Statistics **Inside Back**

2013 was another meaningful year. The concerted efforts of members of the Association brought the success of the 1st World Scout Education Congress, the first of its kind in the history of Scout Movement. The Association has also made progress in different areas of work, in particular that on youth activity and training.

Together we draw up the future plan

Invited by the World Organization of the Scout Movement (WOSM), the Association hosted the 1st World Scout Education Congress from 22 to 24 November 2013. Key members of 103 National Scout Organizations from 96 countries and territories, with a total participation of 425 Scout leaders, congregated in Hong Kong for the 3-day conference. They made reflection into this century-old Movement and from it decided on future direction of the Movement to be taken.

The success of the conference attributed to the devotion and commitment of our Scout members coming from various units Association-wide. They spent the time and energy in the year-long preparation as well as physical participation during the whole event period. Not a single participant has given any adverse comments on the arrangements of the conference. Those from overseas were in particular impressed by the organization capability of the Association and the all round care that were provided to them by our members before, during and after the conference. The image of the Hong Kong Scout was greatly enhanced among the Movement. It was my honour to be able to work with such an outstanding working team. Once again, my heartfelt thanks to everyone of the team.

Provision of diversified programme

Youth programme was the focus of the work of the Association. We endeavoured to provide diversified training and activity programmes to our youth members. I was happy to report that we have leaped a great step in air activity programme. Thanks to our generous donors, we acquired 4 Federal Aviation Administration approved flight simulators in early 2014. An Aviation Training Centre would be set up in Hong Kong Scout Centre and we anticipated that by end of 2014, a new aviation training programme would be launched for our youth members. It was also our plan that another aviation training centre would be set up at our new building on Oi Kwan Road.

Scouts in Hong Kong had a long tradition of sea activities. Our 3 sea activity centres provided good environment for the Association to deliver high quality sea training and activity programmes to members. A task group had been formed to study with a view to formulate the strategy in enhancing our sea programmes, including re-positioning the sea centres so to produce the greatest synergy effect, re-organizing the sea training team so to provide the best training to youth members and revising the training programme so that it could best suit the need of youths.

Professional accreditation and life-time learning

The 3 accredited programmes under quality framework system, namely, *Certificate in Leadership Skills, Certificate in Expedition Skills* and *Certificate in Adventure Education: Principles and Application,* had been so far running smoothly. We would conduct reviews at appropriate time, made necessary adjustments and fine-tuning, to ensure that their contents were most up to date and met the needs of our members.

The setting up of the aviation training centre brought new development in our air activity programmes. In this context, the Leadership Training Institute (LTI) was in the process of drafting air related courses, including aviation ground training, aero-communication and aeronautical meteorology. We would not forget spiritual development which was one of the most important elements in Scout Movement. A course on the subject was under the development by the LTI. We hoped that in the near future we would have a comprehensive all round training system so to encourage our young members and leaders to pursue life-time learning.

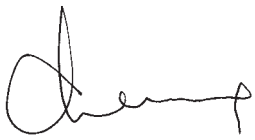

Frontline support and membership retention

Great efforts had been made to provide support to our frontline units. We looked forward that the different support projects that were rolled out could improve the quality of our programmes and help membership growth. The "School-Scout Collaboration Scheme for the Holistic Development of Youths" and "Pilot Scheme for Supporting School-based Scout Groups" were two of such projects. We were pleased to see a stable membership in recent years.

Thanks to the SAR Government that subvention to uniformed groups was doubled in the new financial year. The new money would be used as far as possible to support frontline units, youth members as well as young leaders. We believed that the various new initiatives could help membership retention. Review would be made to assess if any of the initiatives should include as a recurrent item in the future.

Stand by our belief and live ahead of time

To ensure the continual delivery of a high quality Scout education programme for the many years to come, we must live out Scout spirit on the basis of our Scout Promise and Law. We should not refrain from new ideas because of afraid of failure. We encouraged creativity, we welcomed new ideas, and we always looked for improvements. It was our mission that our training and activity programmes went side by side with society and met the needs of our youth members. Let us strive the best to nurture our Scout members in the spirit of Scout Movement.

CHEUNG Chi-sun
Chief Commissioner

Headquarters Branches

Scout Subsidy Schemes

The Association always encourages and supports young people to participate in the Scout Movement, regardless of individual financial situations. The existing subsidy schemes, namely "Samson Sun Scouting Fund", "Home Affairs Bureau – Assistance Scheme operated by Uniformed Groups and The Hong Kong Award for Young People for Needy Student Members" and "Subsidy Scheme for Scout Members' Progressive Badges Training", aim at subsidizing uniform purchases or participation in activities. Cumulatively from the beginning of the schemes, 20,540 Scouts have benefited from total subsidies of over HK$3,300,000.

Subsidies Granted by Schemes (As at 31 March 2014)

Scheme	Cumulative No. of Scouts Subsidized			Total Amount
	Full Subsidy	Half Subsidy	Total	
Samson Sun Scouting Fund	7,867	3,250	11,117	$1,682,953
Home Affairs Bureau – Assistance Scheme operated by Uniformed Groups and The Hong Kong Award for Young People for Needy Student Members	5,830	3,553	9,383	$1,613,184
Subsidy Scheme for Scout Members' Progressive Badges Training	31	9	40	$7,160

Scout Raffle 2014

Raffle Campaign is organized annually to raise funds for the Scout groups, districts, regions and other units. A total of HK$6,700,000 was raised this year, 85% of the proceeds will be allocated back to the selling units, their districts and regions to help fund their training and activities. The raffle draw was held on 15 March 2014 at the lobby of the B P International House. A total of 101 lucky prize winners were drawn by senior Scout members and sponsors, with total prize value of about HK$450,000.

Staff Development Programme

Staff are the Association's valuable assets. The Association recognizes the importance of providing opportunities of continuous learning to staff to keep them abreast of the changing environment and acquire necessary knowledge to perform their duties. Through a series of Development Dimensions International (DDI) training, the Association organized management development modules for staff in supervisory positions and professional skills modules for those in general positions in the past year. Moreover, in order to enhance work efficiency as well as job knowledge, training programmes, including quality service workshops and computer skills courses, were held to strive for service excellence of the Association. To align with the development of the Association, more professional and diversified training modules will be delivered for staff in the future.

Information & Communication Technologies (ICT)

We have continued to implement the 2010/2015 ICT Strategic Plan in the past year including Finance Management System (FMS), Training Management System (TMS), Scout Group Management System (GMS) and email system enhancement. The email system has been extended to cover District Commissioner level, while the WIFI system has been upgraded to improve its connectivity and stability.

Scout Singing Contest

Scout Singing Contest was held at the Kwai Tsing Theatre on 16 March 2014. Seventeen teams of 105 Scout members joined the contest. The music and songs made a pleasant afternoon to the audience.

Estate Branch is responsible for overseeing the property developments of Scout Association of Hong Kong. The services that the Branch provides include management and maintenance of the facilities at Association Headquarters, further development of Hong Kong Scout Centre, monitoring the development and maintenance of B P International House to ensure quality service as well as competitive edge. In respect of the development of campsites, activity centres, youth services centres and other Scout properties, the Branch, apart from assuming the overseeing role, provides technical advice to these units on capital works and tendering procedures.

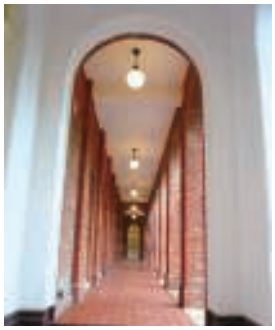

Development of Association Properties

After intensive working and liaison with concerned government departments and authorities, the Association eventually received formal funding approval from Social Welfare Department in April 2013 for the redevelopment of 34 Oi Kwan Road in Wanchai. Architectural and Quantity Surveying consultants were engaged, through tendering procedures and with Government's endorsement, in October 2013 to work on the redevelopment project. Through the hard work of Properties Development Advisory Committee and the consultants, the recommended redevelopment scheme was unanimously adopted by Executive Committee of the Association in January 2014. Tender documents for foundation works, being the very first construction contract amongst all, were made to Social Welfare Department and Architectural Services Department for vetting and approval. Based on the current progress, we could complete all government procedures in August 2014 and the foundation works was targeted to commence in late 2014. As for the General Building Plans, they were submitted in March 2014 and were being processed by concerned authorities. Through the Properties Development Advisory Committee, Technical Steering Group, User Requirement Working Group and other ad-hoc working groups, we were driving to commence the superstructure construction in late 2015 for completion by 2017.

As regards the energy-saving projects at Hong Kong Scout Centre, new air-conditioning chillers and hot water conversion system were in operation. Improvement work to the lifts of B P International House was also largely completed. Further development of Hong Kong Scout Centre and other premises would be considered subject to the policy and development direction of the Association.

Capital Works for Campsites and Activity Centres

The Branch continued to oversee all Association-funded improvement projects for campsites and activity centres. Premises benefited from the Association funding in the year included Tai Tam Scout Centre, Gilwell Campsite, Pak Sha Wan Tam Wah Ching Sea Activity Centre, Tung Tsz Scout Cente, Wong Siu Sang Leadership Training Institute, New Territories East Regional Headquarters, Mrs Lau Hon Wah Scout Training Centre, Yuen Long East District Headquarters and Silver Jubilee District Headquarters. The railing installation works for the archery and slope areas of Tung Tsz Scout Centre, which was subsidized by Leisure and Cultural Services Department, were also completed. For the energy improvement works funded by Environment and Conservation Fund, two of the four grantees, Gilwell Campsite and Pak Sha Wan Tam Wah Ching Sea Activity Centre, had already engaged the consultants for the design and supervision of the improvement works, whilst Tung Sin Performing Arts Centre and Wong Siu Sang Leadership Training Institute were preparing the tender documents for procuring the consultancy services. All the above improvement projects aimed to continual better the facilities and environment of the Scout premises.

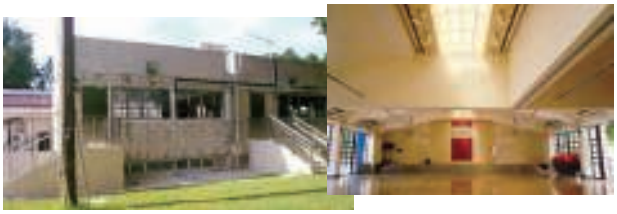

Lighting installation at New Territories East Regional Headquarters

Projects under Campsite Development Fund were also moving forward. Procurement of consultancy services for Tai Tam Scout Centre development was in progress. Upgrading proposal for the hygiene facilities of Pak Sha Wan Tam Wah Ching Sea Activity Centre had been submitted for vetting and agreement by Home Affairs Department. Gilwell Campsite was formulating its refurbishment works to Golden Jubilee House while Tung Tsz Scout Centre was devising the consultancy tender documents for its road improvement works.

Electrical facilities at Silver Jubilee District Headquarters

Fire service facilities and waterproofing for Wong Siu Sang Leadership Training Institute

Barbeque facilities at Gilwell Campsite

Waterproofing for Mrs Lau Hon Wah Scout Training Centre

Waterproofing and railing installation for Tung Tsz Scout Centre

Land Lease Renewals

The Branch continued to work closely with Home Affairs Bureau and Lands Department for renewal of the recreational land leases. For the time being, hold-over arrangements were made to uphold the existing land leases and signing of new leases would be subject to the finalization of the land lease conditions.

Dormitories at Tai Tam Scout Centre

Sectional Training Schemes

Programme Branch focused on the implementation of revising the new Sectional Training Schemes. The new Scout and Venture Scout Training Schemes have already been finished and consulted. They will be launched after consolidating the comments received. On the other hand, the first draft of the new Golden Bauhinia Award syllabus and Rover Scout Training Scheme have been ready and going to be consulted. Meanwhile, the syllabuses of sea and air activities training will be revised accordingly.

Youth Involvement in Decision-Making

The policy of "Youth Involvement in Decision-Making" is still practising in Venture Scout Council and Rover Scout Council. The Councils successfully held the "Guizhou Hmong Cultural Exchange & Service Trip" and "Hong Kong Scout Youth Forum 2013". The suggestion of setting up a "Scout Room" in Hong Kong Scout Centre was accepted in order to provide a gathering place for all members. In 2013-2014, there were 102 recipients of the Dragon Scout Award of the Venture Scout Section, which was one of the new high records in recent years. It was brought by the increasing number of Venture Scouts, the extension of membership period for one more year as revised in 2010, and probably because the Dragon Scout Award Certificates have been signed by the Chief Scout again. In response to the upward trend, Programme Branch will provide more involvement in decision-making opportunities for our youth members.

Training of Instructors

In order to better equip leaders to pass knowledge more effectively to youth members, Programme Branch held different training courses for instructors including "Master Airman Badge Instructor Course", "World Scout Environment Badge Instructor Course", "Orienteering Instructor Course", "Footdrill Instructor Course" and "5-Day Fire Fighting Instructor cum Fire Safety Ambassador Instructor Course". Besides, different workshops, like astronomy education, provided all-round support for front-line leaders.

Diversified Activities

Various activities with different themes were organized, including "Scout Athletic Meet 2014" which had not been organized in the past 13 years and "Duty-To-God Day" which encourages Scout members to live their lives with religion and learn to respect others with different religions. Well-known competitions like Footdrill Competition, Scout Orienteering Championship and Scout Archery Competition were organized over the year. We believe that youth members' physical, intellectual, social, spiritual and aesthetic development would be fostered by different types of activities.

Future Planning

Programme Branch will actively promote the youth awards initiated by the World Organization of the Scout Movement (WOSM) including the "Scouts of the World Award", the "World Scout Environment Badge" and the "World Conservation Badge" by strengthening the training programmes and other supporting arrangements in order to widen young members' horizon. In the 5-Year Plan, apart from following up the training schemes of sea and air activities and the 5 sections, Programme Branch will start to evaluate the synergy effect of the development of environmental protection, astronomy, hiking, disability awareness, and spiritual development. Also, the acquiring of flight simulators and establishment of shooting facilities will increase the attractiveness of aviation and shooting activities.

