Statistics **Inside Back**

The celebration of the 100th anniversary of Scout Movement in Hong Kong was now behind us and the Movement was marching on to a new chapter. I was very grateful to our fellow members for the support they have given in the past year. They have demonstrated strong commitment and faith in the Movement and have made tremendous efforts in setting various projects of the Association into motion.

Professional Accreditations and Life-long Learning

After more than 2 years of hard work, our leadership training programmes were now accredited by the Hong Kong Council for Accreditation of Academic and Vocational Qualifications. On 1 March 2013, *Certificate in Leadership Skills*, *Certificate in Expedition Skills* and *Certificate in Adventure Education: Principles and Application* were officially included in the Qualification Register as Level 3 training courses.

The inclusion of these programmes not only confirmed recognition by the society and enhanced Scout image, but also gave our members an additional training platform. The accreditation system did not affect the current progressive training scheme for our youth members, rather it served as an alternative. The two worked in parallel producing synergy effect. Our aim was to include more of our programmes in the Qualification Register so that a spectrum of programmes was available and our youth members could be benefited to the fullest.

Youth Development

The School-Scout Collaboration Scheme for the Holistic Development of Youths, which was launched in 2011 was working well. The scheme solicited interested schools to become our partners in supporting Scout activities with focus on Venture Scout section. In the coming year, the Association would allocate more resources to proceed with the scheme.

It has also come to our attention that many Scout groups were having difficulties in recruiting enough qualified leaders to organize activities for their Scout members. Some regions have been carrying out measures to alleviate the problem. In order to provide support to regions to better carry out the measures, the Pilot Scheme for Supporting School-based Scout Groups has been put in place. This scheme would search for experienced leaders and allocate them to Scout groups in need of leaders. These leaders would be remunerated under the scheme. I understood that this might not be accepted by some of our members. Providing service for a consideration has always been controversial within the Movement. Nevertheless, it was always our goal

to provide as much support as possible for our frontline leaders. We would review and evaluate the effectiveness of the scheme after a period of time. In the mean time, we would continue to explore any other possible methods to provide support to our frontline leaders.

Sichuan after the Quake

Under the joint efforts of the Sichuan provincial government and the Association, with funding from the Hong Kong SAR Government, the reconstruction of the Sichuan Mianyang City Youth Activities Centre and the Deyang City Youth and Children's Palace was completed and they were now fully functional. The 5-year Hong Kong- Sichuan Youth Exchange Programme was up and running.

Scout training programmes were introduced in the two centres. We also recruited volunteers locally who were trained and would assist in our training activities, targeted at local youths, mainly those from Mianyang, Deyang, and surrounding areas. Activities such as outdoor adventure-based and team building activities were organized in the two centres as well as in local schools.

The programmes in Mianyang and Deyang were the start. In the long run, we hoped that our Scout programmes could be extended to the whole Sichuan, and eventually to other parts of the Mainland.

Together we commit ourselves

Different people would have different perception about Scout Movement. However, no one would disagree that it was an education movement. The Movement has been going on for more than a hundred years and has evidenced various changes and development in the outside world. It was time for us to take a comprehensive look on the Movement and decide on the future ahead about its educational role in modern days.

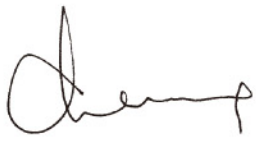

We were pleased to announce that the World Scout Bureau was going to organize the 1st World Scout Education Congress in Hong Kong from 22 to 24 November 2013. About 300 Scout leaders from around the world would congregate in Hong Kong to participate in the event. To maximize participation, the Congress would be telecast live through the internet. It was anticipated that up to 5,000 people would take part. The Association has set up the Host Committee to oversee the organization of the Congress and preparations have been in earnest in the past months.

Stay our course into the future

When I took up the post as the Chief Commissioner, I have emphasized that youth activities were the core of Scout Movement. My work focus was to strengthen training for youths and to further enhance leadership training programmes. It was fulfilling to see that much progress has been made in both areas. Most suggestions that were made at the Sectional Review conducted a few years ago were realized.

Looking ahead, if resources permitted, my wish was to provide more diversity of activities to our youth members, in particular on air and sea activities. Moreover, I would also like to see more work being done to help young people of the minority group, as we in the past might have failed to give them enough attention. I also expected the new Wood Badge training scheme, after years of discussion and fine-tuning, would be implemented in 2013. The new scheme would provide our frontline leaders with a more effective training platform that met their need. I would strive to provide our frontline leaders with whatever support they needed and to explore whatever opportunity that could strengthen their sense of belonging.

Scout Movement was an education movement. In the past one hundred years, we have worked hard towards fulfilling our mission in the development and training of young people. There was always the everlasting and never-changing spirit of Scout Movement. However, accept or not, in this era of information, the world was not the same as that of a hundred years ago. Change was inevitable. I was sure that all our fellow Scouts would do their best to bring our Movement to future heights and dimensions.

Scout Subsidy Schemes

We encourage and always support young people to participate in the Scout Movement, regardless of individual financial situations. The existing subsidy schemes, "Samson Sun Scouting Fund" and "Home Affairs Bureau – Assistance Scheme operated by Uniformed Groups and The Hong Kong Award for Young People for Needy Student Members", are for subsidizing uniform purchases or participating in activities. A total of nearly 19,000 Scouts have benefited from subsidies of a sum over HK$2,970,000.

A new subsidy scheme, "Subsidy Scheme for Scout Members' Progressive Badges Training" has been launched in 2012. It aims at subsidizing Scout members to participate in progressive badges training and activities, and encouraging them to attain the highest sectional Scout award.

Subsidies Granted by Schemes (As at 31 March 2013)

Scheme	Cumulative No. of Scouts Subsidized			Total Amount
	Full Subsidy	Half Subsidy	Total	
Samson Sun Scouting Fund	7,843	3,250	11,093	$1,676,425
Home Affairs Bureau – Assistance Scheme operated by Uniformed Groups and The Hong Kong Award for Young People for Needy Student Members	4,708	3,208	7,916	$1,294,486
Subsidy Scheme for Scout Members' Progressive Badges Training	16	5	21	$4,095

Scout Raffle 2013

Raffle Campaign is organized annually to raise funds for the Scout groups, districts, regions and other units. A total of HK$6,700,000 was raised in 2013, 85% of the proceeds will be allocated back to the selling units, their districts and regions to help fund their training and activities. The raffle draw was held on 16 March 2013 at the lobby of the B P International House. A total of 101 lucky prize winners were drawn by senior members and our sponsors, with value of prizes totaling over HK$460,000.

Staff Development Programme

The Personnel Branch continues implementing staff training and development programmes to nourish the culture of continuous learning and to promote professional development opportunities. Using a series of training kits from Development Dimensions International (DDI), the Branch organized management development module for 71 employees in supervisory positions and professional skills module for 67 employees in general positions over the year. More comprehensive training modules will be conducted periodically in the coming year to equip our staff for their challenges ahead and for career development.

Information & Communication Technologies (ICT)

The I.T. Office has continued to implement the strategic programmes of the 2010/2015 ICT Strategic Plan in the past year including Finance Management System (FMS), Training Module of the Scout Membership Information System (SMIS), Scout Group Management System (GMS), Scout Unit Portal (SUP) and Email System enhancement.

Among the projects, Scout Unit Portal (former Scout Group Portal) was rolled out in April 2012 with extended coverage to Scout units, providing them a free and easy website management cloud platform.

The Estate Branch is responsible for overseeing the property developments of the Association. The services it provides include management of the facilities at Association Headquarters including their maintenance and repairs, development of Hong Kong Scout Centre as well as controlling the development of campsites, activity centres, youth centres and other Scout properties. Providing technical advices to various Scout units on property works also forms part of the services of the Estate Branch.

Development of Association Properties

At present, redevelopment of 34 Oi Kwan Road in Wanchai (formerly the Hong Kong Island Regional Headquarters site) has been accorded the top priority in the wish list. Lotteries Fund Advisory Committee in November 2012 gave its in-principle support and Wan Chai District Council in January 2013 also rendered positive support to this redevelopment project. Our funding application was now being considered by Government of HKSAR. In parallel with soliciting supports from different parties, active liaison with relevant Government departments was maintained to agree on the way forward in particular the tender processes. Upon receipt of funding approval to the project and also agreement of authorities to the consultancy agreement documents, tendering exercise would be launched for appointing consultants to prepare the project design and building plans as well as tender documentation for construction works.

As regards the on-going energy-saving projects at Hong Kong Scout Centre, replacement of air-conditioning chillers and installation of hot water conversion system were commissioned in March and April 2012 respectively. For improvement works to the lifts of B P International House, it was about 50% completed and according to the current schedule, the whole improvement works would be completed by late 2013.

Capital Works for Campsites and Activity Centres

The Estate Branch continues to oversee all Association-funded improvement projects for campsites and activity centres. Projects completed in the year included the building repairs to New Territories East Regional Headquarters and Hong Kong Island Northern District Headquarters, revitalization of refuse chamber at Gilwell Campsite, waterproofing to Kowloon Tong District Headquarters, refurbishments to Wong Tai Sin District Headquarters, restructuring of sanitation facilities at Shatin Scout Centre, and painting works to buildings of Tung Tsz Scout Centre and canoe sheds of Tai Mei Tuk Sea Activity Centre.

Besides, a Campsite Development Fund was established in May 2012 to help Scout units take forward strategic developments and improvements to campsites and activity centres. In 2012-2013, funds were earmarked for Tai Tam Scout Centre, Tung Tsz Scout Centre, Pak Sha Wan Tam Wah Ching Sea Activity Centre, Gilwell Campsite and Wong Siu Sang Leadership Training Institute.

Keeping Up With Times

Sectional Review Implementation Steering Committee was set up by Programme Branch in 2012 in order to coordinate and supervise the implementation of the suggestions from the report of Sectional Review. Electronic forms have been provided so that users can directly input the data into the PDF format of the forms which can be saved for future use.

Youth Involvement in Decision-Making

To implement the policy of "Youth Involvement in Decision Making" by the World Organization of the Scout Movement (WOSM), Venture Scout Council and Rover Scout Council were formed on 24 June 2012 to let youth members participate in decision making. Both the chairmen of the council are the ex-officio members of the Programme Committee so that they can assist in the formulation of policies which fulfill their needs.

Tradition and Innovation

Traditional Scoutcraft is the key feature of Scout Movement. Three sectional competitions were held in 2012 namely Rover Scout Competition, The Cartlon Trophy Competition 2012 and Chief Commissioner's Shield 2012. The Programme Branch will review those competitions in order to further enhance the skills of Scout members. Apart from that, Scout Blood Donation 2012 was successfully held. The invitation card coloring contest for Grasshopper Scout and Cub Scout members provided an opportunity to invite their relatives and friends to participate the meaningful event.

Future Development

For a more efficient use of resources, "Rescue" and "Community Involvement and Services" have been transferred to the Development and Adult Resources Branch for further development since 22 March 2013. The Programme Branch took this opportunity to re-structure into 3 categories namely "Sections", "Activities" and "Special Projects". The posts of "Spiritual Development and Activities" were established to fit the development between spiritual and five ways of life. The Programme Branch will focus on reviewing and formulating youth policies, and organizing different Scouting activities to achieve our mission.

