Chief Commissioner's Report

Youth development is the core value of Scout Movement and has been the Mission of the Association since its establishment. Over the past century, we endeavoured to provide the highest quality training programmes for our youth members and adult leaders. I was pleased to report that in the past year, we have continued fulfilling our Mission and achieved the goal in rendering the best programmes for our youth members.

A New Page in Capital Works

To cope with the ever increasing demand on meeting facilities and venues, the Association launched the Oi Kwan Road Redevelopment Project in 2010. After years of planning and all the different preparation works, the ground-breaking ceremony was held on 22 November 2014. The foundation work of the new building was officially commenced, turning a new page in the Scouting history of Hong Kong. Piling work at the site was in full swing. By 2017, a new Scout building would be standing in Hong Kong Island, providing better service in our youth development work as well as better support to units in Hong Kong Island Region.

The new building project inevitably would impose great demand on our limited resources. Thanks to the efforts of our predecessors, sufficient reserve was available to meet the requirement for the project. Feasibility study on further capital development was in the pipeline but strict financial discipline would be adhered to whenever any new project was to be launched.

Diversity on Youth Development

For the purpose of whole-person development, it was essential that a variety of training platforms would be provided to our youth members. Traditionally, Scout training took a leading role in youth education, be it on land, at sea or in air. Due to different limitations, we have focused more on programmes that were conducted on land in the past. In the last annual report, I mentioned that I have charged a Task Group, so to formulate the strategy in enhancing our sea programmes for youth members, training for leaders and optimizing the use of different facilities and resources related to sea activity. We hoped that the opportunity of enjoying sea activities would be extended to each youth member. Recently the Task Group has submitted the preliminary report, allowing the implementation of some short-term measures in enhancing sea activities. A full report was anticipated to be ready in a few months time which would cover medium to long term sea activity development strategy.

The Association was also committed in enhancing our air activity. The progressive training programmes that were provided would not only create an environment to cultivate the interests of our youth members, but also form a base for them to further develop in the field, even as a career. Equipped with 4 newly acquired Federal Aviation Administration approved flight simulators, the Association's first Aviation Training Centre was opened on 9 November 2014. A training team comprising a professional instructor and other trained leaders has also been set up to look after the writing of the teaching materials and the organization of training courses to be delivered to our youth members. It has been decided that another Aviation Training Centre would be set up in the Hong Kong Island new building so to further promote our air activity training programmes.

To provide training platforms comprising land, sea and air elements was the working objective of our Association. I hoped that in the very near future, all youth members, if they so wished, could have the equal opportunity to receive training in fields that they are interested in. Our ultimate goal was to provide enjoyable, progressive and attractive training to our youth members to the farthest possible extent.

Eye-opening Experiences

We highly valued and encouraged our members to participate in overseas exchange programmes, which not only allowed them to share their skills and knowledge with young people of other places, but could certainly also broaden their horizons, enrich their experiences as well as facilitating cultural exchanges.

The quadrennial World Scout Jamboree would be held from 28 July to 8 August 2015 at Yamaguchi City, Yamaguchi Prefecture, Japan. Our Association would send a 600-people Contingent to participate in this event. Another new project, the "North Terrain Environmental Ramble 15", was about to kick off in mid-July. Scout members would carry out different types of research projects related to environmental protection in the North Pole area.

The Association was committed to continue to organize various kinds of exchange programmes. We also encouraged frontline units to do the same, to seek for more cooperation opportunities with bodies outside Hong Kong, so that Scout members could embrace local as well as global issues.

Passing on the Torch

"Passing on the Torch" has long been a proud tradition of Scout Movement. The many devoted leaders were the most valuable asset of the Association. How to retain them in the Movement, in particular our Venture Scouts and Rover Scouts who were the best candidates to join the future leader cadre, was of prime interest.

"Scouting for Life" Overseas Exploration 2015 was proposed by the Hong Kong Island Region in 2014 and fully supported by the Association. In July 2015, 19 participants and 7 mentors would visit Canada for the overseas exploration project. Through the project, participants could equip themselves to meet future challenges and experience Scouting value through planning and organizing activities. I hoped that other Regions could follow suit to organize similar projects in the coming years.

Hubei Internship Programme 2015 was not only the first internship scheme in the Association, but also a new approach in our youth development training attempt. Participants would work at well-known listed companies in Mainland China, get hands-on working experience from business sector, thus laying solid foundation for personal and future career developments.

Fostering youths of good potential was one of the key elements in reserving our valuable leader cadre. Under Training Branch's coordination, selected Rover Scouts and adult Scout leaders would be subsidized to join international programmes and trainings, such as World Scout Conference and other international workshops. Through interaction with other overseas Scouts, they could learn more about Scouting from different perspective and broaden their view and experience in Scouting life.

Youth leaders were our future. We would make every effort in providing various schemes that could benefit their development and through them, the Scout spirit would pass on.

Sichuan Service Scheme

It was now 3 years since the "Sichuan Youth Quality Training Project" was first launched in 2012. It aimed at providing Sichuan youths with challenging training programmes for their physical, spiritual and social developments through Scout method, so to help them to build up confidence and stay strong after the earthquake disaster. Efforts were now being made to train local volunteers with a view that the meaningful training could be continued after the 5-year support period. Last year, we organized several training courses for Sichuan volunteers in Hong Kong. It was our hope that these trained trainers would take up the training role from our hands when they returned to Sichuan.

This was the last report in my position as the Chief Commissioner. I would like to express my sincere gratitude to my team, including uniformed and non-uniformed members. Their wholehearted support to Scout Movement ensured the accomplishment of the various tasks that were planned. I was most fortunate to be able to work with such an outstanding team. Scout Movement has been set foot in Hong Kong for over a century. All efforts have been made by the Association to keep an open mind to various changes and to make timely adjustments so to cope with the ever changing world. We endeavoured to offer an ideal training environment as far as possible for youth members and frontline leaders. The continuous development of Scouting in Hong Kong was the best reward for the efforts that were made. I wish my successor every success during his tenure. With his outstanding team, I was sure that he would lead the Scout Movement in Hong Kong to a new success.

Scout Subsidy Schemes

Administration Branch handles 3 subsidy schemes, namely "Samson Sun Scouting Fund", "Home Affairs Bureau – Assistance Scheme operated by Uniformed Groups and The Hong Kong Award for Young People for Needy Student Members" and "Subsidy Scheme for Needy Youth Members' Training" (formerly known as "Subsidy Scheme for Scout Members' Progressive Badges Training"), aim at subsidizing uniform purchases or participation in activities. From 1 May 2014, the "Subsidy Scheme for Needy Youth Members' Training" extends to cover all training courses / activities organized by the Association and all successful applicants are fully subsidized.

Subsidies Granted by Schemes (As at 31 March 2015)

Scheme	Cumulative No. of Scouts Subsidized			Total Amount
	Full Subsidy	Half Subsidy	Total	
Samson Sun Scouting Fund	7,873	3,250	11,123	\$1,684,600
Home Affairs Bureau – Assistance Scheme operated by Uniformed Groups and The Hong Kong Award for Young People for Needy Student Members	7,017	3,925	10,942	\$1,990,223
Subsidy Scheme for Needy Youth Members' Training	396	0	396	\$63,335

Scout Raffle 2015

Raffle Campaign is organized annually to raise funds for the Scout groups, districts, regions and the subsidiaries.

Raising
HK\$6,440,000

Allocating back 85% of the
proceeds to the selling units,
their districts and regions

Total prize value
HK\$460,000

The Raffle Draw 2015 was held on 21 March 2015 at the lobby of the B P International House and 101 lucky prize winners were drawn by senior Scout members and sponsors.

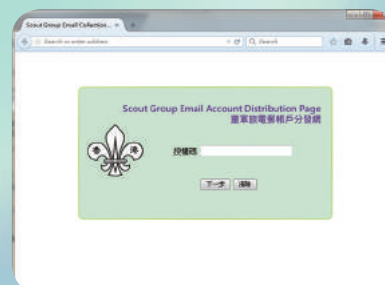

Staff Development Programme

The Association provides different training programmes for paid staff in acquiring skills and knowledge that they need at their work. This year, the Association continually held the Quality Service Workshops to strive for service excellence as well as to sharpen their communication skills. The Association also provided various training programmes for staff at all levels which covered languages, personal development and work application skills. Topics included mediation skills, mindfulness and English writing skills training. In order to facilitate career development and personal growth, more training modules will be conducted in the coming year for staff development.

IT Office

The IT Office has continued to implement the strategic programmes of the 2010-2015 ICT Strategic Plan in the past year including Finance Management System (FMS), Training Membership System (TMS) and Scout Group Management System (GMS). The email system (scout.org.hk) has been extended to cover all Scout groups to facilitate communication with members, parents and other organizations in their Scouting operations and activities. In addition, to promote the Scout Unit Portal (SUP), IT Office organized SUP Administrator Workshop in June and July 2014 to share the administration tips and different kind of plug-ins.

Estate Branch

Estate Branch is responsible for overseeing the property developments of the Association. The services it provides include management and maintenance of facilities at the Association Headquarters, sustainable development of Hong Kong Scout Centre, monitoring development and maintenance of B P International House, in order to ensure quality service as well as competitive edge. The Branch also provides technical advice on project management and tendering procedures for capital works of campsites, activity centres, youth service centres and other Scout properties.

Development of Association Properties

Foundation work of the redevelopment of 34 Oi Kwan Road in Wanchai commenced in October 2014 and was targeted to complete by end of 2015. Having taken forward the project design in accordance with the redevelopment scheme adopted by Executive Committee and with intensive liaison with concerned government departments and authorities, the General Building Plans, structural plans and drainage plans were approved in early 2015. The architectural consultant was now enhancing the building design and would submit the amended plans to Buildings Department for further approvals. The architectural consultant was also working at full steam with the quantity surveying consultant to prepare the tender documents and tenderer list for the superstructure works as well as to update the project estimate for securing approvals of relevant authorities and Lotteries Fund Advisory Committee thus commencing the construction by end of 2015 for completion in 2017. Besides, the User Requirement Working Group reached consensus with concerned user units on allocation of accommodations and standards for internal fitting-out / equipment for which the requirements would be incorporated into the superstructure tender.

As regards the energy-saving projects at Hong Kong Scout Centre including new air-conditioning chillers, hot water conversion system and lift modifications were largely completed. The Association was now closely driving the concerned consultants and contractors to complete the rectification and outstanding works. Further development of Hong Kong Scout Centre and other premises would be considered subject to the policy and development direction of the Association.

Capital Works for Campsites and Activity Centres

The Branch continued to oversee all Association-funded improvement projects at campsites and activity centres. Premises benefited during the year included Tai Tam Scout Centre, Gilwell Campsite, Pak Sha Wan Tam Wah Ching Sea Activity Centre, Tung Tsz Scout Centre, Choi Chee Ming Luen Kwong Scout Centre and Hong Kong Island Western District Headquarters. As regards the signage standardization works for all regions, district headquarters, campsites and activity centres, they were completed in May 2014. For the energy improvement works subvented by Environment and Conservation Fund, two of the four grantees, Gilwell Campsite and Pak Sha Wan Tam Wah Ching Sea Activity Centre, had already completed the works whilst Wong Siu Sang Leadership Training Institute and Tung Sin Performing Arts Centre would proceed in due course. The stability assessment cum site investigation works for the existing slopes in Pak Sha Wan Tam Wah Ching Sea Activity Centre, funded by Leisure and Cultural Services Department, was also completed in December 2014.