Leader Training and Wood Badge

Hong Kong Training Team organized 66 Wood Badge Training Courses (1,796 participants), 42 Skills Courses (784 participants), 3 Scoutcraft Accreditation Courses (56 participants), 22 Scoutcraft Accreditation Examinations (92 participants), 2 Basic Operations Courses (106 participants) and a Trainers' Training Course (19 participants). There were a total of 2,853 leaders enrolled for the courses and 163 leaders attained the Wood Badge.

Team Spirit

During the year, "Gilwell Reunion" was held at Tai Po Law Ting Pong Scout Centre on 14 September 2013, a total of 267 Wood Badge holders attended. "Trainers' Gathering" was held on 8 December 2013 at The Hong Kong Polytechnic University with a total of 170 participants. Honorary President of Wong Tai Sin District, Mr WU Kwan-mang shared his view with the participants under the theme "Spiritual Development of Scout Movement". In the "Overseas Training Sharing" session, participants shared their overseas training experiences. "SAS Social Gathering" was held on 9 March 2014, a total of 55 people attended. Featured with a hiking event, participants started at Shing Mun Reservoir and walked uphill to Chuen Lung via Lung Mun Country Trail.

Training Resources

To provide a more comprehensive collection of reference books to Scout leaders, Training Branch is going to publish a Chinese edition of 3 books about Spiritual Development, Sectional Leader's Handbooks, reference books of mass games, knotcraft, seamanship, pioneering and campfire leader. These books will be published in the coming year.

Trainers' Training

"Working Group on the Inheritance of Training Team" conducted reviews and offered concrete suggestions on the inherence and development of the Training Team. The Training Committee and the Training Commissioner's Council agreed that existing basic qualifications for the appointments of Training Team members which have been executed since 15 September 2011 should be reviewed and amended. "Conduct" including willing to commit, have strong sense of responsibility, good conduct, and willing to shoulder duties of Trainer is now added to the basic qualification requirements.

Over the year, a total of 13 Training Team members participated in Assistant Leader Trainer Courses and Leader Trainer Courses organized by Scouts Australia, Scouts of China and The Singapore Scout Association. Our members travelled to Thailand to attend APR Sub-Regional Workshop on National Training Schemes Review. Our members also served as speakers of Advanced Course organized by The Scout Association of Macau.

"JOIN US" by Online Service

Today, online service becomes part of our daily life because modern people are all living in a digital world. In response to the era of change, the Association has developed an "all-in-one" membership enrollment system "JOIN US" for the recruitment of Scout members. Applicants are able to make a choice after browsing the information of Scout groups as shown in the system and then finish the application procedure within minutes. It could help to attract more young people to join Scouting because the time for waiting responses has been greatly reduced. During the early stage of the experimental period, open groups from New Territories East Region and East Kowloon Region were invited to use the system for recruiting members. Intensive communications have been made between applicants and chosen groups. The system effectively makes the application process simpler and faster.

Pilot Project for Supporting Groups

It has been known that many school groups lack experienced Scout leaders to run troop meetings during school hours. In order to reduce the negative impact to the development of youth members, the Association launched a pilot project "Pilot Scheme for Supporting School-based Scout Group". To provide guidance for inexperienced Scout leaders in school, a temporary instructor was assigned to support the Scout group as nominated by region. After reaching agreements, two engaged Scout groups experienced several months of mentoring service with encouraging results.

Amazing Race with Family Members

A subsidy over HK$770,000 was received from Home Affairs Bureau under the theme "Happy Family". A total of 8 activities were organized. One of the highlights was "Amazing Race – One Family Two Generations" held at Stanley Piazza with over 1,000 participants. All team members contributed utmost efforts to make the progamme a success, earning great pleasure during the journey as well as their family members.

First Aid Services and Trainings

Development & Adult Resources Branch was reformed with some of its functions in and out after the Association's structural review. The Branch is responsible for the coordination and management of two units - First Aid Service and Social Involvement Service. Over the year, a big improvement in the quantity of First Aid training was recorded. With 24 training courses completed at different levels and target groups, 523 participants including youth members and Scout leaders finished the trainings and acquired respective qualifications. Furthermore, Scout First Aid Team has finished the reform too. A larger and strengthened team can now provide better First Aid support to Association events.

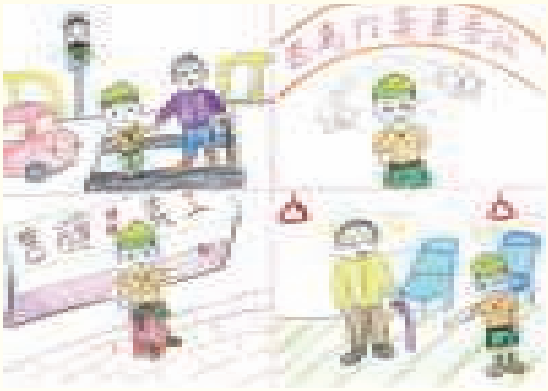

Caring the Community with Actions

"Do a good turn a day" of Scouting has been embedded in the hearts of the general public for a long time. In order to strengthen the positive public image, Scouts are encouraged to exercise the Scout Promise by helping people around them. Development and Adult Resources Branch held various activities to show our cares to disadvantaged groups in the society. For example, the "Hand in hand with AIDS Comic Competition" was held to promote the prevention of AIDS. Moreover, with the assistance from other organizations and Scout groups, the event "Sharing Scouting Fun with the Elderly" was held in December at the Piazza of Po Lam Estate. With fun games and interesting shows, 200 elderly enjoyed a joyful programme.

Theme of the Year - Do a Good Turn a Day

To promote the core values of the Scout Movement - Helping Others, Public Relations Branch had launched the Theme of the Year "Do a Good Turn a Day" Campaign since 2012. The action "To Help Other People" mobilized Scout members to serve the community by participating in various social services, e.g. visiting elderly homes, organizing programmes for children from low-income families, organizing activities for ethnic minorities, etc. Besides, through joining the action "Do a Good Turn a Day", Scouts used short essays or drawings to show how they lived up the spirit of serving the others in their daily lives. The 18-month launching period ended in March 2014 with a total of 3,000 Scouts taking part in the two actions. A new Scout theme will be launched in the coming year to further promote Scouting values.

Power of Youths - Scouts of the Year

To give formal recognition to the Scout members who have set the best example to their contemporaries and to arouse public awareness of the outstanding personality of Scouts, "Scout of the Year Selection" has been held annually since 1987. Five Scouts members were awarded the "Scout of the Year" in 2013, making the total number of awardees to 161. Throughout the years, Scouts of the Year have continued to excel in studies or careers, while devoting themselves to community work. Among the awardees, some have further gained extraordinary recognition, e.g. CHU Wing-chi, Scout of the Year of 2013, received the "Grantham Uniformed Youth Groups Outstanding Service Award 2013-2014" from the Grantham Scholarships Fund.

Since its inception 4 years ago, the Scout of the Year Association has continued to enhance bonding among fellow Scouts of the Year and keep contributing to the Scout Movement as well as society. In 2013-2014, apart from assisting the organization of the Scout of the Year Selection, the Association also joined the shooting of a TV programme *After School ICU,* to further introduce Scout of the Year and Hong Kong Scouting to the public. The Association also made its presence felt outside Hong Kong by meeting with the Scouts from Macau and sharing with them the experiences of organizing Scout of the Year Selection.

Scouting: Education for Life - 1st World Scout Education Congress

Invited by the World Scout Organization of the Scout Movement (WOSM), the Association hosted the 1st World Scout Education Congress in Hong Kong from 22-24 November 2013 to shape the future of the Movement through educational means. Public Relations Branch helped to promote the Congress through various channels, including press coverage, advertisement on local newspaper *The Standard,* information on website of PartnerNet via Meetings and Exhibitions Hong Kong (MEHK) of Hong Kong Tourism Board, etc. To engage youth members in the event, a "Heartwarming Stamps" design competition was organized with the theme "Whole-person Education". Public Relation Branch also captured every memorable moment of the Congress by taking photographs and preparing daily e-bulletins.

Love and Care — Scout Parents' Day

With the sponsorship of the Home Affairs Bureau and the Family Council, Public Relations Branch organized "Happy Family Campaign - Scout Parents' Day 2014" on two weekends in March 2014 to disseminate the message of happy families. The event was well attended by near 3,000 Scouts and their family members; they joined in Scout activities and training together and had fun.

In the year under review, more than 1,500 members travelled to various countries in the world and provinces in the Mainland to participate in overseas events and/or to provide services and cultural exchanges. In the same period, 1,000 overseas Scouts or Mainland youths visited our Association Headquarters or took part in our activities. Highlights of these activities are as follows.

30th Asia-Pacific Regional Scout Jamboree (1-7.8.2013)

A contingent of 133 Scouts went to Yamaguchi Prefecture in Japan to attend the 30th Asia-Pacific Regional Scout Jamboree / 16th Nippon Jamboree and shared the joys of camping with more than other 1,400 Scouts from 53 countries and territories.

1st World Scout Education Congress (22-24.11.2013)

Invited by the World Organization of the Scout Movement (WOSM), our Association hosted the 1st World Scout Education Congress in November 2013. Over 400 Scouts from 96 countries and territories participated in the Congress which focused on 3 major areas: Scouting, Education and Impact in Scouting. All agreed that this new event was a great success and expressed their gratitude for the high level of organizational capacity and efficiency of Hong Kong Scouts.

Overseas Visitors to Hong Kong

During the year under review, the Vice-Chairman of the World Scout Committee, Chairman of Asia Pacific Evergreen Scouters (APES), Chairman of the International Catholic Conference of Scouting (ICCS), International Commissioner of the Scout Association of UK and the delegations of the Catholic Scout Association of Portugal, Malaysia, Thailand, Tanzania and Russia Scouts had also visited Hong Kong and our headquarters.

Visit of His Majesty the King of Sweden (25-27.11.2013)

The Honorary Chairman of the World Scout Foundation HM The King of Sweden paid a visit to Hong Kong Scouts again in November 2013 on his way to Japan for officiating the 66th Baden-Powell Fellowship Event. A grand reception luncheon was hosted at Hong Kong Scout Centre followed by the BP Fellowship Gala Dinner organized by the Hong Kong Chapter of the BP Fellows of the World Scout Foundation. Our Scout members donated over US$700,000 to the World Scout Foundation to support the worldwide Scout Movement.

Establishment of Mainland Affairs Branch and Mainland Affairs Committee

Mainland Liaison Office was set up in 2001 and merged into International & Liaison Branch in 2002 for connecting our Scouts with overseas National Scout Organizations (NSOs) and the youth organizations in the Mainland. With the continuous increase of interaction between the youth units in Mainland and our members, a Mainland Affairs Branch was established in September 2013 to consolidate and further expand the Mainland affairs and activities of the Association.

Mainland Exchange Activities

As in the past years, the Association coordinated a variety of Mainland exchange activities for our members' development which included the 12-day special train tour for cultural exchange (18-29.7.2013) organized by Shenzhen Youth Federation and the 10,000 Miles Friendship Trek (22-30.7.2013) jointly organized by the Association and the other 12 youth uniformed groups in Hong Kong. These activities enabled our members to visit Beijing, Xian, Jiayu Pass, Dunhuang, Yinchuan, Hohhot, Inner Mongolia and other places of interest and heritage to explore the history and culture of our country for fostering a greater sense of national identity.

Regions

Get Together, Help Others

Hong Kong Island Region continues to follow the core spirit of Scouting and launch programmes for the whole development of youth. To echo the Scout theme of the year "Do a Good Turn a Day", the theme of the "Island Scout Day 2013" was "Get Together, Help Others". Further, "Canned Food Donation Campaign" was added into the annual event "Island Scout Trail Walk 2014" to collect canned food for two food banks, so as to illustrate the Scout members' commitment in caring and serving the community.

Other social service projects were initiated including the "Integration Sports Day", which allowed children to learn mutual respect and accommodation via various team challenges, so as to build a caring society through enhancing the spirit of inclusion of different groups. Furthermore, in response to the Happy Family Campaign of the Home Affairs Bureau, HKIR organized "Our Family of the Happy Family Campaign", providing numerous family outdoor and indoor activities. HKIR also arranged Scout members to participate in a series of social services named "Under the Same Starry Night" of TWGHs Lok Kwan District Support Centre, to assist in outings for youngsters with moderate mental retardation and autism during school holidays. Besides, HKIR sent more than 1,100 Scouts to join the service of the "Standard Chartered Hong Kong Marathon", assisting the distribution of runner-bags and luggage storage services. In the previous year, thanks the supports from districts and Scout groups, HKIR participated in 422 social services, in which 8,511 Scouts have taken part. The total service hours exceeded 72,121 hours.

Scouting Anew

It had been 10 years since the last Regional Jamboree held in the High Island Reservoir in 2004. HKIR thus organized a Regional Jamboree in December 2013 in Stanley Peninsula to celebrate its 45th Anniversary. The theme of the Regional Jamboree was "Scouting Anew". More than 1,000 Scouts participated in the new challenges and experience. There were 338 campers participated in the relay of candle lit, and hit the Guinness World Records of "the longest line of candles lit in relay". At the same time, more than 300 Cub Scouts participated in the "Island Cuboree 2013" in Lei Yue Mun Park and Holiday Village. For youth programme, HKIR continued to organize diversified activities, trainings and competitions. In total, 110 activities, training courses and competitions were organized and 8,871 participants have taken part in those activities.

Among various territorial Scout competitions, HKIR won a number of championships, including the followings: 16th Hong Kong Group and 5th Hong Kong Group were named the Champion and the 3rd Runner-up in the Carlton Trophy respectively; 17th Hong Kong Group won the championship of the senior group and the 2nd Runner-up of the junior group in the Footdrill Competition 2014; Championships of different divisions were won in the 12th Scout Archery Competition cum Scout Archery Championships 2013. The number of members obtained the sectional highest awards substantially increased, for example, the number of Dragon Scout Award and the BP Award recipient is four times of that in the previous year. A total of 234 Cub Scouts have obtained the Golden Bauhinia Award; 49 Scouts have obtained the Chief Scout's Award; 16 Venture Scouts have obtained the Dragon Scout Award; and 4 Rover Scouts have obtained the BP Award.

