Vision

To be the best voluntary organisation for the development of young people in Hong Kong for the betterment of our society.

Mission

To operate an education movement for young people providing them with challenging and progressive training programmes for their physical, intellectual, social, spiritual and aesthetic development.

Values

We recognize the importance of:

- individuals developing a sense of personal identity and self worth which leads to responsible citizenship;
- adults providing suitable role models for young people;
- respect for equality and fairness in dealings with all people; and
- the development of understanding between individuals towards world peace.

Scout Promise

On my honour, I promise that I will do my best
to do my duty to God and to my Country
to help other people
and to keep the Scout Law.

Scout Law

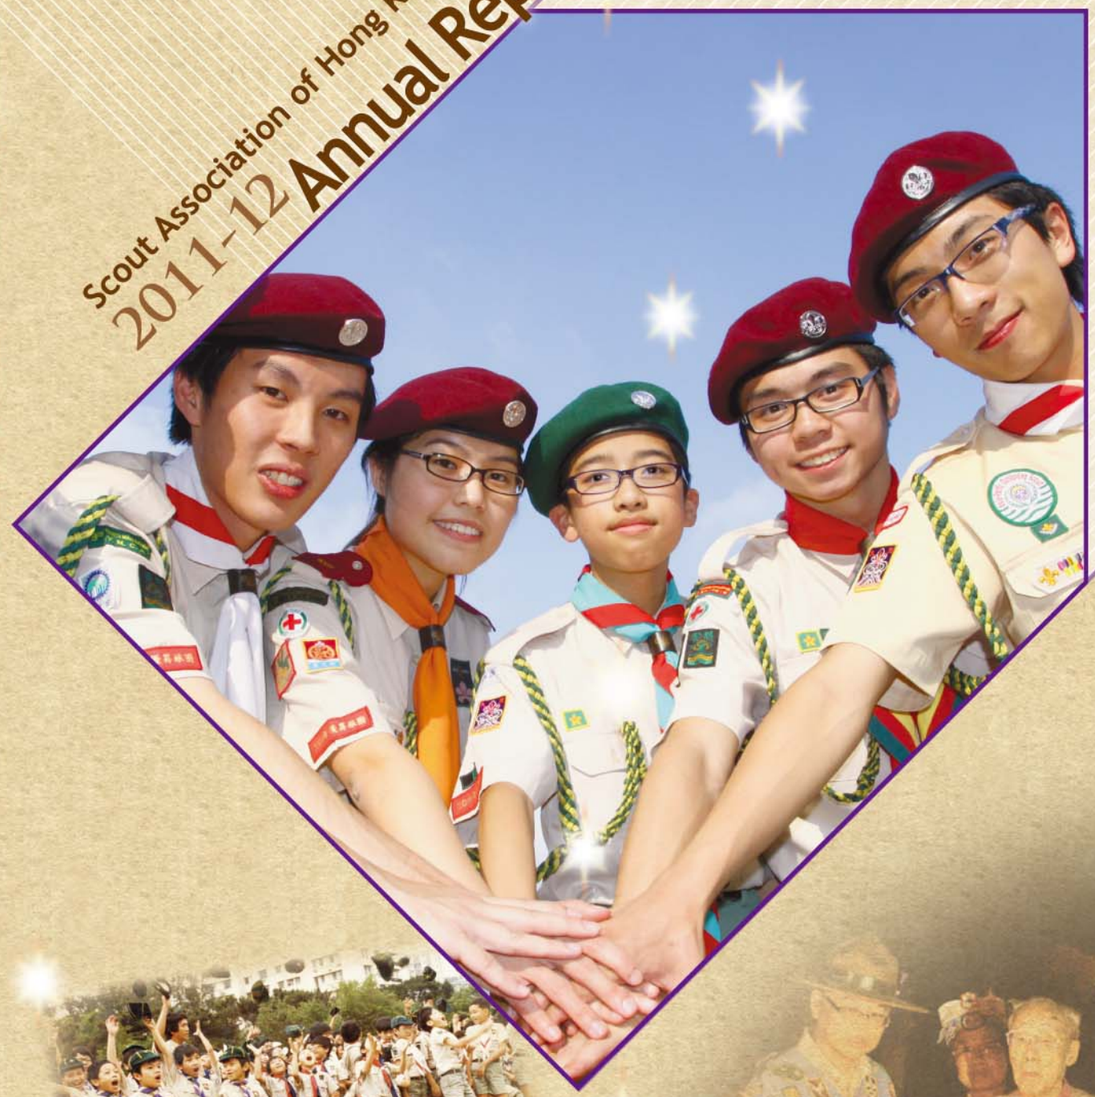

1. A Scout is to be trusted.
2. A Scout is loyal.
3. A Scout is friendly and considerate.
4. A Scout belongs to the world-wide family of Scouts.
5. A Scout has courage in all difficulties.
6. A Scout makes good use of time and is careful of possessions and property.
7. A Scout has self-respect and respect for others.

Mr Anthony CHAN, PMSM

Chief Commissioner
(Up to 2 November 2011)

Mr CHEUNG Chi-sun

Chief Commissioner
(From 3 November 2011)

Chief Commissioner's Report

2011 marked the 100th anniversary of Scout Movement in Hong Kong. The Association organized a series of activities and services to celebrate the centenary. At the same time, it continued its work on youth development and leader training. Members were encouraged to take part in international and mainland exchange programmes. The Association also continued its efforts in assisting the reconstruction of 2 youth centres in Sichuan that were destroyed after the 2008 earthquake.

Together We Celebrate

The event to kick off the 100th anniversary celebration was the Hong Kong Scout Centenary Jamboree, held from 27 December 2010 to 1 January 2011. Many other activities, such as Scoutcraftival and Hong Kong Scout Centenary Campfire, were held to spice up the year. New features were added to our regular services to make the year memorable. Vegetarian Feast for the Elderly (30 April 2011) where 300 elderly people joined our youth members for an afternoon together was one feature in point. In addition, fundraising events such as Hong Kong Scout Centenary Fundraising Movie Gala and Scouting Centenary Golf Competition were held during the year.

Members from regions, districts and Scout groups, together with lay members, played a big part both in making donations and in participating in the activities. They evidently epitomized the Scout Promise by doing their best to fulfill their commitments. We were also very thankful to our benefactors for their generous donations, without which the centenary activities would not have been able to be realized.

Youth Development and Qualification Accreditations

To strengthen the quality of our members as well as to increase youth membership, we launched a partnership programme, the School-Scout Collaboration Scheme for the Holistic Development of Youths, whereby interested school authorities were solicited to become partners of the Association by providing venues where activities could be carried out. We strongly believed that with the programme, more young people would be benefited.

Proper delivery of youth programmes could only be achieved through competent leaders. Continuous efforts were made for the betterment of leader training programmes. We have also made special efforts to gain social recognition for the training programmes through the qualification framework mechanism. To foster the concept of this framework among our leaders, we invited Hong Kong Council for Accreditation of Academic and Vocational Qualifications to organize an accreditation workshop in November 2011. A qualifications framework and Scout training seminar was also held in January 2012. They paved the way for the coming inclusion of our training programmes under the Qualification Register.

Broaden the Horizon

The Association has all along been encouraging members to participate in international activities organized by National Scout Organizations worldwide, so as to broadening their horizon. In July and August 2011, a delegation of 529 Scouts from Hong Kong took part in World Scout Jamboree in Sweden.

Our exchange programmes with youths in the mainland were maintained. Activities such as "Meeting under the National Flag" built up friendship between young people of the two places. These programmes gave our members opportunities to better understand the culture of our motherland and develop a stronger sense of belonging to the country.

A Helping Hand

After the devastating earthquake in Sichuan 3 years ago, we have actively involved in the reconstruction works in the area. Reconstruction of the Sichuan Deyang City Youth and Children's Palace was completed in October 2011 and the Mianyang Youth Centre was expected to be completed in mid-2012. The 2 Centres would form the base for the Association to provide training to Sichuan young people in the Scout way. A 5-year training programme would be launched in the two cities as well as other matching up exchange activities. To prepare for the launching of the training programme, an 8-day training session was organized in December 2011 in Hong Kong for volunteers from Sichuan to train them up for delivering the future training programmes. It was our hope that through the training programmes, we could help Sichuan youths get back on their feet.

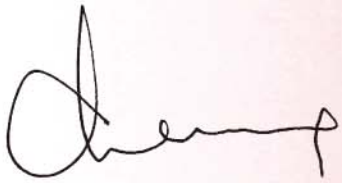

To Lead

I took up the post of Chief Commissioner in 2011 and I well understand that there are many challenges before me. I will do my best to fulfil my duty. Together with all its dedicated members, Hong Kong Scout Movement is marching on to a new chapter.

Being a Scout for over 40 years, I strongly believed that Scout Movement is all about youths. Strengthening youth training and improving leader training are the main focus of my work. I will allocate more resources on these areas. Moreover, I am looking forward to better communication among all our members. Different recommendations were made under the Sectional Review that was completed 2 years ago. I am confident that these recommendations will be realized step by step in the coming few years.

I am much thankful to my predecessor, Mr Anthony CHAN. He had laid down solid foundation for the Movement on various areas, in particular that on the training of youth members, professionalizing leader training and improving the facilities in Wong Siu Sang Leadership Training Institute. He had also enhanced overseas and mainland exchange opportunities. I would also like to express my sincere gratitude to all of our adult leaders, professional Scouters and the lay members for their enthusiastic participation and dedicated contribution.

It is happy to see the achievements of Scout Movement in Hong Kong, but there is little room for complacence. We will maintain our momentum to meet the need of the ever changing society. I look forward to working closely with all adult members of the Association and together, we shall fulfil the duty to our youths. They are our future, our pride. Everlasting the Scout Spirit!

CHEUNG Chi-sun
Chief Commissioner

Headquarters Branches

Administration & Personnel

Organizational Transformation

The Association is on track in implementing Phase 2 of our Organizational Transformation Plan. We have worked with our partner, the Hay Group, to complete new PE forms and guidelines, and have conducted initial training and communication sessions with all supervisory staff and some senior commissioners.

Staff Development Programme

We continue to implement our multi-year employee training program with Development Dimensions International as our partner. This year, a management module for 65 supervisory employees and 3 professional skills modules for 60 general staff were held.

The Hong Kong Scout Archives

Over the last year, we continued to receive generous donations of documents, badges and scarves. Interviews were also conducted, and the recordings were added to our verbal history collection. We have chosen some donated items, including scarves, metal and cloth badges, and historical documents, for displays at the Scout Gallery.

Scout Subsidy Schemes

We always encourage and support young people to participate in the Scout Movement, regardless of individual financial situations. Two subsidy schemes, namely "Samson Sun Scouting Fund" and "Home Affairs Bureau – Assistance Scheme operated by Uniformed Groups and The Hong Kong Award for Young People for Needy Student Members" have been set up to subsidize uniform purchases and/or participation in training and activities. Cumulatively, 17,546 Scouts have benefited from total subsidies of over $2,700,000.

Subsidies Granted by Scheme (As at 31 March 2012)

Scheme	Cumulative No. of Scouts Subsidized			Total Amount
	Full Subsidy	Half Subsidy	Total	
Samson Sun Scouting Fund	7,841	3,250	11,091	$1,675,966
Home Affairs Bureau – Assistance Scheme operated by Uniformed Groups and The Hong Kong Award for Young People for Needy Student Members	3,601	2,854	6,455	$1,031,498

Scout Raffle 2012

Our annual raffle campaign has always received generous support from members of the Association and the general public. This year, total ticket sales have reached HK$6,450,000, 85% of the proceeds will be allocated back to the selling unit, their districts and regions to help fund training and activities. The raffle draw was held on 10 March 2012 at the lobby of the B P International House. A total of 101 lucky prize winners were drawn by senior members and our sponsors, with value of prizes totaling over HK$430,000.

Finance & Information Technology

The Finance Branch continues to manage the accounts of the Association, monitor financial management of B P International House, and provide financial support for the Hong Kong Scout Foundation. It also assists the Finance Committee in drafting and implementing financial guidelines of the Association to ensure effective financial controls.

Updated *"Guidance Notes on Finance Matters"*

"Guidance Notes on Finance Matters" provides a framework for exercising proper control and is adopted by Headquarters branches, regions, campsites and activity centres and subsidiaries (except B P International House) of the Association. Based on latest needs of the Association and to enhance financial management and internal controls partly in response to recommendations of the latest internal audit review report, portions of the *"Guidance Notes on Finance Matters"* were reviewed and updated in February 2012, including the chapter on procurement, and the new *"Technical Note on Tendering and Management of Capital Works Projects"*.