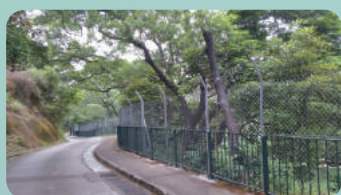

Projects under Campsite Development Fund were also moving forward. The consultant engaged by Tai Tam Scout Centre was preparing the tender documents for the improvement works to Bradbury Hostel Building, and it was targeted to commence the construction in the third quarter of 2015 for completion by end of the year. Upgrading works for the hygiene facilities of Pak Sha Wan Tam Wah Ching Sea Activity Centre had been commenced in March 2015 and was expected to be completed in May 2015. Gilwell Campsite was formulating its refurbishment works to Golden Jubilee House while Tung Tsz Scout Centre was devising the consultancy tender documents for its road improvement works.

Land Lease Renewals

The Branch continued to work closely with Home Affairs Bureau and Lands Department for renewal of the recreational land leases. Land leases for New Territories Regional Headquarters, Shatin Scout Centre and Kowloon Tong District Headquarters were renewed. Regarding the land leases for Hong Kong Island Northern District Headquarters, Gilwell Campsite and Pak Sha Wan Tam Wah Ching Sea Activity Centre, hold-over arrangements had been made. Lands Department would offer new lease terms and conditions, when available, for consideration of the Association.

Sectional Training Schemes

One of the major missions of Programme Branch this year was the implementation of the revised Sectional Training Schemes. After in-depth discussion and consultation from various parties, the new *Rover Scout Training Scheme*, new *Venture Scout Training Scheme*, new *Scout Training Scheme* and new *Golden Bauhinia Award Syllabus* have been launched accordingly. The new Schemes kept unique sectional characteristics and fit in with the present needs of youth members. Meanwhile, the new *Scout Standard Boat Syllabus* as well as *Scout Section Air Activity Programme Syllabus* and *Venture Section Aircrew Badge Syllabus* have been introduced in order to promote the development of sea and air activities respectively.

Territory-wide Sectional Competitions

To accommodate the unique characteristics and training of each section, highest honour competitions are organized to award the best team of the corresponding section. This year Programme Branch organized 3 competitions, namely "Hong Kong Carlton Trophy Competition 2014", "Hong Kong Venture Scout Competition 2014" and "Hong Kong Chief Commissioner's Shield 2015". Winners of the competitions fully showed their well-versed Scoutcraft knowledge and excellent teamwork spirits.

Connection between Sections

To reinforce the connection between sections in order to attract existing youth members to stay in Scouting, the "Venture Scout Link Badge" in Scout section has been launched. Simultaneously, to promote "Youth Involvement in Decision Making" policy, the Venture Scout Council took the lead to organize the "Hong Kong Venture Scout Summer Camp - Scouts University" this year. By virtue of various games and activities, participants knew more about the structure and operation of a Venture Scout unit, including better understanding on the sectional development trend.

Love and Peace

To enhance intimacy among people as well as between nature and men, Programme Branch carried out diversified programmes to spread the message of "Love and Peace" this year. One of them was the "Go Hiking" campaign which aimed at encouraging members to get closer with nature. After finishing specific routes, members would gain a copper badge as a gift. The campaign was welcomed by a thousand participants. In addition, to arouse the awareness of sustainability and preservation of natural resources among members, the Association took part in "Earth Hour 2015" held by World Wide Fund for Nature again. Members were encouraged to contribute to the sustainable development of Earth through charters of cloth, food, shelter and transportation. Spirit of communion was equally honoured. "Extension Scout Camp 2015" under the theme "We Can" was held. Extension Scouts were encouraged to participate in different Scouting activities and shared their pleasures. Besides, after years of development, the "Scout Blood Donation Activities 2014" recorded the highest number of blood donors which helped to contribute to the stability of blood supply.

Leader Training and Wood Badge

The Hong Kong Training Team organized 80 Wood Badge Training Courses (2,075 participants), 40 Skill Courses (970 participants), 7 Scoutcraft Accreditation Courses (60 participants), 30 Scoutcraft Accreditation Examinations (76 participants), 2 Basic Operations Courses (76 participants) and 3 Trainers' Basic Courses (72 participants). In total, 3,329 leaders enrolled for the aforesaid courses and 120 leaders attained the Wood Badge.

Course for Leader Trainers

The 3rd Course for Leader Trainers was held at the United College of the Chinese University of Hong Kong from 28 July to 1 August 2014. Nineteen participants comprised of 10 local and 9 overseas from The General Association of the Scouts of China, The Scouts Association of Malaysia, Boy Scouts of the Philippines and Scout Association of Hong Kong joined the event. Three overseas Leader Trainers from Asia-Pacific Regional Office, Scouts Australia and The Scout Association of Macau were invited as course staff. The Opening Ceremony was held at the newly renovated Training Centre at room 1104 at Hong Kong Scout Centre.

"Workshop on Pioneering Safety" and Course Content of "Pioneering Training Course"

To facilitate the implementation of *Safe Precaution in Scout Pioneering* issued by the Association, Training Branch has organized 10 workshops on Pioneering Safety this year for existing pioneering certificate holders. There were a total of 446 participants enrolled. The workshop mainly reviews and highlights the safety keys to Scout pioneering and the usage of pioneering equipment as suggested in the *Review Report of Pioneering Safety Measures*. The content of "Pioneering Training Course" has also been amended accordingly.

New Course

To develop and sharpen Scout Leaders' wilderness skills, the Scoutcraft Authority has introduced a new skill course on "Survival Skills". "Survival Skills" was one of the seven programmes of the Scoutcraft Accreditation Scheme, focusing on wilderness survival skills.

Sharing of Experiences

"Gilwell Reunion" was held at Yuen Long Pat Heung Central Primary School on 20 September 2014, a total of 179 Wood Badge holders attended.

"Trainers' Gathering" was held on 6 December 2014 at Hong Kong Scout Centre with a total of 173 participants. Mr Herman HUI Chung-shing, Leader Trainer, shared his experience in mediation. Participants had a great time sharing their experiences and enjoying the fun of activities like "Sharing of Overseas Training Activities", "Dialogue with Training Commissioner", "Board Games" and "Flight Simulator".

"SAS Social Gathering" was held on 8 March 2015 under the theme "Scout Pioneering" with a total of 120 attendances. Two competitions were held to showcase participants' capabilities in pioneering.

Training Resources

To provide a more comprehensive collection of reference materials for Scout leaders, Training Branch published a Chinese-English bilingual edition of *Scout and Spiritual Development* and a reference book of games for Scouts.

Overseas Training

Over the year, Training Branch delegated one Training Team member to attend the Workshop on Adult Support in Cambodia jointly organized by Asia-Pacific Regional Office and Cambodia Scouts.

Full Implementation of "JOIN US" Online Application System

"JOIN US" system provides an informative platform for Scout groups to recruit members openly. The system allows youngsters who are interested in Scouting to apply online thus making the application process simpler and easier. The system has been fully implemented in early 2015. Seminars and workshops were organized to encourage more Scout groups to use the platform.

Innovative Project to Support Scout Groups

With the aim of alleviating the issue of shortage of venues for Scout assemblies, the Association has introduced the "Extend School Partnership Scheme" to provide subsidies to Scout districts to rent appropriate venues for Scout meetings, so as to achieve the targets of retaining and increasing members.

In addition, the Development & Adult Resources Branch is compiling the *Meeting Guideline for Grasshopper Scout Handbook*, providing references for junior Grasshopper Scout leaders. The printing of the Handbook has reached its final stage and is expected to be distributed to all Grasshopper Scout Rings in the fall of 2015.

Happy Family - Home of Love

Home Affairs Bureau subsidized over \$500,000 to the Association for organizing 4 "Happy Family" thematic events this year. The "Home of Love", organized on 1 March 2015 at Tung Tsz Scout Centre, was one of the highlighted activities. Nearly 600 Scouts and their family members participated in various game booths and adventure activities, and enjoyed a great family day.

We Support "Hong Kong Food Wise" Campaign

To support the Government's "Hong Kong Food Wise Campaign", the Association organized the "Scout & Food Wise" Campaign. Various activities including "Food Wise" Comic Competition, "Don't be a Big Waster" Drawing Competition, and "Food Wise" Workshop were held to deliver the message of "Food Wise".

Moreover, officiated by Mr WONG Kam-sing, Secretary for the Environment, the "'Scout & Food Wise' Carnival cum 'Service Ambassador' Ceremony" was successfully organized on 21 March 2015 at Sha Tin Park. Nearly a thousand of Scout members and general public participated. Thirteen Scout units took part in the "Food Wise" Games Design Competition.

First Aid and Rescue

A total of 6 First Aid Certificate Courses and 12 First Aid Badge Training Courses for Scout Section were organized over the year, attended by 331 youth members and leaders. Besides, in consultation with members of First Aid Committee, Scout leaders and specialists, the editing of *First Aid Manual* was completed with the Forward addressed by Dr KO Wing-man, Secretary for Food & Health. The manual was in ring binding for easy updating in the future.

Take Action

"Try to leave this world a little bit better than you found it" is the last message of Lord Baden-Powell, founder of Scout Movement. He also taught us that real happiness was to share our happiness with others. To encourage Scout members to put Lord Baden-Powell's words into practice, Public Relations Branch launched the Theme of the Year "Take Action" campaign in 2014. Scout units organized different kinds of activities, such as social services helping the needy people, programmes educating environmental protection and heritage conservation. The activities aimed to bring more happiness to the neighborhood, society and locals, as well as to promote the idea of "Scouts are willing to make this world a little bit better than before". By the end of March 2015, more than 22,500 Scouts have taken their actions to participate the theme-related events.

Scouts of the Year

Since 1987, "Scout of the Year Selection" has been held annually to give formal recognition to the Scout members who have set the best example to their contemporaries and to arouse public awareness of the outstanding personality of Scouts. In 2014, 7 Scouts members were awarded the "Scout of the Year", making the total number of awardees to 168. Apart from participating in local promotion campaigns, Scouts of the Year will also take part in overseas exchange programmes to introduce Hong Kong Scouting to the world.

The Scout of the Year Association (SOYA) held its 5th Annual Meeting on 10 May 2014 and elected the members of the 5th Executive Committee. SOYA will continue to enhance bonding among fellow Scouts of the Year and keep contributing to the Scout Movement and the community.

Scout Parents' Day

Home Affairs Bureau and the Family Council continued to support the Association to launch "Happy Family Campaign" to disseminate the message of happy families. Public Relations Branch organized "Happy Family Campaign - Scout Parents' Day 2015" in February and March 2015. Family members of Scouts were invited to attend the group meetings and experienced the joy of Scout activities. Nearly 3,000 Scouts and their family members participated in the event and had fun together.

Promote Hong Kong Scouting

To further promote the Vision, Mission, Values and service of Hong Kong Scouting, Public Relations Branch filmed a new promotion video with the theme "Pass the Torch from Strength to Strength", using a new angle to introduce the development of Scout Movement in Hong Kong. Besides, different types of souvenirs, including plastic folder, memo pad, zipper bag and magnet, were produced and appreciated by the public.

With the popularity of information technology and online platforms, Public Relations Branch will target to make use of four channels to promote Scouting, as well as to deliver most updated Scouting news, namely: Social Media Platform, Peer Marketing, Scout TV and Live Broadcasting, creating a young and chic image of Hong Kong Scouting. Youth members will also be invited to join the promotion team to bring in new visions.