Face the Challenges, Keep the Faith

"Face the Challenges, Keep the Faith" was the theme of the training team in 2013-2014. Serving as a role model, each member actively participated in and promoted leaders training. By doing their best and enhancing the quality of teaching, more and more outstanding Scouters were trained. Twenty training courses and workshops were held this year. A total of 502 leaders participated in those trainings and 14 leaders attained Wood Badge.

Optimizing Facilities, Fresher Image

In order to improve the service quality of Tai Tam Scout Centre, dormitory rooms will be renovated, the design and facilities of the current activity rooms will be improved and the current canteen in the Bradbury Building will be expanded. The improvement works not only will increase the usage of the centre, but also allow more diversified trainings and activities to take place. A total of 47,004 people used Tai Tam Scout Centre over the year, reaching nearly 100% of usage rate.

Inherit the Training, Core Spirit of Scouting

In the coming year, the focus of the HKIR will be in the following areas:

1. Supporting frontline leaders;
2. Promoting youth activities based on the core spirit of Scouting;
3. Optimizing leaders' training;
4. Training successors;
5. Planning to return to the new headquarters in Oi Kwan Road.

Nurturing Talent

The "Grooming and Retaining Outstanding Workforce Project" ("GROW"), put on the drawing board in 2012 and officially launched in 2013, is aimed at retaining leadership talents and training leaders. In 2013-2014, 3 training modules were run under the project, providing courses on theory, skills and practical training. A total of 14 members from various units of Kowloon Region completed the courses. They in due course put this training, together with experiences acquired earlier, into full application in various activities in their roles as leaders and organizers. The results are there for all of us to see.

Uniting and Serving Together

One full year in the making, the Regional Jamboree 2013 was successfully held from 26 to 29 December 2013 at Community Sports in Ma Tso Lung, Sheung Shui. Its theme was "Make a Difference" and it had "What a feeling!" as its slogan. In keeping with the theme, besides junior Commissioners and youth members being recruited into the organizing committee for their fresh inputs, modern elements in activity were also brought in to make it truly a Jamboree with a difference. Moreover, Cub Scouts could participate in traditional activities provided also at the Jamboree to achieve the Golden Bauhinia Award. Some 1,500 local and overseas youths took part at this Regional event. And on Open Day, more than 300 guests, together with the Scouts and their relatives, attended. The camaraderie then was almost palpable.

Improvement Works at Gilwell Campsite

Gilwell Campsite has served Scout members for more than half a century. Equipment and infrastructure in and around the campsite are getting old and they are in urgent need for repair or replacement. This, together with an increasing demand for new campsite facilities, led to a fund-raising event in the form of the first Regional Walkathon named "March to Gilwell", which was held in October 2013. The event allowed members of the Region to make direct contribution to the repair work.

In order to protect our environment and support low carbon emission, the Region has put in place an energy saving project at Gilwell Campsite. Lighting system was replaced with energy-saving lighting devices and window air conditioners were replaced by split-type air conditioners. By reducing our carbon footprint, we embody the spirit of the Scout Law: "a Scout is careful of possessions and property".

East Kowloon Region continued to work on the development of potential youth members by organizing a wide range of projects, competitions and activities in 2013-2014.

Happy Family — Summer Fiesta

With the aim of enhancing communication among family members through joyful Scout activities, "Happy Family – Summer Fiesta" was held on 18 August 2013 at Pak Sha Wan Tam Wah Ching Sea Activity Centre and Wong Siu Sang Leadership Training Institute. About 800 Scout members and their family members participated various challenging sea and land activities such as problem-solving challenges, pioneering playground, rafting, windsurfing, High Event Challenge and flight simulator experience etc. To enhance family harmony, a series of parent-child activities were also held including cooking class and postcard making. All families enjoyed a pleasant family time.

EKR Walkathon 2013

In order to raise funds for Scouting activities and to enhance the solidarity of the Region, about 500 youth members, leaders, administrators and parents participated in the "EKR Walkathon 2013" on 15 December. Participants not only enjoyed the Walk but also increased the awareness of the scenic spots of historical significance at Lei Yue Mun.

Regional Soccer Sevens — Lunar New Year Cup

To encourage Scout members to have regular exercise, "Regional Soccer Sevens – Lunar New Year Cup" was held on 9 February 2014 at Kwun Tong Tsun Yip Street Playground. Friendship and team spirit were demonstrated during the football match.

Pak Sha Wan Tam Wah Ching Sea Activity Centre

Pak Sha Wan Tam Wah Ching Sea Activity Centre keeps up their effort in enhancing facilities and beautifying the environment. "Centre Facilities and Trees Naming cum New Boats Launching Ceremony" was held on 21 April 2013 to spread the message of tree caring and thank all parties who promoting the Scout Movement. On the other hand, the Centre keeps up their effort in promoting sea activities by organizing different trainings in the hope of encouraging more members participating in sea activities. To tie in with different types of activity, the Centre acquired different boats, pioneering equipments and cooking utensils to encourage diversified development of youth members. A series of improvement projects will be carried out in the future. Members would be able to enjoy the activities and facilities in a more comfortable, safer and better equipped centre.

Fabulous Programmes Celebrating the 55th Anniversary

With the "NT Region 55th Anniversary Launching Ceremony" and "NT Trail-Walker 2013" being held in the first half of 2013 to celebrate the 55th Anniversary of New Territories Region, another remarkable event "NTR Talent Show" was held in October 2013. This was the first performing art programme organized by the Region, where Scout members from 10 districts gave different performances to show their talent. In addition, each of the districts organized fantastic programmes to celebrate the anniversary including carnivals, service days and harmony days. Scout members were inspired to serve the community while enjoying the various programmes.

Commemorative booklet Recording Memorable Moments

New Territories Region has a long history since 1958. With the great effort of Scout members, leaders and commissioners, the Region developed rapidly and achieved brilliant results. A commemorative booklet was issued to record the precious moments in the past 55 years as well as the changes of the Region. Old photos and words from previous Regional Commissioners recalled those memorable moments and look forward to the future.

Best Resources for Promoting Scout Training

Joining the "School-Scout Collaboration Scheme for the Holistic Development of Youths" launched by the Association, the Region had collaborated with schools in Island District, Tuen Mun West District and Yuen Long West District to provide meeting and training venues for groups in the districts, encouraging members' continuous participation, retaining existing Scout members as well as facilitating recruitment of new members.

Enhancement of Campsite Quality

Tung Tsz Scout Centre, Tai Mei Tuk Sea Activity Centre and Shatin Scout Centre finished the improvement works in the year to enhance the campsites' qualities. Choi Chee Ming Luen Kwong Scout Centre also expanded and improved its camping area, which helped to raise the utilization rate.

Advancing Campsite Developments

New land development had been approved in Tung Chung for a new site for camping and pioneering training, which would provide a favourable environment for Scout members'training in the Region and District. On the other hand, our Regional Headquarters was planned for a large-scale facelift. The venues would be more spacious and flexible to cope with the variety of trainings and events, contributing to both Scout members in the Region and youth in the community.

The Way Forward

There will be a Regional Camp at the end of 2014. The New Territories Region will continue to provide all-around support to the districts in facilitating the recruitment of Scout members. The Region will also explore the development of Tung Chung District and will converge our resources to accommodating more youth members in the district into our Scout family.

Progressing from 2013 to 2014, the work of New Territories East Region (NTER) has gradually developed and every working unit has successfully implemented their plans in accordance with the Region's strategic plan, resulting in favourable effects on the growing number of membership, highest awards, youth activities and training.

Excellent Achievements and Awards

As of 31 December 2013, NTER had a total of 11,953 members, an increase of 3.6% from the previous year. The Grasshopper Scout Section Development Plan has successfully recruited 4 new kindergartens to join as the sponsoring authorities for 4 new Scout groups. The number of Scout groups in the region has increased from 223 to 227. For the year, NTER has organized 50 youth activities and 27 leader training courses, while 27 members attained Wood Badge. The number of Scouts achieving highest awards reached 209, including 147 Golden Bauhinia Awards, 39 Chief Scout's Awards, 21 Dragon Scout Awards and 2 Baden-Powell Awards. The overall results were very impressive.

Founding of NTER Scout Band

A milestone of NTER in 2013-2014 was the establishment of the Region's Scout Band. With only 2 years of preparation, it now reaches the full strength which all its members equipped with new uniforms and instruments. Recognition shall be given to those who have contributed to this success. The band currently has over 30 members. They regularly perform at major Scout's events and provide ceremonial services on requests.

Development of New Leaders

To nurture future leaders, Training Unit has launched a new personal service and created an email list to notify new leaders the information of training courses. This enables them to keep track of the pace of Wood Badge training, so as to enhance the quality of Scout leaders.

Ultimate Task on Members' Development

The Youth Programme Unit continues to add new elements to its repertoire. The Orienteering Team has organized a series of trial events, practice sessions and competitions with the aim of providing opportunities for Scout members to participate in and experience orienteering activities. The Adventure Team has also organized many training sessions on hiking. "NTER Hiking 2014" was organized which effectively promoted hiking activity to Cub Scouts. The Venture Scout Council and Rover Scout Council continue to mature since their establishment in 2013. A joint elderly service was organized. The planning process for the service has allowed council members to improve their organizational skills and raised their awareness towards social responsibilities. It also created favourable conditions for the work of the councils in future events.