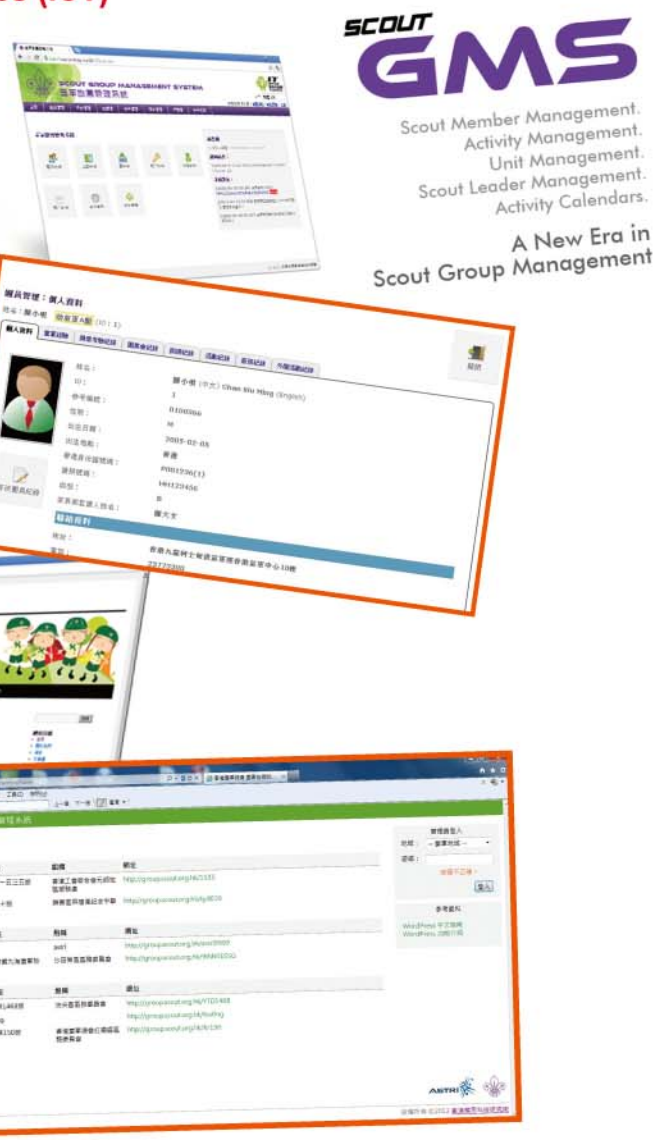

Financial Management System

To enhance efficiency, facilitate financial data consolidation and strengthen Corporate Governance, a new Financial Management System (FMS) would be adopted by the Association Headquarters, regions, campsites and other subsidiaries such as the Friends of Scouting, Commissioners' Club, and the Baden-Powell Scout Club of Hong Kong. In 2011-2012, Finance Branch had arranged a series of training for staff concerned. Parallel run with the existing System would be conducted before FMS goes live.

Information & Communication Technologies (ICT)

We have continued to implement the appropriate components of the 2010/2015 ICT Strategic Plan in the past year. Significant progress has been made in several key projects including the Finance Management System (FMS), Training Module of the Scout Membership Information System (SMIS) and the Scout Group Management System (GMS). Phase I of GMS will be rolled out in May 2012.

Besides, Scout Group Portal, a new initiative sponsored by Hong Kong Applied Science and Technology Research Institute Company Limited (ASTRI), will be rolled out in April 2012. Free cloud platform and web hosting services will be available to interested Scout groups for creating and maintaining their websites for 18 months.

Estate

Estate Branch is responsible for overseeing the property developments of Scout Association of Hong Kong. The services it provides include management of the facilities at Association Headquarters including their maintenance and repairs, development of Hong Kong Scout Centre as well as controlling the development of campsites, activity centres, youth centres and other Scout properties. Providing technical advices to various Scout units on property works also forms part of the services of the Branch.

Development of Association Properties

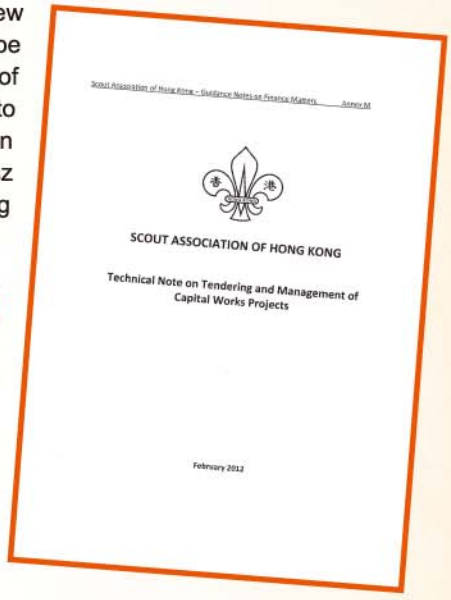

To help fix the property development directions of the Association, a Properties Development Advisory Committee was appointed by the Executive Committee in January 2012. At present, redevelopment of 34 Oi Kwan Road in Wanchai (formerly the Hong Kong Island Regional Headquarters site) has been accorded the top priority in the wish list. For the on-going core energy-saving projects of Hong Kong Scout Centre, the replacement of air-conditioning chillers was completed in March 2012 and the installation of heat pumps system will be completed in the second quarter of 2012. As regards the lift improvement works, the lifts will be up-rated and extended to 25th floor one by one for completion in phases by late 2013.

Capital Works for Campsites and Centres

The Branch manages all Association-funded capital improvement projects for campsites and centres. Projects completed in the year included the washing facilities for the barbeque site and the flag pole at the pier of Tai Tam Scout Centre as well as the refurbishment works for Victoria City District Headquarters. Works in the pipeline included repair works to the refuse chamber at Gilwell Campsite, renovation works for Wong Tai Sin District Headquarters and refurbishment works for New Territories East Regional Headquarters. Tenders would also be invited for construction of challenge-course and replacement of pontoon cum pier platform at Tai Tam Scout Centre, repairs to Hong Kong Island Northern District Headquarters and Kowloon Tong District Headquarters, repaving of road access of Tung Tsz Scout Centre, and repairs to waterproofing of the hall of Wong Siu Sang Leadership Training Institute.

Tendering and Management of Capital Works Projects

The Branch has formulated a set of *"Technical Note on Tendering and Management of Capital Works Projects"* to provide guidelines on tendering and management of capital works projects for observation by Scout units.

Scout Association of Hong Kong – Guidance Notes on Finance Matters Annex M

SCOUT ASSOCIATION OF HONG KONG

Technical Note on Tendering and Management of Capital Works Projects

February 2012

Programme

Stepping on the New Road

In accord with the Report of Sectional Review, Programme Branch actively makes related policies and monitors the concerned parties to ensure the recommendations of the Report are executed. Besides, with the approval of Labour Department in June 2011, the Association is entitled to organize the First Aid Certificate Course recognized by Commissioner for Labour. People who pass this 30 hours course will be recognized as "A person trained in first aid", according to Section 17(2)(b)(iii), Chapter 509A, Occupational Safety and Health Regulation, The Laws of Hong Kong. To encourage knowledge exchange in air activities between youths of Hong Kong and the mainland, the Association signed the Memorandum of Understanding with the Working Committee of Zhuhai of the China Young Pioneers on 8 June 2011. Since athletics contribute to youths' development, Scout Athletic Club of Scout Association of Hong Kong was established on 17 February 2012, aims at providing systematical and professional training to our members who are interested in athletics.

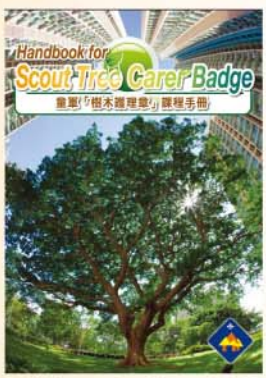

Global Outlook

In response to the programme of World Organization of the Scout Movement (WOSM), "World Scout Environment Programme" was launched in Venture Scouts, Scouts and Cub Scouts sections in October to encourage our members to explore the interrelationships with the ecosystem and to adopt appropriate environmental practices. Furthermore, 15 Rover Scouts completed the 'Scouts of the World Discovery' and the 'Scouts of the World Voluntary Service' for the first "The Scouts of the World Programme" and granted the "Scouts of the World Award".

Sectional Activities

Team Challenge of the Triennial Venture Scout Competition was held from 9 to 10 July 2011, with a record high of 50 teams and 200 participants. To enhance the importance of tree care and the participation of tree monitoring service, the Association together with Tree Management Office, Development Bureau amended the content of the Tree Carer Badge (former Forester Badge) and published the *"Handbook for Scout Tree Carer Badge"*. The Handbook not only provides lucid guidance for field study thus also promotes the message of tree caring. With the support of Home Affairs Bureau and Family Council, the "Grasshopper Scouts Happy Family Camp" was held from 12 to 13 November at Wu Kwai Sha Youth Village. Nearly 800 people participated in the overnight camp and open day. "Duty-to-God Day 2011" was held on 19 November at Y-Theatre, Youth Square, Chai Wan with the theme of "Live with compassion for others and cherish resources. Insist on finding the truth and be cautions in judgment". Friendship and acceptance between different religions were demonstrated through various performances like drama, dancing, singing and band show.

Training

Leader Training and Wood Badge

The Hong Kong Training Team organized 82 Wood Badge Courses (1,900 participants), 31 Skills Courses (710 participants), 4 Scoutcraft Accreditation Courses (78 participants), 3 Scoutcraft Accreditation Examinations (14 participants), 4 Basic Operations Courses (166 participants) and 5 Trainers' Training Courses (142 participants). There were a total number of 2,868 leaders enrolled for the courses and 136 leaders attained the Wood Badge.

Team Spirit

The Gilwell Reunion was held in Macau this year, with a total of 278 participants. We were glad that 19 Wood Badge holders of Scout Association of Macau came to join us. The social gathering 2012 for Scoutcraft Accreditation Scheme Alumni was held on 19 February at Pak Sha Wan Tam Wah Ching Sea Sports Centre and the Sai Kung Tso Wo Hang Police Recreation Centre, the event theme was "Seamanship", with a total of 50 people attended.

60th Anniversary of Hong Kong Training Team

To celebrate the 60th anniversary of Hong Kong Training Team, "Trainers' Gathering 2012" was held in the Victoria Harbour in the form of friendship dinner. Training Branch colleagues were very honoured to successfully invite former Training Commissioners, including LO Koon-wing, CHAN Po-chi, HUNG Chiu-on, LO Wai-shing and HONG Po-sum to join the gathering.

The Training Team 60th anniversary time capsule was sealed in Fei Ngo Shan Gilwell Campsite. It will be opened in 2026 (i.e. 75th anniversary of Hong Kong Training Team).

The Training Branch prepared a commemorative trainers directory to pay tribute and introduce active, retired and deceased members of the Training Team who supported Hong Kong Scout leader training.

Amendments to the Wood Badge training system

Taking into account the socio-ecological and cultural change, the Training Commissioner authorized the establishment of the working committee to review the Wood Badge training. With the assistance of Professor TAM Man-kwan, Chairman of Training Committee, Professor HAU Kit-tai, Vice-Chancellor of Chinese University of Hong Kong, agreed to advise and lead the review working committee formed by Training Branch colleagues and the regions' representatives. Through focus group discussions, literature review and seminars, the working committee conducted a comprehensive review of the Wood Badge training system.

The review of Wood Badge training system was completed. The findings and recommendations were contained in the "Review of Wood Badge Training System-cum-Leader Training Needs Analysis Study Report".

Training Resources

To provide more reference books to Scout leaders, the Scoutcraft Accreditation Scheme published "*Mountaineering Skill*" and "*Knotting*" during the year.

Development & Adult Resources

Collaboration Scheme for Membership Growth

The "School-Scout Collaboration Scheme for the Holistic Development of Youths" was launched last year to tackle the difficulty encountered by our open groups in recruiting youth members due to the lack of meeting venues. There were 5 schools in different regions joined the pilot scheme and open groups with meeting venue problems were allowed to use school premises and facilities for Scout meetings and training purposes. This scheme enables youths in the community to have more opportunities of enjoying all-rounded development through participating in Scout trainings. Some open groups were also established under this scheme and they have already started running troop meetings and trainings. In view of the promising progress and positive feedback received during the trial period, the scheme will be expanded to a larger scale in the coming year to invite more schools to participate.

Happy Family Life through Scout Activities

"Happy Family Life through Scout Activities" was a project jointly financed by the Home Affair Bureau and the Family Council. It aimed at enhancing the relationship among family members through participating in joyful Scout activities. The Development & Adult Resources Branch also took this opportunity to introduce the concept of "parent-leaders" to accompanying parents, with a view of recruiting them to join the Movement to help ease the problem of leader shortage. During the year, 5,900 head counts were recorded taking part in 16 programmes organized by branches and regions of the Association. A number of Scout-element-rich activities such as "Experiencing Scouting Together" , "Parent-child Orienteering Day" , "Parent-child Fun Day" etc. were well-received by the youths and their parents.

Performing Arts Programmes to celebrate HK Scout Centenary

A series of performing arts activities were organized by the Development & Adult Resources Branch to commemorate the Centenary of the Hong Kong Scouting in 2011. Amongst these, the "Hong Kong Scout Centenary Singing Contest" took the lead on 21 May 2011. A wide range of songs, Cantonese and English, all-time favorites and contemporary, were selected for the contest. Not only did the contestants show their eminent talents in singing, they also exhibited excellent team spirit during the Contest.

Public Relations

Promoting the Centenary of Hong Kong Scouting

The year of 2011 marked the centenary of Hong Kong Scouting. Public Relations Branch made use of different networks to celebrate the key milestone. Centennial buntings were put up on the lamp posts along the Austin Road outside Hong Kong Scout Centre in April and May. Promotion stickers and decorations were prevalent in the Centre, from entrance doors to lifts, as well as ceilings from the 8th to 10th floors. To disseminate the news of celebration events fast and widely, an official website and a Facebook page were set up which drew big crowds posting congratulatory messages and sharing their jolly moments in the celebrations. A Facebook badge was designed to reciprocate those who had posted meaningful messages onto the Facebook. Various souvenir items were produced, including badges, woggles, USB memory sticks, tie clips, reusable matches, centenary tokens etc., which were indeed collectables.