Leader Training and Wood Badge

The Hong Kong Training Team organized 96 Wood Badge Training Courses (1,913 participants), 38 Skills Courses (821 participants), 11 Scoutcraft Accreditation Courses (202 participants), 13 Scoutcraft Accreditation Examinations (72 participants), 4 Basic Operations Courses (167 participants) and 4 Trainers' Training Courses (65 participants). There were a total of 3,240 leaders enrolled for the courses and 160 leaders attained the Wood Badge.

Team Spirit

During the year, "Gilwell Reunion" was held in Choi Chee Ming Luen Kwong Scout Centre on 22 September 2012, a total of 226 Wood Badge holders attended. "Trainers' Dinner" was held on 1 November 2012 at the Hong Kong Scout Centre with a total of 70 participants. Former Training Commissioner, Mr Joseph SHEK Yue-joe shared his training experience with the participants. "Trainers' Gathering 2012" was held on 8 December at The Hong Kong Polytechnic University, a total of 125 people attended. The event, with seminar and sharing, presented the latest development of leader training.

Review of the Wood Badge Training System

"Consultation Meeting for Wood Badge training system review" was held in the Congregation Hall of the Hong Kong Scout Centre on 11 January 2013. The purpose of this review is to make the system moving forward with time. Details of the amendment would be finalized in the coming year.

Training Resources

To provide additional and more complete reference books to Scout leaders, the Training Branch revised the *Grasshopper Scout Game Collection*, and the number of games was increased from 48 to 80. The "Scoutcraft Accreditation Scheme" published the book *Campcraft* during the year.

Trainers' Training

After negotiating with the British Cadet Vocational Qualification Organization (CVQO), it was confirmed that the Institute of Leadership & Management (ILM) and City & Guilds (C&G) would issue different levels of professional qualification to our Training Team members upon completion of required works and payment of registration fees. In UK, such qualifications are equivalent to associate, bachelor and master's degrees.

Report on the Review and Development of Hong Kong Training 2012

"Hong Kong Training Team review and development report 2012" has been completed. The Training Branch consulted the Hong Kong Training Team members, and would concentrate on the "Training Team succession" issue.

The Development and Adult Resources Branch is responsible for formulating and reviewing the policies on the development and adult resources, as well as planning and implementing projects for retention and recruitment of youth members and leaders.

Adult Resources

Adult Resources is one of the essential elements for the development of Scout Movement, so the Development and Adult Resources Branch organized a series of activities as well as "New Leaders Matching Scheme" to recruit leaders. Under the Scheme, new leaders learnt the characteristics of Scout meetings of various sections, basic Scout ceremonies and knotting, thus equipped them for performing the role of Scout leaders and nurturing youth. In addition, a series of "Solar Group Workshop" were organized to teach leaders to foster youth's growth and development through different training means such as adventure, public affairs and new knowledge.

Happy Family - Happy Scouting in Summer

Aiming at enhancing the relationship among family members and promoting the value of harmony family through participating in joyful Scouting activities, the "Happy Family – Happy Scouting in Summer", under the auspices of the Home Affairs Bureau and the Family Council, was organized on 8 July 2012 at Tai Tam Scout Centre. More than one thousand participants had a pleasant family time by participating in various enjoyable Scout-element-rich programmes including adventure activities, booth games and handicraft workshops.

Aesthetic Development

Various performing arts programmes including the "Scout Singing Contest 2012" were organized by the Development and Adult Resources Branch to nurture Scout members' aesthetic development. The Contest, which aimed at developing contestants' team spirit and friendship and promoting Scout songs, was well-received in which a wide range of Scout songs, Cantonese and English, all-time favourites and contemporary were performed.

Besides, Scout Performing Arts units of the Development and Adult Resources Branch not only represented the Association to participate in the "Dragon and Lion Dance Extravaganza 2013" but also organized the "Scout Dancing Day" which providing opportunities for Scout members to experience a lively and varied Scouting life, thus demonstrating the integration of Scout Movement and diversified cultures.

Do a Good Turn a Day

To further promote the core values of the Scout Movement, viz Scout Promise and Law; Method, Aim and Motto, the Public Relations Branch launched the *Theme of the Year "Do a Good Turn a Day"* campaign in 2012 which would last for 18 months. All Scout members were invited to participate in the initiative to help others and contribute to the betterment of society.

Recognition to "Scouts of the Year"

"Scout of the Year Selection" was first held in 1987 to give formal recognition to the Scout members who have set the best example to their contemporaries and to arouse public awareness of the outstanding personality of Scouts. Four Scout members were awarded the "Scout of the Year" in 2012, making the total number of awardees to 156. Among the outstanding Scouts, some also gained the recognition from the World Organization of the Scout Movement (WOSM) and local community. One of them was Miss Ashley TO hoi-man who was presented the "APR Outstanding Scout Award" during the 24th Asia-Pacific Regional Scout Conference held in November 2012. Besides, Miss LAW Sheung-ning was selected as outstanding youth volunteer under "2012-2013 Hong Kong Outstanding Youth Volunteers Scheme" organized by the Steering Committee on Promotion of Volunteer Service of the Social Welfare Department. Another Scout of the Year Mr Ricky YEUNG Wing-hong was the recipient of "Grantham Uniformed Youth Groups Outstanding Service Award 2012-2013" offered by the Grantham Scholarships Fund.

The Scout of the Year Association aims at providing an opportunity for all current and past Scouts of the Year to get connected and contribute to the Scout Movement and society. Members of the 3rd Executive Committee were elected during the 3rd Annual Meeting of the Association which was held on 2 June 2012.

Happy Family Campaign - Scout Parents' Day

To promote family harmony and to disseminate the message of happy families, the "Happy Family Campaign" was launched under the auspices of the Home Affairs Bureau and the Family Council. The Public Relations Branch organized a "Scout Parents' Day" on 2 December 2012. All parents attired in a campaign T-shirt were invited to join the Scout meetings with their children to sample fun-filled Scouting activities and training. The event was well-received and attended by more than 8,000 Scouts and their family members. During the kick-off ceremony held at Lok Sin Tong Wong Chung Ming Secondary School, some families shared their experiences on how Scouting helped strengthen the relationship between members and also the secrets of fostering happy families.

Promote Hong Kong Scouting

One of the key tasks of the Public Relations Branch is to promote Scout Movement. Apart from updating the information of promotional leaflets and pull-up banners, a promotional DVD showcasing multifarious Scouting activities from a brand new angle is in the making. Various types of souvenirs will also be rolled out to deepen the public's understanding of Hong Kong Scouting, and to attract more youths to join the Scout family.

Scout Association of Hong Kong has a long history of connecting overseas National Scout Organizations (NSOs) and youth organizations in the Mainland, with full participation in overseas Jamborees, seminars, training courses and cultural exchange programmes. In January 2012, a Mainland Liaison Committee chaired by the Deputy Chief Commissioner (Operations) was established to strengthen the linkage with youth organizations in the Mainland. The Committee is responsible for the strategic planning of liaison and project development in the Mainland. On the other hand, the communication with 162 NSOs and the coordination of overseas exchange activities including overseas visit and Jamboree remain the scope of duties of the International Branch.

In the year under review, around 2,000 members travelled to other countries and various provinces or cities in the Mainland to provide services and exchanges. During the same period, more than 1,000 overseas Scouts or Mainland guests paid visit to our Association Headquarters or took part in our programmes. Highlights of some of our activities are as follows:

24th Asia-Pacific Regional Scout Conference (24-29.11.2012)

Hong Kong was represented by a 15-person delegation at the 24th Asia-Pacific Regional Scout Conference held in Bangladesh. Attended by representatives from some 20 NSOs, the Conference discussed the development strategy and further advancement of the Region. Our International Commissioner Mr Alexander WONG was conferred with the APR Distinguished Award, which was the highest award in APR, in the Conference, while our Training Commissioner Dr MAK Wai-ming and former Chief Commissioner Mr Anthony CHAN were awarded the APR Chairman's Award in recognition of their extraordinary contribution in Scouting. At the same time, Miss Ashley TO, Rover Scout of the 139th Hong Kong Group, was presented the APR Outstanding Scout Award.

Continuous Service to the APR

As in the past years, numerous members were appointed or re-appointed to various Sub-Committees to lead or join the planning of the Region for the term of 2012-2015.

Member, Young Adult Member Group	Shirley TAM, Rover Scout of 1585th East Kowloon Group

10,000 Miles Friendship Trek (22-29.7.2012)

In July 2012, the Association and 12 Youth Uniformed Groups formed a delegation with over 200 people to visit the Guizhou and Sichuan Provinces for a study tour. The joint delegation met other Scout contingents and Mainland youths at Chengdu to attend the annual "Youth Gathering under the National Flag" programme.

Train Tour (29.7-9.8.2012)

In summer 2012, some 500 young people from Shenzhen, Macau, Taiwan and 34 Hong Kong Scout members took part in a 13-day train tour for a cultural exchange activity. Having departed from Shenzhen, the train went through Zhengzhou, Shenyang, Changbai Mountain, Hailar and Manzhouli to Beijing, offering a chance for our members to understand the differences of history, construction, culture and custom between the Southern and Northern China, and foster the friendship among the youths from the Cross-Strait, 4-Region.

Regions

Do a Good Turn a Day

In line with the *Theme of the Year "Do a Good Turn a Day"* of the Association, numerous major activities of the HKIR have strengthened the element of helping others. The theme of Island Scout Day 2012 was "I am a Good Scout", its programmes all focused on the 7 Scout Laws, aimed at encouraging participants to live up to the principles and notion of the Scout Movement and to become a "Good Scout" through the progress of learning by doing, team experience, community life, progressive training, best use of nature and Scout skills.

Modifying Island Scout Trailwalk

Besides providing a fund raising platform for the Joyful (Mental Health) Foundation and the Rotary Club of Hong Kong Harbour Foundation, the Region cooperated with the Rotary Club of Hong Kong Harbour and other 6 Rotary Clubs to organize the Island Scout Trail. Numerous new records were made. For the competitive teams, besides Scout Teams, more than 24 outsider teams, included Uniformed Groups and Elderly Social Service Agency, also joined this event. In addition, the organizing committee also provided GPS device for all the teams that enhancing the safety of all participants. It is expected that more social service agencies and beneficiary organizations will take part next year, allowing more people to participate in a trail walk event which is full of Scouting elements, charitable and physically challenging.

Caring Society through "Scout and Elderly Camp"

We often say "It is more blessed to give than to receive". After attending the Sichuan Exchange Service Trip, the participants all gained new experiences. Further, we continued our cooperation with St. James Settlement in 2013 and organized "Scout and Elderly Camp", allowing elderly to enjoy the fun of Scouting activities with their family members and to increase their family cohesion through camping in a Scout training format. We also assisted Tung Wah Group of Hospitals Lok Kwan District Support Centre in leading mentally retarded and autistic students in various outing activities during school holidays. In response to the Home Affairs Bureau's Happy Family Campaign, the Region organized "Happy Family – Fun Fun Family Day Camp at Tai Tam Scout Centre", providing the participants with numerous large outdoor games, parent-child activities and seminars. Having participated in different activities and services, youth members understand "content is happiness", learnt to cooperate with others, be a responsible person, and an inclusive and caring society is established.

In 2012-2013, thanks to the supports from districts and Scout groups, the Region has participated in 421 social services, in which 8,923 Scouts took part. The total service hours exceeded 114,638 hours, 26% higher than that in the previous year. More than 60 Scout groups have been awarded honours and appreciation certificates. These achievements are remarkable and are recognized by our cooperating organizations and beneficiaries.