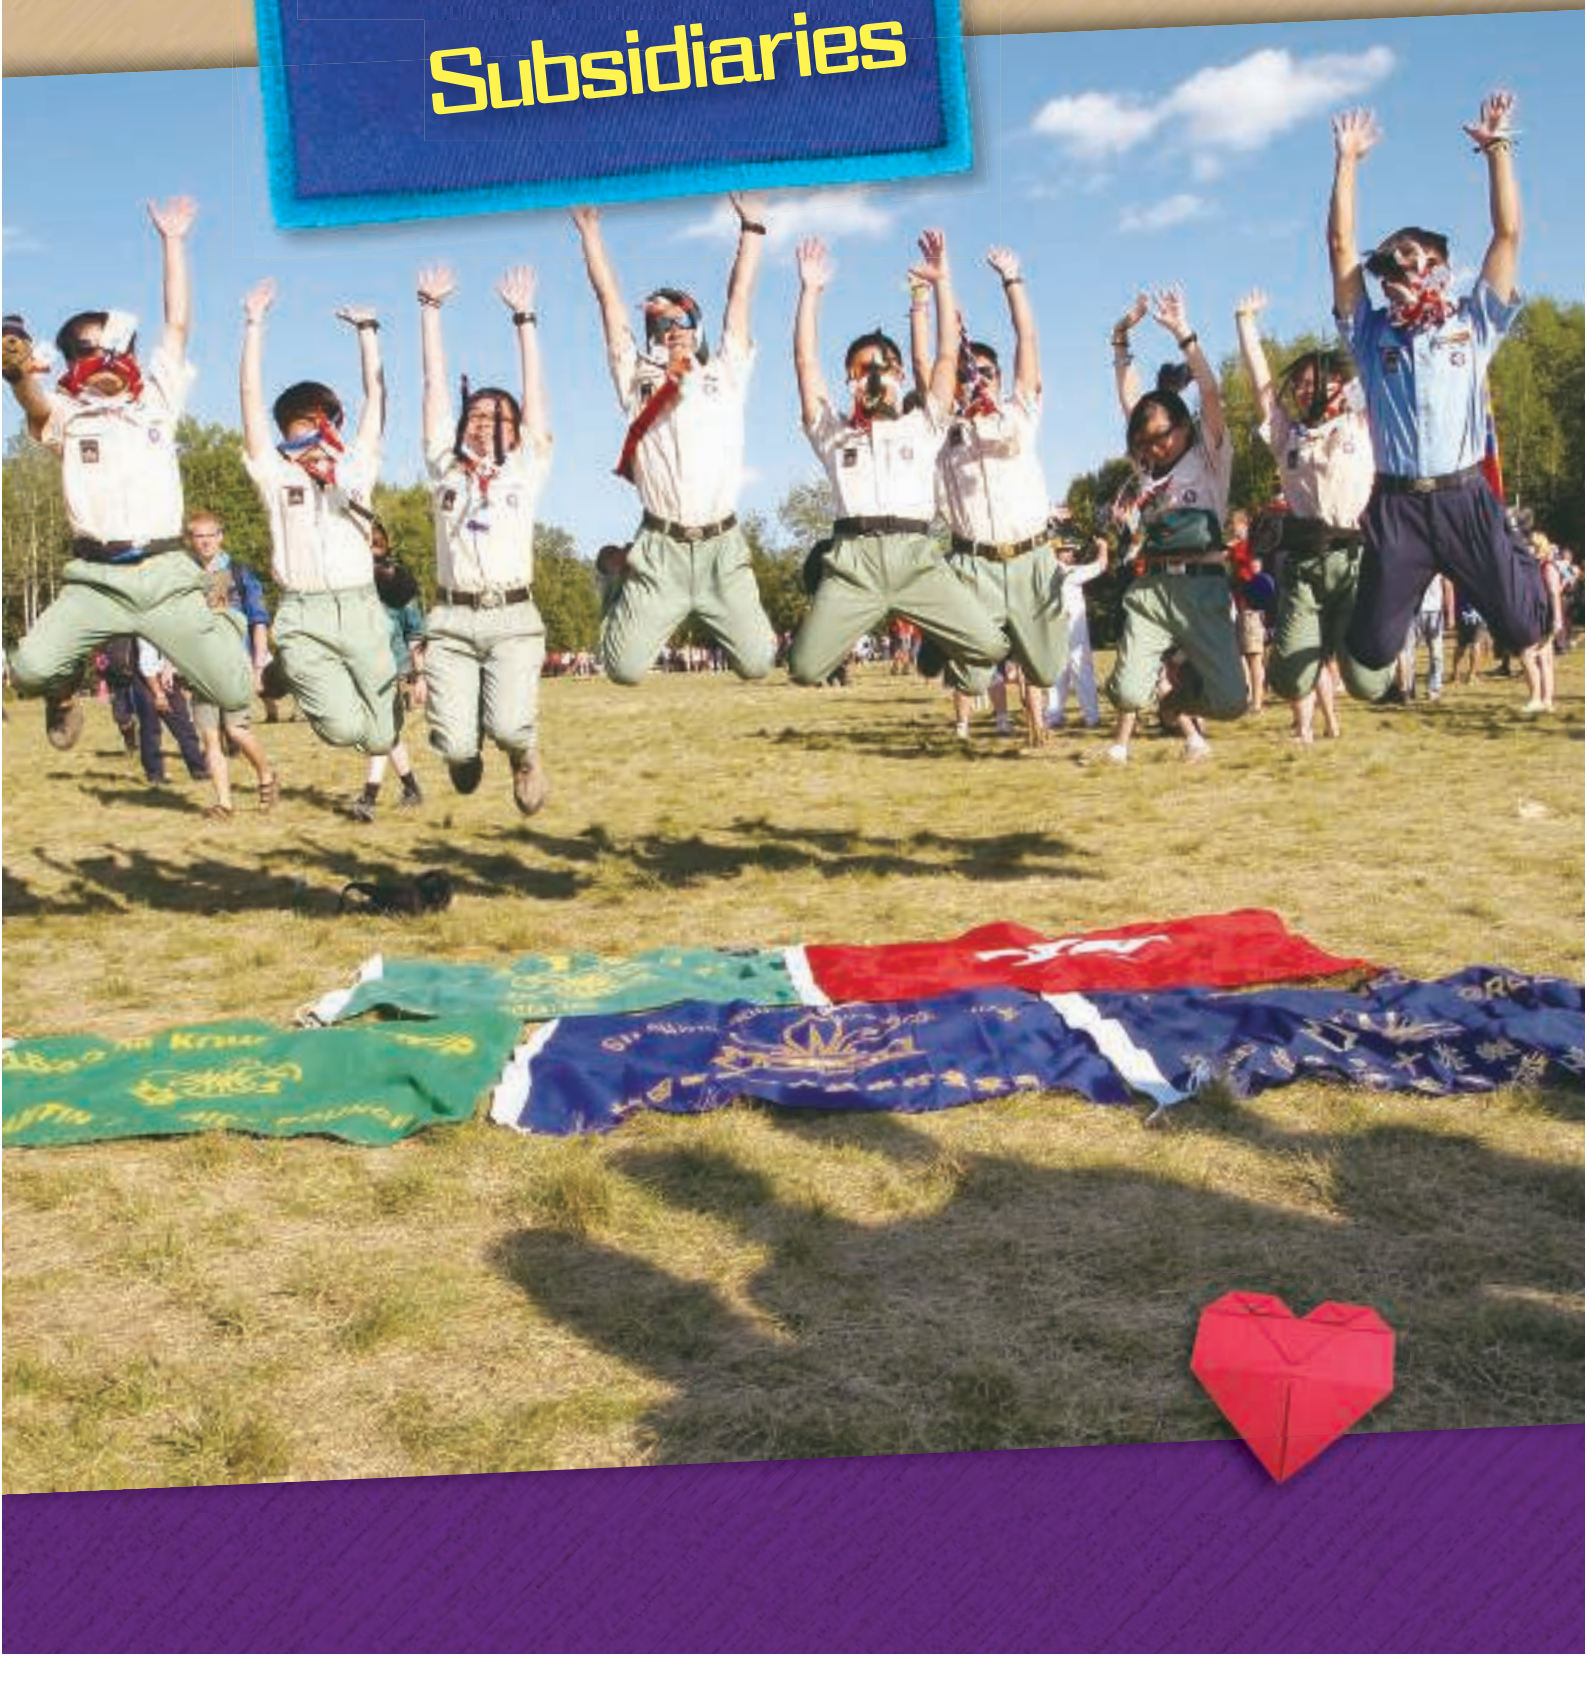

Strengthening District Governance and Development of New Membership

Strengthening the governance of Scout districts, supporting Scout groups, and developing new Scout membership are the key tasks in the upcoming year. NTER will formulate guidelines focusing on good practices for proper district governance and provide administrative and financial management training to district personnel. To further develop new membership, NTER will continue to pursue the matching plan for Cub Scouts and development plan for new Grasshopper Scout Rings in kindergartens. NTER strives for excellence and perfection in all areas of her development.

Headquarters Subsidiaries

Accreditation under Hong Kong Qualifications Framework (QF)

Leadership Training Institute (LTI) successfully gained the *Initial Evaluation* Status under the Hong Kong Qualifications Framework on 1 March 2013 and is approved by the Hong Kong Council for Accreditation of Academic and Vocational Qualifications (HKCAAVQ) to deliver learning programmes up to QF Level 3. In the same year, 3 QF Level 3 learning programmes, *Certificate in Leadership Skills, Certificate in Expedition Skills* and *Certificate in Adventure Education: Principles and Application,* were also successfully validated and put into the Qualifications Register. From then on, LTI offers the 3 validated learning programmes to our members and general public periodically.

Training Programmes in Wong Siu Sang Leadership Training Institute

A variety of training programmes related to adventure education have been organized for our members and general public since the establishment of LTI. Within the years of 2013 and 2014, LTI offered 194 programmes for 68 units with a total of 11,485 participants. The utilization rate was 43.62% for overnight training camp and 31.96% for day camp.

Staff Development of LTI

The LTI Instructor Team conducted a Sichuan Service and Trekking Programme in early April 2013. The programme aimed to provide training for the "Sichuan Youth Quality Training Project" volunteers and to enhance instructors' mountaineering skill. The Instructor Team did provide quality programmes for over 3,000 participants.

To update the professional knowledge and skills on outdoor education and experiential education, our Chief Programme Leader, Senior Instructor accompanying with a volunteer instructor attended the 41st Annual International Conference of the Association for Experiential Education and at the same time completed the Risk Management Training Workshop and "No Props Workshop". The learning and insights acquired from the conference, workshops and visits were shared among the instructors upon their return.

Leadership Training for students of United College, CUHK

Leadership in Practice, designed and delivered by LTI, is one of the credit bearing general education elective subjects for students of United College of CUHK. Based on the model of Action-Centred Leadership, the programmes provide students the opportunity to explore and develop their leadership potential through experiential learning and practical exercises. Twelve cohorts of students with a total of 240 have successfully completed the courses since 2008.

Leadership Training for students of PolyU SPEED

LTI and PolyU SPEED jointly organized a credit bearing general education subject, *Leadership in Practice*, which is catered for the top-up degree programme students. LTI is responsible for 8 hours of the total 28-contact-hour subject composed of both theoretical and experiential learning components. The experiential learning component on Leadership Task Practice was delivered at Wong Siu Sang Leadership Training Institute in which students were provided structured activities to apply what they have learnt from their lectures. The 8-hour experiential component carries 20% of the assessment scores for the subject. In the academic year of 2013-2014, 696 students have successfully completed the training programme.

Visitors from Primary and Secondary Schools

Seventy-seven vice-principals and subject panel heads from primary and secondary schools visited our Association Headquarters on 2 December 2013 and 10 March 2014. LTI organized a sharing session for them. The sharing and exchange of experiences enhanced their understanding of the Scout Movement and the vision and mission of the Association. The visit gave us the opportunity to promote the Scout Movement and the image of the Association.

The Friends of Scouting (FOS) is a subsidiary of Scout Association of Hong Kong. It was set up in 1969 to assist the Association in extending its services to non-Scout youth and providing social service in response to the needs of the community.

"Creating favourable circumstances for young people to develop themselves and make contribution to the community" is FOS's mission statement. The services of FOS include Integrated Children & Youth Service, School Social Work Service and Comprehensive Education Service.

Integrated Children & Youth Service

FOS put much emphasis on Attention Deficit/ Hyperactivity Disorder (ADHD) students. Jockey Club Long Ping Service Centre for Children and Youth organized a professional seminar "Train up children with special learning needs" to share our practical experience as well as to introduce the newly published training kit for the Special Education Needs. A total of 134 teachers, social workers and parents attended the seminar. Besides, Jockey Club Kai Yip Service Centre for Children and Youth organized ADHD "One-Stop" project for more than 50 ADHD children and their families in Kowloon Bay and provided training groups and supportive services to Kwun Tong schools.

Both Long Ping Centre and Kai Yip Centre provided services for ethnic minorities to echo the needs of ethnic minorities (EM). In 2013-2014, more that 200 EMs were served and various long term groups were developed consisting of both local and EM members from Kai Yip Centre.

Last but not least, Kai Yip Centre applied Satir Model and Adventure Base Therapy with Scout characteristics in their services and has established a solid professional and unique ground for service development of FOS.

School Social Work Service

School Social Work Service provided on-site services for 10 secondary schools in Yuen Long and Tuen Mun. Services included individual counselling service, group and developmental work, parent education and community services. In 2013-2014, FOS school social workers handled 1,048 cases and 255 programmes/groups were organized for the students of the serving schools with 34,305 attendants in all activities. In 2014, the major service theme was "Healthy life". Programmes mainly focused on positive socialization. Counselling and guidance-oriented activities were another important focuses of the year. On the whole, school social work service achieved the designated objectives and was highly rated and appreciated by the schools FOS served.

Education Service

The Education Centre aims at providing learning opportunities through academic and interest courses to people of different walks of life. It conducted 643 courses from April 2013 to March 2014. The total number of non-subvented courses was 571 and subvented courses was 72, comprising 8 courses of Adult Education and 64 courses funded by Employee Retraining Board. The total number of enrollment was 6,302 of which 69% was made up of the students of the children and youth courses.

Over the year, Education Centre has recommended 118 of our London College Music course students to take the "Say It With Music-Early Learning Group Stage 1" exam and 102 students were awarded with distinction. The results speak volumes for the programme quality of Education Centre.

Fellowship with BP Spirit

The establishment of The Baden-Powell Scout Club of Hong Kong (BP Club) is to maintain the ties and friendship among serving and retired/resigned Scout members in Hong Kong. Members are encouraged to uphold the spirit of Scouting by serving the community. The number of members continuously increased during the past 5 years. Up to 2013, the number of members has reached 1,020 together with 763 affiliated members from 10 sub-clubs, thus, total number of members reached 1,783.

A Series of Attractive Activities throughout the Year

In 2013-2014, popular activities like "Scout Souvenirs and Badges Exchange Fair" and "Lunar New Year and Pun Choi Feast" were organized as usual for members. The most interesting one should be "The Quintessence of Chinese Culture - Mahjong Competition" which was held on 1 October 2013. Participants paid maximum efforts in order to win trophies with different funny titles such as "The Poorest Player with The Most Charitable Heart". The competition mixed with noise of clapping, laughing and joyful tears. At the end of the year, "Christmas Dinner and Bazaar" was held on 21 December 2013. Not only could BBQ food and beer attract participants to join the party, but also the exciting games with cheerful atmosphere. The climax of the night was the programme "Zero Distance with Hottest Partner" in which many pairs of dancers were arranged to dance upon a gradually smaller and smaller dancing floor. Weird postures together with heavy beats created a lot of joy that night. Moreover, the programme "Singing Songs with Joyful Moments on Saturday" regularly held every month attracted members and old Scouts to share their memorable stories with wine and snacks under a comfortable environment. The bond of friendship produced a positive effect to encourage old Scouts to join the Club as members.

"The Journey to Guizhou, China" held from 4 to 8 November 2013 was the main outbound tour of the year. Participants had a chance to visit famous attractions and heritages in Chishui such as Walled Village and Red River Valley as well as to taste the delicious food "Sichuan Spicy Hot Pot".

Various interest classes

Furthermore, BP Club organized a lot of various interest classes for members to nurture their interests and develop themselves. Specialists were invited to conduct the talks on "Medical Knowledge" and "Cardiology" being held on 25 May and 25 August 2013 respectively. Participants got better understanding of how to prevent disease from the talks. Besides, the talk on "Feng Shui and Fortune" conducted by the famous fate specialist Master SZETO was successfully held on 26 October 2013. Also, "Taichi Sword" class and the "Erhu" (Chinese Violin) class attracted a lot of members to attend.

Sub-Club Activities

As one of the subordinated units of the Club, the "Wine Society" held 7 wine tasting gatherings for members in 2013, including the introductory talks on wine imported from Australia and Lebanon. In additions, another subordinated unit, the "Chinese Opera Society" jointly held the "Cantonese Opera Fun Day for Elderly" with Sham Shui Po District Kaifong Welfare Association on 10 May 2013, sharing beautiful music and songs with the audiences.

In the past year, the Scout Shop has continued to introduce a number of new items which serve the growing needs of our Scout members and provide value-for-money goods. At the same time, we have been working on enhancing our customers' shopping experience through service upgrades, renewals of window displays and product merchandising, as well as improvements in our Internet Shop and Facebook page.

The Main Shop in the Scout Centre

During 2013-2014, the Scout Shop launched several new products, including the short sleeve Scout polo shirts, 3-in-1 outdoor jackets, as well as the re-launch of lady felt hats, encouraging responses were received from our Scout members. As in the past, we have worked in partnership with various outdoor brands to periodically renew our window display and in-store merchandising. We have also refurnished the Shop with new bookshelves and display racks, in an effort to provide a more pleasant and comfortable shopping environment.

The Internet Shop

The Internet Shop of the Scout Shop (www.scout.org.hk/shop) has been launched since March 2011. This new shopping platform has been growing slowly but consistently. We have currently more than 1,100 registered members who utilize our Internet Shop for browsing product information and also for online ordering and delivery service both locally and around the world.