Care without Border

"Scout Incentive Scheme" continued to encourage Scout members to participate in community services, as well as to promote the Scouting spirit. The aggregated number of participants was 1,601 amassing 9,578 service hours in the year 2011-2012.

The helping hands of Scout members were without boundaries. An earthquake measuring 9 on the Richter Magnitude Scale struck the northeastern part of Japan on 11 March 2011. A fundraising Scout badge was launched in the first instance raising HK$249,689 for the needy. The fund was then forwarded to Scout Association of Japan for the relief works on the affected areas.

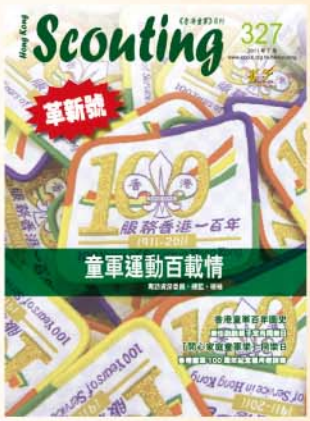

Cohesion among Scouts of the Year

"Scout of the Year Selection" was first held in 1987 to give formal recognition to the Scout members who have set the best example to their contemporaries and to arouse public awareness of the outstanding personality of Scouts. Nine Scouts members were awarded the "Scout of the Year" in 2011, making the total number of awardees to 152.

The 2nd Annual Meeting of Scout of the Year Association was held on 28 May 2011. The 2nd Executive Committee was also elected during the meeting. Scout of the Year Association will continue to provide opportunities for the awardees to unite in contributing to the Hong Kong Scout Movement and society.

"*Hong Kong Scouting*", a New Look

The monthly "*Hong Kong Scouting*" magazine which covers Scouting news and activity information is instrumental in enhancing the communication between the Association and Scout members. To promote Hong Kong Scout Movement, the magazine is also sent to all public libraries in Hong Kong as well as the Scout associations overseas. The editorial panel always strives to be innovative and a new-look "*Hong Kong Scouting*" has been issued since July 2011 with chic design and new paper material. And the layout was also fashionably rearranged to impress. The new-look magazine has been well received and positively rated by its readers.

International and Mainland Liaison

Scout Association of Hong Kong promotes exchange activities and encourages members to participate in activities organized by overseas National Scout Organizations (NSOs) and youth organizations in the mainland. In the year under review, over 800 youths or Scouts from other countries or the mainland visited Hong Kong and took part in our events, while more than 2,600 Hong Kong Scout members participated in activities held overseas and various parts of China, including 526 members attending the 22nd World Scout Jamboree in Sweden. Highlights of other major overseas and mainland activities are as follows:

28th Asia-Pacific Regional Scout Jamboree (11-17/7/2011)

A total of 123 members joined the 28th Asia-Pacific Regional Scout Jamboree held in Kaohsiung, Taiwan. Mr Anthony CHAN, former Chief Commissioner, Mr CHEUNG Chi-sun, Chief Commissioner, and Mr Alexander WONG, International Commissioner, were invited to attend the opening ceremony to celebrate the centenary Scouting of the Scouts of China.

SAJ International Friendship Award to Mr TSE Ping-fui, a Veteran Leader

Mr TSE Ping-fui, a well-known veteran Scouter who has been an active Scout for over 75 years, was conferred with the International Friendship Award by the Scout Association of Japan (SAJ) in recognition of his contribution in Scouting and his dedication to the Scout Movement in Hong Kong.

Service to Scout Movement in World and Regional Levels

Various leaders from our Association served the World Organization of the Scout Movement (WOSM) and Asia-Pacific Region (APR) in different positions. They attended overseas meetings on self-financed basis. Many participated in and presided over the planning of major policies in world and regional levels. These positions included Chairman of WOSM Constitutions Committee (Mr Alexander WONG, International Commissioner), Member of WOSM Finance Committee (Mr Joseph LAU, Deputy Programme Commissioner), Treasurer of APR (Mr Paul HO, Chairman of Hong Kong Scout Foundation Management Committee), Chairman of APR Adult Support Sub-Committee (Dr MAK Wai-ming, Training Commissioner), Chairman of APR Governance Review Task Force (Mr Alexander WONG, International Commissioner) with others as members of various Sub-committees in APR.

Youth Meeting under the National Flag 2011 – NE China Cultural Journey (22-29/7/2011)

There were 86 members went to North East China for an 8-day national education tour in July 2011. As in the past, the contingent joined the Youth Meeting under the National Flag programme with other uniformed groups from Hong Kong at Tiananmen Square in Beijing after their excursion activities.

2nd Seminar on National Education (31/5, 2/6, 7/6/2011)

The 2nd Seminar on National Education was held in May and June 2011. Forty members acquainted themselves with the National Constitution and law, the 12th Five-year Plan, all-rounded education and other topics through various sessions to enhance the knowledge of their country and to share how the national education and mainland exchange activities can help to put our mission into practice.

Regions

Hong Kong Island Region

Enhancing Scoutcraft Skills and Cultivating Love and Care

Over the years, Hong Kong Island Region has been upholding the fundamental principles of the Scout Movement firmly, i.e. to cultivate and develop our youth members, and to support our frontline leaders. In this year, we successfully organized 109 events, including training courses and competitions for our youth members. The total number of participants reached 10,071. Our two signature events, namely "Island Scout Day" and "Island Scout Trailwalk" were also successfully held, with different operation mode and theme based on the needs over the years. For instance, we pioneered to incorporate a fund raising element in the Island Scout Trailwalk 2012 this year. Through the event, we pooled efforts of our youth members, our adult leaders, and our lay members together in order to raise funds for our Scout groups, districts, and regions. The funds would be used in supporting the development of the Scout Movement. Indeed, this year also marked the 15th Anniversary of the Island Scout Trailwalk since its launch, and the event was well-received by different parties and individuals within the Association.

The Regional Development Department has been striving hard in promoting the participation of our youth members in community services. Over the past year, our Scout groups and youth members enthusiastically participated in those community services. A total of 42 Scout groups received recognition and awards at the "HKIR Service Award for Scout Group 2011". Our Scout groups, districts, and the Region participated in 448 community services, with 10,641 persons participating in those services. The total service hours have reached over 90,872 hours, with an increase in 12% as compared with the previous year. Positive feedbacks and recognitions were received from our cooperating parties and the benefited individuals.

Ensuring Quality Training

Our Training Team has been upholding high reputation over the years. Having the finest tradition and the high standard set by our experienced seniors, our Training Team members have been working hard hand-in-hand in striving for excellence by providing quality training activities to our frontline Scout leaders. In this year, 28 leaders of our Region successfully completed their Wood Badge Training. Besides, our Training Team organized 28 training courses and workshops, with 752 participants taking part.

Enhancing the Cohesion of Regional Members

In order to enhance the cohesion among leaders, commissioners, and lay members, our Regional Commissioner and the 3 Deputy Regional Commissioners have set up a roster to meet with regional members every Wednesday evening. Our Public Relations Department has also launched the "Cheers!" gathering. Our regional members were given an opportunity to meet with one another on the first Wednesday of each month in a casual manner. Besides, the *"HKIR Quarterly"* has been published and the Chinese New Year Celebration was re-launched. These social gatherings enhance the understanding and friendship among our leaders, commissioners, and lay members.

Modifying and Optimizing the Camping Ground

To enhance the quality of service and to improve the usage, the Tai Tam Scout Centre launched a series of improvement work projects over the past year. This year, the usage of our Centre reached 50,621. The usage percentage was 92.27%. Year 2012 marks the 40th anniversary of our Centre. We shall continue to improve the environment and the facilities of our Centre, with an aim to develop it into one of the finest activity centres in Hong Kong.

In the near future, our Region will strategically develop the Centre, including the application of the usage of an emptied land near the seaside of Tai Tam to expand our Sea Centre. Besides, we shall also refurnish our camp gate, with the inclusion of our new district badges on it.

Joining Hands in Promoting the Scout Movement

In terms of the development of our districts, the Region shall strengthen its communications with the Scout groups and the districts. We shall launch schemes to facilitate progression and transition of our youth members from one training stage to another, with an aim to retain youth members in the Scout Movement. Our Region shall join hands and strive our very best to provide youth education and to promote the Scout Movement, so as to achieve our mission in cultivating youths of our society.

Kowloon Region

Youth Participation

Beret Parliament

To provide opportunities for youth Scout members to participate in decision-making, the Beret Parliament, which composed of Venture Scouts, was established in 2012. Four meetings will be held per year to discuss the Venture Scout related policies, trainings and activities. Meanwhile, the representatives of the Parliament will attend the Regional Venture Scout Board meetings to reflect their views and provide advices. The members will also receive skills training of presiding over meeting, giving public speech and planning large-scale event, etc.

Expedition @ Mountain Baker

Nine Venture Scouts, Rover Scouts and leaders went to Canada and the United States on 16 to 31 July 2011 to climb the Mountain Baker, which is at an elevation of 3,285 meters. To cope with the physical and technical requirements of climbing the snow-capped mountain, participants received a series of fitness and rock climbing trainings in Hong Kong. After landing Vancouver, the participants joined the local Scouts to prepare equipment and carry out adaptive trainings. In the 7-day climbing activity, the team successfully overcame the weather and change of landscape, and finally conquered the peak.

Actively prepare for the challenges

A meeting with secondary school principals, commissioners of 9 districts and Development & Adult Resources Department of the Region had been held on 23 September 2011. During the meeting, the principals suggested the Region to provide more support to the school Scout groups to alleviate the increasing workload of the teachers. In view of this, the Region implemented the “Support School Scout Group Programme" in February 2012 and “school-style school-based" support will be provided according to the actual situation of the school. Revision of the Programme will be carried out after the one-and-a-half pilot year. The first briefing had been held on 11 February, with 18 secondary school principals or their representatives attended. Seven schools expressed their interest in participation. The Region had met the first school on 16 March to discuss further details.

Encourage the diversified development of the Scout

All 8 regional affiliated clubs, including Information Technology, Diving, Performing Arts, Collection, Archery, Hiking, Golf and Art, had jointly organized the Arts Festival at Maple Street Playground on 16 October 2011. Over a thousand Scout members and their parents participated in the event. The activities included game booths, live band performances, a cappella singing demonstration, parent-child orientation and magic show by the Hong Kong Caring Magic Circus.

Strengthen the communication with times

Kowloon Region Commissioner Retreat was held in Zhongtang Town, Dongguan on 7 to 8 January 2012. All commissioners with rank V or above attended the meeting. The Retreat underwent in form of "give" and "feedback". Participants were divided into 3 groups to have discussion on the topics of “Heritage Plan ", "How To Retain Scout Leaders" and "Youth Award System". Moreover, they had also given their opinions on the Region's next 3-year plan. The Region is now writing her implementation schedule and the performance review scheme.

The future is better improvement

Gilwell Campsite has been actively involved in energy saving projects. By the replacement of energy-saving lighting devices and air-conditioners, the Campsite enhances the energy efficiency performance of the electronic devices.

East Kowloon Region

In 2011, East Kowloon Region has successfully launched a bunch of service projects and activities to celebrate its 35th anniversary with a theme of "achieving another goal together". One of the highlights would definitely be receiving the Chairman's Shield in the Hong Kong Centenary Scout Rally Foot Drill Competition by our regional footdrill champion.

Sports and Health

In order to raise the awareness of the relationship between sports and health, we have introduced a project called "Sports and Health Promotion Programme", aiming at promoting fitness programmes into Scout trainings. Professor Stanley SC HUI, Vice-Chairperson of Physical Fitness Association of Hong Kong, China, was invited to host a seminar. Besides, we have designed and co-organized with Physical Fitness Association of Hong Kong, China a Health and Fitness Ambassador Instructor Course, to provide theoretical trainings and practices for our members. Furthermore, the series of Fitness Ambassador Courses for Cub Scouts have been launched. Last but not least, we held an event to encourage sports among family members in the hope of promoting the theme of "Family, Health and Sports in Scouting".

To help others

Our motto "Be Prepared" reminds us that we have to constantly get ourselves prepared in order to give helping hands to others whenever needed. We had introduced a series of workshop and activities for our members to promote the knowledge of Cardiopulmonary Resuscitation (CPR) . A CPR demonstration was held and more than 200 people participated. The event aimed to promote the importance of CPR and to raise the awareness of first aid.

Serve the Community

To encourage Scout members and their family to commit in community services, particularly to minority groups and elderly, East Kowloon Region has collaborated with 8 districts to launch a series of community service projects, including visiting elderly homes and cleaning service to elderly who live alone. Through the visits and other community services, such as clean up at country parks, we hope to promote the message that Scouts care about our community and contribute in various areas in society.

