Statistics 64

For the past three years, the entire world, including the Scout Movement, has been severly impacted by the COVID-19.

This lengthy pandemic has brought us both challenges and opportunities. My heartfelt gratitude to our frontline leaders. They strived their best to maintain the operation of the Scout groups as well as connections with the youth members and their parents by all means, such as holding online Scout group meetings and activities, assisting members in learning, training and completing the assessment. Their efforts fully demonstrated “A Scout has courage in all difficulties” and were highly appreciated by the parents.

The Association Headquarters, Regions and Districts had worked hard and tried to make use of any availabilities and possibilities to plan and organize different activities under the lengthy and difficult circumstance. Although various activities were limited by the anti-epidemic measures, we could still demonstrate our Scout spirit and capacity. During the peak of the pandemic, we successfully organized a series of Hong Kong Scout 110th Anniversary celebration events, such as Hong Kong Scout Rally 2022, “Scout 110 – Go Green, Go Clean”, International Regatta and Joint Band Performance and Carnival.

Active involvement, participation in community services, gaining experiences and broadening international horizons are popular Scout training methods. These two years, apart from nominating leaders to participate in international Scout activities, a total of 28 leaders and youth members were selected or appointed as the members of the World Scout Committee, Asia-Pacific Regional Scout Committee and other sub-committees. They performed actively in the international level even under the epidemic, including attending meetings and Scout activities, seminars and training courses, with a total of 96 persons recorded.

At the same time, the Association also organized various international Scout activities, and invited Scout members from all over the world to come and join, including the Asia-Pacific Regional Scout Foundation Fundraising Dinner on 18 February, the Asia-Pacific Regional Forum on Scouts for Sustainable Development Goals from 7-10 April, and the International Scout Youth Forum from 29 April to 1 May. We were proud that the successfully held International Scout Youth Forum was mainly organized by our youth members.

Participation in epidemic prevention and anti-epidemic activities

During COVID-19, we strongly encouraged our members to echo to the initiatives of the government and other organizations to participate in different epidemic prevention activities and anti-epidemic services:

1. Packing and distribution of the “Rapid Antigen Tests kit for COVID-19”;
2. Organize anti-epidemic activities as well as to provide support and service for the Kowloon Mosque and Islamic Centre. The imam of the mosque were so impressed by the excellent performance of our Scout members and decided to set up a Scout group in the mosque after our service;
3. Support the “StayHomeSafe” Scheme hotline arranged by Social Welfare Department;
4. To cheer for HKDSE candidates;
5. To take action, share love and care to those needy of the society.

Strive and Rise Programme

More than 120 leaders and Rover Scouts were selected to serve as the volunteer mentors in the Strive and Rise Programme.Under the leadership of the Chief Secretary for Administration, this programme provides mentorship for Secondary One to Secondary Three students from underprivileged families, with the collaboration among the government, the business sector and the community. Through the communication and interaction between mentors and mentees, it is expected to broaden students' horizons, reinforce their self-confidence, develop a positive outlook on life and financial planning concepts, set goals for their future, and strive for upward mobility. Mr CHAN Kwok-ki, Chief Secretary for Administration, also visited the Hong Kong Scout Centennial Building on 11 March, to meet and share with a group of Scout mentors and mentees.

Carrying the Cultural Tradition Forward Programme

In August 2022, the Association signed a Memorandum of Cooperation with the Hong Kong Palace Museum to launch the "Carrying the Cultural Tradition Forward Programme". It is a valuable opportunity to our members and they will be benefitted from the training, practical opportunities as well as overseas exchange programme arranged by the museum.

Good Governance

Since 1978, all our senior leaders have strived our best to work towards our vision to be the best voluntary organization for the development of young people in Hong Kong for the better of our society. Integrity, prudence, transparency, open and fairness are our key principles. In addition, we do value the importance of succession planning and talent recruitment. All these work together to lay a strong foundation for our good governance.

The Executive Committee of the Association was awarded the "Directors of The Year Awards" by The Hong Kong Institute of Directors earlier in recognition of the good governance, capabilities and measures of the Association. On 18 and 19 November 2022, the Association further accepted the World Organization of the Scout Movement (WOSM)'s assessment of The Global Support Assessment Tool (GSAT). We are thrilled with the excellent result gained which once and again reaffirmed our good governance. Our performance and efforts were highly appreciated and recognized by the Regional Director of Asia-Pacific Scout Region, GSAT assessor and facilitator. We will continue to keep up our good practices.

In recent years, the Association has received funding from the Hong Kong Jockey Club Charities Trust to carry out infrastructure projects at Tai Tam Scout Centre and Pak Sha Wan Tam Wah Ching Sea Activity Centre, in order to improve the safety and environmental protection measures and facilities of the two centers.

Chief Commissioner's Report

Follow up of the Triennial Plan (2020-2023)

This is my fourth and last report since taking over the position of the Chief Commissioner, and I would like to take this opportunity to make a brief summary for these few years:

1. In 2022, revised “Youth Programme Policy” and “Policy on the Development of Sea Scout / Air Scout and Sea Activities / Air Activities” were announced outlining the strategies of the future development of sea and air activities as well as to strengthen professional support to meet the needs and interests of young people.
2. In terms of membership growth strategy, in-depth discussions on the age range of Scout sections have been going on. The primary consideration is whether or not to link the age range of Scout sections to the existing education system. In addition, training kits/materials on Scout group meetings were uploaded to the Association website for leaders’ reference. Furthermore, Development and Adults Resources Branch launched a Group Support Online Platform in early March 2023 to provide frontline leaders, especially new leaders, with practical guidelines and skills in managing group meetings.
3. The Talent Development Scheme launched two years ago achieved remarkable results. The second batch was completed in late February 2023. Although it was a pity that participants were unable to go overseas for field trips due to the epidemic, they however succeeded to meet and communicate with overseas Scouts via video conferencing.
4. For Scout uniform, significant progress had been made. A working group was established to improve the quality of Scout uniform and accessories. Review on belts, hat badges, woggle, and shoulder straps for Venture Scout and Rover Scout were completed and samples for the improvements were submitted. Simultaneously, another group was working on the design of Summer Tunic and blazers.
5. For Information and Communication Technology, the Association’s online payment system and the Scout mobile App (Phase 1) had been successfully introduced in the first quarter of 2023. The local Scout Jamboree originally scheduled in April 2023 was the first Scout activity for members to register and pay electronically through the online payment system. For the "Hong Kong Scout App", a launching ceremony and briefing session were held in March 2023 to provide an additional platform for Scout members to receive Scout information.
6. To further enhance the function of communication and public affairs, the Public Relations Branch will officially be renamed to "Communications and Public Affairs Branch” in April 2023.

Since the lifting of social distancing measures in late December 2022, Scout activities have gradually returned to normal. I trust that everyone of us will continue to uphold our mission to provide young people with whole-person development, and to train up young talents for our country and Hong Kong.

Looking ahead, I have full confidence that Scout Association of Hong Kong will keep up its good governance and continue to be the best uniformed group in Hong Kong. Finally, I would like to express my gratitude to all the Scout leaders, lay members and professional Scouters who have always supported me and my team during the past three years which had been an extraordinary period full of unforeseeable challenges under the pandemic.

Headquarters Branches

Policies and Guidelines

To implement the fundamental principles of the World Scout Movement and to suit for the diverse development needs of youth members of different age groups in Hong Kong, the Association has revised the "Youth Programme Policy" so as to nurture the holistic development of youth members through educational activities in a non-formal education setting as characterized in Scout Movement. Featuring the principles of complementarity, specialization and popularization, a strategy charting the way for integration and collaboration among Scout, Sea Scout, Air Scout as well as Sea Activities and Air Activities is in place to enhance the overall image of Scouting. Measures of the second phase of the Development of Sea Scout / Air Scout and Sea Activities / Air Activities have been implemented in phases. To tie in with the future development of award systems for youth members and the gradual implementation of award schemes set up by the World Organization of the Scout Movement, Programme Branch launched the Guidelines of Wearing Scout Badges on Uniform (Youth Members) after review. Through amendments to badge size, badge position on uniform and relevant rules, more usable space on the Scout uniform has been made. The positions of sectional badges on uniform have also been standardized to foster an image of orderliness and excellence.

Hong Kong Scout – Health Guard

"Hong Kong Scout – Health Guard" Programme was continued with Health Guard (Purple) Souvenir Badge to encourage youth members aged 18 or above and adult members to participate in "Health Guard" voluntary services coordinated by the Association, and to promote active participation in online Scout meetings and learning among youth members. A special support scheme named "Scouting with Perseverance" was launched by Scout Section when the epidemic was severe. It was hoped that even though the daily life of every Scout member was affected by the epidemic, they could continue to do their best, equip themselves, transform stress into positive energy, and become a "Persevere Scout".

Start Afresh

With the society returning to normalcy gradually, Programme Branch also organized various activities progressively. In response to the World Scout Scarf Day on 1 August every year, "Hong Kong Scout Scarf Day" was held from July to August 2022. In December of the same year, "Seasonal Astronomical Observations – Tiangong Space Station" was also held so as to response to the Country's recruitment of payload specialist in Hong Kong for the first time. In March 2023, "Duty to God Day 2023" with the theme of "Scouts' Blessings to Hong Kong" was organized and expected that the philosophy of "It is more blessed to give than to receive" would be practiced under the new normal of the epidemic.