The Scout Shop Facebook Page

Our Facebook page has been established since February 2011, and currently has more than 1,000 "likes". New postings, especially information about special Scout souvenirs, attracted several hundred views. It can also serve as an important platform for collecting customer feedbacks and new product suggestions.

The Plumage

In an effort to improve sales, the Plumage, our outlet in the Hong Kong Wetland Park, has launched a series of new products targeted at the Park's typical visitors. The display has also re-vamped to incorporate key thematic features and zoning convenience to customers.

The Commissioners' Club, located on the 8th Floor of the Hong Kong Scout Centre, has more than 4,600 members. Providing members with a variety of choices, the Club is featured with the following facilities: Kum Tao Heen, Impeesa Bar, Brownsea Lounge and Gilwell Corner. Kum Tao Heen, a comfortable venue which serves Cantonese cuisine, is in-charged by renounced chefs. Impeesa Bar is an ideal place for social gathering with fellow Scouts, friends and members. Brownsea Lounge, covers an area of 4,000 square feet for BBQ fun, is also a good place for lawyers to witness weddings. Gilwell Corner, a café for chit-chatting and social gathering, offers another choice of fast food.

Activities

In 2014, the Club organized the "Spring Dinner" which was an annual banquet for members. The dinner, which served around 200 guests, was highlighted by the live band performance and lucky draw. The Club will continue organizing activities of different varieties for members to participate.

Benefit

Since July 2003, free drinks (beers and soft drinks) session at Impeesa Bar from 18:00 to 20:30 has been available for members on every Friday. Each accompanying guest will be charged HK$30 as sponsorship. Free drinks session is very popular among members for social gathering at the night before weekend.

Support the Scout Movement

Since 2001, 50% of the net income of the Club has been transferred to the Association Headquarters for the promotion and development of the Scout Movement.

Total visitor arrivals to Hong Kong in 2013 increased by 11.7% to nearly 54.3 million while inbound tourists from mainland China recorded growth, guests from other short-haul and long-haul markets registered drops in arrivals.

In a related issue, the total hotel room supply in Hong Kong has risen over the past several years. 2013 saw an increase of 2,623 hotel rooms and industry watchers anticipate that the total number will increase further by about 5%, reaching 73,436 rooms in 2014. This will likely result in more fierce market competition throughout the hotel industry.

During the fiscal year 2013-2014, B P International House (BPIH) achieved stable revenue as in the previous year. Motivated by a significant growth in e-commerce sales initiatives during the period under review, diversified strategic actions have been drawing up to further capitalize on today's online marketing trends in order to enhance the overall sales competitiveness.

Last year BPIH reaped a plentiful harvest of prestigious industry awards. For two consecutive years, BPIH received the *2013 TripAdvisor Certificate of Excellence Award,* and for the first time took top honours with the *Agoda Gold Circle Award 2013* and *Rakuten Travel Award 2013*. All of these prizes reflect our devotion to constantly raising our quality standards as well as surpassing the most discerning guests' expectations.

Food and beverage as well as catering services also make BPIH shine. For three consecutive years, Café by the Park and Flamingo Lounge have earned the *10-year Quality Tourism Service Merchant Recognition* presented by the Hong Kong Tourism Board, bolstering our long-standing reputation for superb F&B service culture.

In addition, BPIH's Gordon Wu Hall was also proud to receive recognition for service excellence from ESDlife by being honored with the *Quality Wedding Merchant Scheme* certificate for the third consecutive year. This is a testament to our impeccable service and unparalleled leadership position in the wedding services market. Of particular note is that the Chinese name of the Hall was renamed in 2013 to fully reflect its superior brand image.

The upgrading project of the guest lifts was recently completed, guaranteeing greater comfort and faster service for our visitors. It is just one more way we aim to provide guests with the finest amenities and technically advanced enhancements throughout BPIH.

Looking ahead, we are determined to fully capture all market opportunities by directing more resources into the development of online reservation systems as well as our business partnership network. Moreover, we will actively establish Gordon Wu Hall as a multi-functional venue for Wedding and MICE events. Following the opening of the Kai Tak Cruise Terminal, BPIH has also sought to develop new business opportunities to prepare for the soon-to-be completed West Kowloon Cultural District and the Hong Kong Section of the Guangzhou-Shenzhen-Hong Kong Express Rail Link.

While anaylsts anticipate that Hong Kong will continue to be a popular tourism destination, we BPIH are cautiously optimistic and confident of registering improved performance metrics for the coming year.

Independent auditor's report to the Council of Scout Association of Hong Kong

(Incorporated under the Scout Association of Hong Kong Ordinance)

We have audited the financial statements of Scout Association of Hong Kong (the "Association") set out on pages 3 to 46, which comprise the statement of financial position as at 31 March 2014, the statement of income and expenditure, the statement of comprehensive income, the statement of changes in funds and reserves and the cash flow statement for the year then ended and a summary of significant accounting policies and other explanatory information.

Responsibility of the Executive Committee for the financial statements

The Executive Committee is responsible for the preparation of financial statements that give a true and fair view in accordance with Hong Kong Financial Reporting Standards issued by the Hong Kong Institute of Certified Public Accountants and for such internal control as the Executive Committee determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. This report is made solely to you, as a body, in accordance with our agreed terms of engagement, and for no other purpose. We do not assume responsibility towards or accept liability to any other person for the contents of this report.

We conducted our audit in accordance with Hong Kong Standards on Auditing issued by the Hong Kong Institute of Certified Public Accountants. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of the financial statements that gives a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Executive Committee, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Independent auditor's report to the Council of Scout Association of Hong Kong (continued)

(Incorporated under the Scout Association of Hong Kong Ordinance)

Opinion

In our opinion, the financial statements give a true and fair view of the state of the Association's affairs as at 31 March 2014 and of its surplus and cash flows for the year then ended in accordance with Hong Kong Financial Reporting Standards.

Notes to the financial statements
(Expressed in Hong Kong dollars)

1 General information

(a) Organisation and activities

Scout Association of Hong Kong (the "Association") is a body corporate with perpetual succession established under the Scout Association of Hong Kong Ordinance (Chapter 1005 of the Laws of Hong Kong) for the purpose of furthering and promoting the Scout Movement in the Hong Kong Special Administrative Region ("HKSAR").

The Association established The Hong Kong Scout Foundation in accordance with the Scout Association of Hong Kong Ordinance. On cessation or dissolution of the Foundation Management Committee, the Association would be the legal owner of all funds and assets under the name of the Foundation.

(b) Operations included in the financial statements

The financial statements include the operations of the following:

(i) Headquarters of Scout Association of Hong Kong ("Scout Headquarters");

(ii) The Hong Kong Scout Foundation ("the Foundation");

(iii) The Scout Shop of Hong Kong ("Scout Shop");

(iv) B.P International House ("Hostel operation");

(v) Hong Kong Island Region, Kowloon Region, East Kowloon Region, New Territories Region and New Territories East Region, including New Territories Region Development Fund Committee and New Territories Campsites & Sea Activities Centre Development Fund (collectively known as "Regions"); and

(vi) Gilwell Campsite, Pak Sha Wan Tam Wah Ching Sea Activity Centre, Tai Tam Scout Centre, Tung Tze Scout Centre, Shatin Scout Centre, Tai Mo Tok Sea Activity Centre and Chui Chee Ming Loan Kwong Scout Centre (collectively known as "Campsites").

Their principal activities are as follows:

Scout Headquarters, Regions and Campsites:

- furthering and promoting the Scout Movement in the HKSAR.

1 General information (continued)

(b) Operations included in the financial statements (continued)

Hong Kong Scout Foundation:

- managing any funds assigned by the Executive Committee of Scout Association of Hong Kong;
- receiving any donations for the Foundation; and
- managing the surplus generated from the investment of the funds.

Scout Shop of Hong Kong:

- selling of Scout uniforms and other accessories.

B.P International House:

- operating a hostel.

2 Significant accounting policies

(a) Statement of compliance

These financial statements have been prepared in accordance with all applicable Hong Kong Financial Reporting Standards ("HKFRSs"), which collective term includes all applicable individual Hong Kong Financial Reporting Standards, Hong Kong Accounting Standards ("HKASs") and Interpretations issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA") and accounting principles generally accepted in Hong Kong. A summary of the significant accounting policies adopted by the Association is set out below.

The HKICPA has issued certain new and revised HKFRSs that are first effective or available for early adoption for the current accounting period of the Association. Note 2(c) provides information on any changes in accounting policies resulting from initial application of these developments to the extent that they are relevant to the Association for the current and prior accounting periods reflected in these financial statements.

(b) Basis of preparation of the financial statements

The measurement basis used in the preparation of the financial statements is the historical cost basis except for financial instruments classified as available-for-sale securities (see note 2(d)) which are stated at fair value.

2 Significant accounting policies (continued)

(b) Basis of preparation of the financial statements (continued)

The preparation of financial statements in conformity with HKFRSs requires management to make judgements, estimates and assumptions that affect the application of policies and reported amounts of assets, liabilities, income and expenses. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the results of which form the basis of making the judgements about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

Judgements made by management in the application of HKFRSs that have significant effect on the financial statements and major sources of estimation uncertainty are discussed in note 3.

(c) Changes in accounting policies

The HKICPA has issued a number of new HKFRSs and amendments to HKFRSs that are first effective for the current accounting period of the Association. Of these, the following developments are relevant to the Association's financial statements:

- Amendments to HKAS 1, *Presentation of financial statements – Presentation of items of other comprehensive income*
- HKFRS 13, *Fair value measurement*

The Association has not applied any new standard or interpretation that is not yet effective for the current accounting period (see note 18).

The impact of the adoption of these new or amended HKFRSs is discussed below:

Amendments to HKAS 1, *Presentation of financial statements – Presentation of items of other comprehensive income*

The amendments require entities to present separately the items of other comprehensive income that would be reclassified to profit or loss in the future if certain conditions are met from those that would never be reclassified to profit or loss. The presentation of other comprehensive income in the statement of income and expenditure in these financial statements has been modified accordingly.

2 Significant accounting policies (continued)

(c) Changes in accounting policies (continued)

HKFRS 13, *Fair value measurement*

HKFRS 13 replaces existing guidance in individual HKFRSs with a single source of fair value measurement guidance. HKFRS 13 also contains extensive disclosure requirements about fair value measurements for both financial instruments and non-financial instruments. To the extent that the requirements are applicable to the Association, the Association has provided these disclosures in notes 9 and 15. The adoption of HKFRS 13 does not have any material impact on the fair value measurements of the Association's assets and liabilities.

(d) Investments in debt and equity securities

Investments in debt and equity securities are initially stated at fair value, which is their transaction price unless it is determined that the fair value at initial recognition differs from the transaction price and that fair value is evidenced by a quoted price in an active market for an identical asset or liability or based on a valuation technique that uses only data from observable markets. Cost includes attributable transaction costs. These investments are subsequently accounted for as follows, depending on their classification:

(i) Held-to-maturity debt securities

Dated debt securities that the Association has the positive ability and intention to hold to maturity are classified as held-to-maturity securities. Held-to-maturity securities are stated at amortised cost less impairment losses.

Impairment losses for held-to-maturity securities are recognised when there is objective evidence of impairment and are measured as the difference between the asset's carrying amount and the present value of estimated future cash flows, discounted at the asset's original effective interest rate (i.e. the effective interest rate originally computed at initial recognition of the asset). Objective evidence of impairment includes observable data that comes to the attention of the Association about events that have an impact on the asset's estimated future cash flows.

2 **Significant accounting policies (continued)**

(d) ***Investments in debt and equity securities (continued)***

(i) Held-to-maturity debt securities (continued)

If in a subsequent period the amount of an impairment loss decreases and the decrease can be linked objectively to an event occurring after the impairment loss was recognised, the impairment loss is reversed through the statement of income and expenditure. A reversal of an impairment loss shall not result in the asset's carrying amount exceeding that which would have been determined had no impairment loss been recognised in prior years.

(ii) Available-for-sale securities

Other investments in securities, being those held for non-trading purposes, are classified as available-for-sale securities. At the end of each reporting period the fair value is remeasured, with any resultant gain or loss being recognised in other comprehensive income and accumulated separately in equity in the investment revaluation reserve, except foreign exchange gains and losses resulting from changes in the amortised cost of monetary items such as debt securities which are recognised directly in the statement of income and expenditure.

Dividend income from these investments is recognised in accordance with the policy set out in note 2(v)(v) and, where these investments are interest-bearing, interest calculated using the effective interest method is recognised in the statement of income and expenditure in accordance with the policy set out in note 2(v)(iii). When these investments are derecognised, the cumulative gain or loss is reclassified from the investment revaluation reserve to the statement of income and expenditure.

When there is objective evidence that available-for-sale securities are impaired, the cumulative loss that has been recognised in the investment revaluation reserve is reclassified to the statement of income and expenditure. The amount of the cumulative loss that is recognised in the statement of income and expenditure is the difference between the acquisition cost (net of any principal repayment and amortisation) and current fair value, less any impairment loss on that asset previously recognised in the statement of income and expenditure. Objective evidence of impairment includes observable data that comes to the attention of the Association concerning the underlying financial stability of the investee as well as a significant or prolonged decline in the fair value of an investment below its cost.

Impairment losses recognised in the statement of income and expenditure in respect of available-for-sale equity securities are not reversed through the statement of income and expenditure. Any subsequent increase in the fair value of such assets is recognised directly in other comprehensive income.

2 **Significant accounting policies (continued)**

(d) ***Investments in debt and equity securities (continued)***

(ii) Available-for-sale securities (continued)

Impairment losses in respect of available-for-sale debt securities are reversed if the subsequent increase in fair value can be objectively related to an event occurring after the impairment loss was recognised. Reversals of impairment losses in such circumstances are recognised in the statement of income and expenditure.

(e) ***Property, plant and equipment***

Property, plant and equipment is stated at cost less accumulated depreciation and impairment losses.