Championship through Enhancing Training

Besides services, diversified activities and training are our major work to nurture youth members, and the achievement of training was reflected in our outstanding results in various Association-wide Scout competitions last year, in which 236th Hong Kong Group and 1614th Hong Kong Group have respectively obtained the Champion and 1st Runner-up of the Rover Scout Competition; 15th Hong Kong Group has again won the Chief Commissioner's Shield 2012 and is the Champion of the Competition for 15 consecutive years. Regarding the sectional highest awards, 203 Cub Scouts have obtained the Golden Bauhinia Award, 48 Scouts have obtained the Chief Scout's Award, 4 Venture Scouts have obtained the Dragon Scout Award and 1 Rover Scout has obtained the BP Award. Nurturing youth members is our core work. Programme branch organized an annual seminar in March 2013 to discuss on various issues, including spiritual development, positive Scout image, promotion of the Scout Movement and future activities. A total of 123 activities, training courses and competitions were organized in 2012-2013, 13% more than that of the previous year. There were 9,933 participants had taken part in those activities.

Tradition Pursuit Ensuring Quality Training

The Region Training Team is an outstanding Scouter training team. The selection and promotion of team members are very stringent, and the requirements for appointment of team members are strict, especially on personal integrity. HKIR Training Team organizes seminars regularly. The aims of the seminar in 2012-2013 were to enchance the quality of training and to nurture more outstanding leaders with our best endeavor. A total of 33 Wood Badge training courses and workshops were held over the year and 773 participants had taken part. We are also actively exploring how to encourage leaders to complete the Wood Badge training. There were 23 Scouters obtained the Wood Badge in 2012-2013.

Modifying and Enhancing Professional Service

Tai Tam Scout Centre is a valuable resource of the Hong Kong Scout. We will continue to improve the facilities of the centre and to provide professional services to the campers. There were 46,573 people have used the Tai Tam Scout Centre in 2012-2013, the utilization rate was 88.71%.

Strengthen the Foundation

To ensure a continuous supply of the qualified and talented leaders and to deal with the problem of succession planning in the managerial level, Kowloon Region has launched a pilot scheme for leaders' enhancement and retention called "Grooming and Retention for Outstanding Workforces Project" (GROW Project) in March 2013. It consists of modules in theories, skills and practicum, 14 commissioners of the Region and districts have been participating in. With the systematic and proactive leadership training programme, candidates can be nurtured and provided with platform for cooperation and interchange of ideas.

"Kowloon Region Fundraising Football Match – LEUNG Cheong-ming Cup" was held on 23 December 2012 in Mong Kok Stadium to raise fund for and enhance the cohesion among the Region. Football teams from the Region and Sun Hei All Stars competed against each other and lastly, Sun Hei All Stars Football Team won the match with result 4:2. Over thousand audiences of Scout members, leaders, lay members, friends and relatives watched the match. The event finally brought considerable donation and income to the Region.

Widen the Horizon

To echo the "Hong Kong Scout Sichuan Service Scheme", the Region organized the Sichuan exchange programme with a secondary school in Beichuan from 22 to 27 July 2012. More than 50 Scout members, leaders, commissioners and lay members formed a delegation to visit Chengdu, Mianyang and Beichuan. Through communication in English, Scoutcraft sharing, cultural exchange activities, village and earthquake ruin visits, members of delegation could have better understanding to the living conditions of the local people after the reconstruction and share their love and cares to the local students. On 25 July, the delegation also joined the opening ceremony of Mianyang City Youth Activities Centre and performed Hip Hop dance in the event.

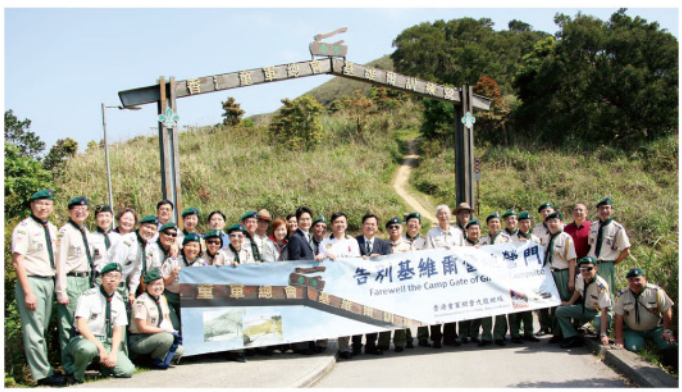

The overseas programme "Taiwan Bicycle Riding" was planned by the Venture Scout and Rover Scout members of the Region and was organized from 3 to 9 April 2012. There were 39 Scout members, leaders and lay members rode nearly 300km from Yuli to Kenting. During the journey, they also conducted exchange programme with Kaohsiung Scout. The success of the event is the milestone to the youth involvement in decision-making.

Improve the Campsite

Gilwell Campsite continues to improve its facilities to provide special outdoors experience to the campers. With the subsidy from Main Fund of Sir David Trench Fund for Recreation, the Campsite replaced the equipment of Nature Challenge. Meanwhile, according to the renovation and improvement work schedule, the Campsite will replace the camp gate, replace electronic and lighting devices, renovate the auditorium (Golden Jubilee Lodge), install the campsite broadcasting system, border fences and signage gradually.

More than 40-year-history camp gate will be demolished in April 2013, in replacement, a new camp gate with nature-matching design will be constructed near the car park close to the main entrance of the Campsite. A simple but solemn farewell ceremony was held on 10 March 2013. After the demolition, some materials of the old camp gate will be displayed inside the Campsite for commemoration.

East Kowloon Region continued to work on the development of potential youth members by organizing a wide range of projects, competitions and activities. In 2012-2013, our regional footdrill winner received the Chairman's Shield again in the Hong Kong Scout Rally Footdrill Competition, which symbolized members' success and achievement.

Community Service Project 2012

In accordance with the mission of serving community, 8 districts of East Kowloon Region jointly organized Community Service Project again in 2012. The aim of the Project was to generate synergy to service different targets among different districts. Activities like visits to elderly homes were organized during festivals. Last but not least, our members of 195th East Kowloon Group initiated a brand new community project – cycling with the visually impaired pupils. Members of 195th East Kowloon Group successfully organized their cycling journey with the visually impaired pupils from the Ebenezer School & Home for the Visually Impaired. Both of them had a lot of fun.

Sichuan Service Project

Care and support to the Sichuan quake-affected areas continued in 2012 from East Kowloon Region. A total of 44 members and leaders participated in the 2012 Sichuan Service Project from 21 to 27 July 2012. The highlight was a mural with the theme "Colourful Life" painted in Dujiangyan Youai School, signified adding some colour to Sichuan pupils' life. The over 55 meters long mural was made on a barrier free access of the school, with the effort of Scout members and 12 local pupils. Besides painting, Scout members also visited Yingxiuzhen, the epicenter of 5.12 Sichuan Earthquake. After seeing the power of nature and the scene of devastation at the earthquake affected areas, we believe our members would cherish life, make good use of the time to complete their set goals, influence and help other people.

Challenging Overseas Expedition

Xue Mountain is the second highest peak in Taiwan. There were 25 participants took part in a mountain challenge activity from 29 July to 5 August 2012, aiming at broadening the vision, exerting Scouting spirit, developing leadership ability and enhancing expedition skills of Scout members. Although the activity was cancelled due to typhoon, the members were impressed by the climbing facilities in Taiwan, and they had learnt something far more important. The power of the nature and the magnificent view of mountain made them realized how insignificantly small we were, and that we all should be respectful and humble towards the nature. Besides mountain challenge, exchange activities with Taiwan Scouts like tree climbing at Yangmingshan campsite and sightseeing in Tamsui District were also arranged. These helped to cultivate Scout brotherhood and enhance cultural understanding of each other.

Pak Sha Wan Tam Wah Ching Sea Activity Centre

Pak Sha Wan Tam Wah Ching Sea Activity Centre keeps up their effort in promoting sea activities by organizing different trainings, as well as enhancing facilities and beautifying the environment. To tie in with different needs of training in sea activities, the Centre acquired over 70 items of different crafts and related equipments in recent years, in the hope to encourage more members participating in sea activities. A series of improvement projects will be carried out in the future. Members would be able to enjoy the activities and facilities in a more comfortable, safer and better equipped centre.

NT Region 55th Anniversary

New Territories Region is celebrating her 55th Anniversary in 2013. With the great support from the NTR President, Mr Karson CHOI, and Chairman, Mr Michael CHEUNG together with all lay members in the Region, we aim at organizing a thematic programme series for this milestone year. "NT Region 55th Anniversary Launching Ceremony" was held in January as a kickoff event in the Hong Kong Disneyland, attracting over 1,500 Scouts and parents to join. "NT Trail-Walker 2013" and "NTR Charity Walk" have been held successfully. The inter-districts city orienteering was introduced in the Trail-Walker event and through social website and network platform, the result was amazing.

Scout Members Development

Under the "School-Scout Collaboration Scheme for the Holistic Development of Youths" launched by the Association, Islands District, Tuen Mun West District and Yuen Long West District have collaborated with schools in providing venues and facilities for Scout meeting of open groups. In order to promote Scouting in the Region, we targeted at those secondary schools not yet have Scout groups. We invited their students to join the "I.Can@Challenge Camp" in February 2013. During the 2-day camp, students had opportunities to experience Scout training and activities. They enjoyed the programme and showed their interests to join the Scout Movement in the future.

Mainland and Overseas Visit

The Region encourages members to participate in the Mainland and overseas visit. We have organized 3 trips in 2012-2013, namely Sichuan-HK Visit (July 2012), Malaysia Visit (August 2012) and Huizhou Boluo Service Visit (March 2013). The activities widen members' horizons and let them experience Scouting in different culture.

Enhancement in Campsites

Renovation works have been launched in Tung Tsz Scout Centre, Tai Mei Tuk Sea Activity Centre, Shatin Scout Centre and Choi Chee Ming Luen Kwong Scout Centre to enhance the campsite facilities.

Way Forward

The Region proposes a 5-Year Plan in order to meet the development of the Association. Apart from goal setting in our branches, we will also focus on the long-term development of districts' headquarters and campsites. We will make every endeavour to encourage the youth to join Scouting and keep sustainable development in Scout Movement.

In the year 2012-2013, a number of working plans were implemented for New Territories East Region with a view to promoting and developing Scouting and enhancing qualities of Scout leaders and youth members. Besides, a series of leader training programmes to broaden the experience and stimulate quality thinking have been rolled out with satisfactory results. The Scouting of the Region is stepping up with new ideas and elements.

Plans to encourage the achievements of Scout Awards to enhance qualities

As at 31 December 2012, the number of Scout members in the Region was 11,532. Throughout the year the Region organized 23 events for youth members and 51 training activities for Scout leaders. A total of 29 Scout leaders successfully completed their Wood Badge training. Among the 249 youth members of the Region who attained their highest sectional awards, 212 were Cub Scouts, 34 were Scouts, and 3 were Venture Scouts. The Region's programme branch will focus its effort in the coming year on providing additional support and training in assisting more youth members to achieve the highest sectional awards.

Implementation of new activities with the times

The Region has established its Venture Scout Council and Rover Scout Council to create platforms for youth members' participation in project planning, various services and activities to enrich their experience. Through which, the Region is able to input new ideas and insights on the development of Scouting. The Region's training branch will continue its efforts to facilitate the development of Venture Scout and Rover Scout sections. Besides, new elements and variety have been added to Scouting activities, such as the first Archery Competition, Shooting Competition and Orienteering Tournament held in 2012.