International Branch is responsible for linking up Hong Kong Scouts with other Scouts around the world. Over the year, more than 1,700 Scouts travelled to 26 countries and regions to take part in various Jamborees, seminars and exchange activities, whilst some 600 Scouts from 10 countries paid visit to Hong Kong and joined our activities. Highlights of some of these activities are as follows:

8th Asia-Pacific Regional Scout Leaders Summit (26-29/4/2014)

Chief Commissioner Mr CHEUNG Chi-sun, Deputy Chief Commissioner Mr NG Ah-ming, International Commissioner Mr Alexander WONG and Chief Scout Executive Ms Evita LEE attended the 8th APR Scout Leaders Summit in Sri Lanka in April 2014 with the top National Scout Leaders of other National Scout Organizations in the Region, also representatives of the WOSM and APR Scout Committee for discussing the way forward.

40th World Scout Conference (11-15/8/2014)

Hong Kong was represented by a 16-member delegation at the 40th World Scout Conference held in Slovenia in August 2014 to map out the future development strategies of Scouting with representatives from all the National Scout Organizations worldwide. The report of the 1st World Scout Education Congress hosted by our Association in November 2013 was presented during the conference and received high commendation and applause for the great success of the event.

Key Appointments in the World Organization of the Scout Movement (WOSM)

Our members were continued to be appointed or re-appointed to serve the World Scout Movement, contributing to the strategic planning of World Scouting. These appointments included the Chairman of WOSM Finance Committee (Mr Joseph LAU, Deputy Programme Commissioner), Member of the Board of World Scout Foundation (Mr Alexander WONG, International Commissioner), Treasurer of Asia-Pacific Region (Mr Paul HO, Chairman of Hong Kong Scout Foundation Management Committee), plus other appointments in various sub-committees in the Asia-Pacific Region.

12th World Scout Youth Forum (4-7/8/2014)

Three youth members of our Association attended the 12th World Scout Youth Forum which was also held in Slovenia before the 40th World Scout Conference. 176 participants from 72 National Scout Organizations shared their views on different aspects of World Scouting in this 4-day Forum, followed by a submission of proposed amendments to the Triennial Plan 2014-17 and draft resolutions to the conference, demonstrating the youth engagement in the Scout Movement.

Visit of Dr Jane GOODALL (21/11/2014)

Dr Jane GOODALL, the world famous ethologist, visited Hong Kong in November 2014 and delivered a talk to our members and the public to share her experience and challenges on her study of chimpanzees in the last 50 years. Dr GOODALL encouraged the audience to protect the earth by taking action in protecting the nature, community and animals.

Mainland Affairs

This year, over 800 members visited different Mainland provinces to carry out service programmes and cultural exchange activities. In the same period, around 1,000 Mainland youths paid visit to our Association Headquarters or took part in our activities. Highlights of these activities are as follows :

Workshop for Mainland Exchange Activities (19, 22, 25/5/2014)

The Workshop for Mainland Exchange Activities was held in May 2014. Some 30 members shared the experience in organizing Mainland exchange programmes for Scout members, and acquainted themselves with knowledge of the administrative division and government structure in Mainland. The workshop was concluded by a day visit to Shenzhen Youth Federation and Shenzhen Adolescent Activity Center to share the development trend of youth programmes in Hong Kong and Mainland.

10,000 Miles Friendship Trek (29/6-7/7/2014)

Introduced since Year 2002, "10,000 Miles Friendship Trek" enables participants to enhance the knowledge of the history, culture and economic development through excursion activities of our homeland. A joint delegation of around 280 members coming from our Association and other 12 Youth Uniformed Groups went to Beijing and Ningxia in June and July 2014. The teenagers attended the Youth Meeting under the National Flag programme in Beijing followed by a number of excursions and exchange activities at Yinchuan in Ningxia.

Community Service Programme in Sichuan (25-31/12/2014)

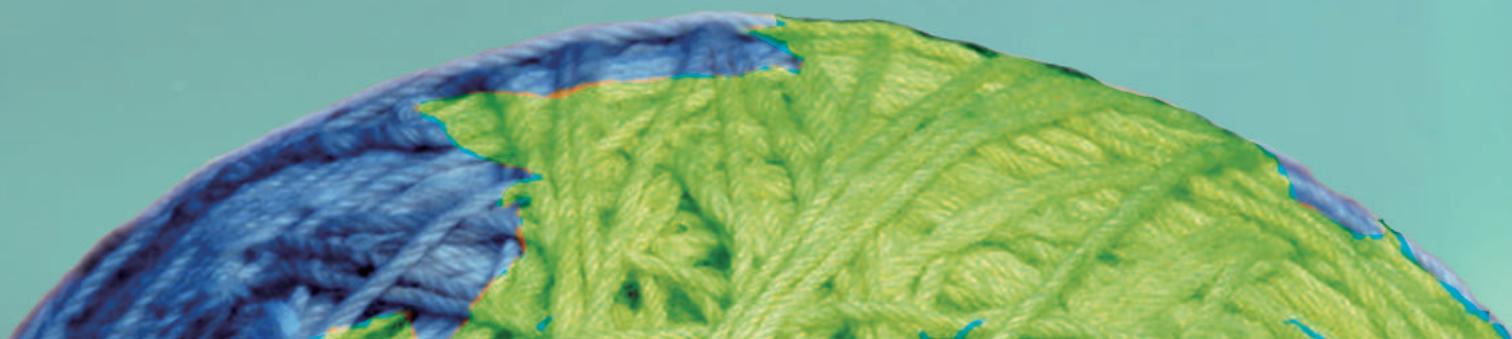

In December 2014, a contingent of 18 members visited Mianyang in Sichuan and delivered a 4-day community service programme to the children in the rural area to fulfill the Scout Promise to do our best to help others. Dozens of Sichuan youths joined in . After the community service, the contingent visited the Beichuan earthquake site and various attractions at Chengdu and other areas to acquire a better understanding of the Mainland history and culture.

Sichuan Service Projects

After the earthquake of Sichuan in 2008, our Association was subsidized by the HKSAR government to assist in the reconstruction of Mianyang City Youth Activities Centre and Deyang City Youth and Children Palace. Hong Kong Scouts were committed to implement a 5-year Sichuan Youth Quality Training Project since 2012. Having entered the third year of the project, our volunteer team together with a team of Mainland volunteers provided a variety of training and activities to the Sichuan youths, and supported the psychological rehabilitation of the youngsters of Mianyang, Deyang and the surrounding earthquake affected areas.

Regions

Hong Kong Island Region

Support Frontline Leaders

The contribution of volunteers is the essential part for the success of Scout Movement. To deal with the problem of losing Scout leaders, more up-to-date programmes were designed by the Association to recruit, retain and support frontline leaders. Working with the Association Headquarters, Hong Kong Island Region (HKIR) organized a retreat in 2014 with the theme "Take Action, Support Frontline Leaders" and 14 action items were set. The publication of leader handbooks was one of them. A working group was formed and spent more than half a year to publish two general teaching materials, the *Scout Section Leader Handbook* and *Venture Scout Section Leader Handbook*. The handbooks provide useful materials for frontline leaders in organizing Scout meetings and activities.

Major Events and Community Services

The major events of the HKIR this year were all in line with the annual theme of the Headquarters. Some of the highlights included the followings: the theme of the "Island Scout Day 2014" was "Take Action, Cherish and Care"; a "Food Donation Campaign" was organized in the "Island Scout Trial Walk 2015"; the theme of the "Take Action, Regional Staff Retreats" workshop was "Support to Frontline Leaders". The idea of "Take Action – Caring the Community, Serving the Others" was further promoted through different activities.

The HKIR has expanded its community services as well, not only to the elderly, disabled, mentally retarded, children from low-income families, but also to the ethnical minorities living in Hong Kong. Through organizing the "Ethnical Minorities Camp", our Scout members and children of different races enhanced their mutual understanding, learnt how to get along with others and tried to build a more harmonious society together. In the previous year, with the support of all districts and Scout groups, we took part in 342 social services, with 6,293 participants. The total service hours exceeded 59,068 hours. A total of 50 Scout groups had taken part in the community service project co-organized by the HKIR and its partner social welfare organizations. More than 29 Scout groups were presented with the recognition awards and certificate of appreciations which was a remarkable success.

Youth Activities

The core work of Scouting is to nurture the youth. The Scout Association engaged in the non-formal education of youngsters and provided them with a wide range of activities and trainings. Based on the spirit of Scouting and using Scout skills as the backbone, the HKIR continued to arrange different activities and training courses for youth members. A total of 118 activities, training courses and competitions were organized in the year. The number of participants exceeded 8,399.

Among various territorial Scout competitions, HKIR again obtained excellent achievements, including the followings: the 229th Hong Kong Group was the Champion of the Hong Kong Chief Commissioner's Shield; the 1st Hong Kong Group and the 10th Hong Kong Group were named the overall Champion and the 1st runner-up of the Venture Scout Competition 2014 respectively. In relation to the sectional highest award, 226 Cub Scouts have obtained the Golden Bauhinia Award; 40 Scouts have obtained the Chief Scout's Award, and 12 Venture Scouts have obtained the Dragon Scout Award.

Leaders Training

In order to raise the quality of leaders training, the theme of the Training Team was "Personal Development, Skills Improvement". All members would play their strengths and continue to improve themselves in regards of training methods and training efficiency. Apart from senior training team members, young leaders were also invited to join the team so that successors could be trained as well. Thirty training courses and workshops were successfully organized and 841 leaders have participated in these trainings. Among them, 12 leaders were awarded the Wood Badge.

Tai Tam Scout Centre

In order to improve the quality of services and competitiveness of the Tai Tam Scout Centre, a series of renovation works were about to start. The improvement works of the canteen and the dormitory would be completed by the end of the year which provide a more comfortable environment to campers. On the other hand, new services were provided by the Tai Tam Scout Centre including farming and gardening experience which helped raise the Scouts' awareness on environmental protection and conservation of nature; the set up of a weather station would also be explored in the future. A total of 47,000 people have used the Tai Tam Scout Centre this year, marked an encouraging 95% of usage rate.

To echo the Association's Theme of the Year "Take Action" and our Motto "Be Prepared", Kowloon Region organized various initiative projects in 2014-2015 and, with the continuity of these projects, looked to equip Combined Staff of the Region with new knowledge and knowhow to meet the ever changing needs of our youth members.

Promoting Scout Movement

We took our activity outside Scout Association. After more than a year of liaison and planning, a personal growth and leadership training programme known as "Challenge Unlimited" was held in December 2014. It comprised a two-night lecture and one over-night camp and more than 30 students of Hong Kong Baptist University participated. Through adventure-based training, Scout training and lectures on quality-of-life enhancement, these students were encouraged to develop their potentials and leadership abilities.

In the long run, we hope that the students could apply what they learned to their daily lives and contribute to society. Of course, it would be a bonus if, as a spinoff from the programme, they develop an interest in Scouting and become part of the Scout Movement themselves.

Setting our Goals

Everything starts with a good planning. In January 2015, a Commissioners' Retreat was organized for Commissioners of rank V or above. The Retreat adopted the Association's Theme of the Year "Take Action" to review the past and plan for the future with the aim of setting an efficient division of labour. The Commissioners shared their experience on the levels of current work in the districts and the Region and discussed how to build a strong team and develop continuous management. Various proposals were suggested which set forth short term and long term plans.

Continuous Development

To follow up with what was discussed in the Commissioners' Retreat, two working committees: Performance Evaluation Working Committee and Continuing Professional Development Working Committee would be set up. The committees aim to serve as bodies to review the present efficiency of work, develop a self appraisal system, encourage continuous learning and improve professional standards of our frontline leaders. Through these works, our leaders could grasp up-to-date information of the Scout Movement and familiarize themselves with general administrative work. This could benefit the development of Scouting in Hong Kong and bring the movement to future heights and dimensions.