Depreciation is calculated to write off the cost of items of property, plant and equipment, less their estimated residual value, if any, using the straight line method over their estimated useful lives as follows:

- Leasehold land	Over the unexpired term of lease
- Buildings	50 years
- Leasehold improvements	Over the shorter of the unexpired term of lease and their estimated useful lives
- Machinery, motor vehicles, furniture, fixtures and computer equipment	3 - 15 years
- Programme and training equipment	4 years

Both the useful life of an asset and its residual value, if any, are reviewed annually.

The carrying amounts of property, plant and equipment are reviewed for indications of impairment at the end of each reporting period. An impairment loss is recognised in the statement of income and expenditure if the carrying amount of an asset, or the cash-generating unit to which it belongs, exceeds its recoverable amount. The recoverable amount of an asset, or of the cash-generating unit to which it belongs, is the greater of its fair value less costs to sell and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. An impairment loss is reversed if there has been a favourable change in the estimates used to determine the recoverable amount.

2 **Significant accounting policies (continued)**

(e) ***Property, plant and equipment (continued)***

Gains or losses arising from the retirement or disposal of an item of property, plant and equipment are determined as the difference between the net disposal proceeds and the carrying amount of the item and are recognised in the statement of income and expenditure on the date of retirement or disposal.

(f) ***Leased assets***

An arrangement, comprising a transaction or a series of transactions, is or contains a lease if the Association determines that the arrangement conveys a right to use a specific asset or assets for an agreed period of time in return for a payment or a series of payments. Such a determination is made based on an evaluation of the substance of the arrangement and is regardless of whether the arrangement takes the legal form of a lease.

(i) Classification of assets leased to the Association

Assets that are held by the Association under leases which transfer to the Association substantially all the risks and rewards of ownership are classified as being held under finance leases. Leases which do not transfer substantially all the risks and rewards of ownership to the Association are classified as operating leases.

(ii) Operating lease charges

Where the Association has the use of assets held under operating leases, payments made under the leases are charged to the statement of income and expenditure in equal instalments over the accounting periods covered by the lease term, except where an alternative basis is more representative of the pattern of benefits to be derived from the leased asset. Lease incentives received are recognised in the statement of income and expenditure as an integral part of the aggregate net lease payments made.

(g) ***Inventories***

Inventories are carried at the lower of cost and net realisable value.

Cost is calculated using the first-in, first-out method and comprises all costs of purchase, costs of conversion and other costs incurred in bringing the inventories to their present location and condition.

Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

2 **Significant accounting policies (continued)**

(g) ***Inventories (continued)***

When inventories are sold, the carrying amount of those inventories is recognised as an expense in the period in which the related revenue is recognised. The amount of any write-down of inventories to net realisable value and all losses of inventories are recognised as an expense in the period the write-down or loss occurs. The amount of any reversal of any write-down of inventories is recognised as a reduction in the amount of inventories recognised as an expense in the period in which the reversal occurs.

(h) ***Receivables***

Receivables are initially recognised at fair value and thereafter stated at amortised cost using the effective interest method, less allowance for impairment of doubtful debts, except where the receivables are interest-free loans made to related parties without any fixed repayment terms or the effect of discounting would be immaterial. In such cases, the receivables are stated at cost less allowance for impairment of doubtful debts.

Impairment losses for bad and doubtful debts are recognised when there is objective evidence of impairment and are measured as the difference between the carrying amount of the financial asset and the estimated future cash flows, discounted at the asset's original effective interest rate where the effect of discounting is material. Objective evidence of impairment includes observable data that comes to the attention of the Association about events that have an impact on the asset's estimated future cash flows such as significant financial difficulty of the debtor.

Impairment losses for receivables whose recovery is considered doubtful but not remote are recorded using an allowance account. When the Association is satisfied that recovery is remote, the amount considered irrecoverable is written off against receivables directly and any amounts held in the allowance account relating to that debt are reversed. Subsequent recoveries of amounts previously charged to the allowance account are reversed against the allowance account. Other changes in the allowance account and subsequent recoveries of amounts previously written off directly are recognised in the statement of income and expenditure.

(i) ***Trade and other payables***

Trade and other payables are initially recognised at fair value and subsequently stated at amortised cost unless the effect of discounting would be immaterial, in which case they are stated at cost.

2 **Significant accounting policies (continued)**

(j) ***Cash and cash equivalents***

Cash and cash equivalents comprise cash at bank and in hand, demand deposits with banks and other financial institutions, and short-term, highly liquid investments that are readily convertible into known amounts of cash and which are subject to an insignificant risk of changes in value, having been within three months of maturity at acquisition. Bank overdrafts that are repayable on demand and form an integral part of the Association's cash management are also included as a component of cash and cash equivalents for the purpose of the cash flow statement.

(k) ***Employee benefits***

Salaries, annual bonuses, paid annual leave, contributions to defined contribution retirement plans and the cost of non-monetary benefits are accrued in the year in which the associated services are rendered by employees. Where payment or settlement is deferred and the effect would be material, these amounts are stated at their present values.

(l) ***Income tax***

The Association is exempted from Hong Kong Profits Tax by virtue of Section 88 of the Inland Revenue Ordinance.

(m) ***Provisions and contingent liabilities***

Provisions are recognised for liabilities of uncertain timing or amount when the Association has a legal or constructive obligation arising as a result of a past event, it is probable that an outflow of economic benefits will be required to settle the obligation and a reliable estimate can be made. Where the time value of money is material, provisions are stated at the present value of the expenditure expected to settle the obligation.

Where it is not probable that an outflow of economic benefits will be required, or the amount cannot be estimated reliably, the obligation is disclosed as a contingent liability, unless the probability of outflow of economic benefits is remote. Possible obligations, whose existence will only be confirmed by the occurrence or non-occurrence of one or more future events are also disclosed as contingent liabilities unless the probability of outflow of economic benefits is remote.

2 **Significant accounting policies (continued)**

(n) ***Revenue recognition***

Revenue is measured at the fair value of the consideration received or receivable. Provided it is probable that the economic benefits will flow to the Association and the revenue and costs, if applicable, can be measured reliably, revenue is recognised in the statement of income and expenditure as follows:

(i) Sale of goods

Revenue is recognised when goods are sold and the related risks and rewards of ownership have been transferred to the customers. Revenue is stated after deduction of any trade discounts.

(ii) Hostel revenue

Hostel revenue from rooms and other ancillary services is recognised when the services are rendered.

(iii) Interest income

Interest income is recognised as it accrues using the effective interest method.

(iv) Donations

Donations not designated for any specific purpose are utilised at the discretion of the Executive Committee and are recognised as revenue upon receipt of cash. Designated donations are recognised in the statement of income and expenditure on a systematic basis in the same periods in which the expenses are incurred.

(v) Dividends

Dividend income from listed investments is recognised when the share price of the investment goes ex-dividend.

(vi) Government grants

Government grants are recognised when there is reasonable assurance that they will be received and that the Association will comply with the conditions attaching to them.

2 **Significant accounting policies (continued)**

(o) ***Translation of foreign currencies***

Foreign currency transactions during the year are translated at the foreign exchange rates ruling at the transaction dates. Monetary assets and liabilities denominated in foreign currencies are translated at the foreign exchange rates ruling at the end of the reporting period. Exchange gains and losses are recognised in the statement of income and expenditure.

(p) ***Related parties***

(i) A person, or a close member of that person's family, is related to the Association if that person:

(i) has control or joint control over the Association;

(ii) has significant influence over the Association; or

(iii) is a member of the key management personnel of the Association.

(ii) An entity is related to the Association if any of the following conditions applies:

(i) The entity and the Association are members of the same group (which means that each parent, subsidiary and fellow subsidiary is related to the others).

(ii) One entity is an associate or joint venture of the other entity (or an associate or joint venture of a member of a group of which the other entity is a member).

(iii) Both entities are joint ventures of the same third party.

(iv) One entity is a joint venture of a third entity and the other entity is an associate of the third entity.

(v) The entity is a post-employment benefit plan for the benefit of employees of either the Association or an entity related to the Association.

(vi) The entity is controlled or jointly controlled by a person identified in (i).

(vii) A person identified in (i)(i) has significant influence over the entity or is a member of the key management personnel of the entity (or of a parent of the entity).

Close members of the family of a person are those family members who may be expected to influence, or be influenced by, that person in their dealings with the entity.

2 **Significant accounting policies (continued)**

(q) ***Designated funds***

Designated funds are funds established from specific donations which are earmarked for specific purposes at the request of the donors.

(i) Art Activities Development Fund

The Art Activities Development Fund is represented by funds available for purchasing facilities related to the development of art activities.

(ii) Foundation Fund for The Aged

The Foundation Fund for The Aged is represented by funds available for functions organised for the aged.

(iii) Kanon Choi Scout Foundation

The Kanon Choi Scout Foundation is represented by funds available for the thematic events and community services of the New Territories Region.

(iv) Lam Kwok Hing Fund

The Lam Kwok Hing Fund is represented by funds available for the purpose of purchasing equipment for the Pak Hin Wan Tam Wah Chong Sea Activity Centre.

(v) Lee Kai Nang Foundation

The Lee Kai Nang Foundation is represented by funds available for Scout development and camping activities.

(vi) New Territories East Regional Headquarters Fund

The New Territories East Regional Headquarters Fund is represented by funds available for repair, maintenance and other operating expenses of the New Territories East Regional headquarters.

(vii) Ng Tor Tai Scout Fund

The Ng Tor Tai Scout Fund is represented by funds available for provision of financial assistance for activities with the aim of developing the Scout Movement of the East Kowloon Region.

(viii) Patrick Chang's Scholarship Fund

The Patrick Chang's Scholarship Fund is represented by funds available for personal development of Scouts.

2 **Significant accounting policies (continued)**

(g) ***Designated funds (continued)***

(ix) Promoting and Developing Scout Fund

The Promoting and Developing Scout Fund is represented by funds available for assisting the Association to promote and develop scouting.

(x) Promoting and Developing Scout Fund Amortisation

The Promoting and Developing Scout Fund Amortisation is represented by the net book value of property, plant and equipment funded by the Promoting and Developing Scout Fund. Transfers from the Promoting and Developing Scout Fund represent additions during the year. Transfers to the statement of income and expenditure represent the corresponding depreciation charged for the year.

(xi) Scout Performing Arts Foundation

The Scout Performing Arts Foundation is represented by funds available for assisting the Association for performing arts development of Scouts.

(xii) Samson Sun Scout Fund

The Samson Sun Scout Fund is represented by funds available for provision of subsidies for the procurement of uniforms for under-privileged youth members of the Association.

(xiii) Sichuan Relief Fund

The Sichuan Relief Fund is represented by funds available for donations to support the rehabilitation work and related services plans for earthquake victims in Sichuan.

(xiv) SASK Leadership Training Institute Foundation

The SASK Leadership Training Institute Foundation is represented by funds available for supporting leaders' training and continuing education.

(h) ***Internal designated funds***

Internal designated funds are funds established by the Association and are earmarked for special purposes.

(i) Amortisation Reserves

The Amortisation Reserves are represented by the net book value of property, plant and equipment funded by various internal designated funds. Transfers from the internal designated funds represent additions during the year. Transfers to the statement of income and expenditure represent the corresponding depreciation charged for the year.

2 **Significant accounting policies (continued)**

(h) ***Internal designated funds (continued)***

(ii) Baden-Powell Scout Fund

The Baden-Powell Scout Fund is represented by funds available for provision of grants, loans or revolving funds for major units of the Scout Movement in the HKSAR.

(iii) Building Fund

The Building Fund is represented by funds available for future renovation, decoration and repair of the Scout Headquarters. If capital expenditure from this fund is capitalised as property, plant and equipment, an equal amount will be transferred out of this fund into the Building Fund Amortisation.

(iv) Campsite Development Fund

The Campsite Development Fund is represented by funds available for the major development and improvement projects of campsites and activity centres.

(v) Chan Chum Sun World Jamboree Fund

The Chan Chum Sun World Jamboree Fund is represented by funds available for subsidising Scout members to participate in the World Jamboree.

(vi) Development Fund

The Development Fund is represented by funds available for provision of funds and assistance for the development of the Scout Movement in the HKSAR.

(vii) District Fund

The District Fund is represented by funds available for subsidising District activities in the Kowloon Region.

(viii) General Project Fund

The General Project Fund is represented by funds available for provision of grants, loans or revolving funds for the Scout Movement in the Kowloon Region.

(ix) International Brotherhood Fund

The International Brotherhood Fund is represented by funds available for the development of the Scout Movement in other countries, especially in developing countries.

2 **Significant accounting policies (continued)**

(h) ***Internal designated funds (continued)***

(x) New Territories East Region Eddie Kwan Scout Fund

The New Territories East Region Eddie Kwan Scout Fund is represented by funds available for the operations of the New Territories East Region.

(xi) New Territories East Region Training Team Development Fund

The New Territories East Region Training Team Development Fund is represented by funds available for provision of funds and assistance for the development of the training team of the New Territories East Region.

(xii) Regional Scout Fund

The Regional Scout Fund is represented by funds available for the development and operations of the East Kowloon Region, the New Territories Region and the New Territories East Region.

(xiii) Programme and Training Project Fund

The Programme and Training Project Fund is available for provision of funds for supporting programmes and training of the Scout Movement of the Kowloon and East Kowloon Regions.

(xiv) Subsidy Scheme for Scout Members' Progressive Badges Training

The Subsidy Scheme for Scout Members' Progressive Badges Training is represented by funds available for Scout members who have financial difficulties to participate in progressive badges training and activities.

(xv) Regional Headquarters Maintenance Fund

The Regional Headquarters Maintenance Fund is represented by funds available for operations of the Regional Headquarters and the Pak Sha Wan Tam Wah Ching Sea Activity Centre.

2 **Significant accounting policies (continued)**

(h) ***Internal designated funds (continued)***

(xvi) Scout Development Fund

The Scout Development Fund is represented by funds available for fostering scouting activities for the purpose of retaining and/or expanding membership in the District and Scout Groups.

(xvii) Staff Welfare Fund

The Staff Welfare Fund is represented by funds available for staff welfare and recreation.