Enhance communications of all levels through the issue of periodicals

The informative quarterly magazine of the Region has become a means to strengthen the bond between the Regional Headquarters and Scout districts. It updates all members of the Region on the latest news and events. It also serves as a channel of publicity with copies of the magazine sent to libraries and secondary schools in the North, Tai Po and Shatin districts.

Strong financial support from the community

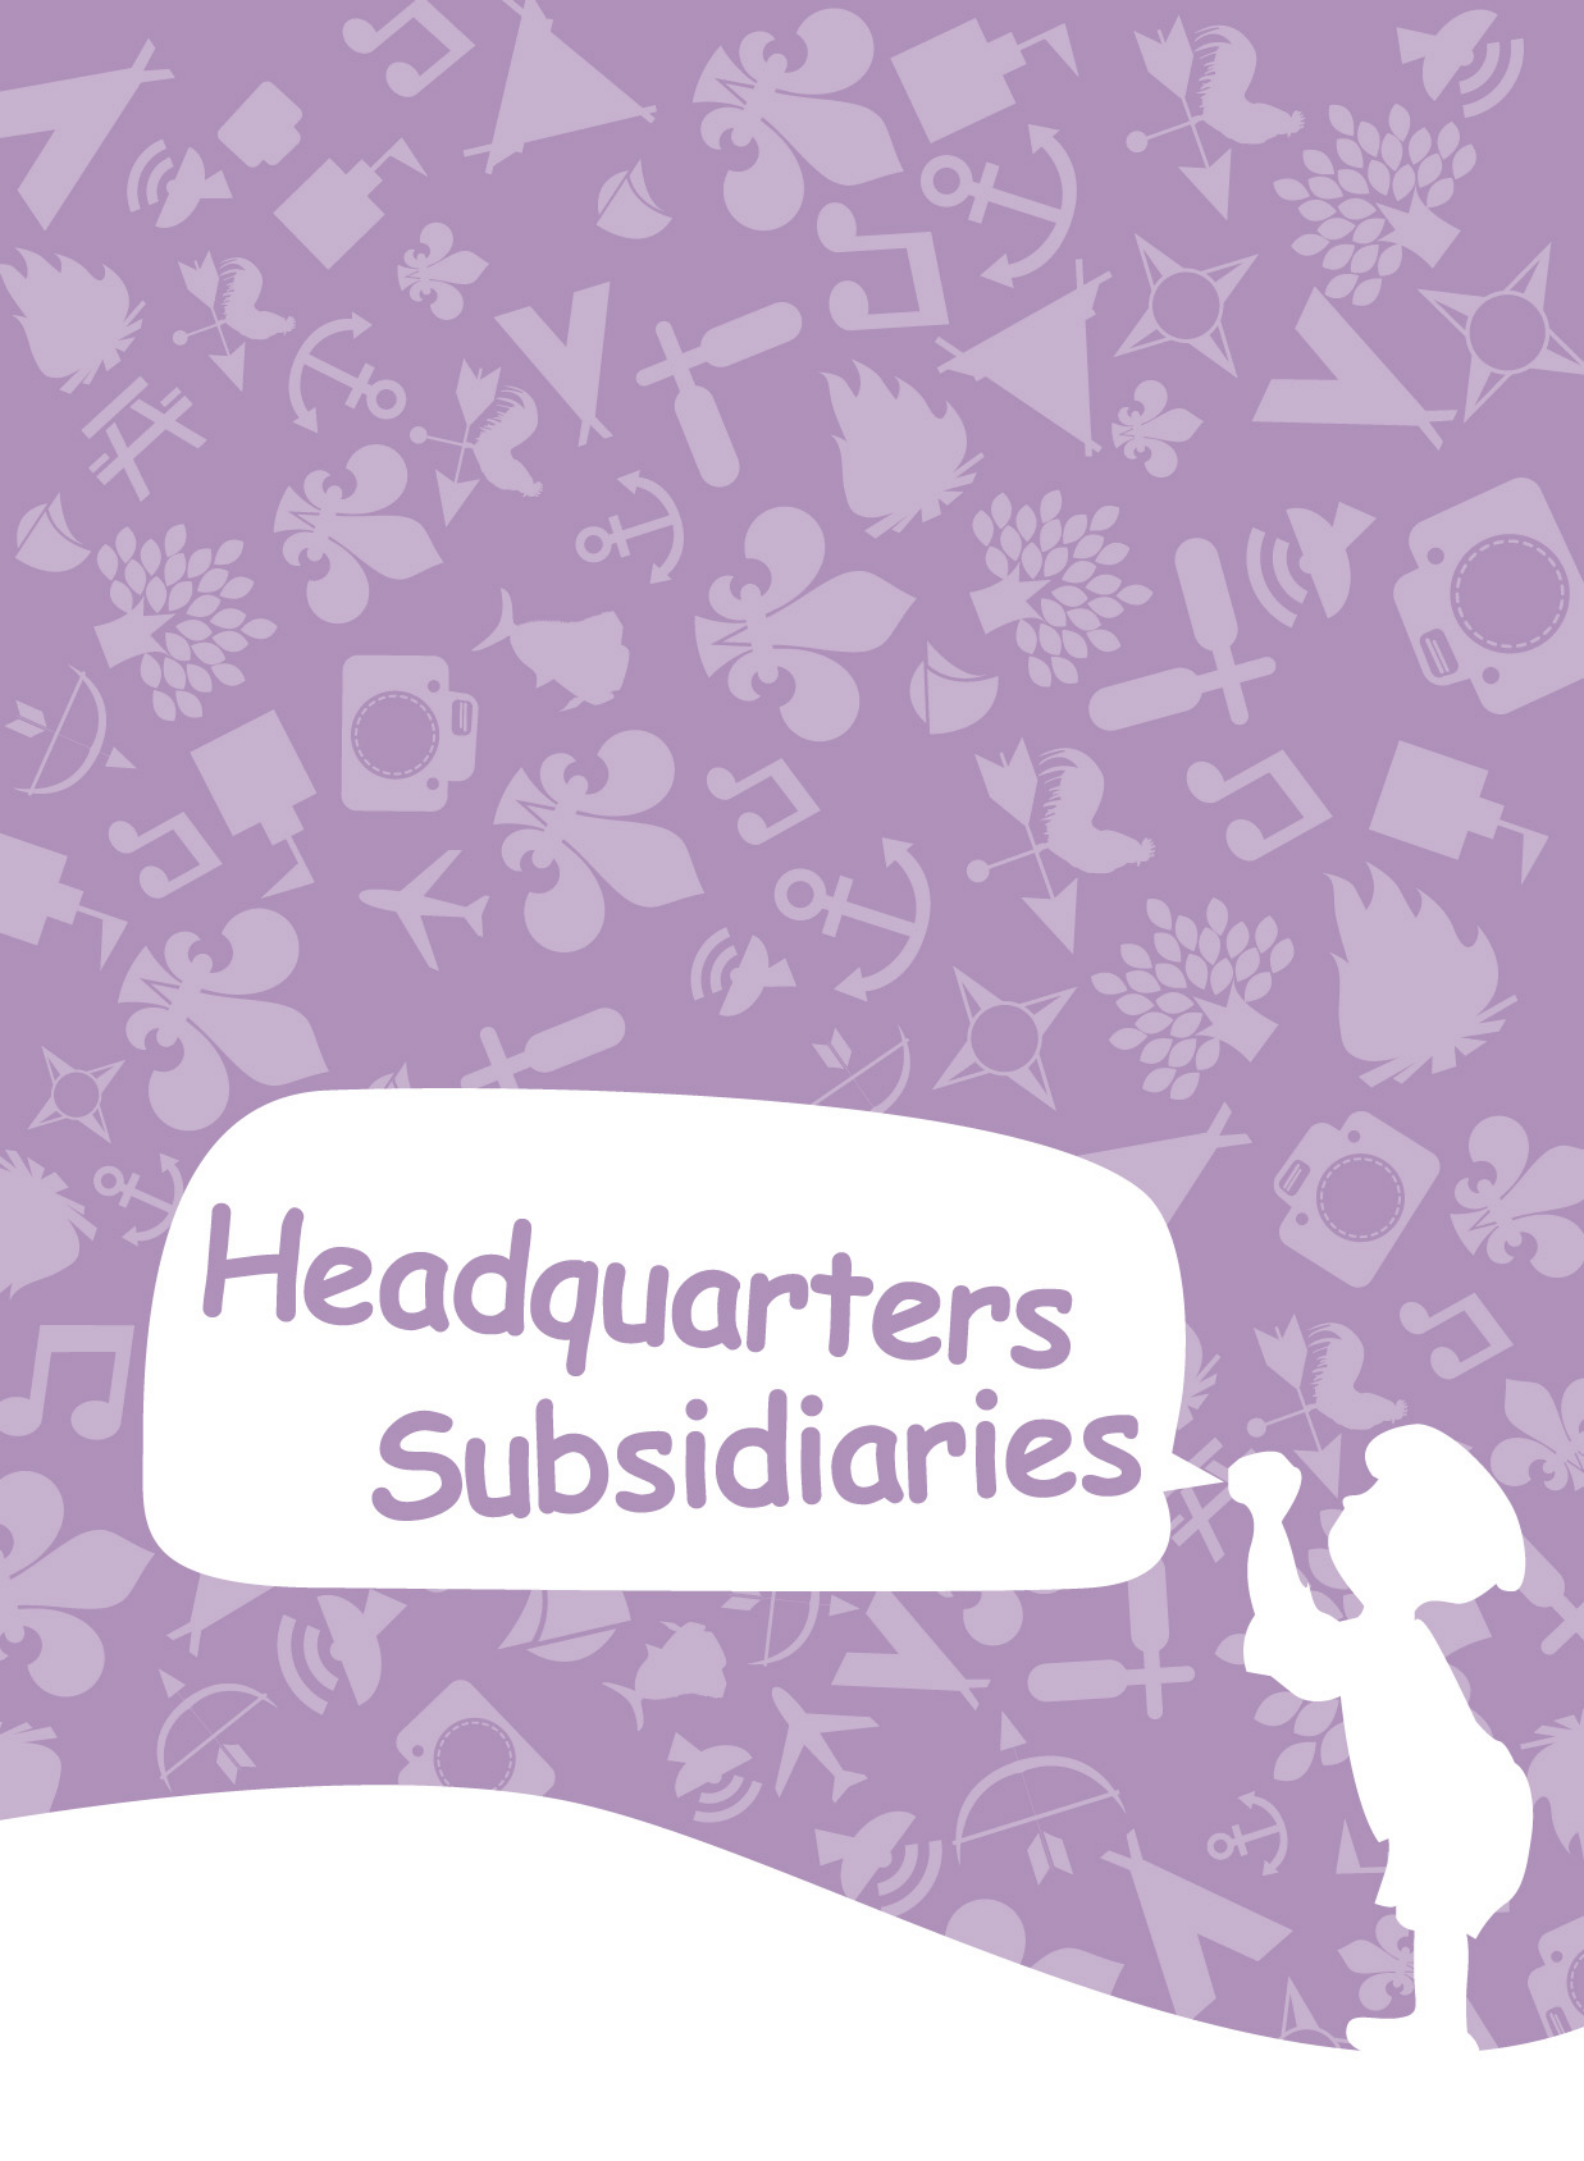

The Region continued to receive generous financial support from the community. It is particularly noteworthy that Dr KWONG Kai-to, the Regional Chairman, Mr Dominic CHU, the Regional Vice Chairman, and Mr CHU Chun-wah, the Regional Vice President, each contributed HK$100,000 to sponsor the Regional events and training activities in 2012-2013. This, together with the staunch support from other Regional Scout Council members, a number of new and joyful events could be introduced to broaden the range of the Regional Scout activities.