Furthermore, Programme Branch also launched the "Soaring Exploration Scheme" to encourage members to experience the principles of flight and master aviation knowledge through outdoor aviation activities while fostering their physical, intellectual, social, spiritual and aesthetic development. "Pilot Development Scheme for Sea Scout Leaders 2023" was also launched to cultivate future leaders to meet the needs of Sea Scout development. A total of 25 members from the Association obtained various awards in The Hong Kong Award For Young People in 2022, including five Gold Awards, six Silver Awards, and 14 Bronze Awards.

Leaders' & Trainers' Training

During the year, a total of 120 Wood Badge Courses and Leader Skills Courses were organized, while two workshops and 14 examinations were held under the Scoutcraft Accreditation Scheme. For training for combined staff, two basic operations courses were held. To tie in with the "Integrated Arrangement of Scoutcraft Training", two Campcraft refresher workshops and one Pioneering refresher workshop were organized. A total of 4,425 participants completed the "Safe from Harm Online Self-learning Course" in 2022-2023. For the training of trainers, five basic training courses and one course for Assistant Leader Trainers were conducted.

Training on top of Traditional Scout Skills

To meet the training needs of frontline leaders, the Branch organized 13 training events and Learning Friday workshops in the areas of Adventure, Mental Health, Counselling, Spiritual Development, Special Educational Needs, and Sustainable Development Goals (SDGs).

In total, 161 training programmes were held throughout the year, with a total of 7,544 participants.

Wood Badge System Review

A task force was appointed by the Training Branch to conduct the review after taking into account the World Organization of the Scout Movement (WOSM) Wood Badge Framework, the recommendations of the Hong Kong University of Education, and the views of various stakeholders. The key principles included the implementation of the WOSM and Scout Association of Hong Kong training policies, target-based learning, meeting the practical needs of frontline leaders, reduction and standardization of learning hours, etc.

Quality Assurance of Training Course and Online Questionnaire System

An online questionnaire system has been used to collect feedback on the Wood Badge Course, Leader Skills Course, and Trainers' Training Course in both the Branch and the Regions. In the past year, six training course visits were conducted, and 120 training courses and 195 in-service training evaluations were completed. On the whole, all training programmes received positive feedback.

Publication

An electronic version of the skills reference book *Knotting* was uploaded to the Association's website in March.

Development & Adult Resources

Diversified Community Service

In the year under review, Development & Adult Resources Branch organized a wide range of community services. Highlights of some of these services are as follows:

In collaboration with five Regions, a large-scale community service, “Scout 110 – Go Green, Go Clean”, was launched to celebrate the 110th anniversary of the Hong Kong Scout Movement. This 110-day service attracted more than 1,500 Scouts who were divided into small patrols of four people to clean different hiking trails around Hong Kong, and to deliver messages of environmental protection and “take your litter home” among hikers for the sustainable development of the planet.

The annual Mid-Autumn visit to the elderly was organized on 3 September 2022. Over 400 Scout members and their parents paid visit to 400 elderly singletons and doubletons living in Sham Shui Po and Wong Tai Sin to convey not only mooncakes and goody bags but also our care and blessings.

On 9 October 2022, “Care for Youth” community service was arranged for 67 teenagers with financial needs, enabling them to experience the fun of Scouting by taking part in various team building and leadership training activities.

Happy Family Campaign

Subsidized by Home and Youth Affairs Bureau as well as the Family Council, our Association once again organized a series of activities to promulgate the fundamental messages of “harmony communication” and “love and care”. One of the programmes “Healthy Family” was held by Development & Adult Resources Branch on 26 February 2023. The programme offered basic health check, health talks and stall games to over 350 Scouts and their family members to enhance their mutual care and family harmony.

Group Support Online Platform

Introduced in March 2023, Group Support Online Platform served as a database which shared a wide range of resources to support frontline leaders in running Scout groups. Those resources ranged from forms and document templates commonly used by Scout groups to information of training courses and activities conducted by different units. In addition, a set of group meeting handbooks for different sections was specifically designed for new leaders.

First Aid Training & Service

Having completed the First Aid Lecturer Course co-organized by our Association and Hong Kong Red Cross and passed the interview, nine participants were appointed as Probationary First Aid Lecturers. More training courses recognized by Labour Department would be conducted by our First Aid Training Team in the future to train even more Scout members to serve the community.

In the year under review, two First Aid Certificate Courses, nine Refresher Trainings for First Aid Certificate Course, three CPR & AED courses and 17 First Aid Badge Training Courses for Scout Section were arranged. More than 360 members have completed those courses. Also, our First Aid Service Team has rendered service to 26 large-scale events organized by different Scout units, NGOs and government departments. A total of 149 team members were deployed to those services.

Public Relations

Promotion of Hong Kong Scout Movement

Various social media platforms including association webpage, Facebook, Instagram, etc. were used in advancing the Scout Movement, bringing the latest Scouting news to our members and the public. Event highlight videos were uploaded to YouTube channel to showcase Scout activities. Moreover, the “Hong Kong Scout Rally 2022” was broadcast live on the channel for people to join in. Over 1,700 viewers watched the Scout Rally live and the hit rate of replay was around 8,000 times.

Public Relations Branch also promoted Hong Kong Scouting through local media. A newspaper supplement was issued to report the event “Hong Kong Scout Rally 2022”; the press was invited to attend the “Strive and Rise Programme – Gathering with the Chief Secretary for Administration” held on 11 March 2023 at Hong Kong Scout Centennial Building and the event was featured in the TV programmme *Strive and Rise, Touch the Sky*. Besides, to help recruit more young people to join the Scout family, different promotional gifts, e.g. sticky notes and velvet bags, were dished out, which were well received by the public.

Theme of the Year – Scouting for Life

To elevate the core values of the Scout Movement and encourage members to keep the promise of “Once a Scout, always a Scout”, Public Relations Branch launched the 24-month Theme of the Year “Scouting for Life” in April 2022. Scout members participated in the “Scout Promise Action” to set and accomplish a goal, which put the Scout promise into practice. In tandem, Scout units were encouraged to join the “Scouting for Life Implementation Action” and organize theme-related activities for youth members. By end March 2023, over 15,400 people had joined various theme-related events.

Scout of the Year Selection

Scout of the Year Selection had been held annually since 1987 to give recognition to outstanding Scouts who set examples to their fellow youth members. In 2021, five Scout members were selected as Scout of the Year, making the total 202 in 36 years. The presentation ceremony was held on 24 September 2022 where the Guest of Honour Ms Michelle LI Mei-sheung, Permanent Secretary for Education, presented shoulder cords to five awardees, giving recognition to their excellent performances in school and Scouting.

The Scout of the Year Association (SOYA) held its 12th Annual Meeting on 24 September 2022 where members of the executive committee were elected. SOYA will continue to enhance bonding among fellow Scouts of the Year and keep contributing to the Scout Movement and the community.

Hong Kong Scout Band

Hong Kong Scout Band was established in 1967 and now had strengthened itself into a 100-member band comprising the brass band and pipe band. The Scout Band organized “Founder’s Day Scout Musical Rally” on 18 February 2023 at Kowloon Park to commemorate the birthday of Lord Robert Baden-Powell, founder of the Scout Movement. Hong Kong Island Region Scout Band, New Territories East Region Scout Band, 21st Kowloon Group Band and 21st Islands Group Pipe Band were also invited to join the event. Together they performed a number of classical melodies and Scout songs, showcasing the talents of Scout members and the diversity of Scout activities to the public. Besides, the Scout Band also took part in various musical events this year, such as Hong Kong Scout 110th Anniversary Joint Band Performance and Carnival, Hong Kong Scout Rally 2022, Hong Kong Scout 110th Anniversary cum Islands District Toward 70th Anniversary Scout Tattoo, etc.

International Activities

Asia-Pacific Regional Youth Leadership Training Course 2022 (19-23/7/2022)

The first APR Youth Leadership Training Course was held in Thailand with a total of 35 young leaders from 20 countries and regions participated. Mr Addison NG Koon-tat, a Rover Scout from 15th Hong Kong Group attended in his capacity as Regional Youth Representative, while Mr Edwin CHOW Yik-man, Headquarters Scouter of International Branch, served as one of the organizing committee members. The event aimed to enhance leadership abilities of young people in the region, enabling them to become efficient teams and have an influential role in various aspects of the Scout Movement. In addition to different sessions, a cultural night and guided tours were organized to allow participants to experience different traditional cultures from different places, raise their awareness about peace, and enhance the cohesion among them.

The 65th Jamboree-On-The-Air (JOTA) cum The 26th Jamboree-On-The-Internet (JOTI) (14-16/10/2022)

Under the theme of "Build a Better World", the JOTA-JOTI was held at the Hong Kong Scout Centre with a total of 2,701 people attended. In addition to the radio activities and electronic workshops, there were also seminars covering various interesting topics such as science, astronomy, internet security, diversity and inclusion, and forensic medicine for Scout members to participate in. Mexico and Egypt Scouts were also invited to join in the international online forum to discuss how to respond to natural disasters and international crises, in order to promote the contribution of Scouts in building a better world.

Asia-Pacific Regional Scout Foundation Fundraising Dinner (18/2/2023)

The dinner was held at Gordon Wu Hall, Hong Kong Scout Centre, with more than 100 guests from local and various National Scout Organizations of Asia-Pacific Region. Nearly US$30,000 was raised, which will be used for developing a stronger Scout community in the Asia-Pacific Region. Apart from the presentation of certificates for membership category upgrade and new membership, the Asia-Pacific Regional Chairman's Award and the Korea Scout Association's International Friendship Award were also presented. This provided an opportunity for overseas and local guests and leaders to come together, share experiences, and enjoy a pleasant evening.