Campsite Optimization

Gilwell Campsite is set on a beautiful natural landscape and is perfect for large-scale camping and Scout training. The energy saving project that had been put in place the previous year to make the Campsite more ecofriendly was completed. Improvement works at the Campsite continued with the maintenance of the Golden Jubilee Lodge as well as Road Paving Improvement Works. These were important improvement works as they render the Campsite more user-friendly.

Membership Growth

Membership loss has always been our concern. Looking back to the past year, we worked hard to minimize it by introducing a number of attractive activities. Yearly Statistics of 2014 showed that there has been a slight increase in number of Scout members, leaders and groups in Kowloon Region. The results are encouraging. Looking ahead, we shall continue to improvise and look to optimize our future works for the development of Hong Kong Scout Movement.

East Kowloon Region continued to work on the development of potential youth members by organizing a wide range of projects, competitions and activities in 2014-2015.

Highest Progressive Awardees' Gathering

In order to enhance the cohesiveness and share their happiness of the youth award recipients in the Region, a Highest Progressive Awardees' Gathering was held on 23 November 2014 at Hong Kong Scout Centre. We were pleased to have Ms Lina YAN Hau-ye, Regional Chairlady, to share her life experience with the youth members. A commemorative album was made to record and share the joy and thankfulness with their families and friends.

Explore Asia Trilogy (II) - Mountain Fuji Challenge

After the Great Snow Mountain Challenge in 2012, Mountain Fuji Challenge was organized from 3 to 10 August 2014 which aimed at broadening the horizons, being respectful and humble towards the nature, exerting Scouting spirit and enhancing expedition skills of Scout members. Twenty four members of our Region have participated in trekking and over 90% of the participants successfully climbed up to the peak. Apart from trekking, the participants also visited Scout Association of Japan and met with the Japan Scouts.

Young at Heart Camp

Young at Heart Camp was held from 25 to 28 December 2014 at Wu Kwai Sha Youth Village. It was excited to have nearly 1,400 Scouts from the Region, as well as Nanchang Children's Palace, Scouts from Taiwan, Macau and Malaysia joined together in the camp. The theme of the camp was a fantasy story. Campers acted as heroes to protect the endangered animals by participating in different activities. The camp signified to spread the message of environmental protection, explore youth's interests and creativities by organizing various challenging activities. All campers enjoyed a pleasant camping time.

Pak Sha Wan Tam Wah Ching Sea Activity Centre

Pak Sha Wan Tam Wah Ching Sea Activity Centre keeps up its effort in promoting sea activities by organizing different trainings in the hope of encouraging more members to participate in sea activities. Pak Sha Wan Kayak Racing League held in 2014 was an activity to promote canoe activities to Scouts. At the same time, the Centre keeps up the effort in enhancing facilities and improving its environment. In 2014-2015, the Centre upgraded its energy efficiency performance by replacing the old electrical appliances by high energy saving lighting and air conditioners. To tie in with different types of activity, and to encourage diversified development of youth members, the Centre purchased different kinds of boats and facilities. By launching these series of improvement projects, members would be able to enjoy the activities and facilities in a more comfortable, safer and better equipped centre.

Remarkable Milestone

Due to a considerable growth of youth population in Lantau Island in recent years, New Territories Region (NTR) has established the 11th district, the Lantau Island District, on 1 October 2014. The District will focus on promoting Scout activities and recruit more youths to join Scout Movement in the area. On the other hand, NTR Marching Band Committee has been set up to provide marching band trainings to members in order to develop their musical potential and build up their team spirit.

New Territories Regional Camp 2014

New Territories Regional Camp was held in December 2014 at Kam Tin Country Club. The green environment of the campsite offered a brilliant place for camping. With the theme "Back to the Farm", participants joined various kind of activities including "Cycling Tour to Historic Spots", "War Game", "Camp Fire", "Helicopter Ride" and "International Night". Over 1,200 campers and 800 Open Day participants joined and had a good time in the camp.

Campsite Development

The redevelopment project of Tuen Mun Diamond Jubilee House has been started in 2014. High event facilities will be set up to provide adventure training; construction works in Tung Chung Scout Centre will begin in mid-2015 and is targeted to provide service in 2016. Besides, improvement works for Tung Tsz Scout Centre and Choi Chee Ming Luen Kwong Scout Centre have been completed to provide better service to the campers. Another improvement work in Tai Mei Tuk Sea Activity Centre is under planning and will be started in the coming year.

The Way Forward

Mobile applications are very popular nowadays. The Region keeps abreast of time designing a mobile app uploading most updated Scout information, such as regional news, Scout training materials and activities photos. It serves as a platform which allows better communication among Scout members.

New Territories East Region

Progressing from 2014 to 2015, all units of New Territories East Region (NTER) have successfully implemented their plans in accordance with the Region's strategic planning, and the number of youths achieving the highest awards has grown from 209 for the Year of 2013 to 252 for the Year of 2014, with the total number rose by 20%. The result is impressive. The Youth Programme has been developed to include some other interesting activities. Apart from the existing aviation, maritime, orienteering, environmental protection, archery, shooting and photography, a new Adventure Club and the Sea, Land and Air Activities Carnivals are in place to enrich the overall Youth Programme.

Encouraging the Achievement of Highest Awards

As at 31 December 2014, NTER had a total of 11,518 members and 226 Scout groups. The Region had organized 32 youth events and 42 leader training courses with 21 leaders successfully completed the Wood Badge Training. The number of Scouts achieving the highest awards reached 252, including 194 Golden Bauhinia Awards, 47 Chief Scout's Awards, 9 Dragon Scout Awards and 2 Baden-Powell Awards. The overall results are encouraging.

Events celebrating the 15th Anniversary of NTER

A series of special events were organized to celebrate the 15th Anniversary of NTER. These included the Kick-off Ceremony of the 15th Anniversary, the 3rd Jamboree for Youth Development of NTER, NTER Footdrill Competition cum Fight Crime Carnival, Dragon Boat Competition of Scout NTER and the 15th Anniversary Fellowship Dinner. These major events were rolled out consecutively throughout the year for all members to celebrate the precious time of the Region.

3rd Jamboree for Youth Development of NTER

The 3rd Jamboree for Youth Development of NTER was held between 24 and 27 December 2014, the number of participants was 1,532 and over 30 activities/events were organized. Some were popular youth games, such as Running Man, Secret Room Escape, Remote Control Helicopter, Bubble Soccer, Human Table Football and so on. In addition, the golden tokens were used to attract members to participate in the activities and they could exchange the activity memorial badges of 8 districts by using the earned golden tokens, and further they could exchange the great memorial activity badge by using the districts badges. There had been 10 years after last NTER Jamboree and it was a good opportunity for our members to share the joy of camping again and to experience the innovative and interesting adventures.

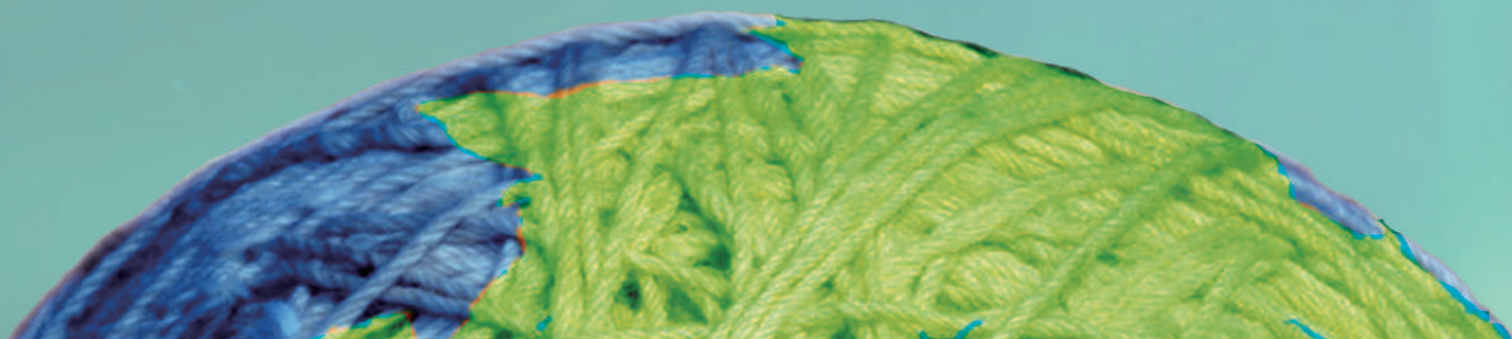

Development of Members, Resources & Strengthening of Governance

Development of resources, identification of new campsites, enhancement of quality of leaders and members, strengthening the governance of Scout districts for Scout group support and expanding of Scout membership are the key tasks for the upcoming year. NTER will keep looking for appropriate campsites, executing plans for establishment of new Scout groups and providing guidelines to districts on proper governance and improvement on the support to Scout groups. The Region strives to maintain good quality and performance of major Scout events, encourage and assist the members to attain the highest awards with the aim to achieve excellence and perfection in all areas of development.

Headquarters Subsidiaries

Training Courses accredited under Hong Kong Qualifications Framework (QF) Level 3

After accredited under the Initial Evaluation Status and Programme Validation of the Hong Kong Qualifications Framework, Leadership Training Institute (LTI) delivers three QF Level 3 learning programmes, namely, *Certificate in Leadership Skills*, *Certificate in Expedition Skills* and *Certificate in Adventure Education: Principles and Application* periodically. Ten courses have been conducted and a total of 139 participants have successfully completed the courses since 2013.

Training Programmes in Wong Siu Sang Leadership Training Institute

A variety of training programmes related to adventure education have been organized for our members and the general public. For the year of 2014 and 2015, LTI has offered 215 programmes for 70 units with a total of 11,771 participants.

Scout Association of Hong Kong Aviation Training Centre

Mr Norman LO Shung-man, Director-General of Civil Aviation, and Mr NG Ah-ming, Acting Chief Commissioner, officiated at the Opening Ceremony of Aviation Training Centre while the sponsors of flight simulators, Mr William KWAN Cheuk-yin, Mr LI Fung-lok and Mr Thomas WU, officiated at the Kick-off Ceremony of flight simulators on 9 November 2014. Witnessed by 220 guests, the Ceremony was followed by the Open Day of the Centre and the Appointment Ceremony of Instructors of the Aviation Training Centre. As at 31 March 2015, 4 flight simulators have flown 520 hours in which 238 hours are used for training.

Training for Sichuan Volunteers

Senior Instructors of Wong Siu Sang Leadership Training Institute provided adventure-based training for the volunteers of "Sichuan Youth Quality Training Project" in Sichuan between 24 and 27 November 2014. To further enrich the experiences of the learners, LTI, in collaboration with the Mainland Affairs Branch, offered a QF Course – *Certificate in Adventure Education: Principles and Application* for 8 participants between 23 and 27 February 2015 in Hong Kong.

Leadership Training for Tertiary Institute Student

With the recognition of tertiary institutes, LTI designed and delivered a general education elective course "Leadership in Practice" for students of United College of The Chinese University of Hong Kong since 2008. Fourteen cohorts of students with a total of 303 students have successfully completed the courses. Also, LTI and PolyU-SPEED jointly organized a credit bearing general education subject "Leadership in Practice". In the academic year of 2014-2015, 404 students have successfully completed the subject.

Exchange with Primary and Secondary School Teachers

Forty vice-principals and subject panel heads from primary and secondary schools visited our Association Headquarters on 16 March 2015. The sharing and exchange of experiences enhanced their understanding of the Scout Movement and the Vision and Mission of the Association. On 11 April 2014, 6 professors from Institute of Education of National Cheng Kung University of Taiwan paid visit to the Association Headquarters to investigate the provision of "Spare time Education" in Hong Kong and how the Association worked with the local formal education sector.