Future target to develop the members

Promotion and development of Scouting and to enhance the qualities of Scout leaders and members are the main issues of the Region's strategy in the coming year. With an aim to increase the membership, Region's Development branch has made recommendations on a number of strategic plans which include a project on the development of Grasshopper Scout section in kindergartens and provision of support to problematic Scout groups. These help to establish a solid foundation for future development of other Scout sections. Moreover, the Region will continue its efforts to deliver effective governance, enhance the qualities of Scout leaders and youth members through a number of initiatives such as neat uniform award and arrangements of advertising banners so as to promote positive Scout images.

Course Accreditation under Qualifications Framework (QF)

Aiming to enhance the recognition of Scout training programme with a view to further develop Scout Movement in Hong Kong, Leadership Training Institute together with the full support of other members of the Association worked extensively to prepare for the Initial Evaluation and Programme Validation under the *Qualifications Framework* mechanism. After years of hard work and selfless devotion, on 1 March 2013, Leadership Training Institute was accredited by the *Hong Kong Council for Accreditation of Academic and Vocational Qualifications (HKCAAVQ)* to conduct training programmes up to Level 3 under the *Qualifications Framework (QF)*.

The validity period of the 3 courses, *Certificate in Leadership Skills, Certificate in Expedition Skills* and *Certificate in Adventure Education: Principles and Application*, which have been accredited at QF Level 3 were effective from 1 March 2013 to 29 February 2016.

"Leadership in Practice" for United College of the Chinese University of Hong Kong (CUHK)

The training programme, *Leadership in Practice*, designed and delivered by the Institute is one of the credit bearing general education elective subjects for students of United College of CUHK. Based on the model of Action-Centred Leadership, our programmes help students to explore and to examine their leadership theory through experiential learning and practical exercises. Ten cohorts of students with a total of 177 have successfully completed the courses since 2008.

"Leadership in Practice" for PolyU-SPEED

Leadership in Practice is one of the credit bearing general education subjects for students of PolyU-SPEED top-up degree programmes. The Institute is responsible for 8 hours of the total 28-contact-hour subject. The experiential learning component and assessment on Leadership Task Practice are conducted at Wong Siu Sang Leadership Training Institute. The training programme helps students to apply and practice leadership theory through experiential learning and practical exercises. This 8-hour component carries 20% of the assessment value for the subject. In the 2012-2013 academic year, 691 students have successfully completed the training programme.

Adventure Education Instructor Team

To further enhance the quality of our training programmes, the Institute organized 2 training courses in collaboration with Project Adventure Inc for members of the Adventure Education Instructor Team. They were the "Adventure based Counseling" workshop and the "Advanced Technical Skill Intensive Training and Level II Facilitator Assessment" workshop. In addition, 7 instructors were selected to participate in the Challenge Course Manager workshop under the Association for Challenge Course Technology proficient scheme and organized by Signature Research Inc between 18 to 21 March 2013. All participants completed the assessment and acquired the related qualification.

Our instructors participated in the 5th Asian Chinese Experiential Education Conference held in December 2012. Mr HO Cheuk-ping, Senior Instructor, also attended the Annual Conference of the Association for Challenge Course Technology and completed the Challenge Course Inspector Certification programme.

Training Programmes in Wong Siu Sang Leadership Training Institute

A variety of adventure education, leadership, team building, outdoor education and personal growth enhancement programmes have been designed for the need of individual client since the establishment of the Institute. In the year 2012-2013, the Institute has offered 226 programmes for 78 organizations with a total of 11,351 Scouts and members of the public at large, both adolescents and adults have used our service.

The Friends of Scouting (FOS) is a subsidiary of Scout Association of Hong Kong. It was set up in 1969 to assist the Association in extending its services to non-Scout youth and providing social service in response to the needs of the community.

"Creating favourable circumstances for young people to develop themselves and make contribution to the community" is FOS's mission statement. FOS's services include Integrated Children & Youth Service, School Social Work Service and Comprehensive Education Service.

Integrated Children & Youth Service

Our integrated service centres, Kai Yip and Long Ping Centres, are proactive to provide services for enhancing youth to face with the problems associated with youth development and stress arising from studies or work, providing support to poor families, fostering social responsibility and building harmonious families in community. In particular, both centres successfully launched anti-drug campaigns as well as ethnic minority programmes. Furthermore, the supportive service for hyperactive disordered children in Yuen Long was well-developed. Besides, we effectively developed training package for enhancing youth to participate into community with volunteer services and services for filling digital gap of the poor families in Yuen Long and Kwun Tong. Last but not least, our centres have provided good services for various schools in the community while currently providing social work service for 2 primary schools and 5 secondary schools.

School Social Work Service

School social work service provides on-site services for 10 secondary schools in Yuen Long and Tuen Mun. Services include individual counselling service, group and developmental work, parent education and community services. In 2012-2013, our school social workers handled 967 cases and 262 programmes were organized for the students of the serving schools with 40,129 attendants in all activities. Programmes mainly focused on positive socialization, as well as counselling and guidance-oriented activities. On the whole, school social work service achieved the designated objectives and was highly rated and appreciated by the schools we served.

Education Service

The Education Centre aims at providing learning opportunities through academic and interest courses to people of different walks of life. A total of 606 courses were conducted from April 2012 to March 2013, including 542 non-subvented courses and 64 subvented courses (comprising 2 courses of Adult Education and 62 courses funded by Employee Retraining Board). The total number of enrollment was 6,360 of which 67% was made up of the students of the children and youth courses.

In 2012, our Cambridge English course received the Cambridge English for Speakers of Other Languages (ESOL) Exam Preparation Centre and Addvantage Partnership Programme awards again. The awards speak volumes for our programme quality.

Fellowship with BP Spirit

The establishment of Baden-Powell Scout Club of Hong Kong (BP Club) is to maintain the ties and friendship among serving, resigned and retired Scout members in Hong Kong. Members are encouraged to abide by Scout Promise and Law as well as to uphold the spirit of Scouting. There was considerable growth in membership over the past 5 years in which members increased from 1,058 in 2008-2009 to 1,484 in the current year, with an increase of 40%.

Attractive Activities throughout the Year

In 2012-2013, various activities were organized, including the "Scout Souvenir Badges Exchange Fair", "Christmas Dinner" and "Lunar New Year cum Pun Choi Feast". What's worth mentioning was the "BP Fun Fun Camp 2012" held at Gilwell Campsite from 4 to 5 August 2012. Participants not only dressed in old Scout uniforms but also took part in varied activities comprising camp fire, talk show, souvenir badges exchange and games. Among which costume contest was the most popular as contestants' prefect imitations prompted audiences burst into laughter. Besides, the book *Baden-Powell and Scouting – Anthology of the Origin* which collected articles concerning the origins of Scouting was launched on 23 February 2013.

"Trip to Meizhou" organized from 26 to 28 October 2012 was the highlight of exchange programme of the year. There were 40 participants visited the historical and cultural city – Meizhou as well as the famous attraction – Hakka walled village, thus experienced the traditional Hakka culture.

Diversify Interest Classes

BP Club organized varied interest classes for members to cultivate their interests and develop themselves, including "Benefits and Health Preservation of Chinese Tea" seminar on 9 January 2013, in which participants not only gaining knowledge of the properties and brewing method of Chinese tea but also tasting different kinds of it. In addition to "Taichi Sword" class, the newly organized "Erhu" class was also very popular as participants learnt different playing techniques and read scores in a simple and easy way.

Activities of the Subsidiaries

The Wine Society, BP Club's subsidiary, organized 6 "Wine Tasting Workshops" with different themes including the American and Swiss wines during the year. Besides, "Vintage Wine Tasting Workshop" was organized for the first time on 25 May 2012 which let members taste fine wines around.

The Chinese Opera Society, another subsidiary, collaborated with the Tsim Sha Tsui District Kaifong Welfare Association and Sham Shui Po District Kaifong Welfare Association to hold the "Fun Day for the Elderly" and "Celebrating the Chinese New Year by Chinese Opera" on 12 December 2012 and 17 March 2013 respectively. Audiences were enchanted by the wonderful performances of tutor and members. Furthermore, the Society organized "Trip to Dongguan" from 5 to 6 January 2013. A total of 39 participants visited the famous attractions, the ancient villages of Ming and Qing Dynasties at Tang Wei, and Qiao Tou, thus enjoyed local gourmet.

In order to provide Scout members with inexpensive and good products, the Scout Shop has been constantly looking for new products in the past year. At the same time, the Shop has established close liaison and working relationship with varies outdoor suppliers, so as to supply outdoor products to our members with preferential prices. On the other hand, the Shop was able to change window display with the aid of these suppliers. Last but not least, through our E-shop and Facebook account, we could convey the most updated news to our fellow members.

E-shop – one stop shopping experience

The online Scout shop (www.scout.org.hk/shop) has been operating since March 2011 and has accumulated 900 registered members. The establishment of the E-shop enables customers to browse our products and receive updated product information and news. Moreover, the E-shop and delivery services enable customer to purchase products online from different parts of the world. This enhances our business, improves the communications between our Shop and global Scout groups. And most of all, we can understand their needs.

Facebook – interactive means of communication

Conveying message through internet is a growing trend. Starting from February of 2011, a Facebook account of the Scout Shop was established which provides an interactive platform for our members to communicate with us; our messages posted on Facebook enjoyed an average browsing rate of 300 times. In future, our Shop will use this channel to gather opinions from varies parties so as to provide better products and services.

The Gift Shop of Wetland Park – The Plumage

In 2012-2013, we have been sourcing new souvenirs, gifts, products, as well as outdoor gears relevant to the theme of the park, such as stationeries, travel books, stuff toys, anti-mosquito products etc. Other than the main Scout Shop, we also worked with varies outdoor brands to launch outdoor products ranges and build attractive window display in The Plumage, in order to boost the sales there. Last but not least, we will monitor the change of clientele there and adjust our assortment plan so as to cope with needs of customers.

Future Plan

There were 80 new products being launched to our shops in 2012-2013. Among the new products, there were outdoor categories that preferential discount was provided to Scout members. For example, we had camping product set promotion which turned out to have good response. In the coming year, we will continue to look for new products and try to line up vendors to launch more promotion to benefit our members. Also, as we have successfully registered our own label, we will try to develop new products carrying this label in 2013, and provide our members with excellent products related to Scout activities and bring out the real spirit of our organization.

Located on the 8th Floor of the Hong Kong Scout Centre since its establishment, the Commissioners' Club has entered its 20th year. The number of members has increased from the original 140 to now exceeding 4,400. With an objective to provide the finest cuisine and the best service to its members, the Commissioners' Club aims to offer a well equipped and elegant meeting place to enhance fellowship among the commissioners and Scouts.

A well-equipped Commissioners' Club

Providing members with a variety of choices, the Club is featured with the following facilities: Kum Tao Heen, Impeesa Bar, Brownsea Lounge and Gilwell Corner.

Kum Tao Heen, a comfortable venue which serves Cantonese cuisine, is in-charged by renounced chefs whose dishes have won respectively in 2004, 2009 and 2010 the Gold with Distinction Award in the "Best of the Best Culinary Awards" organized by the Hong Kong Tourism Board. Kum Tao Heen also participated in the "EatSmart Restaurant" campaign to ensure healthy dishes with less oil, salt and sugar are provided in selection of food materials, seasonings and even cooking methods.