Members Serving in the World Scout Movement

Our following members are currently serving in various positions to assist in formulating important policies and plans towards the World Scout Movement:

WOSM Consultants^	Mr Wilson LAI Wai-sang, Deputy Chief Commissioner (Operations) Mr Ivan TAM Chiu-hung, Specialist Trainer (Leader Trainer)
APR NSO Membership Growth Coordinator*	Mr Desmond SAM Wai-kin, Assistant Chief Commissioner (Support) Mr LAI Chi-wing, District Commissioner of Sheung Yue District
APR NSO Messenger of Peace Coordinator*	Dr Benjamin FUNG Chi-ho, Assistant International Commissioner (Operations)
APR Scout Bazaar Ambassador*	Mr Glory LING Kay-kau, Deputy Programme Commissioner (Activities) Mr YIP Chi-shing, District Scouter of North Kwai Chung District

^Provisional appointment
* 2022-2025

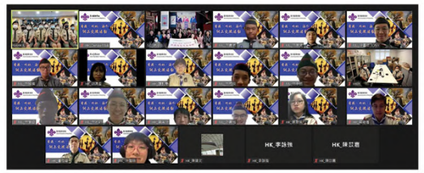

Scout Awards

Our following members are bestowed various awards from other Regional / National Scout Organizations:

APR Award for Distinguished Service	Mr Joseph LAU Yee-leung, Chief Commissioner
APR Certificate of Good Service	Mr Glory LING Kay-kau, Deputy Programme Commissioner (Activities)
Boy Scouts of America Silver World Award	Mr Joseph LAU Yee-leung, Chief Commissioner

Mainland Affairs

Online Exchange Activity for Hong Kong, Mainland and Overseas Youths

In order to enable young people to continue making new friends and taking on new challenges during the pandemic, the Mainland Affairs Branch, in collaboration with the International Branch, once again organized an online exchange activity on 14 May. Themed "Introduction of Local Intangible Cultural Heritage Items", the event featured, Scouts from Malaysia, Youth from Sichuan, and members from 187th Hong Kong Group, participants on sharing intangible cultural heritages, preservation and inheritance work done in their respective regions. By sharing various regional information, it broadened participants' horizons while widening their exposure to foreign cultures.

Scout Association of Hong Kong · Hong Kong Palace Museum – Carrying the Cultural Tradition Forward Programme

In collaboration with the Hong Kong Palace Museum, the Association launched a brand new "Carrying the Cultural Tradition Forward Programme". With a rich variety of educational resources from the Hong Kong Palace Museum, the programme allows youth members and leaders to nurture a deeper understanding of Chinese culture, art and history and foster their interest and acumen in art and culture through a variety of training and visiting sessions. The programme will also have an educational exchange tour to be held in Beijing in summer time later. The kick-off ceremony was held on 20 August at the Hong Kong Palace Museum, where both parties signed a Memorandum of Cooperation, laying the foundation for long-term collaboration in the future. In August and November, elementary training workshops were conducted, equipped 70 youth members and leaders with knowledge of culture, history, cultural relies and guided tour skills of the Forbidden City.

Course on National Affairs 2022 for the Hong Kong Youth Uniformed Groups

Co-organized by the Chinese Academy of Governance, All-China Youth Federation and the Liaison Office of the Central People's Government in the HKSAR, the 10th Course on National Affairs was held in November 2022. A total of 47 representatives from 14 Youth Uniformed Groups in Hong Kong participated in the course, including five representatives from the Association. The course was conducted through a combination of online learning and face-to-face discussions, aiming to assist participants in understanding of national affairs and to explore effective ways to promote youth development, internship and exchange activities in Mainland, with reference to the current situation of youth in Hong Kong, as well as for all Youth Uniformed Groups to have a better understanding in conducting activities in future.

Introduction to Chinese History and Culture – Online Sharing Programme

In order to deepen our members' understanding of Chinese culture, the Mainland Affairs Branch published a series of posts on social media under the theme of an Ancient Chinese encyclopedia – "The Exploitation of the Works of Nature" from September 2022 to March 2023. It introduced the development of important agricultural and handicraft industries in China from ancient times to the Ming Dynasty. Scout members who read through the articles, liked and shared posts were eligible for a souvenir badge. The programme reached up to 5,400 people, and more than 180 people received the souvenir badge.

Sichuan Train the Trainers Service Project

The Mainland Affairs Branch kept maintaining contact with the voluntary organizations in Mianyang and Deyang of Sichuan and actively supported local volunteers through regular online training in promoting youth development this year. In celebration of the 10th anniversary of the Sichuan – Hong Kong Youth Exchange Programme, the Mainland Affairs Branch, together with Sichuan Provincial Youth League Committee, held a 10th anniversary online event, which was joined by Mianyang City Youth Activities Centre and Deyang City Youth and Children's Palace. The event, featured a project review video summarizing the work for the past ten years and sharing sessions by volunteers, was touching.

World Heritage Workshop

In order for Scout members to appreciate the value of world cultural heritage, the first "World Heritage Workshop" was held in March at the Tai Hang Fire Dragon Heritage Centre. In addition to the introduction on world cultural heritage, a guided tour on the national-level intangible cultural heritage – the culture of Tai Hang Fire Dragon Dance and local Steamed Buns cooking class were also arranged. To foster Scout members' interest and to enhance their understanding of the universal values and history of world cultural heritage, more related activities will be launched in due course.

Development of Association Properties

In 2022, Estate Branch had joined Electrical and Mechanical Services Department's "Solar Harvest – Solar Energy Support Scheme" and had completed a solar energy generation system at the flat roof on 12th floor of Hong Kong Scout Centre and participated into CLP Power's "Feed-in Tariff" scheme. The projects not only supported and promoted the use of renewable energy, but also served as a demonstration for Scout members to have a deeper understanding of the concept of renewable energy and sustainable development.

Furthermore, Estate Branch had retrofitted the banner mounting frame at the foyer of Chamson Chau Congregation Hall on the 11th floor of Hong Kong Scout Centre. The installation made it more convenient to update banners to suit the theme of the events to be held in the future. In July 2022, a poster with the theme of "Scouting for Life" was installed, giving a fresh look to the area.

During the year, Estate Branch also carried out a number of improvement projects in Hong Kong Scout Centennial Building. These included the upgrading of wireless microphone system at the Kenneth Lo Gallery on the 20th floor, and equipping some E&M plant rooms and ground floor access points of the building with IoT water leakage sensors and motion sensors respectively, etc.

In addition to regular disinfection by mist spraying in the premises, Estate Branch has also procured a number of portable air purifiers for use in various rooms of Hong Kong Scout Centre and Hong Kong Scout Centennial Building to enhance air circulation thus improving the indoor air quality.

Capital Works for Campsites and Activity Centres

Estate Branch oversees the Association subsidized improvement projects for campsites and activity centres. The beneficiary projects this year included the aluminum ceiling replacement works for the Sea Base Toilet at Tai Tam Scout Centre, renovation work for Shau Kei Wan District Headquarter Office, and repainting work for Law Ting Pong Scout Centre.

Besides, Estate Branch also assisted Tai Tam Scout Center in applying for a short term tenancy for temporary use of a vacant government land as a sea activities training centre. The Centre has sought funding subsidies from Development Bureau on the required consultation services. The project preparation works was underway.

Furthermore, Tai Tam Scout Centre and Pak Sha Wan Tam Wah Ching Sea Activity Centre were granted with funding from the Hong Kong Jockey Club Charities Trust for their improvement and renovation works respectively in 2021. The construction works have been commenced in 2022-2023. Estate Branch is closely coordinating with the centres and offers them technical assistances when required.

Scout Raffle Campaign 2023

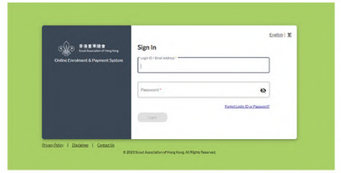

Raffle Campaign is organized annually to help Scout groups, districts, regions and other units of the Association raise funds for their training and activities. The Raffle Draw and Award Presentation Ceremony 2023 was held on 11 March 2023 at the lobby of the B P International House. It was the first full-scale ceremony held after the outbreak of the epidemic, 101 lucky prize winners were drawn by a team of esteemed Scouters, lay members and sponsors. "Best Performance Award", "Best Per Capita Performance Award" and "Best Improvement Award" were also presented to groups with outstanding sales performance.

Human Resources

High performance work teams are essential to support the Scout Movement. To enhance the efficiency and effectiveness, the Association keeps on providing different training to staff. A professional consultant was invited to deliver the "Relationship Management Workshop" for managerial staff. In the workshop, through various experiential activities, staff understood their personality dimensions and learnt skills in dealing with different stakeholders. The consultant also shared his experience in tackling people with different personality types. Furthermore, the Association arranged a course of "Data Analysis with Microsoft Excel" to facilitate staff to use Microsoft Excel effectively on data analysis.

Workplace safety is very important. The Association arranged House Wardens, staff from Estate Branch and campsites to attend the "Fire Safety Ambassador (FSA) Trainer" organized by the Fire Services Department. They acquired the knowledge on fire prevention and were trained to train other staff to become fire safety ambassadors. Also, the Association continued to invite the Fire Services Department to deliver the "Press to shock – Save a life" Cardiopulmonary Resuscitation (CPR) & Automated External Defibrillator (AED) course for general staff to learn the basic operation of AED.

Strengthening IT applications

During the year, the Association has started several IT application projects recommended by the Information and Communication Technology Strategy Task Force, including the Online Enrollment and Payment System, Scout Mobile App, revamp of Scout Membership Information System, and formulation of system development blueprint, in order to promote paperless, improve efficiency, and enrich members' Scouting journey.

