accrues using the effective interest method.

(iv) Donations

Donations not designated for any specific purposes are utilised at the discretion of the Executive Committee and are recognised as revenue upon receipt of cash. Designated donations are recognised in the statement of income and expenditure on a systematic basis in the same periods in which the expenses are incurred.

(v) Dividends

Dividend income from listed investments is recognised when the share price of the investment goes ex-dividend.

(vi) Government grants

Government grants are recognised when there is reasonable assurance that they will be received and that the Association will comply with the conditions attaching to them.

(o) Translation of foreign currencies

Foreign currency transactions during the year are translated at the foreign exchange rates ruling at the transaction dates. Monetary assets and liabilities denominated in foreign currencies are translated at the foreign exchange rates ruling at the end of the reporting period. Exchange gains and losses are recognised in the statement of income and expenditure.

3 Accounting judgements and estimates

In the process of applying the Association's accounting policies, management has made the following accounting judgements:

Held-to-maturity financial assets

The Association follows the guidance of HKAS 39, *Financial instruments: Recognition and measurement* on classifying non-derivative financial assets with fixed or determinable payments and fixed maturity as held-to-maturity. This classification requires significant judgement. In making this judgement, the Association evaluates its intention and ability to hold such investments to maturity.

If the Association fails to keep these investments to maturity other than for specific circumstances explained in HKAS 39, it will be required to reclassify the whole class as available-for-sale. The investments would then be measured at fair value instead of at amortised cost.

Market value of held-to-maturity debt securities	62,863	48,134
Fair value of individually impaired available-for-sale equity securities	46,226	40,093

As at 31 March 2017, certain of the Association's available-for-sale equity securities were individually determined to be impaired on the basis of significant or prolonged decline in their fair value below cost. Impairment losses on these investments were recognised in the statement of income and expenditure in accordance with the policy set out in note 2(d)(ii).

10 Inventories

Inventories in the statement of financial position comprise:

	2017 $'000	*2016* $'000
Food and beverages	861	931
Uniforms and accessories	4,486	4,205
	5,347	5,136

All of the inventories are expected to be recovered within one year.

11 Receivables, deposits and prepayments

	2017 $'000	2016 $'000
Trade receivables	10,198	5,164
Other receivables	4,021	2,719
Deposits	634	662
Prepayments	3,488	3,607
	18,341	12,152

All of the receivables, deposits and prepayments are expected to be recovered or recognised as an expense within one year.

(a) Impairment of trade receivables

Impairment losses in respect of trade debtors are recorded using an allowance account unless the Association is satisfied that recovery of the amount is remote, in which case the impairment loss is written off against trade debtors directly (see note 2(h)).

No allowance for doubtful debts has been provided or reversed for the years ended 31 March 2016 and 2017.

(b) Trade debtors that are not impaired

Trade debtors are due within 30 days from the date of billing. Further details on the Association's credit policy are set out in note 15(b)(ii).

The ageing analysis of trade debtors that are neither individually nor collectively considered to be impaired is as follows:

	2017 $'000	2016 $'000
Neither past due nor impaired	6,146	4,741
Less than 1 month past due	1,166	301
1 to 3 months past due	1,080	122
Over 3 months past due	1,806	-
	4,052	423
	10,198	5,164

11 Receivables, deposits and prepayments (continued)

Receivables that were neither past due nor impaired relate to a wide range of customers for whom there was no recent history of default.

Receivables that were past due but not impaired relate to a number of independent customers for whom there is no recent history of default and have a good track record with the Association. Based on past experience, management believes that no impairment allowance is necessary in respect of these balances as there has not been a significant change in credit quality and the balances are still considered fully recoverable.

12 Cash and bank deposits

(a) Cash and bank deposits comprise:

	2017 $'000	2016 $'000
Bank deposits	813,907	772,826
Cash at bank	74,013	64,857
Cash in hand	1,003	909
Cash and bank deposits in the statement of financial position	888,923	838,592
Less: Bank deposits with maturity equal or greater than three months at acquisition	(802,512)	(759,503)
Cash and cash equivalents in the cash flow statement	86,411	79,089

Deferred income	1,331	2,125
Accrued expenses, deposits and temporary receipts (note)	3,238	3,994
	81,973	52,292

All of the trade and other payables are expected to be settled or recognised as income within one year or are payable on demand.

Note: Temporary receipts include receipts of $450,000 (2016: $450,000) received from the Home Affairs Bureau of the HKSAR in the current year. During the year, $456,863 (2016: $333,639) was expended for "Assistance Scheme operated by Uniformed Groups and the Hong Kong Award for Young People for Needy Student Members". As at 31 March 2017, the remaining balance was $205,333 (2016: $212,196).