Impeesa Bar is an ideal place for social gathering with fellow Scouts, friends and members.

Brownsea Lounge, covers an area of 4,000 square feet for BBQ fun, is also a good place for lawyers to witness weddings. The newly married couples can enjoy "A Symphony of Lights" and the night view of Victoria Harbour with relatives and friends, feeling warm and romantic.

Gilwell Corner, a café for chit-chatting and social gathering, offers another choice with fast food for members, especially students and parents taking part in the courses organized by the Friends of Scouting.

Activities

In 2013, the Club organized 2 events with the first one held in January – "The tour of Chaoshan" which was well-received by participants. The other event "Spring Dinner", an annual banquet, which guests filled up 15 tables, was delivered with band performances and lucky draw. The Club will continue organizing activities of different varieties for members.

Financial Status

Over the years, the Club has been stable and healthy financially. Since 2001, 50% of the net income has been transferred to the Association Headquarters for the promotion and development of the Scout Movement.

In 2012, Hong Kong's tourism industry recorded a tremendous growth as the number of yearly visitor arrivals surpassed 48 million for the first time, a 16% jump than 2011.

In the fiscal year of 2012-2013, B P International House (BPIH) achieved a respectable occupancy rate of 95.14%, a modest 0.94% year-on-year rise in its occupancy compared to 2011-2012, while the average room rate also saw an increase of 7.38% in comparing with 2011-2012. The overall performance over the year was satisfactory, as we achieved greater numbers that have reached successful highs since 2011 – thanks mostly to the inflow of visitors from all around the world, particularly the Mainland China market. With such strong sign, we expect rates to post steady increases and higher market-leading returns in the coming years.

BPIH is committed to leverage the strength of hotel by focusing on hotel services and business experiences. As we are determined to make a difference, our unique approach is centered on new upgrades and improvements so as to achieve highest satisfaction level for our guests. Most notably, BPIH has received the "2012 TripAdvisor Certificate of Excellence Award". The prestigious award recognizes the excellent qualities to which we aspire: outstanding hotel services and facilities that further differentiate us from other high calibers around the region.

In addition, BPIH is also proud to consistently receive a multitude of awards in catering and business experience. For 10 consecutive years, Cafe by the Park and Flamingo Lounge have attained "Hong Kong Tourism Board – 2012 Quality Tourism Service Merchant Award" for maintaining high hospitality standards and providing the best catering services for the patrons. Gordon Wu Hall has also earned a coveted recognition as "2012 Quality Wedding Merchant Scheme" from the Hong Kong Productivity Council. The award is the testament to the efforts of the entire team underscoring the success of the commitment to exceptional quality and attentive service.

Since 2012, BPIH has been conducting the renovation programme phase by phase, including renewal of Keycard system and upgrade of luxurious duvet bedding in all of the hotel's 529 modern guest rooms, which have all been completed successfully in 2012. Energy-saving projects including the replacement of the air-conditioning chillers and installation of hot water conversion system were commissioned. The improvement works of the guest lifts are expected to be completed by late 2013. The renovation programme highlights our continuing commitment to providing guests with the finest amenities and most up-to-date accommodation, resulting a better and high quality lodging experience.

Looking ahead, we are confident that we will remain in a strong position amid the positive outlook in the hospitality industry. Our online reservation segment is launched in full swing across the internet market, we are sure that such efforts are vastly supported by the new prospects of the soon-to-be-completed transportation network and facilities including: Kai Tak Cruise Terminal, the West Kowloon Cultural District and the Hong Kong Section of the Guangzhou-Shenzhen-Hong Kong Express Rail Link, to name a few. All of these will bring us a wealth of opportunities, while allowing us to create an unrivaled competitive advantage in the coming years.

Scout Association of Hong Kong

31 March 2013

Independent auditor's report to the Council of Scout Association of Hong Kong

(Incorporated under the Scout Association of Hong Kong Ordinance)

We have audited the financial statements of Scout Association of Hong Kong (the "Association") set out on pages 3 to 47, which comprise the statement of financial position as at 31 March 2013, the statement of income and expenditure, the statement of comprehensive income, the statement of changes in funds and reserves and the cash flow statement for the year then ended and a summary of significant accounting policies and other explanatory information.

Responsibility of the Executive Committee for the financial statements

The Executive Committee is responsible for the preparation of financial statements that give a true and fair view in accordance with Hong Kong Financial Reporting Standards issued by the Hong Kong Institute of Certified Public Accountants and for such internal control as the Executive Committee determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. This report is made solely to you, as a body, in accordance with our agreed terms of engagement, and for no other purpose. We do not assume responsibility towards or accept liability to any other person for the contents of this report.

We conducted our audit in accordance with Hong Kong Standards on Auditing issued by the Hong Kong Institute of Certified Public Accountants. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Executive Committee, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Independent auditor's report to the Council of Scout Association of Hong Kong (continued)

(Incorporated under the Scout Association of Hong Kong Ordinance)

Opinion

In our opinion, the financial statements give a true and fair view of the state of the Association's affairs as at 31 March 2013 and of its surplus and cash flows for the year then ended in accordance with Hong Kong Financial Reporting Standards.

Notes to the financial statements
(Expressed in Hong Kong dollars)

1 General information

(a) Organisation and activities

Scout Association of Hong Kong (the "Association") is a body corporate with perpetual succession established under Scout Association of Hong Kong Ordinance (Chapter 1005 of the Laws of Hong Kong) for the purpose of furthering and promoting the Scout Movement in the Hong Kong Special Administrative Region ("HKSAR").

The Association established The Hong Kong Scout Foundation in accordance with Scout Association of Hong Kong Ordinance. On cessation or dissolution of the Foundation Management Committee, the Association would be the legal owner of all funds and assets under the name of the Foundation.

(b) Operations included in the financial statements

The financial statements include the operations of the following:

(i) Headquarters of Scout Association of Hong Kong ("Scout Headquarters");

(ii) The Hong Kong Scout Foundation ("the Foundation");

(iii) The Scout Shop of Hong Kong ("Scout Shop");

(iv) B P International House ("Hostel operation");

(v) Hong Kong Island Region, Kowloon Region, East Kowloon Region, New Territories Region and New Territories East Region, including New Territories Region Development Fund Commission and New Territories Region Campsites & Sea Activities Centre Development Fund (collectively known as "Regions"); and

(vi) Gilwell Campsite, Pak Sha Wan Tam Wah Ching Sea Activity Centre, Tai Tam Scout Centre, Tung Tsz Scout Centre, Shatin Scout Centre, Tai Mei Tuk Sea Activity Centre and Choi Chee Ming Luen Kwong Scout Centre (collectively known as "Campsites").

Their principal activities are as follows:

Scout Headquarters, Regions and Campsites:

- furthering and promoting the Scout Movement in the HKSAR.

1 General information (continued)

(b) Operations included in the financial statements (continued)

Hong Kong Scout Foundation:

- managing any funds assigned by the Executive Committee of Scout Association of Hong Kong;
- receiving any donations for the Foundation; and
- managing the surplus generated from the investment of the funds.

Scout Shop of Hong Kong:

- selling of Scout uniforms and other accessories.

B P International House:

- operating a hostel.

2 Significant accounting policies

(a) Statement of compliance

These financial statements have been prepared in accordance with all applicable Hong Kong Financial Reporting Standards ("HKFRSs"), which collective term includes all applicable individual Hong Kong Financial Reporting Standards, Hong Kong Accounting Standards ("HKASs") and Interpretations issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA") and accounting principles generally accepted in Hong Kong. A summary of the significant accounting policies adopted by the Association is set out below.

The HKICPA has issued certain new and revised HKFRSs that are first effective or available for early adoption for the current accounting period of the Association. The adoption of these new and revised HKFRSs has no material impact on the results of operations and financial position of the Association. The Association has not applied any new standard or interpretation that is not yet effective for the current accounting period (see note 18).

(b) Basis of preparation of the financial statements

The measurement basis used in the preparation of the financial statements is the historical cost basis except for financial instruments classified as available-for-sale securities (see note 2(c)) which are stated at fair value.

2 Significant accounting policies (continued)

(b) Basis of preparation of the financial statements (continued)

The preparation of financial statements in conformity with HKFRSs requires management to make judgements, estimates and assumptions that affect the application of policies and reported amounts of assets, liabilities, income and expenses. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the results of which form the basis of making the judgements about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

Judgements made by management in the application of HKFRSs that have significant effect on the financial statements and major sources of estimation uncertainty are discussed in note 3.

(c) Investments in debt and equity securities

Investments in debt and equity securities are initially stated at fair value, which is their transaction price unless fair value can be more reliably estimated using valuation techniques whose variables include only data from observable markets. Cost includes attributable transaction costs. These investments are subsequently accounted for as follows, depending on their classification:

(i) Held-to-maturity debt securities

Dated debt securities that the Association has the positive ability and intention to hold to maturity are classified as held-to-maturity securities. Held-to-maturity securities are stated at amortised cost less impairment losses.

Impairment losses for held-to-maturity securities are recognised when there is objective evidence of impairment and are measured as the difference between the asset's carrying amount and the present value of estimated future cash flows, discounted at the asset's original effective interest rate (i.e. the effective interest rate originally computed at initial recognition of the asset). Objective evidence of impairment includes observable data that comes to the attention of the Association about events that have an impact on the asset's estimated future cash flows such as:

- significant financial difficulty of the debtor; or
- significant changes in the technological, market, economic or legal environment that have an adverse effect on the debtor.

2 Significant accounting policies (continued)

(c) Investments in debt and equity securities (continued)

(i) Held-to-maturity debt securities (continued)

If in a subsequent period the amount of an impairment loss decreases and the decrease can be linked objectively to an event occurring after the impairment loss was recognised, the impairment loss is reversed through the statement of income and expenditure. A reversal of an impairment loss shall not result in the asset's carrying amount exceeding that which would have been determined had no impairment loss been recognised in prior years.

(ii) Available-for-sale securities

Other investments in securities, being those held for non-trading purposes, are classified as available-for-sale securities. At the end of each reporting period the fair value is remeasured, with any resultant gain or loss being recognised in other comprehensive income and accumulated separately in equity in the Investment revaluation reserve, except foreign exchange gains and losses resulting from changes in the amortised cost of monetary items such as debt securities which are recognised directly in the statement of income and expenditure.

Dividend income from these investments is recognised in accordance with the policy set out in note 2(m)(v) and, where these investments are interest-bearing, interest calculated using the effective interest method is recognised in the statement of income and expenditure in accordance with the policy set out in note 2(m)(iii). When these investments are derecognised, the cumulative gain or loss is reclassified from reserve to the statement of income and expenditure.

When there is objective evidence that available-for-sale securities are impaired, the cumulative loss that has been recognised in the Investment revaluation reserve is reclassified to the statement of income and expenditure. The amount of the cumulative loss that is recognised in the statement of income and expenditure is the difference between the acquisition cost (net of any principal repayment and amortisation) and current fair value, less any impairment loss on that asset previously recognised in the statement of income and expenditure. Objective evidence of impairment includes observable data that comes to the attention of the Association concerning the underlying financial stability of the investee as well as a significant or prolonged decline in the fair value of an investment below its cost.

Impairment losses recognised in the statement of income and expenditure in respect of available-for-sale equity securities are not reversed through the statement of income and expenditure. Any subsequent increase in the fair value of such assets is recognised directly in other comprehensive income.