The Friends of Scouting (FOS) is a subsidiary of Scout Association of Hong Kong. It assists the Association in extending its services to non-Scout youth and providing social service in response to the needs of the community.

"Creating favourable circumstances for young people to develop themselves and make contribution to the community" is FOS's mission statement. The services of FOS include Integrated Children & Youth Service, School Social Work Service and Comprehensive Education Service. FOS is also the Sponsor of 8 Scout groups.

Integrated Children & Youth Service

In 2014-2015, both centres organized dance programmes to enhance the self-discipline of youth at risk and to facilitate their goals setting. "IDANCE" Project of the centre in Long Ping and "Blue Sky Stage" Project of the centre in Kai Yip have successfully developed our clients the sense of achievement in two great variety shows.

Besides, FOS has given special attention to ethnic minorities and launched various programmes. "FOS Fun Day" with over 200 participants was a good demonstration of our effort. Both local and ethnic minorities got a better understanding of each other while having fun.

FOS also tried their best to serve different needy groups in the community. For example, they have launched "Internet Learning Support Programme" in Yuen Long and Kwun Tong. Furthermore, "Active Heart of Children" was launched to support Attention Deficit/Hyperactivity Disorder (ADHD) students and their families and "Know the Future" Project for non-engaged youth. All the projects have shown good results in general.

School Social Work Service

School Social Work Service Team provides stationing service for 10 secondary schools in Yuen Long and Tuen Mun. Services include individual counselling service, group and developmental work, parent education and community services. In 2014-2015, our school social workers organized 300 programmes/groups with the theme "Healthy Life" for 31,763 students. Regarding the nature of 996 handled cases, the major concern was "School-related Issues" (38%). On the whole, school Social Work Service Team achieved the designated objectives and was highly appreciated by the schools.

Education Service

The Education Centre aims at developing various academic and interest courses in providing learning opportunities to people of different walks of life. It conducted 642 courses from April 2014 to March 2015, including 566 non-subservent courses and 76 subservent courses comprising 10 courses of Adult Education and 66 courses funded by Employees Retraining Board. The total number of enrollment was 5,553 of which 73% was children or youths.

Over the year, we have recommended 114 of our London College Music course students to take the "Say It With Music-Early Learning Group Stage 1" exam and there were 97 students awarded with distinction. The results speak volumes for our programme quality.

45th Anniversary Activities

In commemoration of the 45th Anniversary of the FOS in 2014, a series of activities were organized with the theme "Encouraging and Caring". Activities including Events Kick-off Ceremony, 45th Anniversary Camp, Talent Show 2014, Street Dance Battle, "More Music More Care" Concert, etc. were held to share the fruitful result in our service to the youths.

The Baden-Powell Scout Club of Hong Kong

Fellowship with BP Spirit

The establishment of Baden-Powell Scout Club of Hong Kong (BP Club) is to maintain the ties and friendship among serving and retired/resigned Scout members in Hong Kong. Members are encouraged to uphold the spirit of Scouting by serving the community. The number of members continuously increased for the last 5 years. In 2014-2015, the number of club member is 1,119 with 685 affiliated members from 10 Sub Clubs.

35th Anniversary

A series of activities were held to celebrate the 35th Anniversary of the Club, including "Malaysia Trip", "The Litchi Journey in Zengcheng", "The Trip in Qinghai, Gansu and Ningxia", "Winery Tour in Shandong", "Day Trip in Hong Kong Global Geopark of China", "Friendship Camp 2014", "The Quintessence of Chinese Culture Competition 2014" and "Elderly Assembly", etc. There were 3 highlighted outbound tours for our members. The first was the exchange activity with Malaysia Scout Club. Participants visited the local school-based Scout groups and joined their Scout activities. Second, the trip to Qinghai, Gansu and Ningxia was held between 8 and 13 May 2014. Participants visited local famous landscape, experienced the ancient transport — lambskin raft and drove buggies cross the dune area. Last but not least, "Winery Tour in Shandong" organized a visit to the winery facilities in Shandong where the participants had an opportunity to understand the process of wine making. In addition, the "35th Anniversary Gala" was held on 28 November 2014. The Gala Dinner was officiated by Mr Raymond TAM Chi-yuen, Secretary for Constitutional and Mainland Affairs, Mr LI Fung-lok, Chairman of AHQ Executive Committee, and Mr CHEUNG Chi-sun, Chief Commissioner.

Various interest classes

BP Club organized various interest classes for members. "Colorectal Cancer Seminar" hosted by medical professional was held on 25 May 2014. The Seminar enabled our members to understand more about the disease. The opening hours of BP club gathering room was extended during World Cup 2014. The extension provided an opportunity for members to get together to enjoy the quadrennial event. "Taichi Sword" class and the "Erhu" (Chinese Violin) class were the two shining stars which attracted a lot of members to attend. The Club also held a brand-new dancing class to provide more diversified activities to members.

Other Activities

The "Wine Society" held 5 wine tasting gatherings for members last year, including "Cyprus Wine tasting", "Italian organic wine tasting", etc. "Wine dinner" was also held on 20 March 2015 which provided an opportunity for members to understand different collocation of wines and dishes. The "Chinese Opera Society" held "Cantonese Opera Fun Day" in Kwun Tong Community Centre on 8 March 2015, sharing the beautiful music and songs with all audiences.

The Scout Shop of Hong Kong

In the past year, the Scout Shop keeps on providing inexpensive and great value products to Scout members, enhancing customers' shopping experience by improving shop facilities as well as the display, which are always our prime mission. Going into 2015, our shop will strengthen the linkage with other Scout Shops around the world. Other than searching for attractive Scouting products globally for local Scout members, we will also try to promote Hong Kong Scouting products to our global counterparts, so as to upgrade the image of Hong Kong Scout as well as improving bilateral business development.

Main Shop in Hong Kong Scout Centre

New elements had been introduced to the Scout Shop in the past year. Various outdoor product brands and global Scouting souvenirs have been launched. Publications of various categories, such as language learning, spiritual enlightenment and live encyclopaedia, were introduced to provide more choices to our customers. The revamp of fitting rooms improved the shop image and customers' shopping experience. Also, in support to the Association Headquarters in revising Sectional Training Scheme, the Scout Shop played the role to source quality suppliers to print the certificates and reproduce badges etc. in accordance with the changes. Furthermore, in 2015, we worked with Victorinox to develop crossover product series, which received positive responses. In future, we will continue to observe and search for more products to meet the customers' needs.

Internet Shop

The Internet shop of the Scout Shop (www.scout.org.hk/shop) has been launched since March 2011. At the moment, registered members are more than 1,300. The establishment of Internet shop enables customers to browse and purchase our products anytime anywhere. In 2015, we will liaise with overseas Scout Shops to explore various co-operation possibilities, in a hope to enlarge mutual customer base and ultimately enhance mutual business.

Scout Shop Facebook Page

On-line social networking is an important platform. Our Facebook Page has been set up since February 2011. It serves to disseminate updated news, promote special sales activities and collect customers' responses. With more than 1,500 "like" from the public, we will continue to use this platform to interact with our customers and attract more Scout members to join and share our news accordingly.

Outlet in the Hong Kong Wetland Park - The Plumage

Upon completion of agreement, the Plumage was closed at the end of December 2014. During the period, various products were developed to raise people's awareness on wetland and environmental protection. Such product diversification in return did help to improve the overall profitability.

The Commissioners' Club

Commissioners' Club located on the 8th floor of the Hong Kong Scout Centre has more than 4,700 members. It offered a well equipped and elegant meeting place to enhance fellowship among members.

A well-equipped Commissioners' Club

With the aim to provide members with a variety of choices, the Club is featured with the following facilities : Kum Tao Heen, Impeesa Bar, Brownsea Lounge and Gilwell Corner. Kum Tao Heen, a comfortable venue which serves Cantonese cuisine, is in-charged by renowned chefs. Impeesa Bar is an ideal place for social gathering with fellow Scouts, friends and members. Brownsea Lounge, covers an area of 4,000 square feet for BBQ fun, is also a good place for lawyers to witness weddings. Gilwell Corner, a café for chit-chatting and social gathering, offers other choices of fast food.

Activities

Two activities were organized during the year. The Wine Tasting Party held on 5 December 2014 introduced various wine from France, Chile, Australia, New Zealand and Serbia. The sommelier from wine company shared his professional knowledge in wine with our members. The other event was the annual banquet to celebrate the Lunar New Year with around 200 members and guests. It was highlighted by the live band performance and lucky draw.

Benefits

Free Drinks (beers and soft drinks) at Impeesa Bar from 18:00 to 20:30 is available for members every Friday. Club members also enjoy the benefit of Members' Birthday 20% off coupon and discounts on designated red wine, chiropractic service, car petrol and home drinking water system.

Support the Scout Movement

Since 2001, 50% of the net income has been transferred to the Association Headquarters for the promotion and development of the Scout Movement.

Hong Kong recorded a strong increase in the number of visitors over 2014-2015. In parallel, the number of hotel rooms also went up by close to 5,000 in the span of two years. Therefore, competition amongst local hotels was tough.

Hong Kong's tourist industry is facing various local and global challenges. Globally, the continuous strengthening of US Dollars against Hong Kong Dollars made Hong Kong a more expensive place to visit. The Eurozone crisis has made Japan, Korea and Europe more attractive than Hong Kong. There have been an increased number of travelers to visit these countries as tourist destinations. With its open-sky policy that promotes low cost carriers and relaxations in visa application, Japan is now Hong Kong's major competition for Mainland visitors. Unstable political situation has deterred tourists, making them reluctant to visit Hong Kong.

B P International House ("BPIH") registered a slight decrease in occupancy rate from 95.12% in 2013-2014 to 94.52% in 2014 – 2015.

With the ever growing usage of e-commerce on a global scale, e-commerce platform has become an irreplaceable sales distribution channel. During 2013-2014, BPIH e-commerce platform recorded a significant increase in usage. To maintain positive results in occupancy rates, BPIH has implemented various strategies and improved the service quality by delivering a superlative guest experience to all its patrons. The newly launched Deluxe Harbour Parkview Rooms are designed with the diverse needs of today's travelers in mind. The fresh colour-tone rooms come with laptop docking systems and deluxe bathroom amenities.

BPIH's efforts in room enhancement have earned global recognition from the industry, as evidenced by winning the AsiaRooms.com's Top Rated Hotel Award 2014, and the Agoda Gold Circle Award for two straight years in 2013 and 2014.

Beginning in mid-2014, BPIH has focused on expanding local market share with an offer of a unique all-new food and beverage experience to guests. The tea buffet menu has been renewed, not to mention the scrumptious signature dishes, which is the attraction of the town. Guests can make table reservations through Paypal online.

Café by the Park offers different themed buffet all year round. At the Flamingo Lounge, guests can relax in the new style of the live band performance. Both venues have won the 2014 Quality Tourism Services Merchant Award by the Hong Kong Tourism Board. And, Gordon Wu Hall was named Quality Wedding Merchant by the Hong Kong Productivity Council in 2014.

Going forward, BPIH will expand the MICE (Meetings, Incentives, Conventions and Exhibitions) market and promote the Gordon Wu Hall as a multifunctional venue for a great range of occasions, which is expected to make a significant contribution to raising market competitiveness. As before, BPIH will continue to develop and maintain close relationships with key business partners such as Hong Kong Tourism Board, event organizers and meeting planners.