15 Capital management and financial risk management

(a) Capital management

The Association's objectives when managing capital are to safeguard the Association's ability to continue as a going concern in order to maintain an optimal fund structure.

(b) Financial risk management

Exposure to currency, credit and liquidity risks arises in the normal course of the Association's business. The Association is also exposed to equity price risk arising from its equity investments in listed securities.

The Association's exposure to these risks and the financial risk management policies and practices used by the Association to manage these risks are described below.

(i) Currency risk

The Association's functional currency is Hong Kong dollars. The Association mainly operates in Hong Kong and is exposed to currency risk primarily with respect to the United States dollars in respect of held-to-maturity financial assets and Renminbi in respect of bank deposits.

In the opinion of the Executive Committee, the Hong Kong dollar to United States dollar exchange rate is reasonably stable under the Linked Exchange Rate System. In this respect, it is assumed that the pegged rate between the Hong Kong dollar and the United States dollar would be materially unaffected by any changes in movement in value of the United States dollar against other currencies and, therefore, the Association considers the risk of movements in exchange rates between the Hong Kong dollar and the United States dollar to be insignificant. In respect of balances denominated in Renminbi, the Association ensures that the net exposure is kept to an acceptable level by buying or selling foreign currencies at spot rates where necessary to address short-term imbalances.

Exposure to currency risk

The following table details the Association's exposure at the end of the reporting period to currency risk arising from recognised assets or liabilities denominated in a currency other than the Association's functional currency of Hong Kong dollars. For presentation purposes, the amounts of the exposure are shown in Hong Kong dollars.

	(Expressed in Hong Kong dollars)	
	Renminbi	
	2017	*2016*
	$'000	$'000
Cash and bank deposits	5,952	5,790
Exposure to currency risk	5,952	5,790

15 Capital management and financial risk management (continued)

Sensitivity analysis

The following table indicates the instantaneous change in the Association's surplus and total funds that would have arisen if foreign exchange rates to which the Association has significant exposure at the end of the reporting period had changed at that date, assuming all other risk variables remained constant. In this respect, it is assumed that the pegged rate between the Hong Kong dollar and the United States dollar would be materially unaffected by any changes in movement in value of the United States dollar against other currencies.

	2017		*2016*	
	Increase/ (decrease) in foreign exchange rates	*Effect on surplus and total funds* $'000	*Increase/ (decrease) in foreign exchange rates*	*Effect on surplus and total funds* $'000
Renminbi	5%	298	5%	289
	(5)%	(298)	(5)%	(289)

The sensitivity analysis assumes that the change in foreign exchange rates had been applied to re-measure those financial instruments which expose the Association to foreign currency risk at the end of the reporting period. The analysis has been performed on the same basis as for 2016.

(ii) Credit risk

The Association's credit risk is primarily attributable to listed debt investments, cash and bank deposits and receivables. Management has a credit policy in place and the exposures to these credit risks are monitored on an ongoing basis.

Investments are normally only in liquid securities quoted on a recognised stock exchange and with counterparties that have high credit ratings.

Cash and bank deposits are placed with financial institutions with sound credit ratings to minimise credit exposure.

In respect of receivables, individual credit evaluations are performed on all customers requiring credit over a certain amount. These take into account the customer's past payment history, financial position and other factors. Trade receivables are due within 30 days from the billing date. Normally, the Association does not obtain collateral from customers.

15 Capital management and financial risk management (continued)

The Association's exposure to credit risk is influenced mainly by the individual characteristics of each customer. At the end of the reporting period, the Association has a concentration of credit risk as 64% (2016: 43%) of trade receivables was due from the Association's five largest customers, apart from the balances due from major credit cards institutions.

Further quantitative disclosures in respect of the Association's exposure to credit risk arising from receivables are set out in note 11.

(iii) Liquidity risk

Prudent liquidity risk management implies maintaining sufficient liquid cash. Due to the nature of the underlying operations, the Association aims to maintain flexibility in funding by keeping sufficient cash and bank balances to fulfil its commitments and current working capital requirements.

The remaining contractual maturities at the end of the reporting period of the Association's financial liabilities are within one year or on demand.

In order to manage the above liquidity demands, at 31 March 2017, cash and cash equivalents amounting to $86,411,000 (2016: $79,089,000) is considered readily realisable.

15 Capital management and financial risk management (continued)

(iv) Equity price risk

The Association is exposed to equity price changes arising from equity investments classified as available-for-sale financial assets (see note 9).