2 Significant accounting policies (continued)

(c) Investments in debt and equity securities (continued)

(ii) Available-for-sale securities (continued)

Impairment losses in respect of available-for-sale debt securities are reversed if the subsequent increase in fair value can be objectively related to an event occurring after the impairment loss was recognised. Reversals of impairment losses in such circumstances are recognised in the statement of income and expenditure.

(d) Property, plant and equipment

Property, plant and equipment are stated at cost less accumulated depreciation and impairment losses.

Depreciation is calculated to write off the cost of items of property, plant and equipment, less their estimated residual value, if any, using the straight line method over their estimated useful lives as follows:

– Leasehold land	Over the unexpired term of lease
– Buildings	50 years
– Leasehold improvements	Over the shorter of the unexpired term of lease and their estimated useful lives
– Machinery, motor vehicles, furniture, fixtures and computer equipment	3 - 15 years
– Programme and training equipment	4 years

Both the useful life of an asset and its residual value, if any, are reviewed annually.

The carrying amounts of property, plant and equipment are reviewed for indications of impairment at the end of each reporting period. An impairment loss is recognised in the statement of income and expenditure if the carrying amount of an asset, or the cash-generating unit to which it belongs, exceeds its recoverable amount. The recoverable amount of an asset, or of the cash-generating unit to which it belongs, is the greater of its fair value less costs to sell and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the assets. An impairment loss is reversed if there has been a favourable change in the estimates used to determine the recoverable amount.

2 Significant accounting policies (continued)

(d) Property, plant and equipment (continued)

Gains or losses arising from the retirement or disposal of an item of property, plant and equipment are determined as the difference between the net disposal proceeds and the carrying amount of the item and are recognised in the statement of income and expenditure on the date of retirement or disposal.

(e) Leased assets

An arrangement, comprising a transaction or a series of transactions, is or contains a lease if the Association determines that the arrangement conveys a right to use a specific asset or assets for an agreed period of time in return for a payment or a series of payments. Such a determination is made based on an evaluation of the substance of the arrangement and is regardless of whether the arrangement takes the legal form of a lease.

(i) Classification of assets leased to the Association

Assets that are held by the Association under leases which transfer to the Association substantially all the risks and rewards of ownership are classified as being held under finance leases. Leases which do not transfer substantially all the risks and rewards of ownership to the Association are classified as operating leases.

(ii) Operating lease charges

Where the Association has the use of assets held under operating leases, payments made under the leases are charged to the statement of income and expenditure in equal instalments over the accounting periods covered by the lease term, except where an alternative basis is more representative of the pattern of benefits to be derived from the leased asset. Lease incentives received are recognised in the statement of income and expenditure as an integral part of the aggregate net lease payments made.

(f) Inventories

Inventories are carried at the lower of cost and net realisable value.

Cost is calculated using the first-in, first-out method and comprises all costs of purchase, costs of conversion and other costs incurred in bringing the inventories to their present location and condition.

Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

2 Significant accounting policies (continued)

(f) Inventories (continued)

When inventories are sold, the carrying amount of those inventories is recognised as an expense in the period in which the related revenue is recognised. The amount of any write-down of inventories to net realisable value and all losses of inventories are recognised as an expense in the period the write-down or loss occurs. The amount of any reversal of any write-down of inventories is recognised as a reduction in the amount of inventories recognised as an expense in the period in which the reversal occurs.

(g) Receivables

Receivables are initially recognised at fair value and thereafter stated at amortised cost using the effective interest method, less allowance for impairment of doubtful debts, except where the receivables are interest-free loans made to related parties without any fixed repayment terms or the effect of discounting would be immaterial. In such cases, the receivables are stated at cost less allowance for impairment of doubtful debts.

Impairment losses for bad and doubtful debts are recognised when there is objective evidence of impairment and are measured as the difference between the carrying amount of the financial asset and the estimated future cash flows, discounted at the asset's original effective interest rate where the effect of discounting is material. Objective evidence of impairment includes observable data that comes to the attention of the Association about events that have an impact on the asset's estimated future cash flows such as significant financial difficulty of the debtor.

Impairment losses for receivables whose recovery is considered doubtful but not remote are recorded using an allowance account. When the Association is satisfied that recovery is remote, the amount considered irrecoverable is written off against receivables directly and any amounts held in the allowance account relating to that debt are reversed. Subsequent recoveries of amounts previously charged to the allowance account are reversed against the allowance account. Other changes in the allowance account and subsequent recoveries of amounts previously written off directly are recognised in the statement of income and expenditure.

(h) Trade and other payables

Trade and other payables are initially recognised at fair value and subsequently stated at amortised cost unless the effect of discounting would be immaterial, in which case they are stated at cost.

2 Significant accounting policies (continued)

(i) Cash and cash equivalents

Cash and cash equivalents comprise cash at bank and in hand, demand deposits with banks and other financial institutions, and short-term, highly liquid investments that are readily convertible into known amounts of cash and which are subject to an insignificant risk of changes in value, having been within three months of maturity at acquisition. Bank overdrafts that are repayable on demand and form an integral part of the Association's cash management are also included as a component of cash and cash equivalents for the purpose of the cash flow statement.

(j) Employee benefits

Salaries, annual bonuses, paid annual leave, contributions to defined contribution retirement plans and the cost of non-monetary benefits are accrued in the year in which the associated services are rendered by employees. Where payment or settlement is deferred and the effect would be material, these amounts are stated at their present values.

(k) Income tax

The Association is exempted from Hong Kong Profits Tax by virtue of Section 88 of the Inland Revenue Ordinance.

(l) Provisions and contingent liabilities

Provisions are recognised for liabilities of uncertain timing or amount when the Association has a legal or constructive obligation arising as a result of a past event, it is probable that an outflow of economic benefits will be required to settle the obligation and a reliable estimate can be made. Where the time value of money is material, provisions are stated at the present value of the expenditure expected to settle the obligation.

Where it is not probable that an outflow of economic benefits will be required, or the amount cannot be estimated reliably, the obligation is disclosed as a contingent liability, unless the probability of outflow of economic benefits is remote. Possible obligations, whose existence will only be confirmed by the occurrence or non-occurrence of one or more future events are also disclosed as contingent liabilities unless the probability of outflow of economic benefits is remote.

2 Significant accounting policies (continued)

(m) Revenue recognition

Revenue is measured at the fair value of the consideration received or receivable. Provided it is probable that the economic benefits will flow to the Association and the revenue and costs, if applicable, can be measured reliably, revenue is recognised in the statement of income and expenditure as follows:

(i) Sale of goods

Revenue is recognised when goods are sold and the related risks and rewards of ownership have been transferred to the customers. Revenue is stated after deduction of any trade discounts.

(ii) Hostel revenue

Hostel revenue from rooms and other ancillary services is recognised when the services are rendered.

(iii) Interest income

Interest income is recognised as it accrues using the effective interest method.

(iv) Donations

Donations not designated for any specific purposes are utilised at the discretion of the Executive Committee and are recognised as revenue upon receipt of cash. Designated donations are recognised in the statement of income and expenditure on a systematic basis in the same periods in which the expenses are incurred.

(v) Dividends

Dividend income from listed investments is recognised when the share price of the investment goes ex-dividend.

(vi) Government grants

Government grants are recognised when there is reasonable assurance that they will be received and that the Association will comply with the conditions attaching to them.

2 Significant accounting policies (continued)

(n) Translation of foreign currencies

Foreign currency transactions during the year are translated at the foreign exchange rates ruling at the transaction dates. Monetary assets and liabilities denominated in foreign currencies are translated at the foreign exchange rates ruling at the end of the reporting period. Exchange gains and losses are recognised in the statement of income and expenditure.

(o) Related parties

(t) Sinking fund

The Sinking fund is represented by funds provided for future redevelopment of the Hong Kong Scout Centre building of the Association.

3 Accounting judgements and estimates

In the process of applying the Association's accounting policies, management has made the following accounting judgements:

Held-to-maturity financial assets

The Association follows the guidance of HKAS 39, *Financial instruments: Recognition and measurement* on classifying non-derivative financial assets with fixed or determinable payments and fixed maturity as held-to-maturity. This classification requires significant judgement. In making this judgement, the Association evaluates its intention and ability to hold such investments to maturity.

If the Association fails to keep these investments to maturity other than for specific circumstances explained in HKAS 39, it will be required to reclassify the whole class as available-for-sale. The investments would then be measured at fair value instead of at amortised cost.

Fair value of individually impaired available-for-sale financial assets	56,308	41,431

As at 31 March 2013, certain of the Association's available-for-sale financial assets were individually determined to be impaired on the basis of significant or prolonged decline in their fair value below cost. Impairment losses on these investments were recognised in the statement of income and expenditure in accordance with the policy set out in note 2(c)(ii).

10 Inventories

Inventories in the statement of financial position comprise:

	2013	*2012*
	$'000	$'000
Food and beverages	1,339	1,122
Uniforms and accessories	3,886	3,408
	5,225	4,530

All of the inventories are expected to be recovered within one year.

11 Receivables, deposits and prepayments

	2013 $'000	2012 $'000
Trade receivables	11,310	10,821
Other receivables	3,406	2,388
Deposits	566	673
Prepayments	12,225	16,986
	27,507	30,868

All of the receivables, deposits and prepayments are expected to be recovered or recognised as an expense within one year.

(a) Impairment of trade receivables

Impairment losses in respect of trade debtors are recorded using an allowance account unless the Association is satisfied that recovery of the amount is remote, in which case the impairment loss is written off against trade debtors directly (see note 2(g)).

No allowance for doubtful debts have been provided or reversed for the year ended 31 March 2013 and 2012.

(b) Trade debtors that are not impaired

Trade debtors are due within 30 days from the date of billing. Further details on the Association's credit policy are set out in note 15(b)(iii).

The ageing analysis of trade debtors that are neither individually nor collectively considered to be impaired are as follows:

	2013 $'000	2012 $'000
Neither past due nor impaired	9,966	9,704
Less than 1 month past due	1,344	1,016
1 to 3 months past due	-	101
	1,344	1,117
	11,310	10,821

11 Receivables, deposits and prepayments (continued)

(b) Trade debtors that are not impaired (continued)

Receivables that were neither past due nor impaired relate to a wide range of customers for whom there was no recent history of default.

Receivables that were past due but not impaired relate to a number of independent customers for whom there is no recent history of default and have a good track record with the Association. Based on past experience, management believes that no impairment allowance is necessary in respect of these balances as there has not been a significant change in credit quality and the balances are still considered fully recoverable.

12 Cash and bank deposits

(a) Cash and bank deposits comprise:

	2013 $'000	2012 $'000

Note: Temporary receipts include unutilised funding provided to the Association by the Education Bureau and the Home Affairs Bureau of the HKSAR ("the Funding") for the expenditure on "Assistance Scheme operated by Uniformed Groups and The Hong Kong Award for Young People for Needy Student Members" ("the Scheme").

An accumulated amount of $909,956 was received from the Education Bureau in prior years. Payments totalling $806,404 were made for the Scheme in prior years and $103,552 was refunded to the Education Bureau during the current year. As at 31 March 2013, there was no outstanding balance due to the Education Bureau in respect of the Funding (2012: $103,552).

The Association also received an accumulated amount of $356,516 from the Home Affairs Bureau, which has been fully utilised during the year. Total expenditure on the Assistance Scheme during 2013 and 2012 was $247,410 and $145,624 respectively. As at 31 March 2013, there was no outstanding balance due to the Home Affairs Bureau in respect of the Funding (2012: $122,376).