The Online Enrollment and Payment System has been launched in early 2023 to facilitate members' enrollment for the "Scouting for Life" Jamboree originally scheduled for April 2023. The next phase of development will commence soon to facilitate youth and adult members to enroll electronically for various types of activities and training courses organized by the Association and Regions and make online payments.

The "Hong Kong Scouts" Mobile App has commenced a soft launch in March 2023 and will be formally launched in the first half of 2023. Through the App, Scout members can browse the latest news, activities and training of different units of the Association, as well as useful information and unit information. These units can also share activity information, tidbits and photos, etc. Moreover, the functions and settings in the App can meet users' personal needs. The App will be linked to other systems in the next phase of development to further enhance the user experience.

The revamp of the Scout Membership Information System is in full swing. The system will have additional features to facilitate the processing, updating, searching and management of members' data. In the future, the system will be further enhanced to integrate different member information databases and link to other systems in order to simplify the login of different systems and reduce the need for repeated personal data entry and authentication.

On the other hand, the Information Technology Office has enhanced the Scout Enrollment Management System (i.e. JOIN US) this year. The system has supported the implementation of the Grasshopper Scout Pilot Scheme and improved the Scout Group selection function to make it easier for users to select suitable groups. That apart, the Office has also supported and maintained a number of application systems under various units, including the Youth Membership Information System, the Association's website, Venue Booking System and Training Management System.

Hong Kong Island Region

Innovation and Integration – Physical and "Virtual Run"

Under the new normal, Scout members have constantly changed, adapted and integrated various elements of Scouting through technology and innovation, so that Scout activities can be continually to develop. The 26th Island Scout Trail Walk was conducted in a dual format of physical and "virtual run", resulting in more than 3,800 participants in both competition and non-competition categories, completed a journey of more than 28,000 kilometers in total.

Serving the Community

Island Scout Trail Walk continued to retain the elements of serving the community. In addition to the "Canned Food Donation Campaign", the Region collaborated with "Christian Action" this year for the first time to organize the "Toy Donation Campaign". Scout members responded positively and donated more than 3,600 pieces of toy to underprivileged children, bringing joy to them.

The 25th Standard Chartered Hong Kong Marathon was successfully held on 12 February 2023. Hong Kong Island Region recruited over 1,600 Scout members and friendly organizations to help dispatch and receive runner's packs. They also provided assistance in crowd management before and on the race day. In 2022-2023, a total of 159 services were participated by the Region, districts and Scout groups, with a total of 6,375 attendees and more than 82,370 service hours.

Youth participation

As time changes and society progresses, Scouting has also undergone drastic changes to meet the needs of young people, so as to maintain the attraction to young people to join Scouting. A total of 119 activities, training courses and competitions were organized by the Region over the year, with a total of 8,965 participants. Each regional department continued to do its best to assist members in completing the assessments of respective Sectional Highest Awards. In 2022-2023, 137 Cub Scouts, 26 Scouts, four Venture Scouts and one Rover Scout attained the Golden Bauhinia Award, Chief Scout's Award, Dragon Scout Award and Baden-Powell Award respectively.

Flexible Training mode to enhance efficiency

The training courses kept pace with the times by using more technology to enhance effectiveness and efficiency. Moreover, self-study sessions were added to increase flexibility. During the year, workshops with various themes were successfully held, such as national flag raising ceremony, basic group meeting etiquette & foot drill training, identifying speech impediment among children and adolescents, tree climbing and leather art, etc., helping leaders to prepare group meetings. In 2022-2023, 29 training courses, workshops and activities were successfully organized with a total of 524 participants; and 21 Scout leaders received the Wood Badge.

Green Education, Sustainable Development

Tai Tam Scout Centre has been standing for half a century with the mission of cultivating Scout leaders and members. The Centre is also a pioneer in promoting skills training, sea activities and green education. On 2 October 2022, "Tai Tam Golden Jubilee Day" was held to celebrate the 50th anniversary of the opening of Tai Tam Scout Centre. During the event, Scout members reviewed the contribution and important history of Tai Tam Scout Centre in nurturing Scout members over the past 50 years. They also previewed the future sustainable development plan of the Center. The renovation and expansion project has been started in March 2023 and is expected to be completed in November 2024.

Creating the future

The total number of members in the Region was 10,327 in 2022. Looking forward to the future, apart from recruiting and retaining members, the Region will also focus on nurturing the problem-solving ability, mindfulness and resilience of youth members so that they can overcome adversity and embark on the road to success. The pandemic had made us understand the impermanence of the world and reminded us that we must always "Be Prepared" for the future.

Kowloon Region

Vibrant Kowloon

As the government relaxed the epidemic prevention measures step by step, the Region, Scout districts and Scout groups gradually resumed Scout activities and training. By the end of December 2022, the Region and districts held a total of eight "Hong Kong Scout 110th anniversary recognized celebration events" for which their theme was set according to the Sustainable Development Goals (SDGs) promulgated by the World Organization of Scout Movement (WOSM) and the events enabled the participants to awaken their awareness of the importance of sustainable development.

The Region held an online seminar on financial management in August 2022. The webinar covered financial governance, handling of donations and points to note when filling out the annual statements of accounts aimed at enabling Scout members to have better understanding of respective requirements.

Having launched the regional website, the Region started the second stage of enhancement work which established the Gilwell Campsite online booking system. It was expected to release for use in the third quarter of 2023.

Activities and Projects

The Region held the "Kowloon Region Commendation Ceremony 2022" on 9 October 2022 to award 77 Outstanding Group Scouters, 311 Outstanding Scout Groups. Besides, 29 leaders were awarded Regional Commissioner's Commendation. "Pioneering Open Day cum Pioneering Club Founding Ceremony" was held at Gilwell Campsite on 16 October 2022 to cohere a group of passionate members to promote, reinvent and share the technique for making the Scout-featured pioneering. Also "Ngan Chi Hung Cup (Bowling Competition)" and "Chinese New Year Spring Reception cum Dinner" were respectively held on 15 and 28 January 2023. Lay members and regional staff actively participated in the events.

Two "Happy Family" events were held respectively on 26 February and 12 March 2023 at the Hong Kong Cultural Centre Piazza and the Kowloon Park. The events on the one hand promoted the family core values set out by Family Council, and on the other hand enabled the public to know more about Scout activities. Moreover, "The Regional Commissioner's Retreat 2023" was held on 4 March 2023 aiming to implement the development direction and reinforce communication among departments. Participants shared their ideas on future events, proposed schemes to better support groups and units, and discussed the ways to hold ongoing & large scale services and activities. Apart from these, the Region held the "Care Community Project (2022/2023) – Happy Learning in Scouting – Confidence & Leadership" on 12 and 19 March 2023. The events fully practiced the concept "Diversity and Inclusion" in Scouting for which 280 students coming from different schools as well as the minorities groups and new arrival family members participated the event, 267 out from the participants were youth having financial need. Having taken part in the team activity and skills workshop, participants experienced the Scouting fun and enhanced self-confidence and leadership.

Region's Statistics

As at 31 December 2022, the Region had a total of 12,498 members and 229 Scout groups. The number of Scouts achieving the sectional highest awards reached 209, including 156 Golden Bauhinia Awardees, 45 Chief Scout's Awardees, seven Dragon Scout Awardees and one Baden-Powell Awardee. Besides, a total of 21 leaders successfully attained the Wood Badge.

Looking back at the past year, it might have been difficult, but the Region upheld the mission of nurturing the young people for the betterment of our society. Kowloon Region is marching toward 55th anniversary, we continue to enhance the Scout development in the territory so as to benefit more young people.

East Kowloon Region

Resumption of Scout Activities

With the stabilization of the pandemic in the past year, our face-to-face regular training and activities have gradually resumed. A series of diversified activities have also restarted. In October 2022, "Pak Sha Wan Novice Kayak Racing 2022" was held to enable our youth members who were inexperienced in kayak sprint to explore the fun and gain experience for taking part in kayak competition in the future. For land-based outdoor activities, "EKR Wild Walker" was held in May 2022 and February 2023 respectively. Participants have made use of a variety of skills learnt in Scouting to overcome different challenges. Through this innovative hiking game, our members have developed their team building, communication and problem-solving skills. For air activities, in addition to the regular training and activities, a visit to Hong Kong Aviation Club was arranged in March 2023. Participants have not only obtained information of aviation training courses organized by the club but also had a chance to get into the cockpit to have a clearer picture of how pilots operate a helicopter.

Saving the Planet – Sustainable Hiking Trails

Over the years, our Region has assisted Agriculture, Fisheries and Conservation Department (AFCD) in various hiking trails maintenance activities such as the organization of trail maintenance workshops and drainage clearance activities within country parks as well as the co-organization of "Make Our Nature Trail Sustainable – Leave No Trace Education Programme". Effective from September 2022, a one-year permit was granted by AFCD to our Region for carrying out simple trail repair works within the country parks. In the second half of the year, a number of workshops on clearance of trail drainage and blockage of short-cuts of hiking trails were conducted. After the workshops, our members were led by leaders with relevant training to apply the knowledge and simple skills by carrying out simple maintenance works on different hiking trails within country parks, so as to put the concept of "Make Our Nature Trails Sustainable" into practice.