Family Time

East Kowloon Region believes that family activities are essential in bounding family members. Therefore we had organized family activities for Grasshopper Scouts and their parents, such as the "Family One Day Trip to Island" and "Family Playright Fun Day". Moreover, about 100 Scout members, leaders and lay members joined another event called "Hong Kong Island Historical Hiking Trip" on the New Year day to hike from Wong Nai Chung Path to Tai Tam. Despite the visit to military remains along the route, they also enjoyed the beautiful scenes, and concluded with a barbecue gathering at Shek O Beach.

New Territories Region

To mark the centenary of Hong Kong Scouting, the Region has organized variety of thematic events and services during this remarkable year. Besides, we continued our objective of reviewing Scout Movement in New Territories Region in order to discover ways for future development.

Quality Scout Training

A suitable activity base is beneficial to Scouting. In collaboration with HKFEW Wong Cho Bau School, the Scout Resource Centre has been set up by Island District in Tung Chung to provide a meeting and training venue for local Scout groups. In order to relieve the shortage of activity venues for Scout groups, the Region will strive for more potential bases in different areas to establish more Scout Resource Centres for the betterment of youths.

Caring the Elderly

With the support of New Territories Scout districts and the sponsorship of Karson CHOI Scout Foundation, a joint event "Hong Kong Scout Centenary – Social Service Day" was successfully conducted. A series of elderly care activities, including carnival, computer courses, banquet and visits etc., enabled Scouts to show concern for the elderly.

Diversity

The Region is committed to provide meaningful activities to its members. Our traditional activity, "Hong Kong Scout Centenary - NT Fun Day" held in December 2011 continued to offer a joyful day to our youth members. We always encourage harmonious family relationship. Through participation in different games and exhibitions on Fun Day, Scout members are encouraged to enhance communication with their family members and hence nurtured a close family relationship.

Communication and Partnership

Commissioners' Retreat Camp was completed in March 2012 which aimed to strengthen communication and cooperation among commissioners with the Region. Through different seminars and group discussion sections, senior commissioners understood more the latest development of Scout Movement in Hong Kong, it also gave them thoughts on the development of strategic plans for the regional departments and districts in the future.

Campsites

To improve the facilities of campsites, Tung Tsz Scout Centre was equipped with 4 extra refrigerators (219L) for 2 sets of barbeque stoves for campers. The Centre also enlarged the barbeque site and purchased a total of 5 booths with illumination for campers' use. Tai Mei Tuk Sea Activity Centre made use of the funding from "Sir David Trench Fund for Recreation" to purchase shelters for protecting the boats stored in outdoor area. The Fund also sponsored the Centre to replace life jackets. A badges gallery has been set up in Choi Chee Ming Luen Kwong Scout Centre for the visit of campers.

New Territories East Region

Mr CHAN Yam-cheong, the former Regional Commissioner, retired on 9 October 2011 and Mr Antony WONG Yiu-wing, the then Deputy Regional Commissioner (Operations and Development), succeeded to the post on the same day. Base on Mr Chan's vision, Mr Wong will implement the Region's Strategic Action Plan to enhance the achievements and development of Scouting in the Region. Through which, a common goal for all members of the Region is set.

Improve Members' Qualities through Achievements

As at 31 December 2011, the total number of Scout members in the Region was 12,113, representing an increase of 137 persons compared with the previous year. Twenty-seven Scout leaders became Wood Badgers and 330 youth members attained their highest sectional awards. For Golden Bauhinia Award, 273 Cub Scouts succeeded in attaining the qualification, which was the highest among 5 regions and represented an increase of 19.7%. In respect of the numbers of highest awards for other Scout sections, they were similar to that of the previous year and the overall performance was satisfactory. With a view to assist more members to achieve the qualifications of the sectional highest awards, a special task force comprising leaders of our Region and districts has been established to provide additional support and training to youth members to get through the challenges.

Ensure Leaders' Qualities through Wood Badge Training

Apart from the efforts in recruiting the leaders and members, the Region recognizes the importance of improving leaders' quality. The Region encourages all leaders to complete the full Wood Badge Training through the expansion of the subsidy provided by the "NTER Training Team Development Fund". All leaders of the Region now receive a subsidy for "Wood Badge Advance Course" on application.

Enhance Communications through Scout Group visits

Members of the Operation Branch work hand-in-hand with members of the districts on the concerted effort to implement the Scout group visits in the Region. Through the visits, information of the respective Scout groups will be gathered and relevant supports can be arranged. The districts' staff members have endeavored to visit all Scout groups of the respective district. In 2011, the number of Scout groups visits was 283, representing an increase of 56 Scout groups. The percentage of the Scout groups being visited in the whole Region is 70%.

Strengthen Financial Reserves

With the generous support from the community, the Region's reserve fund has been augmented. Mrs Edith KWAN and Mr Eddie KWAN, President and the Honorary President of the Region respectively, donated HK$1,000,000 for the establishment of "Eddie KWAN Scout Fund" which provides financial support to Regional activities. Apart from regular contributions, our Chairman Dr KWONG Kai-to, subsidized the publication of Region's bulletin, sponsored the Scout Centenary Dragon Boat Invitation Race and made additional contributions through Region's Fund Raising Walk.

Establishment of Region's Scout Pipe Band

The Development Department of the Region has started the training classes on pipes and drums for a new Scout Pipe Band since June 2011. A Region Scout Band Committee will be set up in the coming financial year to provide management and financial support to the Pipe Band. In future, the existence and performance of the Region Pipe Band will certainly add festive and happy atmosphere to regional events.

In the coming years, the promotion and development of Scouting, and the improvement of leaders and members' qualities are the focal points in the Region Strategic Action Plan. To facilitate the smooth implementation of the action plan focusing on diversity, comprehensiveness and efficiency, a series of trainings to improve the qualities of management, leaders and members will be rolled out. It is expected that there will be an enhancement on overall Scout image and a significant improvement on Scout developments.

Headquarters Subsidiaries

Leadership Training Institute

Course Accreditation under *Qualifications Framework* (QF)

In the past year, aiming to enhance the recognition of Scout training programme with a view to further develop Scout Movement in Hong Kong, Leadership Training Institute worked extensively to prepare for the Initial Evaluation and Programme Validation under the QF mechanism, hoping that part of our sectional training programmes would be registered in the *Qualifications Register*.

To help our members understand more about QF and its impact on our Association, the Institute invited representatives from *Hong Kong Council for Accreditation of Academic and Vocational Qualifications (HKCAAVQ)* to conduct a Training Workshop on Preparation of Accreditation Exercise under QF mechanism. The workshop was held on 4 November 2011 and aimed at enhancing our commissioners and teaching team members to have a deeper understanding about the Accreditation and the Four-stage Quality Assurance Process. Another seminar, "*Relationship between Qualifications Framework and Scout Training*", was also held on 13 January 2012. Representatives of QF Secretariat of Education Bureau were invited to give an introduction to QF to 120 adult members of our Association. The participants, including all levels of commissioners, trainers and front-line leaders, actively engaged in asking questions about QF and sharing their expectation to Scout training in the future.

"Leadership in Practice" in United College of the Chinese University of Hong Kong (CUHK)

The training programme, *Leadership in Practice* delivered by the Institute is one of the credit bearing general education elective subjects for students of United College of CUHK. Based on the model of Action-Centred Leadership, our programmes help students explore and examine their leadership theory through experiential learning and practical exercises. Eight cohorts of students with a total of 149 have successfully completed the courses since 2008.

Adventure Education Instructor Team

To develop adventure-based education, the Institute established an Adventure Education Instructor Team in 2010. The Instructor Team currently has 81 members. The major role and function of the Team is to serve voluntarily as teaching staff of various adventure-based courses and activities, aiming to assist in training a team of instructors and Scout leaders, for promoting adventure education in both of our Association and the community.

To further enhance the theoretical foundation and technical skills of our instructors on Adventure Education, an Immersion Workshop was organized from 22 to 25 April 2011 by Project Adventure Inc., 20 instructors completed the workshop and started their 80 hours of in-service practicum. A theory study workshop on Adventure-based Counselling was organized in the period of 20 to 25 February 2012. Mr Jim SCHOEL, a renowned adventure educator was invited to share with our instructors his classic book "*Islands of Healing: A guide to Adventure Based Counseling*" and other related theory and praxis on adventure education.

Training Programmes in Wong Siu Sang Leadership Training Institute

Various types of adventure training programmes have been designed for different groups of people since the establishment of the Institute. From 2011 to 2012, the Institute has offered 218 programmes for 76 organizations. Altogether, 11,621 participants have used our service. 44.02% of the usage of our service is residential training programme and 32.34% are one-day programme. The Institute offers training programmes on leadership, team building, outdoor education and personal growth enhancement for both adolescents and adult to Scout members as well as members of our community at large.

The Friends of Scouting

The Friends of Scouting (FOS) is a subsidiary of the Scout Association of Hong Kong. It was set up in 1969 to assist the Association in extending its services to non-scout youth and providing social service in response to the needs of the community.

"Creating favourable circumstances for young people to develop themselves and make contribution to the community" is FOS's mission statement. FOS's services include Integrated Children & Youth Service, School Social Work Service and Comprehensive Education Service.

Integrated Children & Youth Service

In response to the characteristics and demands of the local community, Kai Yip and Long Ping Centres, in addition to providing their routine services, enhanced their services in various areas and assisted youth and children in dealing with various problems in their respective catchment area, such as needs/problems associated with youth development, stress arising from studies or work, providing support from poor families, fostering social responsibility and building harmonious family in the community. Besides, both centres had launched anti-drug and ethnic minority programmes for the community which proved to be effective. Weborganic Project (Yuen Long District) and Digital Support Centre (Kwun Tong) were successfully launched for filling digital gap of the poor families. Apart from this, service for hyperactive disordered children was welcomed by the community. Last but not least, we successfully started the primary school social work service last year. At present, our Integrated Children & Youth Centre provided social work service for 2 primary schools and 5 secondary schools.

School Social Work Service

School Social Work Service provides on-site services for 11 secondary schools in Yuen Long, Tuen Mun and Tai Po districts (Maria College-Tai Po School, one of our serving schools, was closed down in August 2011). Services include counselling, group and developmental work, parent education and community services. Last year, 346 programmes were organized for the students of the serving schools by school social work service with more than 74,000 attendants in all activities. Programmes mainly focused on positive socialization. Counselling and guidance-oriented activities were another important focuses of the year. On the whole, school social work service achieved the designated objectives and was highly rated and appreciated by the schools we served.

Education Service

The Education Centre aimed at providing learning opportunities through academic and interest courses to people of different walks of life. It conducted 719 courses for the period April 2011 to March 2012. The total number of non-subvented courses was 689 and subvented courses was 69 comprising 3 courses of Adult Education and 66 courses funded by Employee Retraining Board. The total number of enrollment was 8,034 of which 53% was made up of the students of the children and youth courses.

Last year, our Cambridge English course received the Cambridge English for Speakers of Other Languages (ESOL) Exam Preparation Centre and Addvantage Partnership Programme awards. The awards speak volumes for our programme quality.

The Baden-Powell Scout Club of Hong Kong

BP Spirit, Serving the Community

The establishment of the Baden-Powell Scout Club of Hong Kong (BP Club) is to maintain the ties and friendship among serving and retired/resigned Scout members in Hong Kong. Members are encouraged to uphold the spirit of Scouting by serving the community. Up to 2011, the total number of Club member is 1,360.

Attractive Activities throughout the Year

This year, various activities ranging from leisure to recreation, educational tour and community services were organized for members and their relatives. The "Christmas Party 2011" held on 17 December 2011 was one of the particularly remarkable events of the year. Tasting delicious foods and wine around the fire with crowds of friends to share their sweet memories, participants were so happy to enjoy the BBQ buffet at the Club's premises.

With joyful memories on the way back home, 35 members and friends joined "The Journey to Cambodia, Laos and Thailand" held from 4 to 9 November 2011. Participants had a chance to visit famous attractions and understand different foreign cultures through a lot of sharing activities with local people.

As one of the subordinated units of the Club, the "Wine Society" held "The Questing Tour to the Wine-producing Villages in Shanxi" from 16 to 20 September 2011 with 27 participants. Receiving the warm hospitality with delicious snacks and wine arranged by the host of the Wine Village, participants could grasp a deeper understanding and knowledge of the wine-producing process. Another subordinated unit, the "Chinese Opera Society" jointly held "The Concert of Chinese Opera Songs for International Senior Day 2011" with the Tsim Sha Tsui District Kaifong Welfare Association on 20 November 2011. Sharing beautiful music and songs with 800 audiences at the concert hall, all performers and the tutor enjoyed the successful show which brought the atmosphere ending at the climax of happiness.

The Scout Shop of Hong Kong

In the spirit of providing better customer service, the Scout Shop has consistently strived to source both good quality essential Scout items at affordable prices and also interesting and useful new products aligned with our Movement for our Scout members. In the past year, to ensure that we continue to meet customer expectations, the Scout Shop has also endeavoured to enhance communication and interactions with our Scouts and other interested members of the public through a number of initiatives leveraging the internet.

Closer Communication

The Scout Shop launched its internet shop (www.scout.org.hk/shop) in March 2011 and managed to achieve financial breakeven in the first year of its operations. As of today, more than 600 persons have been registered as members of our internet shop, many of them are Scouts from different areas of the world, enabling us to reach out to a greater audience beyond our geographical boundaries. We expect to continue to improve our presence on the internet by continuously upgrading the internet shop and hope to serve an even broader network of brother and sister Scouts around the world in the near future. Also, to further enhance interactive communication with our clients, the Scout Shop has set up her own "page" on Facebook starting June 2011. These two initiatives not only enable us to disseminate our messages faster and more extensively, but also create new platforms for Scout members and others to give us feedbacks and share their views, which we will continue to monitor as part of our overall efforts to improve the operation and customer service of the Scout Shop.