(xviii) Redevelopment Fund

The Redevelopment Fund is represented by funds available for future redevelopment of the Tai Tam Scout Centre and the Hong Kong Island Regional Headquarters.

(xix) Tai Tam Scout Centre Development Fund

The Tai Tam Scout Centre Development Fund is represented by funds available for development of the Tai Tam Scout Centre.

(xx) Wong Pak Hong Memorial Fund

The Wong Pak Hong Memorial Fund is represented by funds available for the development of the Scout Movement in the HKSAR.

(xxi) Wong Sin Sang Leadership Training Institute Reserve Fund

The Wong Sin Sang Leadership Training Institute Reserve Fund is represented by funds available for supporting programmes and training of the Wong Sin Sang Leadership Training Institute.

(i) ***Replacement reserve***

The Replacement reserve is to provide for future capital expenditure relating to B-P International House. The provision for the current year is $10,000,000 (2013: $39,000,000) which has been approved by the Board of Management of B-P International House. If capital expenditure from this reserve is capitalised as property, plant and equipment, an equal amount will be transferred out of this reserve into the Replacement amortisation reserve.

2 Significant accounting policies (continued)

(k) *Replacement amortisation reserve*

The Replacement amortisation reserve is represented by the net book value of property, plant and equipment funded by the Replacement reserve. Transfers from the Replacement reserve represent additions during the year. Transfers to the Accumulated fund represent the corresponding depreciation charged for the year.

The gains or losses arising from the disposal of property, plant and equipment are credited/(charged) to the statement of income and expenditure. The net book value of the disposed assets is transferred from the Accumulated fund to the Replacement amortisation reserve.

(m) *Sinking fund*

The Sinking fund is represented by funds provided for future redevelopment of the Hong Kong Scout Centre building of the Association.

3 Accounting judgements and estimates

In the process of applying the Association's accounting policies, management has made the following accounting judgements:

Held-to-maturity financial assets

The Association follows the guidance of HKAS 39, *Financial instruments: Recognition and measurement* on classifying non-derivative financial assets with fixed or determinable payments and fixed maturity as held-to-maturity. This classification requires significant judgement. In making this judgement, the Association evaluates its intention and ability to hold such investments to maturity.

If the Association fails to keep these investments to maturity other than for specific circumstances explained in HKAS 39, it will be required to reclassify the whole class as available-for-sale. The investments would then be measured at fair value instead of at amortised cost.

4 Turnover

	2014 $'000	2013 $'000
Accommodation and equipment hire, air-conditioning and management fee	4,252	4,492
Camp fee	3,157	3,801
Course fee	7,312	5,834
Donations	3,345	3,044
Rental revenue		
- Room revenue	257,320	255,149
- Licence fee and car parking fee	28,656	25,748
Raffle income (note 4(a))	934	878
Scout Shop revenue - sales of goods	10,574	9,285
Subvention and other government grants (note 4(b))	28,131	22,367
	333,887	329,718

(a) *Raffle income*

	2014 $'000	2013 $'000
Raffle sales and donations	6,811	6,668
Less: Expenditure for the year	(444)	(447)
Transfer to funds and projects	(877)	(852)
	5,490	5,369
Less: Allocation to Districts and Scout groups	(4,556)	(4,491)
	934	878

4 Turnover (continued)

(b) *Subvention and other government grants*

	2014 $'000	2013 $'000
Subvention from the Government of the HKSAR for		
- Uniformed units (note (i))	15,056	17,280
- Campsites and activity centre (note (ii))	3,692	3,672
- The Friends of Scouting (note (iii))	32,035	33,575
	50,783	53,527
Less: Transfer to the Friends of Scouting (note (iii))	(32,035)	(32,575)
	18,748	20,952
Other government grants	1,393	1,415
	20,141	22,367

Notes:

(i) This subvention was received in respect of Scout Headquarters and the Regions.

(ii) This subvention was received in respect of two campsites and one activity centre.

(iii) The Friends of Scouting is a separate body of the Association which supplements the Association's services to the community by conducting training, developmental activities and other programmes with an emphasis on young people who are not uniformed members of the Association. Subvention funds from the Government of the HKSAR are received initially by Scout Headquarters and then transferred to the Friends of Scouting.

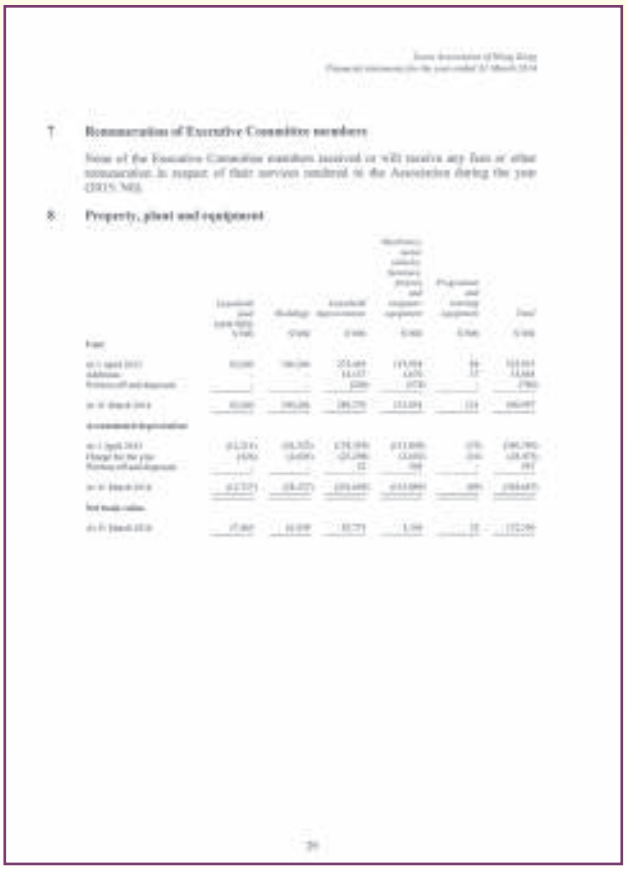

5 Other revenue and net income

	2014 $'000	2013 $'000
Bank interest income	119	233
Interest and dividend income from investments and fixed deposits	14,888	11,552
Donations and other income of internal designated funds and reserves	5,755	8,528
Foreign exchange gain	98	2,443
Gain on disposal of plant, property and equipment	3	2,542
Impairment of available-for-sale financial assets	(12,759)	(12,759)
Net gain on disposal of investment financial assets	315	2,328
Other income	4,877	5,969
	24,242	31,026

6 Surplus for the year

Surplus for the year is arrived at after charging:

	2014 $'000	2013 $'000
Amortisation of premium on acquisition of held-to-maturity financial assets	54	322
Auditor's remuneration	457	480
Cost of sales - Rental operations	82,836	95,473
Cost of sales - Scout Shop	7,368	8,089
Depreciation	20,479	16,623
Electricity, water, fuel and gas	7,763	7,438
Government rent, rates and permit fee	8,374	7,720
Rental management fee	9,539	10,623
Operating lease charges	1,084	1,012
Other expenses	26,192	17,958
Property, plant and equipment written-off	183	1,949
Repairs and maintenance	6,152	5,472
Staff costs		
- Salaries	59,885	57,114
- Contributions to ORSO and MPF schemes	5,053	4,758
- Other staff benefits	6,861	6,330
Total expenditure	257,842	256,983

7 **Remuneration of Executive Committee members**

None of the Executive Committee members received or will receive any fees or other remuneration in respect of their services rendered to the Association during the year (2015: Nil).

8 **Property, plant and equipment**

8 **Property, plant and equipment (continued)**

(a) The analysis of net book value of properties is as follows:

	2014	2013
	$'000	$'000
In Hong Kong under medium-term leases	79,402	81,953
Representing:		
Buildings carried at cost less accumulated depreciation	61,959	63,944
Leasehold land held for own use	17,443	17,949
	79,402	81,953

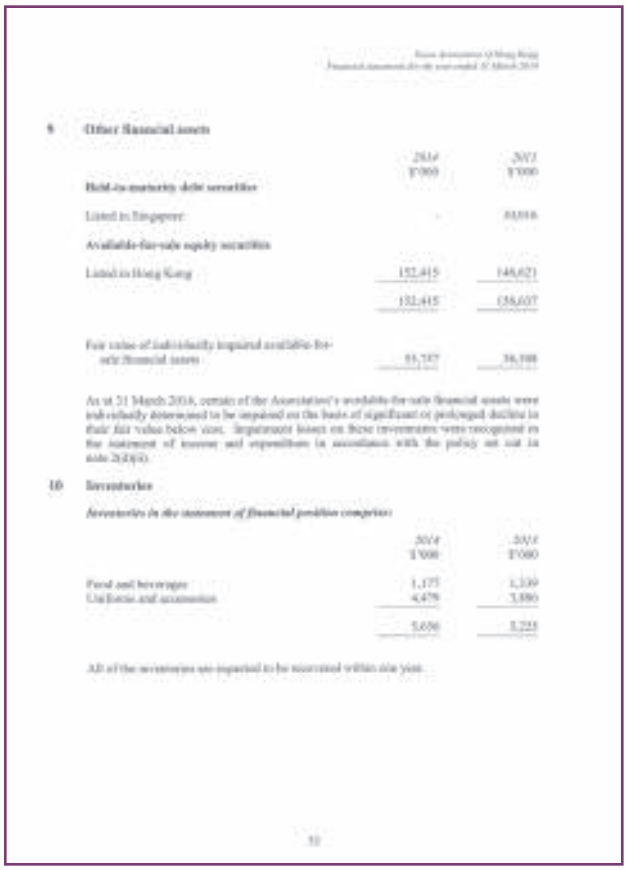

8 **Property, plant and equipment (continued)**

(b) Leasehold land

Leasehold land included a piece of land owned by the Association which was bequeathed by the late Mr Wong Yuk Hong and is held under a medium-term lease and situated at Fanling in Deasonsoko District No. 51 in the New Territories. It is stated at a nominal value of $1 in the financial statements. No amortisation has been provided on this land held under a medium-term lease.

Leasehold land also includes the following parcels of land which were donated to the Association in previous years for no consideration. They are stated at a nominal value of $1 in the financial statements.

Location of leasehold land	*Lease period*
DD 117, Tai Tong Road, Yuen Long, New Territories	Extended on a quarterly basis automatically until such time as the tenancy is terminated by the Government of the HKSAR upon giving one month's notice
4th & 5th Floor of Tung Shiu Kin Sound & Guide Centre, No. 308 Wo Yi Hop Road, Kwai Chung, New Territories	Up to September 2014
Sha Tin Town Lot No. 272 (Portion), Shatin, New Territories	Up to July 2014
Inland Lot No. 8961, North Point, Hong Kong	Up to September 2014
New Kowloon Inland Lot No. 5950, Kowloon Tong, Kowloon	Up to July 2014
Lot No. 154 in DD 105, Mau Tat Ngam, Kowloon	Up to September 2014
Lot No. 1131 in DD 217, Sai Kung, New Territories	Up to July 2014
Lot No. 131 in DD 60, Au Tau, Yuen Long, New Territories	Up to year 2024
Tai Po Town Lot No. 198, Tai Po, New Territories	Up to year 2025
03A, Chevalier Industrial Building, 61-63 Hoitch Street, Tai Kok Tsui, Kowloon	Up to year 2027
Inland Lot No. 8281, Wan Chai, Hong Kong	Up to year 2046
Flat A & B on 7/F, Floor, Lee Ka Industrial Building, No. 6 Ng Fong Street, Kowloon	Up to year 2047
Rural Building Lot No. 873, Tai Tam, Hong Kong	Up to year 2050

9 **Other financial assets**

	2014	2013
	$'000	$'000
Held-to-maturity debt securities		
Listed in Singapore	-	10,016
Available-for-sale equity securities		
Listed in Hong Kong	132,415	146,021
	132,415	156,037
Fair value of individually impaired available-for-sale financial assets	33,737	36,398

As at 31 March 2014, certain of the Association's available-for-sale financial assets were individually determined to be impaired on the basis of significant or prolonged decline in their fair value below cost. Impairment losses on these investments were recognised in the statement of income and expenditure in accordance with the policy set out in note 2(f)(ii).

10 **Inventories**

Inventories in the statement of financial position comprise:

	2014	2013
	$'000	$'000
Food and beverages	1,177	1,339
Uniforms and accessories	4,479	3,886
	5,656	5,225

All of the inventories are expected to be recovered within one year.

11 **Receivables, deposits and prepayments**

	2014 $'000	2013 $'000
Trade receivables	10,613	11,310
Other receivables	2,103	5,469
Deposits	467	366
Prepayments	11,375	12,225
	26,558	27,367

All of the receivables, deposits and prepayments are expected to be recovered or recognised as an expense within one year.

(a) Impairment of trade receivables

Impairment losses in respect of trade debtors are recorded using an allowance account unless the Association is satisfied that recovery of the amount is remote, in which case the impairment loss is written off against trade debtors directly (see note 2(h)).

No allowance for doubtful debts have been provided or reversed for the years ended 31 March 2013 and 2014.

(b) Trade debtors that are not impaired

Trade debtors are due within 30 days from the date of billing. Further details on the Association's credit policy are set out in note 15(b)(i).

The ageing analysis of trade debtors that are neither individually nor collectively considered to be impaired is as follows:

	2014 $'000	2013 $'000
Neither past due nor impaired	9,740	9,966
Less than 1 month past due	864	1,344
1 to 3 months past due	9	–
	873	1,344
	10,613	11,310

11 **Receivables, deposits and prepayments (continued)**

(b) Trade debtors that are not impaired (continued)

Receivables that were neither past due nor impaired relate to a wide range of customers for whom there was no recent history of default.

Receivables that were past due but not impaired relate to a number of independent customers for whom there is no recent history of default and have a good track record with the Association. Based on past experience, management believes that no impairment allowance is necessary in respect of these balances as there has not been a significant change in credit quality and the balances are still considered fully recoverable.