The Association's available-for-sale financial assets are listed on the Stock Exchange of Hong Kong and have been chosen based on their longer term growth potential and are monitored regularly for performance against expectations.

At 31 March 2017, it is estimated that an increase/decrease of 20% (2016: 20%) in the equity prices would have increased/decreased the Association's Investment revaluation reserve by $38,078,000 (2016: $34,438,000).

The sensitivity analysis above indicates the instantaneous change on the Association's Investment revaluation reserve that would have arisen assuming that the change in the equity prices had occurred at the end of the reporting period and had been applied to re-measure those financial instruments which expose the Association to equity price risk at the end of the reporting period. It is also assumed that the fair values of the Association's available-for-sale financial assets would change in accordance with their historical correlation with the equity price, that none of the Association's available-for-sale financial assets would be considered impaired as a result of the decrease in the equity price, and that all other variables remain constant. The analysis has been performed on the same basis as for 2016.

(c) Fair value measurement

(i) Financial assets carried at fair value

Fair value hierarchy

The following table presents the fair value of the Association's financial instruments measured at the end of the reporting period on a recurring basis, categorised into the three-level fair value hierarchy as defined in HKFRS 13, *Fair value measurement*. The level into which a fair value measurement is classified is determined with reference to the observability and significance of the inputs used in the valuation technique as follows:

- Level 1 valuations: Fair value measured using only Level 1 inputs i.e. unadjusted quoted prices in active markets for identical assets or liabilities at the measurement-date
- Level 2 valuations: Fair value measured using Level 2 inputs i.e. observable inputs which fail to meet Level 1, and not using significant unobservable inputs. Unobservable inputs are inputs for which market data are not available.
- Level 3 valuations: Fair value measured using significant unobservable inputs

15 Capital management and financial risk management (continued)

	Fair value at 31 March 2017 $'000	Fair value measurements as at 31 March 2017 categorised into Level 1 $'000	Fair value at 31 March 2016 $'000	Fair value measurements as at 31 March 2016 categorised into Level 1 $'000
Recurring fair value measurement				
Assets:				
Available-for-sale equity securities:				
– Listed in Hong Kong	190,391	190,391	172,192	172,192

During the years ended 31 March 2016 and 2017, there were no transfers between Level 1 and Level 2. The Association's policy is to recognise transfers between levels of fair value hierarchy as at the end of the reporting period in which they occur.

(ii) Fair value of financial assets carried at other than fair value

The carrying amounts of the Association's financial instruments carried at cost or amortised cost are not materially different from their fair values as at 31 March 2016 and 2017 except for the following financial instruments as at 31 March 2016 and 2017, for which their carrying amounts, fair values and the level of fair value hierarchy are disclosed below:

	Fair value at 31 March 2017 $'000	Carrying amount at 31 March 2017 $'000	Fair value at 31 March 2016 $'000	Carrying amount at 31 March 2016 $'000
Held-to-maturity debt securities				
– Level 1	62,863	62,958	48,134	47,894

(d) Estimation of fair values

The fair value of available-for-sale financial assets held by the Association is based on quoted market prices at the end of the reporting period without any deduction for transaction costs.

16 Commitments

(a) Capital commitments

Capital expenditure at the end of the reporting period which had been committed but not yet incurred is as follows:

	2017 $'000	2016 $'000
Authorised but not contracted for		
– Purchase of property, plant and equipment and improvement projects	494	681
Contracted but not provided for		
– Purchase of property, plant and equipment and improvement projects	1,493	1,882
– Renovation of the Hong Kong Scout Centre	14,765	14,613
– Redevelopment of the Wanchai Property	321,880	32,475
– Redevelopment of the North Point Property	6,798	6,798
	344,936	55,768
	345,430	56,449

(b) Operating lease commitments - where the Association is the lessee

The future aggregate minimum lease payments under non-cancellable operating leases in respect of site premises are as follows:

	2017 $'000	2016 $'000
Within one year	2,856	2,566
After one year but within five years	2,347	4,840
	5,203	7,406

All lease agreements are held in the name of the Association. Some operating lease charges in respect of these lease agreements are recharged and borne by other Scout units. For these lease agreements, the future aggregate minimum lease payments within one year are $1,559,000 (2016: $1,559,000) and those after one year but within five years are $1,559,000 (2016: $3,118,000).

The leases typically run for an initial period of three years, with an option to renew each lease upon expiry when all terms are renegotiated. None of these leases includes contingent rentals.