New Products

Consistent with our established goal of promoting Scouting through developing and offering products with Scout features, we have launched new products including hats, caps and stickers featuring the “Grasshopper”, mascot of our pre-Cub Scout section. The Scout Shop has also introduced over 100 new items in the year, including many souvenirs commemorating the centenary of Hong Kong Scouting, new Scout publications, outdoor activity gears and other miscellaneous souvenir items. The Shop has also partnered with two established outdoor brands to upgrade the displays of our outdoor gear area of the main shop at the Scout Centre and provide special discounts on selected outdoor gears, resulting in a win-win arrangement for all parties concerned. In the upcoming year, the Shop will continue to work on developing new products, including possible quality upgrades for our existing uniforms and related accessories.

The Plumage

To better understand customer service, shopping environment, products and pricings at The Plumage, our outlet located in the Hong Kong Wetland Park, a comprehensive questionnaires survey has been conducted there last year. As we have recently renewed our contract for this outlet we will continue to gather feedbacks and begin to implement necessary enhancements with the aim to upgrade both our service and operational efficiency there.

B P International House

The tourism sector in Hong Kong had a good year in 2011, as the number of visiting tourists surpassed 40 million for the first time. According to the Hong Kong Tourism Board, Hong Kong's new record of 42 million tourists represents a 16.4% increase over the level in 2010.

In our fiscal year of 2011-2012, B P International achieved a respectable occupancy rate of 94.2%, a 1.12% increase over the prior period. We also saw a positive result on the hotel's average room rate, which yielded an increase of 25% over the average rate in 2010 – 2011.

Several enhancement projects were undertaken during 2011 – 2012 to improve the quality of the guestroom experience. Notable among the projects completed in 2011 – 2012 were the installation of LED TVs and supply of irons and ironing boards in every guest room. Other projects included the replacement of the key-card system and a project to upgrade the hotel's bedding. In this last project, traditional "bed spreads" were being replaced with more luxurious duvet bed coverings.

Cafe by the Park and Flamingo Lounge have reached an important milestone, as each was once again recipient of a 2011 Quality Tourism Services Merchant Award by the Hong Kong Tourism Board. Both establishments have now been recognized as Quality Restaurants for 10 consecutive years.

Gordon Wu Hall earned an important competitive accreditation in 2011. Gordon Wu Hall has been designated by the Hong Kong Productivity Council as a Quality Wedding Merchant. Of particular note, Gordon Wu Hall was praised for outstanding quality and excellent service.

As we look ahead to new business prospects on the horizon, the following developments stand out as bringing potential new opportunities to the business. We will continue to develop into the on-line reservation market. The on-line reservation market is a crucial market in the services industry today. Investing in this area will help the business to extend its profits. An effective on-line reservations system can help doing business with B P International easier on our guests and keep us competitive in the growing and modernizing marketplace.

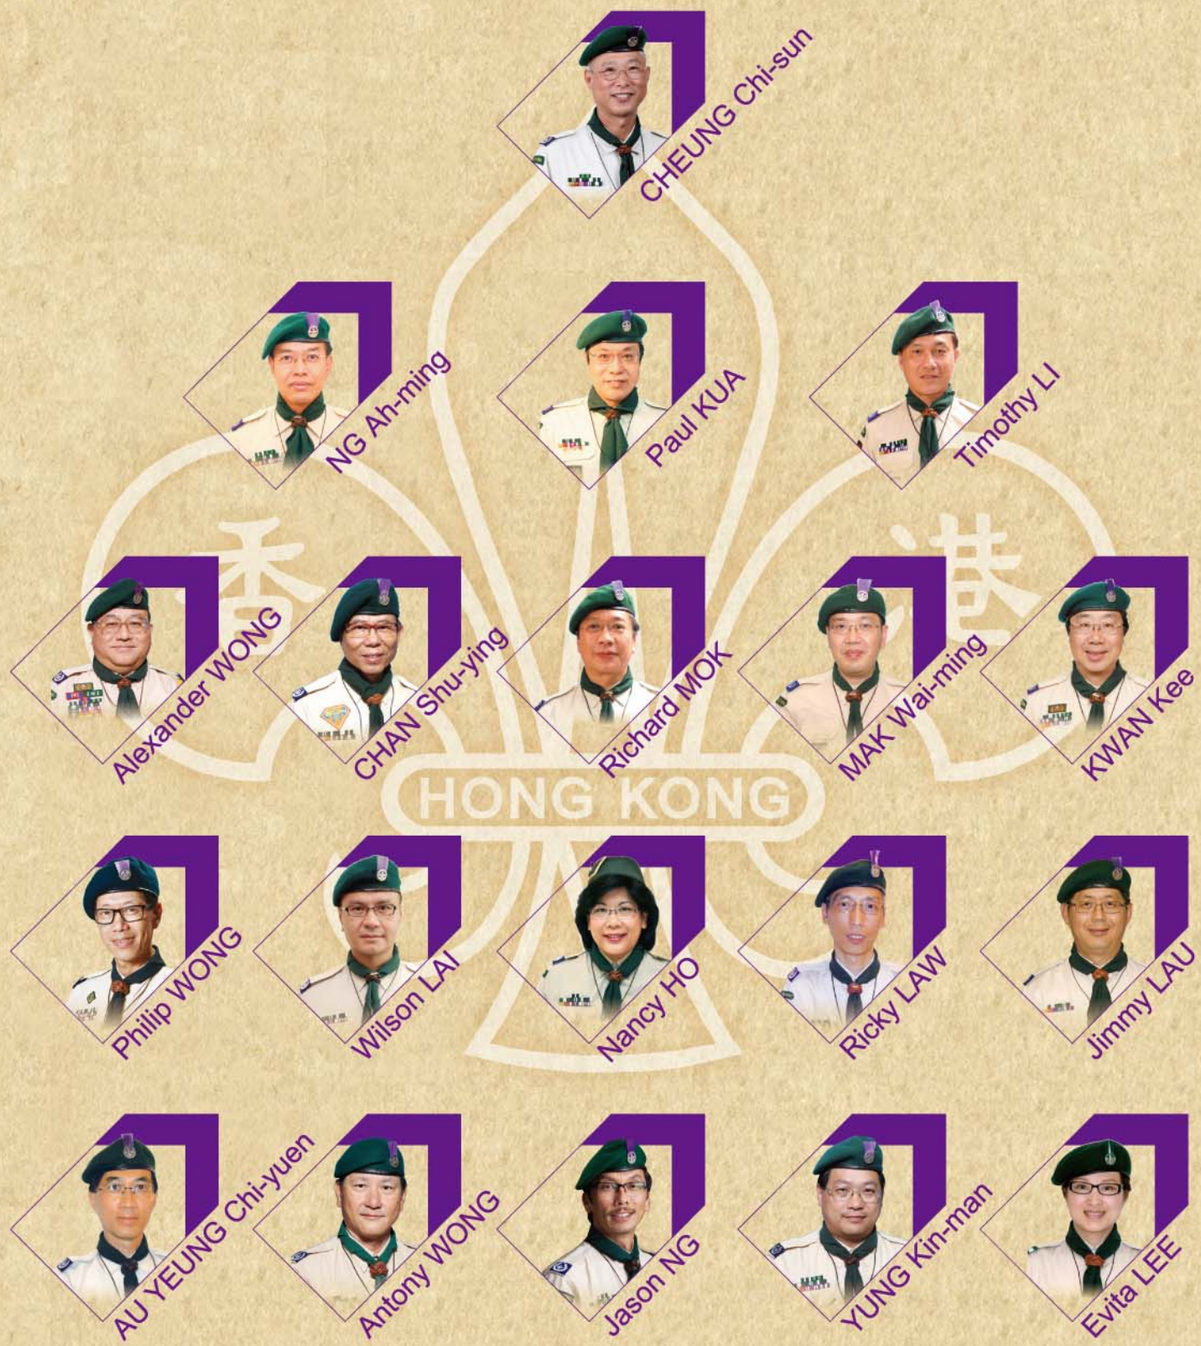

We will also keep an eye upon the West Kowloon Cultural District and the Hong Kong Section of the Guangzhou-Shenzhen-Hong Kong Express Rail Link. District re-development and transportation improvements create opportunities to attract new clientele. It is advisable to watch for such business opportunities as they emerge.

Financial Statements

Scout Association of Hong Kong

31 March 2012

Independent auditor's report to the Council of Scout Association of Hong Kong

We have audited the financial statements of Scout Association of Hong Kong (the "Association") set out on pages 3 to 47, which comprise the statement of financial position as at 31 March 2012, the statement of income and expenditure, statement of comprehensive income, statement of changes in funds and reserves and statement of cash flows for the year then ended and a summary of significant accounting policies and other explanatory information.

Responsibility of the Executive Committee for the financial statements

The Executive Committee is responsible for the preparation of financial statements that give a true and fair view in accordance with Hong Kong Financial Reporting Standards issued by the Hong Kong Institute of Certified Public Accountants and for such internal control as the Executive Committee determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express an opinion on these financial statements based on our audit and to report our opinion solely to you, as a body, in accordance with our agreed terms of engagement, and for no other purpose. We do not assume responsibility towards or accept liability to any other person for the contents of this report.

We conducted our audit in accordance with Hong Kong Standards on Auditing issued by the Hong Kong Institute of Certified Public Accountants. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Executive Committee, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Independent auditor's report to the Council of Scout Association of Hong Kong (continued)

Opinion

In our opinion, the financial statements give a true and fair view of the state of affairs of the Association as at 31 March 2012 and of its surplus and cash flows for the year then ended in accordance with Hong Kong Financial Reporting Standards.

Payment for purchase of property, plant and equipment		(46,524)	(56,174)
Payment for purchase of available-for-sale financial assets	8	(8,039)	(1,633)
Payment for purchase of held-to-maturity financial assets	9	(10,473)	-
Proceeds from disposal of available-for-sale financial assets		10,509	18,929
Proceeds from disposal of held-to-maturity financial assets		-	402
Proceeds from disposal of property, plant and equipment		13	-
Proceeds from redemption of held-to-maturity financial assets		-	15,494
Dividend and interest received from investment financial assets		7,733	6,311
Investments in bank deposits with maturity of more than three months at acquisition		(50,000)	-
Interest received		433	83
Net cash used in investing activities		(96,348)	(16,588)
Net increase in cash and cash equivalents		26,274	81,316
Cash and cash equivalents at the beginning of the year		364,573	283,257
Cash and cash equivalents at the end of the year	12	390,847	364,573

The notes on pages 9 to 47 form part of these financial statements.

Notes to the financial statements
(Expressed in Hong Kong dollars)

1 General information

(a) *Organisation and activities*

Scout Association of Hong Kong (the "Association") is a body corporate with perpetual succession established under Scout Association of Hong Kong Ordinance (Chapter 1005 of the Laws of Hong Kong) for the purpose of furthering and promoting the Scout Movement in the Hong Kong Special Administrative Region ("HKSAR").

The Association established The Hong Kong Scout Foundation in accordance with Scout Association of Hong Kong Ordinance. On cessation or dissolution of the Foundation Management Committee, the Association would be the legal owner of all funds and assets under the name of the Foundation.

(b) *Operations included in the financial statements*

The financial statements include the operations of the following:

(i) Headquarters of Scout Association of Hong Kong ("Scout Headquarters");

(ii) The Hong Kong Scout Foundation ("the Foundation");

(iii) The Scout Shop of Hong Kong;

(iv) B P International House ("Hostel operation");

(v) Hong Kong Island Region, Kowloon Region, East Kowloon Region, New Territories Region and New Territories East Region (collectively known as "Five Regions"); and

(vi) Gilwell Campsite, Pak Sha Wan Tam Wah Ching Sea Activity Centre, Tai Tam Scout Centre, Tung Tsz Scout Centre, Shatin Scout Centre, Tai Mei Tuk Sea Activity Centre and Choi Chee Ming Luen Kwong Scout Centre (collectively known as "Seven Campsites").

Their principal activities are as follows:

Scout Headquarters, Five Regions and Seven Campsites:

- furthering and promoting the Scout Movement in the HKSAR.

1 General information (continued)

(b) *Operations included in the financial statements (continued)*

Hong Kong Scout Foundation:

- managing any funds assigned by the Executive Committee of Scout Association of Hong Kong;
- receiving any donations for the Foundation; and
- managing the surplus generated from the investment of the funds.

Scout Shop of Hong Kong:

- selling of Scout uniforms and other accessories.

B P International House:

- operating a hostel.

2 Significant accounting policies

(a) *Statement of compliance*

These financial statements have been prepared in accordance with all applicable Hong Kong Financial Reporting Standards ("HKFRSs"), which collective term includes all applicable individual Hong Kong Financial Reporting Standards, Hong Kong Accounting Standards ("HKASs") and Interpretations issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA") and accounting principles generally accepted in Hong Kong. A summary of the significant accounting policies adopted by the Association is set out below.