12 **Cash and bank deposits**

(a) Cash and bank deposits comprise:

	2014 $'000	2013 $'000
Bank deposits	437,899	515,753
Cash at bank	44,724	43,058
Cash in hand	897	936
Cash and bank deposits in the statement of financial position	483,520	559,747
Less: Bank deposits with maturity equal or greater than three months at acquisition	(358,246)	(305,188)
Cash and cash equivalents in the cash flow statement	125,074	254,559

12 **Cash and bank deposits (continued)**

(b) Reconciliation of surplus for the year to cash generated from operations:

	Note	2014 $'000	2013 $'000
Surplus for the year		106,427	180,560
Adjustments for:			
Amortisation of held-to-maturity financial assets	6	54	322
Bank interest income	5	(119)	(259)
Depreciation	9	28,475	30,625
Interest and dividend income from investments and fixed deposits	5	(14,868)	(11,552)
Gain on disposal of property, plant and equipment	5	(3)	(2,542)
Impairment of available-for-sale financial assets	5	1,316	2,298
Net gain on disposal of investment financial assets	5	(133)	(2,108)
Property, plant and equipment written-off	9	182	1,999
Changes in working capital:			
Increase in inventories		(431)	(691)
Decrease in receivables, deposits and prepayments		749	5,581
Increase/(decrease) in trade and other payables		2,568	(7,010)
Increase/(decrease) in net amounts to related parties		173	(9,087)
Cash generated from operations		110,329	114,669

13 **Trade and other payables**

	2014 $'000	2013 $'000
Trade payables	11,535	20,178
Receipts in advance	13,800	15,600
Deferred income	3,007	3,472
Accrued expenses, deposits and temporary receipts (note)	5,219	1,751
	33,622	40,053

All of the trade and other payables are expected to be settled or recognised as income within one year or are payable on demand.

Note: Temporary receipts include receipts of $250,000 (2013: $88,310) received from the Home Affairs Bureau of the HKSAR during the current year. During the year, $220,141 (2013: $247,690) has been expended for "Assistance Scheme operated by Uniformed Groups and the Hong Kong Award for Young People for Needy Student Members". As at 31 March 2014, the remaining balance was $51,859 (2013: Nil).

14 Funds and reserves

(a) *Funds and reserves other than designated funds*

Movements in funds and reserves other than designated funds during the year ended 31 March 2014 were as follows:

	Balance as at 31 March 2013 $'000	Net transfer from/(to) accumulated fund $'000	Transfer between funds $'000	Net movement in investment revaluation reserve $'000	Balance as at 31 March 2014 $'000
Interest designated funds:

15 Capital management and financial risk management

(a) *Capital management*

The Association's objectives when managing capital are to safeguard the Association's ability to continue as a going concern in order to maximise an optimal fund structure.

(b) *Financial risk management*

Exposure to currency, credit and liquidity risks arises in the normal course of the Association's business. The Association is also exposed to equity price risk arising from its equity investments in listed securities.

The Association's exposure to these risks and the financial risk management policies and practices used by the Association to manage these risks are described below:

(i) Currency risk

The Association's functional currency is Hong Kong dollars. The Association mainly operates in Hong Kong and is exposed to currency risk primarily with respect to the United States dollars in respect of held-to-maturity financial assets and Renminbi in respect of bank deposits.

In the opinion of the Executive Committee, the Hong Kong dollar to United States dollar exchange rate is reasonably stable under the Linked Exchange Rate System. In this respect, it is assumed that the pegged rate between the Hong Kong dollar and the United States dollar would be materially unaffected by any changes in movements in value of the United States dollar against other currencies and, therefore the Association considers the risk of movements in exchange rates between the Hong Kong dollar and the United States dollar to be insignificant. In respect of balances denominated in Renminbi, the Association ensures that the net exposure is kept to an acceptable level by buying or selling foreign currencies at spot rates where necessary to address short-term imbalances.

Exposure to currency risk

The following table details the Association's exposure at the end of the reporting period to currency risk arising from recognised assets or liabilities denominated in a currency other than the Association's functional currency of Hong Kong dollars. For presentation purposes, the amounts of the exposure are shown in Hong Kong dollars.

	Renminbi	
	2014	*2013*
	$'000	$'000
Cash and cash equivalents	282,018	208,199
Exposure to currency risk	282,018	208,199

15 Capital management and financial risk management (continued)

(b) *Financial risk management (continued)*

(i) Currency risk (continued)

Sensitivity analysis

The following table indicates the instantaneous change in the Association's surplus and total funds that would have arisen if foreign exchange rates to which the Association has significant exposure at the end of the reporting period had changed at that date, assuming all other risk variables remained constant. In this respect, it is assumed that the pegged rate between the Hong Kong dollar and the United States dollar would be materially unaffected by any changes in movement in value of the United States dollar against other currencies.

	2014		*2013*	
	Increase/ (decrease) in foreign exchange rates	*Effect on surplus and total funds* $'000	*Increase/ (decrease) in foreign exchange rates*	*Effect on surplus and total funds* $'000
Renminbi	5%	14,100	5%	10,027
	(5)%	(14,100)	(5)%	(10,027)

The sensitivity analysis assumes that the change in foreign exchange rates had been applied to re-measure those financial instruments which expose the Association to foreign currency risk at the end of the reporting period. The analysis has been performed on the same basis for 2013.

(ii) Credit risk

The Association's credit risk is primarily attributable to listed debt investments, cash and bank deposits and receivables. Management has a credit policy in place and the exposures to these credit risks are monitored on an ongoing basis.

Investments are normally only in liquid securities quoted on a recognised stock exchange and with counterparties that have high credit ratings.

Cash and bank deposits are placed with financial institutions with sound credit ratings to minimise credit exposure.

15 Capital management and financial risk management (continued)

(b) *Financial risk management (continued)*

(ii) Credit risk (continued)

In respect of receivables, individual credit evaluations are performed on all customers requiring credit over a certain amount. These take into account the customer's past payment history, financial position and other factors. Trade receivables are due within 30 days from the billing date. Normally, the Association does not obtain collateral from customers.

The Association's exposure to credit risk is influenced mainly by the individual characteristics of each customer. At the end of the reporting period, the Association has a concentration of credit risk as 40% (2013: 41%) of trade receivables was due from the Association's five largest customers, apart from the balances due from major credit card institutions.

Further quantitative disclosures in respect of the Association's exposure to credit risk arising from receivables are set out in note 11.

(iii) Liquidity risk

Prudent liquidity risk management implies maintaining sufficient liquid cash. Due to the nature of the underlying operations, the Association aims to maintain flexibility in funding by keeping sufficient cash and bank balances to fulfill its commitments and current working capital requirements.

The following table presents the remaining contractual settlement dates at the end of reporting period of the Association's financial liabilities:

	2014	
	Carrying value $'000	*Within 1 year or on demand* $'000
Trade and other payables	30,622	30,622
Amounts due to related parties	12,619	12,619
	43,241	43,241

	2013	
	Carrying value $'000	*Within 1 year or on demand* $'000
Trade and other payables	48,053	48,053
Amounts due to related parties	12,023	12,023
	60,076	60,076

15 Capital management and financial risk management (continued)

(b) *Financial risk management (continued)*

(iii) Liquidity risk (continued)

In order to manage the above liquidity demands, at 31 March 2014, cash and cash equivalents amounting to $125,074,000 (2013: $214,399,000) is considered readily realisable.

(iv) Equity price risk

The Association is exposed to equity price changes arising from equity investments classified as available-for-sale financial assets (see note 9).

The Association's available-for-sale financial assets are listed on the Stock Exchange of Hong Kong and have been chosen based on their long-term growth potential and are monitored regularly for performance against expectations.

At 31 March 2014, it is estimated that an increase/decrease of 20% (2013: 20%) in the equity prices would have increased/decreased the Association's investment revaluation reserve by $50,883,000 (2013: $39,334,000).

The sensitivity analysis above indicates the instantaneous change in the Association's investment revaluation reserve that would have arisen assuming that the change in the equity prices had occurred at the end of the reporting period and had been applied to re-measure those financial instruments which expose the Association to equity price risk at the end of the reporting period. It is also assumed that the fair values of the Association's available-for-sale financial assets would change in accordance with their historical correlation with the equity price, that none of the Association's available-for-sale financial assets would be considered impaired as a result of the decrease in the equity price, and that all other variables remain constant. The analysis has been performed on the same basis as for 2013.

15 Capital management and financial risk management (continued)

(c) Fair value measurement

(i) Financial assets carried at fair value

Fair value hierarchy

The following table presents the fair value of the Association's financial instruments measured at the end of the reporting period on a recurring basis, categorised into the three-level fair value hierarchy as defined in HKFRS 13, *Fair value measurement*. The level into which a fair value measurement is classified is determined with reference to the observability and significance of the inputs used in the valuation technique as follows:

- Level 1 valuations: Fair value measured using only Level 1 inputs i.e. unadjusted quoted prices in active markets for identical assets or liabilities at the measurement date
- Level 2 valuations: Fair value measured using Level 2 inputs i.e. observable inputs which fail to meet Level 1, and not using significant unobservable inputs. Unobservable inputs are inputs for which market data are not available.
- Level 3 valuations: Fair value measured using significant unobservable inputs

	Fair value at 31 March 2014 $'000	Fair value measurements as at 31 March 2014 categorised into Level 1 $'000	Fair value at 31 March 2013 $'000	Fair value measurements as at 31 March 2013 categorised into Level 1 $'000
Recurring fair value measurement				
Assets				
Available-for-sale equity securities:				
- Listed in Hong Kong	152,865	152,865	146,021	146,021

During the years ended 31 March 2015 and 2014, there were no transfers between Level 1 and Level 2. The Association's policy is to recognise transfers between levels of fair value hierarchy as at the end of the reporting period in which they occur.

15 Capital management and financial risk management (continued)

(c) Fair value measurement (continued)

(ii) Fair value of financial assets carried at other than fair value

The carrying amounts of the Association's financial instruments carried at cost or amortised cost are not materially different from their fair values as at 31 March 2015 and 2014.

(d) Estimation of fair values

The fair value of available-for-sale financial assets held by the Association is based on quoted market prices at the end of the reporting period without any deduction for transaction costs.

16 Commitments

(a) Capital commitments

Capital expenditure at the end of the reporting period which had been committed for but not incurred is as follows:

	2014 $'000	2013 $'000
Authorised but not contracted for:		
- Purchase of property, plant and equipment and improvement projects	316	231
Contracted but not provided for:		
- Purchase of property, plant and equipment and improvement projects	1,293	339
- Renovation of the Hong Kong Scout Centre	16,662	48,720
- Redevelopment of the Wanchai Property	27,624	7,154
- Redevelopment of the North Point Property	6,798	6,798
	52,377	55,011
	52,113	55,250

16 Commitments (continued)

(b) Operating lease commitments - where the Association is the lessee

The future aggregate minimum lease payments under non-cancellable operating leases in respect of site premises are as follows:

	2014 $'000	2013 $'000
Within one year	2,453	2,460
After one year but within five years	2,245	4,270
	4,698	6,730

All lease agreements are held in the name of the Association. Some operating lease charges in respect of these lease agreements are recharged and borne by other Scout units. For these lease agreements, the future aggregate minimum lease payments within one year are $1,376,000 (2013: $1,376,000) and those after one year but within five years are $1,376,000 (2013: $2,751,800).

The leases typically run for an initial period of three years, with an option to renew each lease upon expiry when all terms are renegotiated. None of these leases includes contingent rentals.

(c) Operating lease commitments - where the Association is the lessor

The Association leases out catering areas under an operating lease. The leases typically run for an initial period of five years, with an option to renew each lease upon expiry whereupon all terms are renegotiated. Lease payments are usually increased every five years to reflect market rentals. The leases do not include contingent rentals.

The future aggregate minimum lease receipts under non-cancellable operating leases in respect of catering areas are as follows:

	2014 $'000	2013 $'000
Within one year	5,383	5,710
After one year but within five years	-	4,620
	5,383	10,330

17 Amounts due from/to related parties

Related parties represent other Scout units, namely the Friends of Scouting Commissioners' Club, the Baden-Powell Scout Club of Hong Kong, Education Centre and Asia-Pacific Regional Scout Foundation.

The amounts due from/to related parties are unsecured, interest-free and repayable/ repayable on demand.

Included in amounts due to related parties are amounts totalling $10,892,000 (2013: $10,180,000) which are held by the Association on behalf of other Scout Units for the purpose of investment.

18 Possible impact of amendments, new standards and interpretations issued but not yet effective for the year ended 31 March 2016

Up to the date of issue of these financial statements, the HKICPA has issued a number of amendments and new standards which are not yet effective for the year ended 31 March 2016 and which have not been adopted in these financial statements. These include the following which may be relevant to the Association.

	Effective for accounting periods beginning on or after
HKFRS 9, *Financial instruments*	Undetermined

The Association is in the process of making an assessment of what the impact of this new standard is expected to be in the period of initial application. So far it has concluded that the adoption of it is unlikely to have a significant impact on the Association's results of operations and financial position.

(as at 31 March of each year)

Vision

To be the best voluntary organisation for the development of young people in Hong Kong for the betterment of our society.

Mission

To operate an education movement for young people providing them with challenging and progressive training programmes for their physical, intellectual, social, spiritual and aesthetic development.

Values

We recognize the importance of:

- individuals developing a sense of personal identity and self worth which leads to responsible citizenship;
- adults providing suitable role models for young people;
- respect for equality and fairness in dealings with all people; and
- the development of understanding between individuals towards world peace.

Scout Promise

On my honour, I promise
that I will do my best
to do my duty to God and
to my Country
to help other people
and to keep the Scout Law.

Scout Law

1. A Scout is to be trusted.
2. A Scout is loyal.
3. A Scout is friendly and considerate.
4. A Scout belongs to the world-wide family of Scouts.
5. A Scout has courage in all difficulties.
6. A Scout makes good use of time and is careful of possessions and property.
7. A Scout has self-respect and respect for others.