BPIH has great confidence in future performance. Expansion in the online reservation system will continue to further grow the e-commerce business, drawing in more business partners. BPIH is also exploring actively the feasibility of online marketing and promotion as a substitute for traditional newspaper and magazine advertising. BPIH sees a great profit potential in the coming home porting of new 150,000 tonnage cruise ships in 2016, the completion of the Guangzhou-Shenzhen-Hong Kong Express Rail Link in 2017 and, further on the horizon, the completion of the third airport runway in 2023, all of which will draw in tourists from around the world. Meanwhile, BPIH will continue to pursue local business opportunities by monitoring the development of the West Kowloon Cultural District.

Independent auditor's report to the Council of Scout Association of Hong Kong

(Incorporated under the Scout Association of Hong Kong Ordinance)

We have audited the financial statements of Scout Association of Hong Kong (the "Association") set out on pages 3 to 48, which comprise the statement of financial position as at 31 March 2015, the statement of income and expenditure, the statement of comprehensive income, the statement of changes in funds and reserves and the cash flow statement for the year then ended and a summary of significant accounting policies and other explanatory information.

Responsibility of the Executive Committee for the financial statements

The Executive Committee is responsible for the preparation of financial statements that give a true and fair view in accordance with Hong Kong Financial Reporting Standards issued by the Hong Kong Institute of Certified Public Accountants and for such internal control as the Executive Committee determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. This report is made solely to you, as a body, in accordance with our agreed terms of engagement, and for no other purpose. We do not assume responsibility towards or accept liability to any other person for the contents of this report.

We conducted our audit in accordance with Hong Kong Standards on Auditing issued by the Hong Kong Institute of Certified Public Accountants. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Executive Committee, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

1

Independent auditor's report to the Council of Scout Association of Hong Kong (continued)

(Incorporated under the Scout Association of Hong Kong Ordinance)

Opinion

In our opinion, the financial statements give a true and fair view of the state of the Association's affairs as at 31 March 2015 and of its surplus and cash flows for the year then ended in accordance with Hong Kong Financial Reporting Standards.

W. M. Lee

Scout Association of Hong Kong
Financial statements for the year ended 31 March 2015

Notes to the financial statements (Expressed in Hong Kong dollars)

1 General information

(a) Organisation and activities

Scout Association of Hong Kong (the "Association") is a body corporate with perpetual succession established under the Scout Association of Hong Kong Ordinance (Chapter 1005 of the Laws of Hong Kong) for the purpose of furthering and providing the Scout Movement in the Hong Kong Special Administrative Region ("HKSAR").

The Association established The Hong Kong Scout Foundation in accordance with the Scout Association of Hong Kong Ordinance. On cessation or dissolution of the Foundation Management Committee, the Association would be the legal owner of all funds and assets under the name of the Foundation.

(b) Operations included in the financial statements

The financial statements include the operations of the following:

- Headquarters of Scout Association of Hong Kong ("Scout Headquarters");
- The Hong Kong Scout Foundation ("the Foundation");
- The Scout Shop of Hong Kong ("Scout Shop");
- B P International House ("Hotel operation");
- Hong Kong Island Region, Kowloon Region, East Kowloon Region, New Territories Region and New Territories East Region, including New Territories Region Development Fund Commission and New Territories Campsites & Sea Activities Centre Development Fund (collectively known as "the Regions"); and
- Gilwell Campsite, Pak Sha Wan Tuen Wah Ching Sea Activity Centre, Tai Tam Scout Centre, Tung Tin Scout Centre, Shatin Scout Centre, Tai Mei Tuk Sea Activity Centre and Choi Chee Ming Luen Kwong Scout Centre (collectively known as "the Centres").

9

Scout Association of Hong Kong
Financial statements for the year ended 31 March 2015

1 General information (continued)

(b) Operations included in the financial statements (continued)

Their principal activities are as follows:

Scout Headquarters, the Regions and the Centres

furthering and promoting the Scout Movement in the HKSAR.

Hong Kong Scout Foundation

– managing any funds assigned by the Executive Committee of Scout Association of Hong Kong

receiving any donations for the Foundation, and

– managing the surplus generated from the investment of the funds.

Scout Shop of Hong Kong

selling of Scout uniforms and other accessories

B P International House:

– operating a hotel

2 Significant accounting policies

(a) Statement of compliance

These financial statements have been prepared in accordance with all applicable Hong Kong Financial Reporting Standards ("HKFRSs"), which collective term includes all applicable individual Hong Kong Financial Reporting Standards, Hong Kong Accounting Standards ("HKASs") and Interpretations issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA") and accounting principles generally accepted in Hong Kong. A summary of the significant accounting policies adopted by the Association is set out below.

The HKICPA has issued certain new and revised HKFRSs that are first effective for available for early adoption for the current accounting period of the Association. Note 2(a) provides information on any changes in accounting policies resulting from initial application of these developments to the extent that they are relevant to the Association for the current and prior accounting periods reflected in these financial statements.

10

Scout Association of Hong Kong
Financial statements for the year ended 31 March 2015

2 Significant accounting policies (continued)

(b) Basis of preparation of the financial statements

The measurement basis used in the preparation of the financial statements is the historical cost basis except for financial instruments classified as available for sale securities (see note 2(f)) which are stated at fair value.

The preparation of financial statements in conformity with HKFRSs requires management to make judgements, estimates and assumptions that affect the application of policies and reported amounts of assets, liabilities, income and expenses. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances. The results of which form the basis of making the judgements about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

Judgements made by management in the application of HKFRSs that have significant effect on the financial statements and major sources of estimation uncertainty are discussed in note 5.

(c) Changes in accounting policies

The HKICPA has issued the following amendments to HKFRSs and one new interpretation that are first effective for the current accounting period of the Association. Of these, the following developments are relevant to the Association's financial statements:

- Amendments to HKAS 36, *Recoverable amount disclosures for non-financial assets*
- HK(ERIC) 21, *Leases*

The Association has not applied any new standard or interpretation that is not yet effective for the current accounting period. The impact of the adoption of the new or amended HKFRSs is discussed below.

Amendments to HKAS 36, *Recoverable amount disclosures for non-financial assets*

The amendments to HKAS 36 modify the disclosure requirements for impaired non-financial assets. Among them, the amendments expand the disclosures required for an impaired asset or cash-generating unit whose recoverable amount is based on fair value less costs of disposal. The adoption of the amendment does not have any material impact on the disclosure in the Association's financial statements.

11

Scout Association of Hong Kong
Financial statements for the year ended 31 March 2015

2 Significant accounting policies (continued)

(c) Changes in accounting policies (continued)

HK(ERIC) 21, *Leases*

The Interpretation provides guidance on when a liability to pay a levy imposed by a government should be recognised. The interpretation does not have an impact on these financial statements as the guidance is consistent with the Association's existing accounting policies.

(d) Investments in debt and equity securities

Investments in debt and equity securities are initially stated at fair value, which is the transaction price unless it is determined that the fair value at initial recognition differs from the transaction price and that fair value is evidenced by a quoted price in an active market for an identical asset or liability or based on a valuation technique that uses only data from observable markets. Cost includes attributable transaction costs. These investments are subsequently accounted for as follows, depending on their classification:

(i) Held-to-maturity debt securities

Dated debt securities that the Association has the positive ability and intention to hold to maturity are classified as held-to-maturity securities. Held-to-maturity securities are stated at amortised cost less impairment losses.

Impairment losses for held-to-maturity securities are recognised when there is objective evidence of impairment and are measured as the difference between the asset's carrying amount and the present value of estimated future cash flows, discounted at the asset's original effective interest rate (i.e. the effective interest rate originally computed at initial recognition of the asset). Objective evidence of impairment includes observable data that carries in the attention of the Association about events that have an impact on the asset's estimated future cash flows.

If in a subsequent period the amount of an impairment loss decreases and the decrease can be linked objectively to an event occurring after the impairment loss was recognised, the impairment loss is reversed through the statement of income and expenditure. A reversal of an impairment loss shall not result in the asset's carrying amount exceeding that which would have been determined had no impairment loss been recognised in prior years.

12

Financial Statements

Second Annual General Meeting
Financial statements for the year ended 31 March 2023

2 Significant accounting policies (continued)

(d) Investments in debt and equity securities (continued)

(ii) Available-for-sale securities

Other investments in securities, being those held for non trading purposes, are classified as available-for-sale securities. At the end of each reporting period, the fair value is re-assessed, with any resultant gain or loss being recognised in other comprehensive income and accumulated separately in equity in the Investment revaluation reserve, except foreign exchange gains and losses resulting from changes in the amortised cost of monetary items such as debt securities which are recognised directly in the statement of income and expenditure.

Dividend income from these investments is recognised in accordance with the policy set out in note 2(n)(v) and, where these investments are interest-bearing, interest calculated using the effective interest method is recognised in the statement of income and expenditure in accordance with the policy set out in note 2(n)(iii). When these investments are derecognised, the cumulative gain or loss is reclassified from the Investment revaluation reserve to the statement of income and expenditure.

When there is objective evidence that available-for-sale securities are impaired, the cumulative loss that has been recognised in the Investment revaluation reserve is reclassified to the statement of income and expenditure. The amount of the cumulative loss that is recognised in the statement of income and expenditure is the difference between the acquisition cost (net of any principal repayment and amortisation) and current fair value, less any impairment loss on that asset previously recognised in the statement of income and expenditure. Objective evidence of impairment includes observable data that comes to the attention of the Association concerning the underlying financial stability of the investee as well as a significant or prolonged decline in the fair value of an investment below its cost.

Impairment losses recognised in the statement of income and expenditure in respect of available-for-sale equity securities are not reversed through the statement of income and expenditure. Any subsequent increase in the fair value of such assets is recognised directly in other comprehensive income.

Impairment losses in respect of available-for-sale debt securities are reversed in the subsequent increase in fair value can be objectively related to an event occurring after the impairment loss was recognised. Reversals of impairment losses in such circumstances are recognised in the statement of income and expenditure.

When the investments are derecognised, the cumulative gain or loss recognised in equity is reclassified to profit or loss.

12

Second Annual General Meeting
Financial statements for the year ended 31 March 2023

2 Significant accounting policies (continued)

(e) Property, plant and equipment

Property, plant and equipment is stated at cost less accumulated depreciation and impairment losses.

Depreciation is calculated to write off the cost of items of property, plant and equipment, less their estimated residual value, if any, using the straight line method over their estimated useful lives as follows:

— Leasehold land	Over the unexpired term of lease
— Buildings	50 years
— Leasehold improvements	Over the shorter of the unexpired term of lease and their estimated useful lives
— Machinery, motor vehicles, furniture, fixtures and computer equipment	3 – 15 years
— Programme and training equipment	4 years

Both the useful life of an asset and its residual value, if any, are reviewed annually.

The carrying amount of property, plant and equipment are reviewed for indications of impairment at the end of each reporting period. An impairment loss is recognised in the statement of income and expenditure if the carrying amount of an asset, or the cash-generating unit to which it belongs, exceeds its recoverable amount. The recoverable amount of an asset, or of the cash-generating unit to which it belongs, is the greater of its fair value less costs to sell, and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the assets. An impairment loss is reversed if there has been a favourable change in the estimates used to determine the recoverable amount.

Gains or losses arising from the retirement or disposal of an item of property, plant and equipment are determined as the difference between the net disposal proceeds and the carrying amount of the item and are recognised in the statement of income and expenditure on the date of retirement or disposal.