The HKICPA has issued a number of amendments to HKFRSs and one new Interpretation that are first effective for the current accounting period of the Association. Of these, the following developments are relevant to the Association's financial statements:

- HKAS 24 (revised 2009), *Related party disclosures*
- Improvements to HKFRSs (2010)

2 Significant accounting policies (continued)

(a) *Statement of compliance (continued)*

The impacts of these developments are discussed below:

- HKAS 24 (revised 2009) revises the definition of a related party. As a result, the Association has re-assessed the identification of related parties and concluded that the revised definition does not have any material impact on the Association's related party disclosures in the current and previous period. HKAS 24 (revised 2009) also introduces modified disclosure requirements for government-related entities. This does not impact the Association because the Association is not a government-related entity.
- Improvement to HKFRSs (2010) omnibus standard introduces a number of amendments to the disclosure requirements in HKFRS 7, *Financial instruments: Disclosures*. The disclosures about the Association's financial instruments in note 16 have been conformed to the amended disclosure requirements. These amendments do not have any material impact on the classification, recognition and measurements of the amounts recognised in the financial statements in the current and previous periods.

The Association has not applied any new standard or interpretation that is not yet effective for the current accounting period (see note 21).

(b) *Basis of preparation of the financial statements*

The measurement basis used in the preparation of the financial statements is the historical cost basis except for financial instruments classified as available-for-sale securities (note 2(c)) which are stated at fair value.

The preparation of financial statements in conformity with HKFRSs requires management to make judgements, estimates and assumptions that affect the application of policies and reported amounts of assets, liabilities, income and expenses. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the results of which form the basis of making the judgements about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

Judgements made by management in the application of HKFRSs that have significant effect on the financial statements and major sources of estimation uncertainty are discussed in note 17.

2 Significant accounting policies (continued)

(c) Investments in debt and equity securities

Investments are recognised/derecognised on the date the Association commits to purchase/sell the investments or they expire. Investments in debt and equity securities are initially stated at fair value, which is their transaction price unless fair value can be more reliably estimated using valuation techniques whose variables include only data from observable markets. Cost includes attributable transaction costs. These investments are subsequently accounted for as follows, depending on their classification:

(i) Held-to-maturity debt securities

Dated debt securities that the Association has the positive ability and intention to hold to maturity are classified as held-to-maturity securities. Held-to-maturity securities are stated in the statement of financial position at amortised cost less impairment losses.

Impairment losses for held-to-maturity securities are recognised when there is objective evidence of impairment and are measured as the difference between the asset's carrying amount and the present value of estimated future cash flows, discounted at the asset's original effective interest rate (i.e. the effective interest rate originally computed at initial recognition of the asset). Objective evidence of impairment includes observable data that comes to the attention of the Association about events that have an impact on the asset's estimated future cash flows such as:

- significant financial difficulty of the debtor; or
- significant changes in the technological, market, economic or legal environment that have an adverse effect on the debtor.

If in a subsequent period the amount of an impairment loss decreases and the decrease can be linked objectively to an event occurring after the impairment loss was recognised, the impairment loss is reversed through the statement of income and expenditure. A reversal of an impairment loss shall not result in the asset's carrying amount exceeding that which would have been determined had no impairment loss been recognised in prior years.

2 Significant accounting policies (continued)

(c) Investments in debt and equity securities (continued)

(ii) Available-for-sale securities

Other investments in securities, being those held for non-trading purposes, are classified as available-for-sale securities. At the end of each reporting period the fair value is remeasured, with any resultant gain or loss being recognised in other comprehensive income and accumulated separately in equity in the investment revaluation reserve, except foreign exchange gains and losses resulting from changes in the amortised cost of monetary items such as debt securities which are recognised directly in the statement of income and expenditure.

Dividend income from these investments is recognised in accordance with the policy set out in note 2(m)(v) and, where these investments are interest-bearing, interest calculated using the effective interest method is recognised in the statement of income and expenditure in accordance with the policy set out in note 2(m)(iii). When these investments are derecognised, the cumulative gain or loss is reclassified from equity to the statement of income and expenditure.

When there is objective evidence that available-for-sale securities are impaired, the cumulative loss that has been recognised in the investment revaluation reserve is reclassified to the statement of income and expenditure. The amount of the cumulative loss that is recognised in the statement of income and expenditure is the difference between the acquisition cost (net of any principal repayment and amortisation) and current fair value, less any impairment loss on that asset previously recognised in the statement of income and expenditure. Objective evidence of impairment includes observable data that comes to the attention of the Association concerning the underlying financial stability of the investee as well as a significant or prolonged decline in the fair value of an investment below its cost.

Impairment losses recognised in the statement of income and expenditure in respect of available-for-sale equity securities are not reversed through the statement of income and expenditure. Any subsequent increase in the fair value of such assets is recognised directly in other comprehensive income.

Impairment losses in respect of available-for-sale debt securities are reversed if the subsequent increase in fair value can be objectively related to an event occurring after the impairment loss was recognised. Reversals of impairment losses in such circumstances are recognised in the statement of income and expenditure.

2 Significant accounting policies (continued)

(d) Property, plant and equipment

Property, plant and equipment are stated in the statement of financial position at cost less accumulated depreciation and impairment losses.

Depreciation is calculated to write off the cost of items of property, plant and equipment, less their estimated residual value, if any, using the straight line method over their estimated useful lives as follows:

– Leasehold land	Over the unexpired term of lease
– Leasehold improvements	Over the shorter of the unexpired term of lease and their estimated useful lives
– Buildings	50 years
– Machinery and equipment	15 years
– Furniture and fixtures	4 - 5 years
– Motor vehicles	4 years
– Computer equipment	3 years
– Programme and training equipment	4 years

Both the useful life of an asset and its residual value, if any, are reviewed annually.

The carrying amounts of property, plant and equipment are reviewed for indications of impairment at the end of each reporting period. An impairment loss is recognised in the statement of income and expenditure if the carrying amount of an asset, or the cash-generating unit to which it belongs, exceeds its recoverable amount. The recoverable amount of an asset, or of the cash-generating unit to which it belongs, is the greater of its fair value less costs to sell and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the assets. An impairment loss is reversed if there has been a favourable change in the estimates used to determine the recoverable amount.

Gains or losses arising from the retirement or disposal of an item of property, plant and equipment are determined as the difference between the net disposal proceeds and the carrying amount of the item and are recognised in the statement of income and expenditure on the date of retirement or disposal.

2 Significant accounting policies (continued)

(e) Leased assets

An arrangement, comprising a transaction or a series of transactions, is or contains a lease if the Association determines that the arrangement conveys a right to use a specific asset or assets for an agreed period of time in return for a payment or a series of payments. Such a determination is made based on an evaluation of the substance of the arrangement and is regardless of whether the arrangement takes the legal form of a lease.

(i) Classification of assets leased to the Association

Assets that are held by the Association under leases which transfer to the Association substantially all the risks and rewards of ownership are classified as being held under finance leases. Leases which do not transfer substantially all the risks and rewards of ownership to the Association are classified as operating leases.

(ii) Operating lease charges

Where the Association has the use of assets held under operating leases, payments made under the leases are charged to the statement of income and expenditure in equal instalments over the accounting periods covered by the lease term, except where an alternative basis is more representative of the pattern of benefits to be derived from the leased asset. Lease incentives received are recognised in the statement of income and expenditure as an integral part of the aggregate net lease payments made.

(f) Inventories

Inventories are carried at the lower of cost and net realisable value.

Cost is calculated using the first-in, first-out method and comprises all costs of purchase, costs of conversion and other costs incurred in bringing the inventories to their present location and condition.

Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

When inventories are sold, the carrying amount of those inventories is recognised as an expense in the period in which the related revenue is recognised. The amount of any write-down of inventories to net realisable value and all losses of inventories are recognised as an expense in the period the write-down or loss occurs. The amount of any reversal of any write-down of inventories is recognised as a reduction in the amount of inventories recognised as an expense in the period in which the reversal occurs.

2 Significant accounting policies (continued)

(g) Receivables

Receivables are initially recognised at fair value and thereafter stated at amortised cost using the effective interest method, less allowance for impairment of doubtful debts, except where the receivables are interest-free loans made to related parties without any fixed repayment terms or the effect of discounting would be immaterial. In such cases, the receivables are stated at cost less allowance for impairment of doubtful debts.

Impairment losses for bad and doubtful debts are recognised when there is objective evidence of impairment and are measured as the difference between the carrying amount of the financial asset and the estimated future cash flows, discounted at the asset's original effective interest rate where the effect of discounting is material. Objective evidence of impairment includes observable data that comes to the attention of the Association about events that have an impact on the asset's estimated future cash flows such as significant financial difficulty of the debtor.

Impairment losses for receivables whose recovery is considered doubtful but not remote are recorded using an allowance account. When the Association is satisfied that recovery is remote, the amount considered irrecoverable is written off against receivables directly and any amounts held in the allowance account relating to that debt are reversed. Subsequent recoveries of amounts previously charged to the allowance account are reversed against the allowance account. Other changes in the allowance account and subsequent recoveries of amounts previously written off directly are recognised in the statement of income and expenditure.

(h) Trade and other payables

Trade and other payables are initially recognised at fair value and subsequently stated at amortised cost unless the effect of discounting would be immaterial, in which case they are stated at cost.

(i) Cash and cash equivalents

Cash and cash equivalents comprise cash at bank and in hand, demand deposits with banks and other financial institutions, and short-term, highly liquid investments that are readily convertible into known amounts of cash and which are subject to an insignificant risk of changes in value, having been within three months of maturity at acquisition. Bank overdrafts that are repayable on demand and form an integral part of the Association's cash management are also included as a component of cash and cash equivalents for the purpose of the statement of cash flows.

2 Significant accounting policies (continued)

(j) Employee benefits

Salaries, annual bonuses, paid annual leave, contributions to defined contribution retirement plans and the cost of non-monetary benefits are accrued in the year in which the associated services are rendered by employees. Where payment or settlement is deferred and the effect would be material, these amounts are stated at their present values.

(k) Income tax

The Association is exempted from Hong Kong Profits Tax by virtue of Section 88 of the Inland Revenue Ordinance.

(l) Provisions and contingent liabilities

Provisions are recognised for liabilities of uncertain timing or amount when the Association has a legal or constructive obligation arising as a result of a past event, it is probable that an outflow of economic benefits will be required to settle the obligation and a reliable estimate can be made. Where the time value of money is material, provisions are stated at the present value of the expenditure expected to settle the obligation.

Where it is not probable that an outflow of economic benefits will be required, or the amount cannot be estimated reliably, the obligation is disclosed as a contingent liability, unless the probability of outflow of economic benefits is remote. Possible obligations, whose existence will only be confirmed by the occurrence or non-occurrence of one or more future events are also disclosed as contingent liabilities unless the probability of outflow of economic benefits is remote.

(m) Revenue recognition

Revenue is measured at the fair value of the consideration received or receivable. Provided it is probable that the economic benefits will flow to the Association and the revenue and costs, if applicable, can be measured reliably, revenue is recognised in the statement of income and expenditure as follows:

(i) Sale of goods

Revenue is recognised when goods are delivered at the customers' premises which is taken to be the point in time when the customer has accepted the goods and the related risks and rewards of ownership. Revenue is stated after deduction of any trade discounts.

2 Significant accounting policies (continued)

(m) Revenue recognition (continued)

(ii) Hostel revenue

Hostel revenue from rooms and other ancillary services is recognised when the services are rendered.

(iii) Interest income

Interest income is recognised as it accrues using the effective interest method.

(iv) Donations

Donations not designated for any specific purposes are utilised at the discretion of the Executive Committee and are recognised as revenue upon receipt of cash. Designated donations are recognised in the statement of income and expenditure on a systematic basis in the same periods in which the expenses are incurred.

(v) Dividends

Dividend income from listed investments is recognised when the share price of the investment goes ex-dividend.

(vi) Government grants

Government grants are recognised when there is reasonable assurance that they will be received and that the Association will comply with the conditions attaching to them.

(n) Translation of foreign currencies

Foreign currency transactions during the year are translated at the foreign exchange rates ruling at the transaction dates. Monetary assets and liabilities denominated in foreign currencies are translated at the foreign exchange rates ruling at the end of the reporting period. Exchange gains and losses are recognised in the statement of income and expenditure.

(o) Related parties

(a) A person, or a close member of that person's family, is related to the Association if that person:

  (i) has control or joint control over the Association;

  (ii) has significant influence over the Association; or

  (iii) is a member of the key management personnel of the Association or the Association's parent.

2 Significant accounting policies (continued)

(o) Related parties (continued)

(b) An entity is related to the Association if any of the following conditions applies:

  (i) The entity and the Association are members of the same group (which means that each parent, subsidiary and fellow subsidiary is related to the others).

  (ii) One entity is an associate or joint venture of the other entity (or an associate or joint venture of a member of a group of which the other entity is a member).

  (iii) Both entities are joint ventures of the same third party.

  (iv) One entity is a joint venture of a third entity and the other entity is an associate of the third entity.

  (v) The entity is a post-employment benefit plan for the benefit of employees of either the Association or an entity related to the Association.

  (vi) The entity is controlled or jointly controlled by a person identified in (a).

  (vii) A person identified in (a)(i) has significant influence over the entity or is a member of the key management personnel of the entity (or of a parent of the entity).