Pak Sha Wan Tam Wah Ching Sea Activity Centre (PSW)

With the funding of The Hong Kong Jockey Club Charities Trust, the refurbishment project of PSW was commenced in July 2022 and was expected to be completed in the summer of 2023. The improvement works consisted of renovation of both the indoor and outdoor areas, re-pavement of outdoor platforms, re-design of indoor venues, increase of the capacity of dormitories to 68 beds and expansion of washrooms and bathrooms. Moreover, barrier-free access facilities including washrooms for people with disabilities and ramps for wheelchairs would be available after the renovation. It would not only bring brand-new experience to our campers but also further advance our service level to better support the activities and trainings at the campsite so as to serve the community. On the other hand, the Centre has received subsidy from Sir David Trench Fund for Recreation to purchase 10 pieces of sailing trapeze harnesses which would further upgrade the safety level of our sea activities.

New Territories Region

Resumption of Scout Activities

With the easing of Covid-19 restrictions, Scout training and activities were reactivated in New Territories Region (NTR) in late 2022, allowing our members to once again embrace the joy of Scouting. One of the highlights was the triennial Venture Scout Skills Championship, which took place from June to December 2022. The competition, centered on the themes of "Team Challenges" and "Scout Skills", consisted of eight sessions conducted in a hybrid format which combined virtual and physical elements. The organizing committee of the competition harnessed the power of social media, specifically the platform "Discord", to gather ideas from members of the Venture Scout Council. Incorporating the concept of "Zombies" into the games, they infused the activity with elements of popular culture, catering to the preferences of today's youth. This innovative approach proved highly successful, attracting over 150 leaders and members to participate. It not only showcased the triumph of this new activity mode but also effectively promoted skillful training in the Venture Scout Section.

Furthermore, various activities have also been reintroduced, including the "Nice Flight Fun Day" held on 23 January 2023, the "Grasshopper Scouts Carnival" and the "Cub Scouts Competition". After a prolonged period of limited face-to-face interactions, the enthusiastic participation of Scout members in those programmes was a testament to their unwavering dedication and eagerness to engage in meaningful experiences.

Scouting through the Virtual Interface

The NTR Astronomy Team convened a prestigious online event titled "Unraveling the Enigma: The Black Hole at the Heart of the Milky Way" on 2 July 2022. Renowned Professor CHAN Chi-kwan, an esteemed Associate Professor from the Department of Astronomy at the University of Arizona, graced the occasion by sharing the awe-inspiring image of the enigmatic black hole known as Sagittarius A*, which had been unveiled to the world on 12 May 2022. This enthralling astronomical endeavor served as a gateway to explore the mysteries that lie within our universe, captivating the attention of over 300 Scout leaders and members who eagerly joined in the virtual gathering. Despite being physically situated in the United States, Prof CHAN's profound insights on the captivating facets of the universe seamlessly transcended borders, resonating with our members through the online platform.

In addition to fostering a connection with our international counterparts, the online platform also provided a remarkable opportunity for collaboration with our mainland counterparts. In March 2023, an engaging online exchange programme was orchestrated, facilitating a meaningful interaction with the vibrant youth of Shenzhen. Our Cub Scouts enthusiastically interacted with their peers in Shenzhen, engaging in the intellectually stimulating "Kim's Game" through the virtual interface. This innovative initiative not only nurtured mutual learning and understanding but also served as a testament to the power of technology in bridging geographical barriers. In the face of the new normal, virtual meetings and activities have emerged as a commendable alternative, offering unparalleled flexibility in execution.

Celebrating the 65th Anniversary of NTR

NTR is celebrating its 65th anniversary in 2023 under the theme "Heritage and Innovation". The kick-off event "The Legend of Campfire" took place on 18 December 2022. It offered a delightful blend of game booths during the day and a captivating campfire party in the evening. Drawing inspiration from the timeless tale of *The Romance of Three Kingdoms*, all officiated guests made grand entrances dressed as iconic heroes from that era. Their spirited presence infused the atmosphere with liveliness, and all members, leaders, and lay members reveled in the festivities, cherishing this remarkable moment.

The activities commemorating the NTR's 65th anniversary are in full swing, exemplifying the concept of "Heritage and Innovation" through a diverse range of programmes. These include services that uphold our traditions, scientific innovations that push the boundaries of knowledge, personal challenges that encourage growth, and orientation programmes that guide us towards a brighter future. Guided by the Scout Law's principle that "A Scout has courage in all difficulties", we are determined to overcome any obstacles that come our way and march confidently towards another 65 years of even greater success and prosperity.

New Territories East Region

With the pandemic situation gradually stabilized during 2022-2023, Scout activities have been resumed progressively and most of them were successfully held. Regional and district staff put all efforts to execute their action plans in the past year and prepare themselves for the challenges in the coming year. The actions included various means to increase the number of leaders and youth members, as well as to help youth members to catch up with their progressive training in order to archive the Sectional Highest Awards.

Overview

As at 31 December 2022, New Territories East Region (NTER) had a total of 8,700 members and 209 Scout groups. The numbers of activities and courses held throughout the year were slightly increased when compared with the previous year. Most of the traditional face-to-face training courses were conducted online. In 2022-2023, NTER organized 33 activities for youth members and 13 leader training courses. There were 15 leaders successfully completed the Wood Badge training. On the other hand, various alternatives had been adopted to assist youth members to achieve the Sectional Highest Awards. A total of 94 youth members successfully attained the Sectional Highest Awards.

Development

To increase the number of Scout groups and members has been our focus. Over the year, NTER organized the "Grasshopper Scout Group Establishment Seminar" and invited organizations whom not yet sponsoring a Scout group to join. Two kindergartens decided to set up Grasshopper Scout Groups after joining the seminar. Besides, the "Programme for Expansion of Parent Leaders" was launched in collaboration with other regions. Potential parent leader candidates from each region were invited to participate in three signature Scout activities with their children. Upon completion of these activities, they were invited to join the associated Scout groups as leaders. Furthermore, NTER had set up a "Membership Expansion and Retention Group" with representatives from all Scout districts. Outreaching activities were conducted on a regular basis to attract people from various sectors to join the Scout Movement.

Scout Services

NTER launched an innovative programme "Active Service for the Elderly Project" which incorporated the "Service and Learning" element and promulgate the spirit of serving our community. The programme encouraged elderly and youth members to attend a series of training together. They learned and experienced new skills and knowledge, including backwoods cooking, low-event adventure activities and the trendy game "Six Brick". The project provided an opportunity for the elderly to become "Scout leaders" and joined forces with the youth in holding meetings and activities for Grasshopper Scouts and Cub Scouts. The initiative had successfully promoted integration across generations. The elderly were also encouraged to apply the skills and knowledge they had learnt so that they could enjoy a meaningful retired life.

Looking Forward

The strategic plan for the coming year will focus on expansion of the present Scout membership spectrum, supports to Scout groups in various aspects, and strengthening of both external and internal ties. In order to achieve these objectives, NTER has already set up nine working groups covering the core elements including retention and recruitment of youth members, establishment of new Scout groups, resources management, operational supports to Scout groups, enhancement of leadership quality, whole-person development and education, branding and promotion, strengthening of internal ties and establishment of contacts with local organizations and government authorities. Quarterly meetings will be held by each working group to review and upkeep the impetus for furtherance of Scout Movement within NTER.

Headquarters Subsidiaries

Leadership Training Institute & Aviation Training Centre

Training and Activities

Leadership Training Institute (LTI) has successfully passed the learning programme accreditation and re-accreditation exercise of Hong Kong Council for Accreditation of Academic and Vocational Qualifications (HKCAAVQ) in 2022 and thus will continue conducting three QF Level 3 learning programmes, namely *Certificate in Leadership Skills*, *Certificate in Expedition Skills* and *Certificate in Adventure Education: Principles and Application*, with the validity until 28 February 2026. Moreover, LTI kept working closely with tertiary institutions, including credit-bearing courses: *Leadership in Practice* was organized for United College of the Chinese University of Hong Kong and the School of Professional Education and Executive Development of The Hong Kong Polytechnic University. Futhermore, a 200-hour Scout service exposure was given to two student interns from Education University of Hong Kong.

Teaching and Learning Quality Process Review (TLQPR)

To uphold the high standard of teaching and learning, a Five-Year Review was conducted in which teaching resources, activities and processes had been closely scrutinized. The recommendations were implemented gradually so as to further enhance the quality of LTI's teaching and learning process.

Wong Siu Sang Leadership Training Centre

The Centre has offered 324 programmes for around 9,865 participants last year, among which, "Free Admission Trial Project" has been well received. "Hong Kong Scout 110th Anniversary – Wilderness Challenge Day" was held on 4 December 2022 which successfully attracted more than 300 participants. In order to obtain the latest technology and information on the profession, a representative was sent to attend the 33rd Annual International Association for Challenge Course Technology Conference and Exposition.

Scout Association of Hong Kong Aviation Training Centre

As the epidemic has subsided, activities and trainings of the Centre are resuming. Activities booths were set up for different events, such as the 110th Anniversary Joint Band Performance & Carnival and the Cyber Security Expo 2022. Flight simulator experience was also provided to participants of the "Hong Kong Scout Centennial Building – Care Community Project" of different Regions.

The Centre has continued to contribute to different aircrew badge training courses organized by Programme Branch by providing hundreds of hours of flight simulator training. Also, more than a thousand of members have joined the Flight Technique Enhancement Workshop, Flight Simulator Operator Workshop and Seasonal Fun.