13

Second Annual General Meeting
Financial statements for the year ended 31 March 2023

2 Significant accounting policies (continued)

(f) Leased assets

An arrangement, comprising a transaction or a series of transactions, is or contains a lease if the Association determines that the arrangement conveys a right to use a specific asset or assets for an agreed period of time in return for a payment or a series of payments. Such a determination is made based on an evaluation of the substance of the arrangement and is regardless of whether the arrangement takes the legal form of a lease.

(i) Classification of assets leased to the Association

Assets that are held by the Association under leases which transfer to the Association substantially all the risks and rewards of ownership are classified as being held under finance leases. Leases which do not transfer substantially all the risks and rewards of ownership to the Association are classified as operating leases.

(ii) Operating lease charges

Where the Association has the use of assets held under operating leases, payments made under the leases are charged to the statement of income and expenditure in equal instalments over the accounting periods covered by the lease term, except where an alternative basis is more representative of the pattern of benefits to be derived from the leased asset. Lease incentives received are recognised in the statement of income and expenditure as an integral part of the aggregate net lease payments made.

(g) Inventories

Inventories are carried at the lower of cost and net realisable value.

Cost is calculated using the first-in, first-out method and comprises all costs of purchase, costs of conversion and other costs incurred in bringing the inventories to their present location and condition.

Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

When inventories are sold, the carrying amount of those inventories is recognised as an expense in the period in which the related revenue is recognised. The amount of any write-down of inventories to net realisable value and all losses of inventories are recognised as an expense in the period of the write-down or loss occurs. The amount of any reversal of any write-down of inventories is recognised as a reduction in the amount of inventories recognised as an expense in the period in which the reversal occurs.

15

Second Annual General Meeting
Financial statements for the year ended 31 March 2023

2 Significant accounting policies (continued)

(h) Receivables

Receivables are initially recognised at fair value and thereafter carried at amortised cost using the effective interest method, less allowance for impairment of doubtful debts, except where the receivables are interest-free loans made to related parties without any fixed repayment terms in the effect of discounting would be immaterial. In such cases, the receivables are stated at cost less allowance for impairment of doubtful debts.

Impairment losses for bad and doubtful debts are recognised when there is objective evidence of impairment and are measured as the difference between the carrying amount of the financial asset and the estimated future cash flows, discounted at the asset's original effective interest rate where the effect of discounting is material. Objective evidence of impairment includes observable data that comes to the attention of the Association about events that have an impact on the asset's estimated future cash flows such as significant financial difficulty of the debtor.

Impairment losses for receivables whose recovery is considered doubtful but not remote are recorded using an allowance account. When the Association is satisfied that recovery is remote, the amount considered irrecoverable is written off against receivables directly and any amounts held in the allowance account relating to that debt are reversed. Subsequent recoveries of amounts previously charged to the allowance account are reversed against the allowance account. Other changes in the allowance account and subsequent recoveries of amounts previously written off directly are recognised in the statement of income and expenditure.

(i) Trade and other payables

Trade and other payables are initially recognised at fair value and subsequently stated at amortised cost unless the effect of discounting would be immaterial, in which case they are stated at cost.

(j) Cash and cash equivalents

Cash and cash equivalents comprise cash at bank and in hand, demand deposits with banks and other financial institutions, and short-term, highly liquid investments that are readily convertible into known amounts of cash and which are subject to an insignificant risk of changes in value, having been within three months of maturity at acquisition. Bank overdrafts that are repayable on demand and form an integral part of the Association's cash management are also included as a component of cash and cash equivalents for the purpose of the cash flow statement.

16

Scout Association of Hong Kong
Financial statements for the year ended 31 March 2017

2 Significant accounting policies (continued)

(k) Employee benefits

Salaries, annual bonuses, paid annual leave, contributions to defined contribution retirement plans and the cost of non-monetary benefits are accrued in the year in which the associated services are rendered by employees. Where payment or settlement is deferred and the effect would be material, these amounts are stated at their present values.

(l) Income tax

The Association is exempted from Hong Kong Profits Tax by virtue of Section 88 of the Inland Revenue Ordinance.

(m) Provisions and contingent liabilities

Provisions are recognised for liabilities of uncertain timing or amount when the Association has a legal or constructive obligation arising as a result of a past event, it is probable that an outflow of economic benefits will be required to settle the obligation and a reliable estimate can be made. Where the time value of money is material, provisions are stated at the present value of the expenditure expected to settle the obligation.

Where it is not probable that an outflow of economic benefits will be required, or the amount cannot be estimated reliably, the obligation is disclosed as a contingent liability, unless the probability of outflow of economic benefits is remote. Possible obligations, whose existence will only be confirmed by the occurrence or non-occurrence of one or more future events, are also disclosed as contingent liabilities unless the probability of outflow of economic benefits is remote.

(n) Revenue recognition

Revenue is measured at the fair value of the consideration received or receivable. Provided it is probable that the economic benefits will flow to the Association and the revenue and costs, if applicable, can be measured reliably, revenue is recognised in the statement of income and expenditure as follows:

(i) Sale of merchandise, food and beverage

Revenue is recognised when merchandise, food and beverage are sold and the related risks and rewards of ownership have been transferred to the customers. Revenue is stated after deduction of any trade discounts.

(ii) Hostel room and hall revenue

Hostel room and hall revenue from rooms and other ancillary services is recognised when the services are rendered.

17

Scout Association of Hong Kong
Financial statements for the year ended 31 March 2017

2 Significant accounting policies (continued)

(o) Revenue recognition (continued)

(iii) Interest income

Interest income is recognised as it accrues using the effective interest method.

(iv) Donations

Donations not designated for any specific purposes are utilised at the discretion of the Executive Committee and are recognised as revenue upon receipt of cash. Designated donations are recognised in the statement of income and expenditure on a systematic basis in the same periods in which the expenses are incurred.

(v) Dividends

Dividend income from listed investments is recognised when the share price of the investment goes ex-dividend.

(vi) Government grants

Government grants are recognised when there is reasonable assurance that they will be received and that the Association will comply with the conditions attaching to them.

(p) Translation of foreign currencies

Foreign currency transactions during the year are translated at the foreign exchange rates ruling at the transaction dates. Monetary assets and liabilities denominated in foreign currencies are translated at the foreign exchange rates ruling at the end of the reporting period. Exchange gains and losses are recognised in the statement of income and expenditure.

(q) Related parties

(a) A person, or a close member of that person's family, is related to the Association if that person:

- (i) has control or joint control over the Association;
- (ii) has significant influence over the Association; or
- (iii) is a member of the key management personnel of the Association.

18

Scout Association of Hong Kong

2 Significant accounting policies (continued)

(q) Related parties (continued)

(b) An entity is related to the Association if any of the following conditions applies:

- (i) The entity and the Association are members of the same group (which means that each parent, subsidiary and fellow subsidiary is related to the others);
- (ii) One entity is an associate or joint venture of the other entity (or an associate or joint venture of a member of a group of which the other entity is a member);
- (iii) Both entities are joint ventures of the same third party;
- (iv) One entity is a joint venture of a third entity and the other entity is an associate of the third entity;
- (v) The entity is a post-employment benefit plan for the benefit of employees of either the Association or an entity related to the Association;
- (vi) The entity is controlled or jointly controlled by a person identified in (a);
- (vii) A person identified in (a)(i) has significant influence over the entity or is a member of the key management personnel of the entity (or of a parent of the entity).

Close members of the family of a person are those family members who may be expected to influence, or be influenced by, that person in their dealings with the entity.

(r) Designated funds

Designated funds are funds established from specific donations which are earmarked for specific purposes at the request of the donors.

(i) Air Activities Development Fund

The Air Activities Development Fund is represented by funds available for purchasing facilities related to the development of air activities.

(ii) Air Activities Development Fund Amortisation

The Air Activities Development Fund Amortisation is represented by the net book value of property, plant and equipment funded by the Air Activities Development Fund. Transfers from the fund represent additions during the year. Transfers to the statement of income and expenditure represent the corresponding depreciation charged for the year.

The Tai Tam Scout Centre Development Fund is represented by funds available for development of the Tai Tam Scout Centre.

(xxv) Wong Fuk Hong Memorial Fund

The Wong Fuk Hong Memorial Fund is represented by funds available for the development of the Scout Movement in the HKSAR.

(xxvi) Wong Siu Sang Leadership Training Institute Reserve Fund

The Wong Siu Sang Leadership Training Institute Reserve Fund is represented by funds available for supporting programmes and training of the Wong Siu Sang Leadership Training Institute.

(vi) Replacement reserve

The Replacement reserve is to provide for future capital expenditure relating to B P International House. The provision for the current year is \$19,000,000 (2014: \$19,000,000) which has been approved by the Board of Management of B P International House. If capital expenditure from this reserve is capitalised as property, plant and equipment, an equal amount will be transferred out of this reserve into the Replacement amortisation reserve.

(ii) Replacement amortisation reserve

The Replacement amortisation reserve is represented by the net book value of property, plant and equipment funded by the Replacement reserve. Transfers from the Replacement reserve represent additions during the year. Transfers to the Accumulated fund represent the corresponding depreciation charged for the year.

The gains or losses arising from the disposal of property, plant and equipment are credited (charged) to the statement of income and expenditure. The net book value of the disposed assets is transferred from the Accumulated fund to the Replacement amortisation reserve.

(a) Sinking fund

The Sinking fund is represented by funds provided for future redevelopment of the Hong Kong Scout Centre building of the Association. The provision for the current year is \$2,000,000 (2014: \$19,000,000).

Other receivables	4,111	2,193
Deposits	629	667
Prepayments	27,422	13,475
	39,958	26,758

All of the receivables, deposits and prepayments are expected to be recovered or recognised as an expense within one year.

(a) Impairment of trade receivables

Impairment losses in respect of trade debtors are recorded using an allowance account unless the Association is satisfied that recovery of the amount is remote, in which case the impairment loss is written off against trade debtors directly (see note 2(b)).

No allowance for doubtful debts has been provided or reversed for the years ended 31 March 2014 and 2015.

(b) Trade debtors that are not impaired

Trade debtors are due within 30 days from the date of billing. Further details on the Association's credit policy are set out in note 15(b)(iii).

The ageing analysis of trade debtors that are neither individually nor collectively considered to be impaired is as follows:

	2015	2014
	\$'000	\$'000
Neither past due nor impaired	6,648	9,740
Less than 1 month past due	1,025	864
1 to 3 months past due	17	9
	1,337	873
	7,985	10,613

Hong Kong Association of Banks Limited
Financial statements for the year ended 31 March 2014

15 Capital management and financial risk management

(a) Capital management

The Association's objectives when managing capital are to safeguard the Association's ability to continue as a going concern in order to maintain an optimal fund structure.

(b) Financial risk management

Exposure to currency, credit and liquidity risks arises in the normal course of the Association's business. The Association is also exposed to equity price risk arising from its equity investments in listed securities.

The Association's exposure to these risks and the financial risk management policies and practices used by the Association to manage these risks are described below.

(i) Currency risk

The Association's functional currency is Hong Kong dollars. The Association mainly operates in Hong Kong and is exposed to currency risk primarily with respect to the United States dollar in respect of bank deposits, financial assets and liabilities in respect of bank deposits.

In the opinion of the Executive Committee, the Hong Kong dollar to United States dollar exchange rate is reasonably stable under the Linked Exchange Rate System. In this respect, it is assumed that the pegged rate between the Hong Kong dollar and the United States dollar would be materially unaffected by any changes in movement in value of the United States dollar against other currencies and, therefore, the Association considers the risk of movements in exchange rates between the Hong Kong dollar and the United States dollar to be insignificant. In respect of balances denominated in Renminbi, the Association ensures that the net exposure is kept to an acceptable level by buying or selling foreign currencies at spot rates where necessary to address short-term imbalances.