16 Commitments (continued)

(c) Operating lease commitments - where the Association is the lessor

The Association leases out catering areas under an operating lease. The leases typically run for an initial period of four years, with an option to renew each lease upon expiry whereupon all terms are renegotiated. Lease payments are usually increased every three years to reflect market rentals. The leases do not include contingent rentals.

The future aggregate minimum lease receipts under non-cancellable operating leases in respect of catering areas are as follows:

	2017 $'000	2016 $'000
Within one year	11,551	11,910
After one year but within five years	10,120	21,227
	21,671	33,137

17 Amounts due from/to related parties

Related parties represent other Scout Units, mainly the Friends of Scouting, Commissioners' Club, the Baden-Powell Scout Club of Hong Kong, Education Centre, Asia-Pacific Regional Scout Foundation and Scout Districts.

The amounts due from/to related parties are unsecured, interest-free and recoverable/ repayable on demand.

Included in amounts due to related parties are amounts totalling $15,028,000 (2016: $13,248,000) which are held by the Association on behalf of other Scout Units for the purpose of investment.

18 Possible impact of amendments, new standards and interpretations issued but not yet effective for the year ended 31 March 2017

Up to the date of issue of these financial statements, the HKICPA has issued a number of amendments and new standards which are not yet effective for the year ended 31 March 2017 and which have not been adopted in these financial statements. These include the following which may be relevant to the Association.

	Effective for accounting periods beginning on or after
Amendments to HKAS 7, *Statement of cash flows: Disclosure initiative*	1 January 2017
HKFRS 9, *Financial instruments*	1 January 2018
HKFRS 15, *Revenue from contracts with customers*	1 January 2018
HKFRS 16, *Leases*	1 January 2019

The Association is in the process of making an assessment of what the impact of these amendments and new standards is expected to be in the period of initial application. So far the Association has identified some aspects of the new standards which may have a significant impact on the financial statements. Further details of the expected impacts are discussed below. As the Association has not completed its assessment, further impacts may be identified in due course and will be taken into consideration when determining whether to adopt any of these new requirements before their effective date and which transitional approach to take, where there are alternative approaches allowed under the new standards. The Association does not intend to early adopt any of these amendments or new standards.

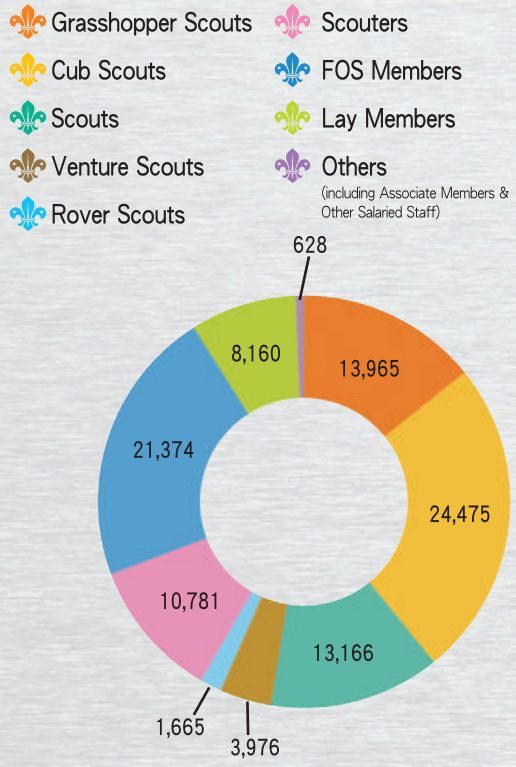

HKFRS 16, *Leases*

As disclosed in note 2(f), currently the Association classifies leases into finance leases and operating leases and accounts for the lease arrangements differently, depending on the classification of the lease.

HKFRS 16 specifies that lessees should account for all leases in a similar way to the current finance lease accounting. The adoption of HKFRS 16 will primarily affect the Association's accounting as a lessee of the leases for certain properties which are currently classified as operating leases. The application of the new accounting model is expected to lead to an increase in both assets and liabilities and to impact on the timing of the expense recognition in the statements of income and expenditure over the period of the lease. As disclosed in note 16(b), at 31 March 2017 the Association's future minimum lease payments under non-cancellable operating leases amounted to HK$5,203,000. It is expected that a majority of the future minimum lease payments will need to be recognised as lease liabilities, with corresponding right-of-use assets, once HKFRS 16 is adopted. The Association will need to perform a more detailed analysis to determine the amounts of the new assets and liabilities arising from operating lease commitments on adoption of HKFRS 16.