Scout Association of Hong Kong Library (SAHK Library)

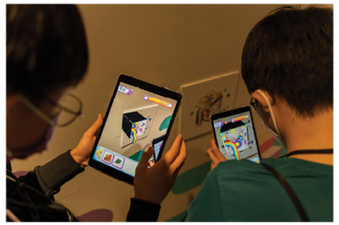

With the generous donation from some senior Scout members, the depth and breadth of the collection of SAHK Library has been continuously enhanced to address members' need. Besides, the Discussion Zone is well received by the youth and has become one of the desirable venues for learning and socializing.

The Friends of Scouting

Under the mission of "Creating favourable circumstances for young people to develop themselves and make contribution to the community", the Friends of Scouting (FOS) assists the Association in extending the services to non-uniform youth. Two service centres for children & youth located at Kai Yip and Long Ping are dedicated to providing services to youth and their families in their districts. Together with the School Social Work Service Team, they provide stationing service to 17 schools. FOS is currently being the Sponsor of 10 Scout groups, and through Education Centre to offer various academic and interest courses. It also launches a number of continuing education courses, all help to expand the service scopes of the Association.

Care for Mental Health of Youth

"FOS with You Together" Scheme was launched to promote the message of taking care of mental health of youth by using the promotion vehicle and setting up activities booths. Other activities included a seminar on "Mental Health Gatekeeper", "Soul Keeper – Your Mental Health Experience" Activity, "Loss & Found" Life Education Programme and "Stand with You" Live Show. In addition, the "Listen to me" Project was also launched to arouse parents' awareness on their children's mental health through picture books and workshops. Also, a series of Virtual Reality (VR) systems/software about mental health were developed for art experiential therapy, so that youth can experience and learn through participation.

The School Social Work Service Team also launched the "Mental Health Gatekeeper" Project to promote the awareness of mental health of youth. The "Heart to Heart – Tree Hole Pins" and the "Heart and Soul Quotes" postcard sets were distributed to all secondary schools in Hong Kong, and a professional training workshop was also organized for students and teachers.

Integrated Children & Youth Service

To cater the needs of students with special educational need (SEN), the "Leaping Kids – ADHD Students Support Scheme" and the "Body Mind Spirit – SEN Support Scheme" were launched for children with attention deficit/hyperactivity disorder (ADHD) or autism spectrum disorders and their parents. Also, FOS and Training Branch jointly organized the "Special Education Needs Training Course" to provide training to frontline Scout leaders to improve their skills on dealing with members with SEN.

Furthermore, "Know the Future" Project and "Life Planning" Project provided career counselling and hands-on experience in the workplace for non-engaged youth, and support service was given to 36 secondary schools.

School Social Work Service

The School Social Work Service Team provides stationing service for 10 secondary schools and the scope of services includes individual counselling, group and developmental work, parent education and community service. This year, 375 programmes/groups with a total attendance of 31,959 were held and 1,173 cases were handled by the team.

Comprehensive Education Service

The Education Centre organized a total of 399 courses, including 192 subvented courses (43 courses of Adult Education and 149 courses funded by Employees Retraining Board (ERB)) and 207 non-subvented courses. The total number of enrollment was 5,089 of which 38% was children or youth. In view of the shortage of the care worker under pandemic, the Centre was authorized to launch 70 Care Workers Training classes funded by ERB. Placement service was provided for the graduates with the completion of the course.

The Baden-Powell Scout Club of Hong Kong

The Baden-Powell Scout Club of Hong Kong (BP Club) continues to connect serving Scout members with retired/resigned members to uphold their fellowship, encourage them to keep the Scout Promise and Law and fulfil the lifelong commitment of "once a Scout, always a Scout".

Youth Service

In March 2023, the "Unleash Potential" Fun Day was organized for over 200 teenagers with economic needs. The programme included an introduction to the Scout Movement and a series of individual and group activities having characteristics of Scouting. This enabled the participants to enhance their self-understanding, explore their potential and develop their leadership skills.

Apart from services rendered to the non-Scout youth, BP Club also serves the Scout members. In the past year, members of the BP Club Service Team supported the 23rd Hong Kong Group in their group meetings and, by so doing, served our youth members directly on the front line.

Community Involvement

The pandemic did not deter our BP Club Service Team from serving the community. Highlights of some of these services include contributing some 1,000 services hours to support Home Affairs Departments' packaging and delivery of anti-epidemic service bags to households in need, cooperating with other NGOs to visit the elderly living in remote areas, presenting goodie bags to the elderly and assisting the Association Headquarters to collect sleeping bags and tents for the victims of the Turkey-Syria earthquake in February 2023.

Membership Growth

Our membership continues to grow with the expansion of sub-clubs in recent years. Furthermore, 11 merchants from different industries have become our partners to provide year-round offers of a wide range of products and services to our members. A ceremony was arranged to share the strategic plans of the BP Club, announce new offers from our merchant partners and present to our members the new sub-club membership cards to strengthen their sense of belonging.

With the easing of the pandemic, we have gradually resumed our interest classes and activities, including Cantonese opera class, Erhu class, Taiji class, health talks, workshops, Inauguration Ceremony cum Annual Dinner, wine tasting gatherings and local tours. Many more programmes and activities will be arranged in the future to uphold the fellowship among our members as well as achieving the long-term target of the Association on membership retention and growth.

The Scout Shop of Hong Kong

As the main channel for Scout members to purchase Scout supplies, The Scout Shop of Hong Kong offers not only Scout uniforms and essential items, but also various Scouting-themed souvenirs, books and outdoor gears. The Scout Shop has two physical stores, namely Jordan Main Shop and Wanchai Outlet, and also an online shop (www.hkscoutshop.org.hk) that brings convenience to local and overseas Scout members to shop online. Through the online shop and Facebook page, our shop releases from time to time news on the latest product information and special promotions. The electronic screen on the ground floor of the Hong Kong Scout Centre is also used to strengthen shop's publicity and promotional work.

Scout souvenirs

This year, the Scout Shop sourced quite a lot of distinctive World Scout souvenirs, such as various commemorative badges, key chains, woggles and books. In addition, our shop continued to offer 110th anniversary-themed souvenirs and launch related promotional activities in stores to stimulate sales. This matched with a series of activities for celebrating the 110th anniversary of the Hong Kong Scouting organized by the Association Headquarters.

Exclusive offer to Scout members

The Scout Shop continued to collaborate with a number of outdoor gear suppliers to offer a 15% discount on selected brands of outdoor products to our customers. Such products included backpacks, sleeping bags, mats, water bottles, trekking poles, headlamps, camping tableware, etc. The shop also specially offered a camping bundle set at discount to match with Scout members' camping needs. Apart from outdoor products at special prices, our shop also offered discounts on selected books to Scout members.

Online shopping

In return to customers' continuous support to the online shop, the Scout Shop maintains the minimum online purchase order amount as HK$200 from 1 January 2023 onwards so as to encourage customers to shop through our online shop. As Hongkong Post has gradually resumed postal services to certain overseas regions, our online shop has received overseas orders from places such as the United States, the Netherlands and Malta.

Outlook

Following the complete lifting of the restrictive measures against the epidemic in Hong Kong, it is expected that Scout activities and the Scout Shop business operation would gradually return to normal. Looking ahead the year to come, our shop would search for and develop more unique Scout products, and actively seek cooperation with different outdoor gear suppliers to provide more product offers to Scout members.

The Commissioners' Club

The Commissioners' Club with over 5,000 members has been established in 1994. The purpose of the Club is to provide well-equipped and comfortable place for all ranks of Scout leaders and adult members to get together.

Club facilities

The Club provides catering and social gathering place for members. The Chinese restaurant is a comfortable venue serving Cantonese cuisine and delicious dim sum. Seasonal delicacies and festive food are also offered for our members to enjoy different styles of Chinese gourmet food. Brownsea Lounge is a pleasant outdoor space adorned with greenery for social gathering. On the other hand, Impeesa Bar is a place for members to chitchat and share fun stories of Scouting with fellow members and friends.

Chinese New Year Reception

The first Chinese New Year Reception Fellowship Dinner after the outbreak of the epidemic was held on 17 February 2023 and was attended by full house. Executive committee members prepared many gifts for lucky draw, which drew the banquet to a wonderful event.

Impeesa Bar

In addition to the Chinese restaurant, Impeesa Bar is another place for members to gather together. "Joyful Free Drink" session provided free drink (beers and soft drinks) to members at Brownsea Lounge every Friday night. It is the ideal occasion for members to enjoy the board view of the picturesque park and habour, as well as to have a drink and relax with fellow friends under soulful tunes and smooth jazz music.

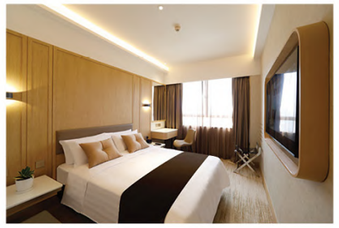

Activities

The Club organizes different activities for members. "Charming Monuments – Mediation Walk" will be held in 2023-2024 which is a tour to visit Green Hub and Tsz Shan Monastery. More local and China short tours will also be organized to enhance members' communication and friendship.

B P International House

Operation

The tourism sector is recovering gradually as the pandemic stabilizes. The number of visitor arrivals has increased consistently following the HKSAR Government's easing of travel restrictions in May 2022. The Hong Kong Tourism Board anticipates roughly 25.8 million visitors in 2023, comprising 46% of the total visitor numbers from 2019, and such growth is expected to continue in the future. In 2022, B P International House (BPIH) successfully adjusted its strategies, offering diverse lodging and dining packages to achieve stable growth. This led to an increase in occupancy and room rates compared to prior years, yielding promising results.