Exposure to currency risk

The following table details the Association's exposure at the end of the reporting period to currency risk arising from recognised assets or liabilities denominated in a currency other than the Association's functional currency of Hong Kong dollars. For presentation purposes, the amounts of the exposure are shown in Hong Kong dollars.

	2013	2014
	\$'000	\$'000
Cash and cash equivalents	268,895	282,018
Exposure to currency risk	268,895	282,018

40

Supplementary Information
Financial statements for the year ended 31 March 2015

15 Capital management and financial risk management (continued)

(b) Financial risk management (continued)

(i) Currency risk (continued)

Sensitivity analysis

The following table indicates the instantaneous change in the Association's surplus and total funds that would have arisen if foreign exchange rates to which the Association has significant exposure at the end of the reporting period had changed at that date, assuming all other risk variables remained constant. In this respect, it is assumed that the pegged rate between the Hong Kong dollar and the United States dollar would be materially unaffected by any change in movement in value of the United States dollar against other currencies.

	2015		2014	
	Increase/ decrease in foreign exchange rate	Effect on surplus and total funds (\$'000)	Increase/ decrease in foreign exchange rate	Effect on surplus and total funds (\$'000)
Receivable	5%	13,445	5%	14,761
	(5%)	(13,445)	(5%)	(14,761)

The sensitivity analysis assumes that the change in foreign exchange rates had been applied to re-measure those financial instruments which expose the Association to foreign currency risk at the end of the reporting period. The analysis has been performed on the same basis as for 2014.

(ii) Credit risk

The Association's credit risk is primarily attributable to fixed debt investments, cash and bank deposits and receivables. Management has a credit policy in place and the exposures to these credit risks are monitored on an ongoing basis.

Investments are normally only in liquid securities quoted on a recognised stock exchange and with counterparties that have high credit ratings.

Cash and bank deposits are placed with financial institutions with sound credit ratings to materialise credit exposures.

42

Supplementary Information
Financial statements for the year ended 31 March 2015

15 Capital management and financial risk management (continued)

(b) Financial risk management (continued)

(iii) Credit risk (continued)

In respect of receivables, individual credit evaluations are performed on all customers regarding credit over a certain amount. These take into account the customer's past payment history, financial position and other factors. Trade receivables are due within 30 days from the billing date. Normally, the Association does not obtain collateral from customers.

The Association's exposure to credit risk is influenced mainly by the individual characteristics of each customer. At the end of the reporting period, the Association has a concentration of credit risk at 45% (2014: 40%) of trade receivables was due from the Association's five largest customers, apart from the balances due from major credit card institutions.

Further quantitative disclosures in respect of the Association's exposure to credit risk arising from receivables are set out in note 11.

(iii) Liquidity risk

Prudent liquidity risk management implies maintaining sufficient liquid cash. Due to the nature of the underlying operations, the Association aims to maintain flexibility in funding by keeping sufficient cash and bank balances to fulfil its commitments and current working capital requirements.

The following table presents the remaining contractual settlement dates at the end of reporting period of the Association's financial liabilities.

	2015		2014	
	Contracting value (\$'000)	Within 1 year or on demand (\$'000)	Contracting value (\$'000)	Within 1 year or on demand (\$'000)
Trade and other payables	53,025	53,025	50,622	50,622
Amounts due to related parties	14,520	14,520	17,619	17,619
	67,545	67,545	68,241	68,241

42

Supplementary Information
Financial statements for the year ended 31 March 2015

15 Capital management and financial risk management (continued)

(b) Financial risk management (continued)

(iii) Liquidity risk (continued)

In order to manage the above liquidity demands, at 31 March 2015, cash and cash equivalents amounting to \$87,136,000 (2014: \$128,074,000) is considered readily realisable.

(iv) Equity price risk

The Association is exposed to equity price changes arising from equity investments classified as available-for-sale financial assets (see note 9).

The Association's available-for-sale financial assets are listed on the Stock Exchange of Hong Kong and have been chosen based on their "long-term growth potential" and are monitored regularly for performance against expectations.

At 31 March 2015, it is estimated that an increase/decrease of 20% (2014: 20%) in the equity prices would have increased/decreased the Association's investment revaluation reserve by \$36,227,000 (2014: \$30,483,000).

The sensitivity analysis above indicates the instantaneous change on the Association's investment revaluation reserve that would have arisen assuming that the change in the equity prices had occurred at the end of the reporting period and had been applied to re-measure those financial instruments which expose the Association to equity price risk at the end of the reporting period. It is also assumed that the fair values of the Association's available-for-sale financial assets would change in accordance with their historical correlation with the equity price, that more of the Association's available-for-sale financial assets would be considered impaired as a result of the decrease in the equity price, and that all other variables remain constant. The analysis has been performed on the same basis as for 2014.

43

Supplementary Information
Financial statements for the year ended 31 March 2015

15 Capital management and financial risk management (continued)

(c) Fair value measurement

(i) Financial assets carried at fair value

Fair value hierarchy

The following table presents the fair value of the Association's financial instruments measured at the end of the reporting period on a recurring basis, categorised into the three-level fair value hierarchy as defined in HKFRS 13, *Fair value measurement*. The level into which a fair value measurement is classified is determined with reference to the observability and significance of the inputs used in the valuation technique as follows:

- Level 1 valuations: Fair value measured using only Level 1 inputs, i.e. unadjusted quoted prices in active markets for identical assets or liabilities at the measurement date.
- Level 2 valuations: Fair value measured using Level 2 inputs, i.e. observable inputs which fit to meet Level 1, and not using significant unobservable inputs. Unobservable inputs are inputs for which market data are not available.
- Level 3 valuations: Fair value measured using significant unobservable inputs.

	Fair value measurement at 31 March		Fair value measurement at 31 March	
	2015	2014	2015	2014
	Fair value at 31 March 2015 (\$'000)	Fair value at 31 March 2014 (\$'000)	Fair value at 31 March 2015 (\$'000)	Fair value at 31 March 2014 (\$'000)
Recurring fair value measurement				
Available-for-sale equity securities	181,137	181,137	152,415	152,415
- listed in Hong Kong				

During the years ended 31 March 2014 and 2015, there were no transfers between Level 1 and Level 2. The Association's policy is to recognise transfers between levels of fair value hierarchy as at the end of the reporting period in which they occur.

44

Financial Statements

Scout Association of Hong Kong
Financial statements for the year ended 31 March 2015

15 Capital management and financial risk management (continued)

(c) Fair value measurement (continued)

(i) Fair value of financial assets carried at other than fair value

The carrying amounts of the Association's financial instruments carried at cost or amortised cost are not materially different from their fair values as at 31 March 2014 and 2015 except for the following financial instruments as at 31 March 2015, for which their carrying amounts, fair values and the level of fair value hierarchy are disclosed below:

	Fair value at 31 March 2015	Carrying amount at 31 March 2015	Fair value at 31 March 2014	Carrying amount at 31 March 2014
Held-to-maturity debt securities – Level 1	32,111	31,255	–	–

(d) Estimation of fair values

The fair value of available-for-sale financial assets held by the Association is based on quoted market prices at the end of the reporting period without any deduction for transaction costs.

45

Scout Association of Hong Kong
Financial statements for the year ended 31 March 2015

16 Commitments

(a) Capital commitments

Capital expenditure at the end of the reporting period which had been committed but not yet incurred is as follows:

	2015 \$'000	2014 \$'000
Authorized but not contracted for		
– Purchase of property, plant and equipment and improvement projects	407	330
Contracted but not provided for		
– Purchase of property, plant and equipment and improvement projects	574	1,203
– Renovation of the Hong Kong Scout Centre	15,795	16,662
– Redevelopment of the Warburton Property	45,104	27,024
– Redevelopment of the North Point Property	6,798	6,798
	67,921	51,717
	68,328	52,111

(b) Operating lease commitments – where the Association is the lessee

The future aggregate minimum lease payments under non-cancellable operating leases in respect of site premises are as follows:

	2015 \$'000	2014 \$'000
Within one year	7,492	2,457
After one year but within five years	27	2,325
	7,519	4,782

All lease agreements are held in the name of the Association. Some operating lease charges in respect of these lease agreements are rebarged and borne by other Scout units. For these lease agreements, the future aggregate minimum lease payments within one year are \$1,376,500 (2014: \$1,376,000) and those after one year but within five years are \$Nil (2014: \$1,376,000).

46

Scout Association of Hong Kong
Financial statements for the year ended 31 March 2015

16 Commitments (continued)

(b) Operating lease commitments – where the Association is the lessee (continued)

The leases typically run for an initial period of three years, with an option to renew each lease upon expiry whereupon all terms are renegotiated. None of these leases includes contingent rentals.

(c) Operating lease commitments – where the Association is the lessor

The Association leases out catering areas under an operating lease. The lessees typically run for an initial period of four years, with an option to renew each lease upon expiry whereupon all terms are renegotiated. Lease payments are usually increased every three years to reflect market rentals. The leases do not include contingent rentals.

The future aggregate minimum lease receipts under non-cancellable operating leases in respect of catering areas are as follows:

	2015 \$'000	2014 \$'000
Within one year	9,775	5,383
After one year but within five years	32,200	–
	42,075	5,383

17 Amounts due from/to related parties

Related parties represent other Scout units, mainly the Friends of Scouting, Commissioners' Club, the Baden-Powell Scout Club of Hong Kong, Education Centre and Asia-Pacific Regional Scout Foundation.

The amounts due from/to related parties are unsecured, interest-free and non-currently repayable on demand.

Included in amounts due to related parties are amounts totalling \$11,288,050 (2014: \$10,687,500) which are held by the Association on behalf of other Scout Units for the purpose of investment.

47

Scout Association of Hong Kong
Financial statements for the year ended 31 March 2015

18 Possible impact of amendments, new standards and interpretations issued but not yet effective for the year ended 31 March 2015

Up to the date of issue of these financial statements, the HKCPA has issued a number of amendments and new standards which are not yet effective for the year ended 31 March 2015 and which have not been adopted in these financial statements. These include the following which may be relevant to the Association:

	Effective for accounting periods beginning on or after
Annual improvements to HKFRS 2013–2014 cycle	1 January 2016
Amendments to HKAS 15 and HKAS 38, Classification of measurable methods of depreciation and amortisation	1 January 2016
HKFRS 15, Revenue from contracts with customers	1 January 2017
HKFRS 9, Financial instruments	1 January 2018

The Association is in the process of making an assessment of what the impact of this new standard is expected to be in the period of initial application. So far it has concluded that the adoption of it is unlikely to have a significant impact on the Association's results of operations and financial position.

Vision

To be the best voluntary organisation for the development of young people in Hong Kong for the betterment of our society.

Mission

To operate an education movement for young people providing them with challenging and progressive training programmes for their physical, intellectual, social, spiritual and aesthetic development.

Values

We recognize the importance of:

- * individuals developing a sense of personal identity and self worth which leads to responsible citizenship;
- * adults providing suitable role models for young people;
- * respect for equality and fairness in dealings with all people; and
- * the development of understanding between individuals towards world peace.

Scout Promise

On my honour, I promise that I will do my best to do my duty to God and to my Country to help other people and to keep the Scout Law.

Scout Law

1. A Scout is to be trusted.
2. A Scout is loyal.
3. A Scout is friendly and considerate.
4. A Scout belongs to the world-wide family of Scouts.
5. A Scout has courage in all difficulties.
6. A Scout makes good use of time and is careful of possessions and property.
7. A Scout has self respect and respect for others.