Close members of the family of a person are those family members who may be expected to influence, or be influenced by, that person in their dealings with the entity.

(p) Designated funds

Designated funds are funds established from specific donations which are earmarked for specific purposes at the request of the donors.

(i) Foundation Fund for The Aged

The Foundation Fund for The Aged is represented by funds available for functions organised for the aged.

(ii) Karson Choi Scout Foundation

The Karson Choi Scout Foundation is represented by funds available for the thematic events and community services of New Territories Region.

(iii) Lam Kwok Hing Fund

The Lam Kwok Hing Fund is represented by funds available for the purpose of purchasing equipment for Pak Sha Wan Tam Wah Ching Sea Activity Centre.

2 Significant accounting policies (continued)

(p) Designated funds (continued)

(iv) Lee Kui Nang Foundation

The Lee Kui Nang Foundation is represented by funds available for scout development and camping activities.

(v) New Territories East Regional Headquarters Fund

The New Territories East Regional Headquarters Fund is represented by funds available for repair, maintenance and other operating expenses of New Territories East Regional headquarters.

(vi) Ng Tor Tai Scout Fund

The Ng Tor Tai Scout Fund is represented by funds available for provision of financial assistance for activities with the aim of developing the Scout Movement of the East Kowloon Region.

(vii) Patrick Chung's Scholarship Fund

The Patrick Chung's Scholarship Fund is represented by funds available for personal development of Scouts.

(viii) Promoting and Developing Scout Fund

The Promoting and Developing Scout Fund is represented by funds available for assisting the Association to promote and develop scouting.

(ix) Promoting and Developing Scout Fund Amortisation

The Promoting and Developing Scout Fund Amortisation is represented by the net book value of property, plant and equipment funded by the Promoting and Developing Scout Fund. Transfers from the Promoting and Developing Scout Fund represent additions during the year. Transfers to the statement of income and expenditure represent the corresponding depreciation charged for the year.

(x) Scout Performing Arts Foundation

The Scout Performing Arts Foundation is represented by funds available for assisting the Association for performing arts development of Scouts.

(xi) Samson Sun Scout Fund

The Samson Sun Scout Fund is represented by funds available for provision of subsidies for the procurement of uniforms for under-privileged youth members of the Association.

2 Significant accounting policies (continued)

(p) Designated funds (continued)

(xii) Sichuan Relief Fund

The Sichuan Relief Fund is represented by funds available for donation to support the rehabilitation work and related service plans for earthquake victims in Sichuan.

(xiii) SAHK Leadership Training Institute Foundation

SAHK Leadership Training Institute Foundation is represented by funds available for supporting leaders' training and continuing education.

(q) Internal designated funds

Internal designated funds are funds established by the Association and are earmarked for special purposes.

(i) Amortisation Reserves

The Amortisation Reserves are represented by the net book value of property, plant and equipment funded by various internal designated funds. Transfers from the internal designated funds represent additions during the year. Transfers to the statement of income and expenditure represent the corresponding depreciation charged for the year.

(ii) Baden-Powell Scout Fund

The Baden-Powell Scout Fund is represented by funds available for provision of grants, loans or revolving funds for major units of the Scout Movement in the HKSAR.

(iii) Building Fund

The Building Fund is represented by funds available for future renovation, decoration and repair of Scout Headquarters. If any amount is expended on capital expenditure from this fund and which is capitalised as property, plant and equipment, the same amount will be transferred out of this fund into the Building Fund Amortisation.

(iv) Chau Cham Son World Jamboree Fund

The Chau Cham Son World Jamboree Fund is represented by funds available for subsidising Scout members to participate in the World Jamboree.

(v) Development Fund

The Development Fund is represented by funds available for provision of funds and assistance for the development of the Scout Movement in the HKSAR and Tung Tsz Scout Centre.

2 Significant accounting policies (continued)

(q) Internal designated funds (continued)

(vi) District Fund

The District Fund is represented by funds available for subsidising District activities in the Kowloon Region.

(vii) General Project Fund

The General Project Fund is represented by funds available for provision of grants, loans or revolving funds for the Scout Movement in the Kowloon Region.

(viii) International Brotherhood Fund

The International Brotherhood Fund is represented by funds available for the development of the Scout Movement in other countries, especially for developing countries.

(ix) New Territories East Region Eddie Kwan Scout Fund

The New Territories East Region Eddie Kwan Scout Fund is represented by funds available for provision of funds and assistance for the development of the training team of New Territories East Region.

(x) New Territories East Region Training Team Development Fund

The New Territories East Region Training Team Development Fund is represented by funds available for provision of funds and assistance for the development of the training team of New Territories East Region.

(xi) New Territories East Regional Scout Fund

The New Territories East Regional Scout Fund is represented by funds available for supporting scouting activities, development and operations of the New Territories East Region.

(xii) New Territories Regional Scout Fund

The New Territories Regional Scout Fund is represented by funds available for the operations of New Territories Region.

2 Significant accounting policies (continued)

(q) Internal designated funds (continued)

(xiii) Programme and Training Project Fund

The Programme and Training Project Fund is available for provision of funds for supporting programmes and training of the Scout Movement of Kowloon and East Kowloon Regions.

(xiv) Regional Headquarters Maintenance Fund

The Regional Headquarters Maintenance Fund is represented by funds available for operations of Regional Headquarters and Pak Sha Wan Tam Wah Ching Sea Activity Centre.

(xv) Scout Development Fund

The Scout Development Fund is represented by funds available for financing scouting activities for the purpose of retaining and/or expanding membership in District and Scout Groups.

(xvi) Staff Welfare Fund

The Staff Welfare Fund is represented by funds available for staff welfare and recreation.

(xvii) Tai Tam Redevelopment Fund

The Tai Tam Redevelopment Fund is represented by funds available for future redevelopment of Tai Tam Scout Centre.

(xviii) Tai Tam Scout Centre Development Fund

The Tai Tam Scout Centre Development Fund is represented by funds available for development of Tai Tam Scout Centre.

(xix) Wong Fuk Hong Memorial Fund

The Wong Fuk Hong Memorial Fund is represented by funds available for the development of the Scout Movement in the HKSAR.

(xx) Wong Siu Sang Leadership Training Institute Reserve Fund

The Wong Siu Sang Leadership Training Institute Reserve Fund is represented by funds available for supporting programmes and training of Wong Siu Sang Leadership Training Institute.

2 Significant accounting policies (continued)

(r) Replacement Reserve

The Replacement Reserve is to provide for future capital expenditure of B P International House. Amount of provision for the current year is $19,000,000 (2011: $19,000,000) which has been approved by the Board of Management of B P International House. Interest income attributable to the funds in the Replacement Reserve will be credited to the statement of income and expenditure if the interest income is not used for other specific purposes at the discretion of the Board of Management of B P International House. If any amount is expended on capital expenditure from these funds and which is capitalised as property, plant and equipment, the same amount will be transferred out of this reserve into the Replacement Amortisation Reserve.

The gains or losses arising from the disposal of property, plant and equipment are credited to the statement of income and expenditure. The net book value of the disposed assets is transferred from the Accumulated Fund to the Replacement Amortisation Reserve.

(s) Replacement Amortisation Reserve

The Replacement Amortisation Reserve is represented by the net book value of property, plant and equipment funded by the Replacement Reserve. Transfers from the Replacement Reserve represent additions during the year. Transfers to the Accumulated Fund represent the corresponding depreciation charged for the year.

(t) Sinking Fund

The Sinking Fund is represented by funds provided for future redevelopment of the Hong Kong Scout Centre building of the Association.

3 Turnover

	2012 $'000	*2011* $'000
Hostel revenue		
– Room revenue	239,939	190,521
– Licence fee and car parking fee	25,592	23,734

(a) *Leasehold land*

The Association's interests in leasehold land represent prepaid lease payments and their net book value is analysed as follows:

	2012	2011
	$'000	$'000
In Hong Kong held on		
– Leases of between 1 to 50 years	21,563	22,175

Leasehold land included a piece of land owned by the Association which was bequeathed by the late Mr Wong Fuk Hong and is held under medium-term lease and situated at Fanling in Demarcation District No. 51 in the New Territories. It is stated at a nominal value of $4 in the financial statements. No amortisation has been provided on this land held on medium-term lease.

Leasehold land included also the following which were donated to the Association in previous years for no consideration. They are stated at a nominal value of $1 in the financial statements.

Location of leasehold land	*Lease period*
DD 117, Tai Tong Road, Yuen Long, New Territories	Up to May 2012 and thereafter extended on a quarterly basis automatically until such time the tenancy is terminated by the Government of the HKSAR upon giving a one-month notice
New Kowloon Inland Lot No. 5956, Kowloon Tong, Kowloon	Up to September 2012
Sha Tin Town Lot No. 272 (Portion), Shatin, New Territories	Up to June 2012
Lot No. 1131 in DD 217, Sai Kung, New Territories	Up to June 2012
Lot No. 154 in DD 195, Mau Tso Ngam, Kowloon	Up to June 2012
4th & 5th Floor of Tang Shiu Kin Scout & Guide Centre, No. 308 Wo Yi Hop Road, Kwai Chung, New Territories	Up to June 2012
Inland Lot No. 8961, North Point, Hong Kong	Up to year 2013
Lot No. 131 in DD 60, Au Tau, Yuen Long, New Territories	Up to year 2024
Tai Po Town Lot No. 190, Tai Po, New Territories	Up to year 2025
10A, Chevalier Industrial Building, 43-45 Beech Street, Tai Kok Tsui, Kowloon	Up to year 2027
Flat A & B on 7th Floor, Lee Ka Industrial Building, No. 8 Ng Fong Street, Kowloon	Up to year 2047
Inland Lot No. 8261, Wan Chai, Hong Kong	Up to year 2047
Rural Building Lot No. 873, Tai Tam, Hong Kong	Up to year 2060

7 Property, plant and equipment (continued)

(b) *Buildings*

The above Association's buildings refer to the Hong Kong Scout Centre and the Clear Water Bay Road Premises.

(c) *Depreciation*

The depreciation expense for the year is included in general and administrative expenses in the statement of income and expenditure.

8 Available-for-sale financial assets

Available-for-sale financial assets represent investment in equity securities listed in Hong Kong.

The movement in available-for-sale financial assets is summarised as follows:

	2012	2011
	$'000	$'000
Beginning of the year	125,943	124,429
Additions	8,039	1,633
Disposals	(10,775)	(13,024)
Impairment of available-for-sale financial assets	-	(11)
Fair value (loss)/gain transfer to fund	(5,628)	12,916
End of the year	117,579	125,943
Fair value of individually impaired available-for-sale financial assets	41,431	234

As at 31 March 2012, the Association's available-for-sale financial assets were individually determined to be impaired on the basis of significant or prolonged decline in their fair value below cost. Impairment losses on these investments were recognised in the statement of income and expenditure in accordance with the policy set out in note 2(e)(ii).

9 Held-to-maturity financial assets

Held-to-maturity financial assets represent investment in debt securities listed in Singapore.

The movement in held-to-maturity financial assets is summarised as follows:

	2012	2011
	$'000	$'000
Beginning of the year	-	16,070
Additions	10,473	-
Disposals	-	(408)
Redemption	-	(15,606)
Amortisation of premium	(134)	(56)
End of the year	10,339	-

Held-to-maturity financial assets are denominated in the following currencies:

	2012	2011
	$'000	$'000
United States dollar	1,328	-

10 Inventories

	2012	2011
	$'000	$'000
Food and beverages	1,122	904
Uniforms and accessories	3,408	3,398
	4,530	4,302

The cost of inventories recognised as expense and included in cost of sales amounted to $86,569,000 (2011: $77,595,000).

11 Receivables, deposits and prepayments

	2012 $'000	2011 $'000
Trade receivables (note)	10,821	9,056
Other receivables	2,388	2,808
Deposits	673	620
Prepayments	16,986	15,548
	30,868	28,032

Note: As at 31 March 2012, trade receivables from Hostel operation of $1,117,000 (2011: $885,000) were past due but not impaired. Receivables that were past due but not impaired relate to a number of independent customers for whom there is no recent history of default and have a good track record with the Association. Based on past experience, management believes that no impairment allowance is necessary in respect of these balances as there has not been a significant change in credit quality and the balances are still considered fully recoverable. The ageing analysis of these trade receivables is as follows:

	2012 $'000	2011 $'000
Past due by		
– 1 - 30 days	1,016	838
– 31 - 60 days	101	47
	1,117	885

12 Cash and cash equivalents

	2012 $'000	2011 $'000
Bank deposits	382,574	315,916
Cash at bank	56,871	47,489
Cash in hand	1,402	1,168
Cash and cash equivalents in the statement of financial position	440,847	364,573
Less: Bank deposits with maturity of more than three months at acquisition	(50,000)	-
Cash and cash equivalents in the statement of cash flows	390,847	364,573

13 Trade and other payables

	2012 $'000	2011 $'000
Trade payables	31,026	29,930
Receipt in advance	17,212	17,803
Deferred income	5,196	7,172
Accrued expenses, deposits and temporary receipts (note)	1,629	1,962
	55,063	56,867

Note: Temporary receipts included accumulated receipts of $909,956 received from the Education Bureau of the HKSAR in prior years. During the year, $40,935 (2011: $206,416) has been expended for "Assistance Scheme operated by Uniformed Groups and The Hong Kong Award for Young People for Needy Student Members". As at 31 March 2012, the remaining balance was $103,552 (2011: $144,487).