Accommodation and Facilities

BPIH actively expanded its local customer base by implementing various marketing strategies targeting long-term stays and domestic markets. BPIH also participated in the Hong Kong Tourism Board's "Staycation Delights" program to strengthen its market presence. By partnering with diverse channels and digital platforms, BPIH sustained a steady customer base while attracting new guests. In 2022, we received the Top Producing Hotel Award from Trip.com as a recognition of excellence.

BPIH's catering performance has seen a marked improvement since the third quarter of 2022, and the Flamingo Lounge has also resumed its operations. Cafe By The Park offers more attractive deals and takeaway options to help boost its competitiveness. With travel restrictions gradually easing, large-scale events and conferences have returned, leading to a significant improvement in the business performance of The Gordon Wu Hall since the third quarter of 2022. The first phase of improvement project for both the Scout Association of Hong Kong and the parking lot elevator are nearing completion. The second phase is expected to be fully completed within the year.

Community Services

BPIH is dedicated to preserving the environment and actively participates in WWF's annual "Earth Hour" event held in March. As part of our energy conservation efforts, BPIH has switched to energy-efficient LED lighting since last year. In partnership with The Friends of Scouting from the Scout Association of Hong Kong, BPIH fostered young talent through student tours, internships, and mentorship, equipping them with vital industry knowledge and practical skills.

Looking Ahead

As global travel restrictions start to lift, both corporate and leisure travel are expected to rebound in the future. Nevertheless, the recovery could be slow and impacted by factors such as the recovery of the airline industry, intense competition among hotels, and labour shortages. The year 2023 is expected to be challenging. BPIH holds a distinct geographic advantage due to its strategic position close to the new tourist facilities and High-Speed Rail in the West Kowloon Cultural District. BPIH will persistently bolster its competitive edge and pursue new prospects, aiming to broaden the business and maintain steady growth.

Independent auditor's report
To the Council of Scout Association of Hong Kong
(Incorporated under the Scout Association of Hong Kong Ordinance)

Opinion
We have audited the financial statements of Scout Association of Hong Kong (the "Association") set out on pages 4 to 56, which comprise the statement of financial position as at 31 March 2023, and the statement of income and expenditure, the statement of comprehensive income, the statement of changes in funds and reserves and the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the financial statements give a true and fair view of the financial position of the Association as at 31 March 2023, and of its financial performance and its cash flows for the year then ended in accordance with Hong Kong Financial Reporting Standards ("HKFRSs") issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA").

Basis for opinion
We conducted our audit in accordance with Hong Kong Standards on Auditing ("HKSAs") issued by the HKICPA. Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the financial statements* section of our report. We are independent of the Association in accordance with the HKICPA's *Code of Ethics for Professional Accountants* (the "Code"), and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information other than the financial statements and auditor's report thereon
The Executive Committee members are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the Executive Committee members for the financial statements
The Executive Committee members are responsible for the preparation of the financial statements that give a true and fair view in accordance with HKFRSs issued by the HKICPA, and for such internal control as the Executive Committee members determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Executive Committee members are responsible for assessing the Association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Executive Committee members either intend to liquidate the Association or to cease operations or have no realistic alternative but to do so.

Independent auditor's report (continued)
To the Council of Scout Association of Hong Kong
(Incorporated under the Scout Association of Hong Kong Ordinance)

Auditor's responsibilities for the audit of the financial statements
Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Our report is made solely to you, as a body, in accordance with our agreed terms of engagement, and for no other purpose. We do not assume responsibility towards or accept liability to any other person for the contents of this report.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with HKSAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with HKSAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Executive Committee members.
- Conclude on the appropriateness of the Executive Committee members' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Association's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Association to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

EY 安永

Independent auditor's report (continued)
To the Council of Scout Association of Hong Kong
(Incorporated under the Scout Association of Hong Kong Ordinance)

Auditor's responsibilities for the audit of the financial statements (continued)
We communicate with the Executive Committee members regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Cash and cash equivalents as stated in the statement of cash flows	342,625	495,268

1. GENERAL INFORMATION

(a) Organisation and activities

Scout Association of Hong Kong (the "Association") is a body corporate with perpetual succession established under the Scout Association of Hong Kong Ordinance (Chapter 1005 of the Laws of Hong Kong) for the purpose of furthering and promoting the Scout Movement in the Hong Kong Special Administrative Region ("HKSAR").

(b) Operations included in the financial statements

The financial statements include the operations of the following:

(i) Headquarters of Scout Association of Hong Kong ("Scout Headquarters");
(ii) The Hong Kong Scout Foundation (the "Foundation");
(iii) The Scout Shop of Hong Kong (the "Scout Shop");
(iv) B P International House ("Hostel");
(v) Hong Kong Island Region, Kowloon Region, East Kowloon Region, New Territories Region and New Territories East Region, including New Territories Region Development Fund Commission and New Territories Campsites & Sea Activities Centre Development Fund (collectively known as the "Regions"); and
(vi) Gilwell Campsite, Pak Sha Wan Tam Wah Ching Sea Activity Centre, Tai Tam Scout Centre, Tung Tsz Scout Centre, Shatin Scout Centre, Tai Mei Tuk Sea Activity Centre and Choi Chee Ming Luen Kwong Scout Centre (collectively known as the "Campsites").

Their principal activities are as follows:

Scout Headquarters, the Regions and the Campsites:
- furthering and promoting the Scout Movement in the HKSAR.

The Foundation:
- managing any funds assigned by the Executive Committee of the Association;
- receiving any donations for the Foundation; and
- managing the surplus generated from the investment of the funds.

The Scout Shop:
- selling of Scout uniforms and other accessories.

Hostel:
- operating a hostel, restaurant, event hall and vehicle park.

2.1 STATEMENT OF COMPLIANCE

These financial statements have been prepared in accordance with Hong Kong Financial Reporting Standards ("HKFRSs") (which include all Hong Kong Financial Reporting Standards, Hong Kong Accounting Standards ("HKASs") and Interpretations) issued by the Hong Kong Institute of Certified Public Accountants (the "HKICPA"), accounting principles generally accepted in Hong Kong.

2.2 BASIS OF PREPARATION

These financial statements have been prepared under the historical cost convention, except for financial assets at fair value through other comprehensive income and financial assets at fair value through profit or loss, which have been measured at fair value. These financial statements are presented in Hong Kong dollars ("HK$") and all values are rounded to the nearest thousand except when otherwise indicated.

2.3 CHANGES IN ACCOUNTING POLICIES AND DISCLOSURES

The Association has adopted the following revised HKFRSs for the first time in the current year's financial statements, which are applicable to the Association.

Amendments to HKFRS 3	*Reference to the Conceptual Framework*
Amendments to HKAS 16	*Property, Plant and Equipment: Proceeds before Intended Use*
Amendments to HKAS 37	*Onerous Contracts – Cost of Fulfilling a Contract*
Annual Improvements to HKFRSs 2018-2020	*Amendments to HKFRS 1, HKFRS 9, Illustrative Examples accompanying HKFRS 16, and HKAS 41*

The nature and the impact of the new standard are described below:

Amendments to HKFRS 3 *Reference to the Conceptual Framework*
Amendments to HKFRS 3 are intended to replace a reference to the previous Framework for the Preparation and Presentation of Financial Statements with a reference to the Conceptual Framework for Financial Reporting (the "Conceptual Framework") issued in June 2018 without significantly changing its requirements. The amendments also add to HKFRS 3 *Business Combinations* an exception to its recognition principle for an entity to refer to the Conceptual Framework to determine what constitutes an asset or a liability. The exception specifies that, for liabilities and contingent liabilities that would be within the scope of HKAS 37 *Provisions, Contingent Liabilities and Contingent Assets* or HK(IFRIC)-Int 21 *Levies* if they were incurred separately rather than assumed in a business combination, an entity applying HKFRS 3 should refer to HKAS 37 or HK(IFRIC)-Int 21 respectively instead of the Conceptual Framework. Furthermore, the amendments clarify that contingent assets do not qualify for recognition at the acquisition date. The Association expects to adopt the amendments prospectively from 1 January 2022. Since the amendments apply prospectively to business combinations for which the acquisition date is on or after the date of first application, the Association will not be affected by these amendments on the date of transition.

2.3 CHANGES IN ACCOUNTING POLICIES AND DISCLOSURES (continued)

Amendments to HKAS 16 *Property, Plant and Equipment: Proceeds before Intended Use*
Amendments to HKAS 16 prohibit an entity from deducting from the cost of an item of property, plant and equipment any proceeds from selling items produced while bringing that asset to the location and condition necessary for it to be capable of operating in the manner intended by management. Instead, an entity recognises the proceeds from selling any such items, and the cost of those items as determined by HKAS 2 *Inventories*, in profit or loss. The Association has applied the amendments retrospectively to items of property, plant and equipment made available for use on or after 1 January 2021. Since there was no sale of items produced prior to the property, plant and equipment being available for use, the amendments did not have any impact on the financial position or performance of the Association.

Amendments to HKAS 37 *Onerous Contracts – Cost of Fulfilling a Contract*
Amendments to HKAS 37 clarify that for the purpose of assessing whether a contract is onerous under HKAS 37, the cost of fulfilling the contract comprises the costs that relate directly to the contract. Costs that relate directly to a contract include both the incremental costs of fulfilling that contract (e.g., direct labour and materials) and an allocation of other costs that relate directly to fulfilling that contract (e.g., an allocation of the depreciation charge for an item of property, plant and equipment used in fulfilling the contract as well as contract management and supervision costs). General and administrative costs do not relate directly to a contract and are excluded unless they are explicitly chargeable to the counterparty under the contract. The Association has applied the amendments prospectively to contracts for which it has not yet fulfilled all its obligations at 1 January 2022 and no onerous contracts were identified. Therefore, the amendments did not have any impact on the financial position or performance of the Association.