15 Capital management and financial risk management

(a) Capital management

The Association's objectives when managing capital are to safeguard the Association's ability to continue as a going concern in order to maintain an optimal fund structure.

(b) Financial risk management

Exposure to currency, credit and liquidity risks arises in the normal course of the Association's business. The Association is also exposed to equity price risk arising from its equity investments in listed securities.

The Association's exposure to these risks and the financial risk management policies and practices used by the Association to manage these risks are described below.

(i) Currency risk

The Association's functional currency is Hong Kong dollars. The Association mainly operates in Hong Kong and is exposed to currency risk primarily with respect to the United States dollars on held-to-maturity financial assets and Renminbi on bank deposits.

In the opinion of the Executive Committee, the Hong Kong dollar to United States dollar exchange rate is reasonably stable under the Linked Exchange Rate System. In this respect, it is assumed that the pegged rate between the Hong Kong dollar and the United States dollar would be materially unaffected by any changes in movement in value of the United States dollar against other currencies and, therefore the Association considers the risk of movements in exchange rates between the Hong Kong dollar and the United States dollar to be insignificant. In respect of balances denominated in Renminbi, the Association ensures that the net exposure is kept to an acceptable level by buying or selling foreign currencies at spot rates where necessary to address short-term imbalances.

Exposure to currency risk

The following table details the Association's exposure at the end of the reporting period to currency risk arising from recognised assets or liabilities denominated in a currency other than the Association's functional currency of Hong Kong dollars. For presentation purposes, the amounts of the exposure are shown in Hong Kong dollars.

	Renminbi	
	2013	*2012*
	$'000	$'000
Cash and cash equivalents	200,539	164,307
Exposure to currency risk	200,539	164,307

(b) Financial risk management (continued)

(i) Currency risk (continued)

Sensitivity analysis

The following table indicates the instantaneous change in the Association's surplus and total funds that would have arisen if foreign exchange rates to which the Association has significant exposure at the end of the reporting period had changed at that date, assuming all other risk variables remained constant. In this respect, it is assumed that the pegged rate between the Hong Kong dollar and the United States dollar would be materially unaffected by any changes in movement in value of the United States dollar against other currencies.

	2013		*2012*	
	Increase/ (decrease) in foreign exchange rates	*Effect on surplus and total funds* $'000	*Increase/ (decrease) in foreign exchange rates*	*Effect on surplus and total funds* $'000
Renminbi	5%	10,027	5%	8,215
	(5)%	(10,027)	(5)%	(8,215)

The sensitivity analysis assumes that the change in foreign exchange rates had been applied to re-measure those financial instruments which expose the Association to foreign currency risk at the end of the reporting period. The analysis has been performed on the same basis as for 2012.

(ii) Credit risk

The Association's credit risk is primarily attributable to listed debt investments, cash and bank deposits and receivables. Management has a credit policy in place and the exposures to these credit risks are monitored on an ongoing basis.

Investments are normally only in liquid securities quoted on a recognised stock exchange and with counterparties that have high credit ratings.

Cash and bank deposits are placed with financial institutions with sound credit ratings to minimise credit exposure.

15 Capital management and financial risk management (continued)

(b) Financial risk management (continued)

(ii) Credit risk (continued)

In respect of receivables, individual credit evaluations are performed on all customers requiring credit over a certain amount. These take into account the customer's past payment history, financial position and other factors. Trade receivables are due within 30 days from the billing date. Normally, the Association does not obtain collateral from customers.

The Association's exposure to credit risk is influenced mainly by the individual characteristics of each customer. At the end of the reporting period, the Association has a concentration of credit risk as 41% (2012: 36%) of trade receivables was due from the Association's five largest customers, apart from the balances due from major credit cards institutions.

Further quantitative disclosures in respect of the Association's exposure to credit risk arising from receivables are set out in note 11.

(iii) Liquidity risk

Prudent liquidity risk management implies maintaining sufficient liquid cash. Due to the nature of the underlying operations, the Association aims to maintain flexibility in funding by keeping sufficient cash and bank balances to fulfil its commitments and current working capital requirements.

The following table presents the remaining contractual settlement dates at the end of reporting period of the Association's financial liabilities.

	2013	
	Carrying value $'000	*Within 1 year or on demand* $'000
Trade and other payables	48,053	48,053
Amounts due to related parties	12,023	12,023
	60,076	60,076

	2012	
	Carrying value $'000	*Within 1 year or on demand* $'000
Trade and other payables	55,063	55,063
Amounts due to related parties	20,906	20,906
	75,969	75,969

15 Capital management and financial risk management (continued)

(b) Financial risk management (continued)

(iii) Liquidity risk (continued)

In order to manage the above liquidity demands, at 31 March 2013, cash and cash equivalents amounting to $254,359,000 (2012: $390,847,000) is considered readily realisable.

(iv) Equity price risk

The Association is exposed to equity price changes arising from equity investments classified as available-for-sale financial assets (see note 9).

The Association's available-for-sale financial assets are listed on the Stock Exchange of Hong Kong and have been chosen based on their longer term growth potential and are monitored regularly for performance against expectations.

At 31 March 2013, it is estimated that an increase/decrease of 20% (2012: 20%) in the equity prices would have increased/decreased the Association's Investment revaluation reserve by $29,324,000 (2012: $23,516,000).

The sensitivity analysis above indicates the instantaneous change on the Association's investment revaluation reserve that would have arisen assuming that the change in the equity prices had occurred at the end of the reporting period and had been applied to re-measure those financial instruments which expose the Association to equity price risk at the end of the reporting period. It is also assumed that the fair values of the Association's available-for-sale financial assets would change in accordance with their historical correlation with the equity price, that none of the Association's available-for-sale financial assets would be considered impaired as a result of the decrease in the equity price, and that all other variables remain constant. The analysis has been performed on the same basis as for 2012.

15 Capital management and financial risk management (continued)

(c) Fair values

(i) Financial instruments carried at fair value

HKFRS 7, *Financial instruments: Disclosures*, require disclosures relating to fair value measurements of financial instruments across three levels of a "fair value hierarchy". The fair value of each financial instrument is categorised in its entirety based on the lowest level of input that is significant to the fair value measurement. The levels are defined as follows:

- Level 1 (highest level): fair values measured using quoted prices (unadjusted) in active markets for identical financial instruments
- Level 2: fair values measured using quoted prices in active markets for similar financial instruments, or using valuation techniques in which all significant inputs are directly or indirectly based on observable market data
- Level 3 (lowest level): fair values measured using valuation techniques in which any significant input is not based on observable market data

At 31 March 2013, the only financial instruments of the Association carried at fair value were available-for-sale equity securities of $146,621,000 (2012: $117,579,000) listed on the Stock Exchange of Hong Kong (see note 9). These instruments fall into Level 1 of the fair value hierarchy described above.

(ii) Fair value of financial instruments carried at other than fair value

The carrying amounts of the Association's financial instruments carried at cost or amortised cost are not materially different from their fair values as at 31 March 2013 and 2012.

(d) Estimation of fair values

The fair value of available-for-sale financial assets held by the Association is based on quoted market prices at the end of the reporting period without any deduction for transaction costs.

16 Commitments

(a) Capital commitments

Capital expenditure at the end of the reporting period but not yet incurred is as follows:

	2013 $'000	*2012* $'000
Authorised but not contracted for		
– Purchase of property, plant and equipment and improvement projects	231	325
Contracted but not provided for		
– Purchase of property, plant and equipment and improvement projects	339	530
– Renovation of the Hong Kong Scout Centre	40,728	53,860
– Redevelopment of the Wanchai Property	7,154	7,150
– Redevelopment of the North Point Property	6,798	6,800
	55,019	68,340
	55,250	68,665

(b) Operating lease commitments - where the Association is the lessee

The future aggregate minimum lease payments under non-cancellable operating leases in respect of site premises are as follows:

	2013 $'000	*2012* $'000
Within one year	2,460	2,275
After one year but within five years	4,270	570
	6,730	2,845

16 Commitments (continued)

(b) Operating lease commitments - where the Association is the lessee (continued)

All lease agreements are held in the name of the Association. Some operating lease charges in respect of these lease agreements are to be recharged and borne by other Scout units. For these lease agreements, the future aggregate minimum lease payments within one year are $1,376,000 (2012: $1,260,000) and those after one year but within five years are $2,751,000 (2012: Nil).

The leases typically run for an initial period of three years, with an option to renew each lease upon expiry when all terms are renegotiated. None of these leases includes contingent rentals.

(c) Operating lease commitments - where the Association is the lessor

The Association leases out catering areas under an operating lease. The lease typically runs for an initial period of five years, with an option to renew the lease after that date at which time all terms are renegotiated. Lease payments are usually increased every five years to reflect market rentals. The lease does not include contingent rentals.

The future aggregate minimum lease receipts under non-cancellable operating leases in respect of catering areas are as follows:

	2013 $'000	*2012* $'000
Within one year	5,710	5,857
After one year but within five years	4,620	9,660
	10,330	15,517

17 Amounts due from/to related parties

Related parties represent other Scout units, mainly The Friends of Scouting, Commissioners' Club, Education Centre and Asia-Pacific Regional Scout Foundation.

The amounts due from/to related parties are unsecured, interest-free and recoverable/ repayable on demand.

Included in amounts due to related parties are amounts totalling $10,160,000 (2012: $18,943,000) which are held by the Association on behalf of other Scout Units for the purpose of investment.

18 Possible impact of amendments, new standards and interpretations issued but not yet effective for the year ended 31 March 2013

Up to the date of issue of these financial statements, the HKICPA has issued a number of amendments and new standards which are not yet effective for the year ended 31 March 2013 and which have not been adopted in these financial statements. These include the following which may be relevant to the Association.

	Effective for accounting periods beginning on or after
Amendments to HKAS 1, *Presentation of financial statements – Presentation of items of other comprehensive income*	1 July 2012
HKFRS 13, *Fair value measurement*	1 January 2013
Annual Improvements to HKFRSs 2009-2011 Cycle	1 January 2013
Amendments to HKFRS 7, *Financial instruments: Disclosures – Disclosures - Offsetting financial assets and financial liabilities*	1 January 2013
Amendments to HKAS 32, *Financial instruments: Presentation – Offsetting financial assets and financial liabilities*	1 January 2014
HKFRS 9, *Financial instruments*	1 January 2015

The Association is in the process of making an assessment of what the impact of these amendments is expected to be in the period of initial application. So far it has concluded that the adoption of them is unlikely to have a significant impact on the Association's results of operations and financial position.

Vision

To be the best voluntary organisation for the development of young people in Hong Kong for the betterment of our society.

Values

We recognize the importance of:

- individuals developing a sense of personal identity and self worth which leads to responsible citizenship;
- adults providing suitable role models for young people;
- respect for equality and fairness in dealings with all people; and
- the development of understanding between individuals towards world peace.

Mission

To operate an education movement for young people providing them with challenging and progressive training programmes for their physical, intellectual, social, spiritual and aesthetic development.

Scout Law

1. A Scout is to be trusted.
2. A Scout is loyal.
3. A Scout is friendly and considerate.
4. A Scout belongs to the world-wide family of Scouts.
5. A Scout has courage in all difficulties.
6. A Scout makes good use of time and is careful of possessions and property.
7. A Scout has self-respect and respect for others.

Scout Promise

On my honour, I promise that I will do my best
to do my duty to God and to my Country
to help other people
and to keep the Scout Law.