Temporary receipts also included receipts of $268,000 received from the Home Affairs Bureau of the HKSAR in current year. During the year, $145,624 (2011: Nil) has also been expended for "Assistance Scheme operated by Uniformed Groups and The Hong Kong Award for Young People for Needy Student Members". As at 31 March 2012, the remaining balance was $122,376 (2011: Nil).

14 Internal designated funds

Movements in internal designated funds during the year are as follows:

16 Financial risk and capital management

(a) *Financial risk management*

Exposure to foreign exchange, credit, liquidity and interest rate risks arises in the normal course of the Association's business. The Association is also exposed to equity price risk arising from its equity investments in listed securities.

The Association's exposure to these risks and the financial risk management policies and practices used by the Association to manage these risks are described below.

(i) Foreign exchange risk

Foreign exchange risk arises where future commercial transactions, recognised assets and liabilities are denominated in a currency that is not the functional currency of the Association. The Association mainly operates in Hong Kong and is exposed to foreign exchange risk primarily with respect to the United States dollar on held-to-maturity financial assets and Renminbi and Euros on bank deposits.

In the opinion of the Executive Committee, the Hong Kong dollar is reasonably stable with the United States dollar under the Linked Exchange Rate System. In this respect, it is assumed that the pegged rate between the Hong Kong dollar and the United States dollar would be materially unaffected by any changes in movement in value of the United States dollar against other currencies, and therefore the Association considers the risk of movements in exchange rates between the Hong Kong dollar and the United States dollar to be insignificant. In respective of balances denominated in Renminbi and Euros, the Association ensures that the net exposure is kept to an acceptable level.

(1) Exposure to currency risk

The following table details the Association's exposure at the end of the reporting period to currency risk arising from recognised assets or liabilities denominated in a currency other than the Association's functional currency of Hong Kong dollars. For presentation purposes, the amounts of the exposure are shown in Hong Kong dollars, translated using the spot rate at the year end date.

	2012		2011	
	Renminbi $'000	Euros $'000	Renminbi $'000	Euros $'000
Cash and cash equivalents	164,307	746	155,748	794
Net exposure to currency risk	164,307	746	155,748	794

16 Financial risk and capital management (continued)

(a) *Financial risk management (continued)*

(i) Foreign exchange risk (continued)

(2) Sensitivity analysis

The following table indicates the instantaneous change in the Association's surplus and total funds that would arise if foreign exchange rates to which the Association has significant exposure at the end of the reporting period had changed at that date, assuming all other risk variables remained constant. In this respect, it is assumed that the pegged rate between the Hong Kong dollar and the United States dollar would be materially unaffected by any changes in movement in value of the United States dollar against other currencies.

	2012		2011	
	Increase/ (decrease) in foreign exchange rates	Effect on surplus and total funds $'000	Increase/ (decrease) in foreign exchange rates	Effect on surplus and total funds $'000
Renminbi	5%	8,215	5%	7,787
	(5)%	(8,215)	(5)%	(7,787)
Euros	5%	37	5%	40
	(5)%	(37)	(5)%	(40)

The sensitivity analysis assumes that the change in foreign exchange rates had been applied to re-measure those financial instruments held by the Association which expose the Association to foreign currency risk at the end of the reporting period. The analysis is performed on the same basis for 2011.

16 Financial risk and capital management (continued)

(a) Financial risk management (continued)

(ii) Equity price risk

The Association is exposed to equity price changes arising from equity investments classified as available-for-sale financial assets (see note 8).

The Association's available-for-sale financial assets are listed on the Stock Exchange of Hong Kong and have been chosen based on their longer term growth potential and are monitored regularly for performance against expectations.

At 31 March 2012, it is estimated that an increase/decrease of 20% (2011: 20%) in the equity price would have increased/decreased the Association's Investment Revaluation Reserve by $23,516,000 (2011: $25,189,000).

The sensitivity analysis above indicates the instantaneous change on the Association's Investment Revaluation Reserve that would arise assuming that the change in the equity price had occurred at the end of the reporting period and had been applied to re-measure those financial instruments which expose the Association to equity price risk at the end of the reporting period. It is also assumed that the fair values of the Association's available-for-sale financial assets would change in accordance with their historical correlation with the equity price, that none of the Association's available-for-sale financial assets would be considered impaired as a result of the decrease in the equity price, and that all other variables remain constant. The analysis is performed on the same basis for 2011.

(iii) Credit risk

The Association's credit risk is primarily attributable to trade and other receivables and listed debt investments. Management has a credit policy in place and the exposures to these credit risks are monitored on an ongoing basis.

In respect of trade and other receivables, individual credit evaluations are performed on all customers requiring credit over a certain amount. These take into account the customer's past payment history, financial position and other factors. Trade receivables are due within 30 days from the billing date. Normally, the Association does not obtain collateral from customers.

16 Financial risk and capital management (continued)

(a) Financial risk management (continued)

(iii) Credit risk (continued)

Investments are normally only in liquid securities quoted on a recognised stock exchange and with counterparties that have high credit ratings.

The Association's exposure to credit risk is influenced mainly by the individual characteristics of each customer. At the end of the reporting period, the Association has a concentration of credit risk as 36% (2011: 39%) of total trade and other receivables was due from the Association's five largest customers.

The maximum exposure to credit risk is represented by the carrying amount of each financial asset in the statement of financial position after deducting any impairment allowance.

Further quantitative disclosures in respect of the Association's exposure to credit risk arising from trade and other receivables are set out in note 11.

(iv) Liquidity risk

Prudent liquidity risk management implies maintaining sufficient liquid cash. Due to the nature of the underlying operations, the Association aims to maintain flexibility in funding by keeping sufficient cash and bank balances to fulfill its commitments and current working capital requirements.

The table below analyses the Association's financial liabilities into relevant maturity groupings based on the remaining period at the end of the reporting period to the contractual maturity date. The amounts disclosed in the table are the contractual undiscounted cash flows.

	2012	*2011*
	$'000	$'000
Less than one year:		
Trade payables	31,026	29,930
Receipt in advance	17,212	17,803
Accrued expenses, deposits and temporary receipts	1,629	1,962
Amounts due to other Scout units	20,906	22,000
	70,773	71,695

(v) Interest rate risk

At the end of the reporting period, the Association did not hold any assets or liabilities which would expose the Association to significant interest rate risk.

16 Financial risk and capital management (continued)

(b) Capital management

The Association's objectives when managing capital are to safeguard the Association's ability to continue as a going concern in order to maintain an optimal fund structure.

(c) Fair values

(i) Financial instruments carried at fair value

HKFRS 7, *Financial instruments: Disclosures*, require disclosures relating to fair value measurements of financial instruments across three levels of a "fair value hierarchy". The fair value of each financial instrument is categorised in its entirety based on the lowest level of input that is significant to the fair value measurement. The levels are defined as follows:

- Level 1 (highest level): fair values measured using quoted prices (unadjusted) in active markets for identical financial instruments
- Level 2: fair values measured using quoted prices in active markets for similar financial instruments, or using valuation techniques in which all significant inputs are directly or indirectly based on observable market data
- Level 3 (lowest level): fair values measured using valuation techniques in which any significant input is not based on observable market data

At 31 March 2012, the only financial instruments of the Association carried at fair value were available-for-sale equity securities of $117,579,000 (2011: $125,943,000) listed on the Stock Exchange of Hong Kong (see note 8). These instruments fall into Level 1 of the fair value hierarchy described above.

(ii) Fair value of financial instruments carried at other than fair value

The carrying amounts of the Association's financial instruments carried at cost or amortised cost are not materially different from their fair values as at 31 March 2012 and 2011 except as follows:

	2012		*2011*	
	Carrying amount	*Fair value*	*Carrying amount*	*Fair value*
	$'000	$'000	$'000	$'000
Assets

16 Financial risk and capital management (continued)

(d) Estimation of fair values

The fair value of available-for-sale financial assets held by the Association is based on quoted market prices at the end of the reporting period. The quoted market price used for available-for-sale financial assets held by the Association is the current bid price.

17 Critical accounting judgements and estimates

In the process of applying the Association's accounting policies, management has made the following accounting judgements:

Held-to-maturity financial assets

The Association follows the guidance of HKAS 39, *Financial instruments: Recognition and measurement* on classifying non-derivative financial assets with fixed or determinable payments and fixed maturity as held-to-maturity. This classification requires significant judgement. In making this judgement, the Association evaluates its intention and ability to hold such investments to maturity.

If the Association fails to keep these investments to maturity other than for specific circumstances explained in HKAS 39, it will be required to reclassify the whole class as available-for-sale. The investments would then be measured at fair value instead of amortised cost.

18 Cash generated from operations

Reconciliation of surplus for the year to cash generated from operations:

	2012 $'000	2011 $'000
Surplus for the year	80,501	57,265
Adjustments for:		
Depreciation (note 7)	39,513	28,888
Amortisation of held-to-maturity financial assets	134	56
Bank interest income	(433)	(83)
Impairment of available-for-sale financial assets	15,447	11
Property, plant and equipment written-off	30	196
Loss on disposal of held-to-maturity financial assets	-	6
Gain on disposal of available-for-sale financial assets	(944)	(2,334)
Dividend and interest income from investment financial assets	(7,733)	(6,311)
Net movement in designated funds	765	1,283
Foreign exchange loss	-	112
Changes in working capital:		
Inventories	(228)	(82)
Receivables, deposits and prepayments	(2,836)	(8,344)
Trade and other payables	(1,804)	14,396
Net amounts due from/to related parties	210	12,845
Cash generated from operations	122,622	97,904

19 Commitments

(a) Capital commitments

Capital expenditure at the end of the reporting period but not yet incurred is as follows:

	2012 $'000	2011 $'000
Authorised but not contracted for		
- Purchase of property, plant and equipment and improvement projects	325	1,428
Contracted but not provided for		
- Purchase of property, plant and equipment and improvement projects	530	962
- Renovation of Hong Kong Scout Centre	53,860	88,227
- Redevelopment of Wanchai Property (formally known as the "Hong Kong Island Regional Headquarters")	7,150	7,800
- Redevelopment of North Point Property	6,800	-
	68,340	96,989
	68,665	98,417

(b) Operating lease commitments - where the Association is the lessee

The future aggregate minimum lease payments under non-cancellable operating leases in respect of site premises are as follows:

	2012 $'000	2011 $'000
Within one year	2,275	2,289
After one year but within five years	570	3,769
	2,845	6,058

19 Commitments (continued)

(b) Operating lease commitments - where the Association is the lessee (continued)

All lease agreements are held in the name of the Association. All obligations, commitments and the respective operating lease charges in respect of these lease agreements are borne by other Scout units. The leases typically run for an initial period of three years, with an option to renew the lease when all terms are renegotiated. None of these leases includes contingent rentals.

(c) Operating lease commitments - where the Association is the lessor

The Association leases out catering areas under an operating lease. The lease typically runs for an initial period of five years, with an option to renew the lease after that date at which time all terms are renegotiated. Lease payments are usually increased every five years to reflect market rentals. The lease does not include contingent rentals.

The future aggregate minimum lease receipts under non-cancellable operating leases in respect of catering areas are as follows:

	2012 $'000	2011 $'000
Within one year	5,857	5,683
After one year but within five years	9,660	14,700
	15,517	20,383

20 Amounts due from/to related parties

Related parties represent other Scout units, mainly The Friends of Scouting, Commissioners' Club, Education Centre, N T Scout Development Fund Commission and Asia-Pacific Regional Scout Foundation.

The amounts due from/to other Scout units are unsecured, interest-free and recoverable/repayable on demand.

21 Possible impact of amendments, new standards and interpretations issued but not yet effective for the year ended 31 March 2012

Up to the date of issue of these financial statements, the HKICPA has issued a number of amendments and new standards which are not yet effective for the year ended 31 March 2012 and which have not been adopted in these financial statements. These include the following which may be relevant to the Association.

	Effective for accounting periods beginning on or after
Amendments to HKFRS 7, *Financial instruments: Disclosures - Transfers of financial assets*	1 July 2011
Amendments to HKAS 1, *Presentation of financial statements - Presentation of items of other comprehensive income*	1 July 2012
HKFRS 13, *Fair value measurement*	1 January 2013
HKFRS 9, *Financial instruments*	1 January 2015

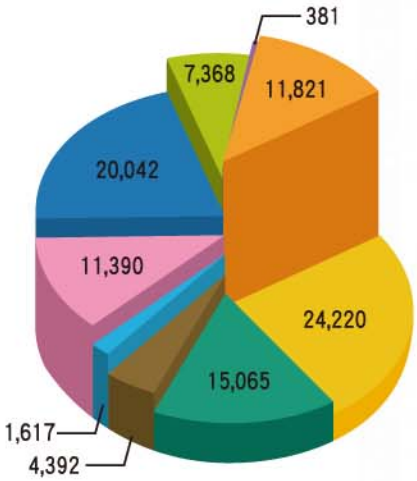

The Association is in the process of making an assessment of what the impact of these amendments is expected to be in the period of initial application. So far it has concluded that the adoption of them is unlikely to have a significant impact on the Association's results of operations and financial position.