Annual Improvements to HKFRSs 2018-2020 *Amendments to HKFRS 1, HKFRS 9, Illustrative Examples accompanying HKFRS 16, and HKAS 41*
Annual Improvements to HKFRSs 2018-2020 sets out amendments to HKFRS 1, HKFRS 9, Illustrative Examples accompanying HKFRS 16, and HKAS 41. Details of the amendments that are expected to be applicable to the Association are as follows:

HKFRS 9 Financial instruments: clarifies the fees that an entity includes when assessing whether the terms of a new or modified financial liability are substantially different from the terms of the original financial liability. These fees include only those paid or received between the borrower and the lender, including fees paid or received by either the borrower or lender on the other's behalf. An entity applies the amendment to financial liabilities that are modified or exchanged on or after the beginning of the annual reporting period in which the entity first applies the amendment. The amendment is effective for annual periods beginning on or after 1 January 2022. Earlier application is permitted. The amendment did not have a significant impact on the Association's financial statements.

2.4 ISSUED BUT NOT YET EFFECTIVE HONG KONG FINANCIAL REPORTING STANDARDS

The Association has not early applied any of the new or revised HKFRSs that have been issued but are not yet effective for the accounting year ended 31 March 2023 in these financial statements. Among these HKFRSs, the following is expected to be relevant to the Association's financial statements upon becoming effective:

Amendments to HKFRS 10 and HKAS 28 (2011)	*Sale or Contribution of Assets between an Investor and its Associate or Joint Venture*[3]
Amendments to HKFRS 16	*Lease Liability in a Sale and Leaseback*[2]
HKFRS 17	*Insurance Contracts*[1]
Amendments to HKFRS 17	*Insurance Contracts*[1, 5]
Amendment to HKFRS 17	*Initial Application of HKFRS 17 and HKFRS 9 – Comparative Information*[6]
Amendments to HKAS 1	*Classification of Liabilities as Current or Non-current (the "2020 Amendments")*[2, 4]
Amendments to HKAS 1	*Non-current Liabilities with Covenants (the "2022 Amendments")*[2]
Amendments to HKAS 1 and HKFRS Practice Statement 2	*Disclosure of Accounting Policies*[1]
Amendments to HKAS 8	*Definition of Accounting Estimates*[1]
Amendments to HKAS 12	*Deferred Tax related to Assets and Liabilities arising from a Single Transaction*[1]

[1] Effective for annual periods beginning on or after 1 January 2023
[2] Effective for annual periods beginning on or after 1 January 2024
[3] No mandatory effective date yet determined but available for adoption
[4] As a consequence of the 2022 Amendments, the effective date of the 2020 Amendments was deferred to annual periods beginning on or after 1 January 2024. In addition, as a consequence of the 2020 Amendments and 2022 Amendments, Hong Kong Interpretation 5 *Presentation of Financial Statements - Classification by the Borrower of a Term Loan that Contains a Repayment on Demand Clause* was revised to align the corresponding wording with no change in conclusion
[5] As a consequence of the amendments to HKFRS 17 issued in October 2020, HKFRS 4 was amended to extend the temporary exemption that permits insurers to apply HKAS 39 rather than HKFRS 9 for annual periods beginning before 1 January 2023
[6] An entity that chooses to apply the transition option relating to the classification overlay set out in this amendment shall apply it on initial application of HKFRS 17

2.4 ISSUED BUT NOT YET EFFECTIVE HONG KONG FINANCIAL REPORTING STANDARDS (continued)

Amendments to HKFRS 10 and HKAS 28 (2011) *Sale or Contribution of Assets between an Investor and its Associate or Joint Venture* address an inconsistency between the requirements in HKFRS 10 and in HKAS 28 (2011) in dealing with the sale or contribution of assets between an investor and its associate or joint venture. The amendments require a full recognition of a gain or loss resulting from a downstream transaction when the sale or contribution of assets between an investor and its associate or joint venture constitutes a business. For a transaction involving assets that do not constitute a business, a gain or loss resulting from the transaction is recognised in the investor's profit or loss only to the extent of the unrelated investor's interest in that associate or joint venture. The amendments are to be applied prospectively. The previous mandatory effective date of amendments to HKFRS 10 and HKAS 28 (2011) was removed by the HKICPA in January 2016 and a new mandatory effective date will be determined after the completion of a broader review of accounting for associates and joint ventures. However, the amendments are available for adoption now. The amendments are not expected to have any significant impact on the Association's financial statements.

Amendments to HKFRS 16 *Lease Liability in a Sale and Leaseback* specify the requirements that a seller-lessee uses in measuring the lease liability arising in a sale and leaseback transaction to ensure the seller-lessee does not recognise any amount of the gain or loss that relates to the right of use it retains. The amendments are effective for annual periods beginning on or after 1 January 2024 and shall be applied retrospectively to sale and leaseback transactions entered into after the date of initial application of HKFRS 16 (i.e., 1 January 2019). Earlier application is permitted. The amendments are not expected to have any significant impact on the Association's financial statements.

Amendments to HKAS 1 *Classification of Liabilities as Current or Non-current* clarify the requirements for classifying liabilities as current or non-current, in particular the determination over whether an entity has a right to defer settlement of the liabilities for at least 12 months after the reporting period. Classification of a liability is unaffected by the likelihood that the entity will exercise its right to defer settlement of the liability. The amendments also clarify the situations that are considered a settlement of a liability. In 2022, the HKICPA issued the 2022 Amendments to further clarify that, among covenants of a liability arising from a loan arrangement, only those with which an entity must comply on or before the reporting date affect the classification of that liability as current or non-current. In addition, the 2022 Amendments require additional disclosures by an entity that classifies liabilities arising from loan arrangements as non-current when it has a right to defer settlement of those liabilities that are subject to the entity complying with future covenants within 12 months after the reporting period. The amendments are effective for annual periods beginning on or after 1 January 2024 and shall be applied retrospectively. Earlier application is permitted. An entity that applies the 2020 Amendments early is required to apply simultaneously the 2022 Amendments, and vice versa. The Association is currently assessing the impact of the amendments and whether existing loan agreements may require revision. Based on a preliminary assessment, the amendments are not expected to have any significant impact on the Association's financial statements.

2.4 ISSUED BUT NOT YET EFFECTIVE HONG KONG FINANCIAL REPORTING STANDARDS (continued)

Amendments to HKAS 1 *Disclosure of Accounting Policies* require entities to disclose their material accounting policy information rather than their significant accounting policies. Accounting policy information is material if, when considered together with other information included in an entity's financial statements, it can reasonably be expected to influence decisions that the primary users of general purpose financial statements make on the basis of those financial statements. Amendments to HKFRS Practice Statement 2 provide non-mandatory guidance on how to apply the concept of materiality to accounting policy disclosures. Amendments to HKAS 1 are effective for annual periods beginning on or after 1 January 2023 and earlier application is permitted. Since the guidance provided in the amendments to HKFRS Practice Statement 2 is non-mandatory, an effective date for these amendments is not necessary. The amendments are not expected to have any significant impact on the Association's financial statements.

Amendments to HKAS 8 clarify the distinction between changes in accounting estimates and changes in accounting policies. Accounting estimates are defined as monetary amounts in financial statements that are subject to measurement uncertainty. The amendments also clarify how entities use measurement techniques and inputs to develop accounting estimates. The amendments are effective for annual reporting periods beginning on or after 1 January 2023 and apply to changes in accounting policies and changes in accounting estimates that occur on or after the start of that period. Earlier application is permitted. The amendments are not expected to have any significant impact on the Association's financial statements.

Amendments to HKAS 12 *Deferred Tax related to Assets and Liabilities arising from a Single Transaction* narrow the scope of the initial recognition exception in HKAS 12 so that it no longer applies to transactions that give rise to equal taxable and deductible temporary differences, such as leases and decommissioning obligations. Therefore, entities are required to recognise a deferred tax asset (provided that sufficient taxable profit is available) and a deferred tax liability for temporary differences arising from these transactions. The amendments are effective for annual reporting periods beginning on or after 1 January 2023 and shall be applied to transactions related to leases and decommissioning obligations at the beginning of the earliest comparative period presented, with any cumulative effect recognised as an adjustment to the opening balance of retained profits or other component of equity as appropriate at that date. In addition, the amendments shall be applied prospectively to transactions other than leases and decommissioning obligations. Earlier application is permitted. The amendments are not expected to have any significant impact on the Association's financial statements.

2.5 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Fair value measurement
The Association measures its equity investments at fair value at the end of each reporting period. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 – based on quoted prices (unadjusted) in active markets for identical assets or liabilities
Level 2 – based on valuation techniques for which the lowest level input that is significant to the fair value measurement is observable, either directly or indirectly
Level 3 – based on valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Association determines whether transfers have occurred between levels in the hierarchy by reassessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

Related parties
A party is considered to be related to the Association if:

(a) the party is a person or close member of that person's family and that person
(i) has control or joint control over the Association;
(ii) has significant influence over the Association; or
(iii) is a member of the key management personnel of the Association;

or

(b) the party is an entity where any of the following conditions applies:
(i) the entity and the Association are members of the same group;
(ii) one entity is an associate or joint venture of the other entity (or of a parent, subsidiary or fellow subsidiary of the other entity);
(iii) the entity and the Association are joint ventures of the same third party;
(iv) one entity is a joint venture of a third entity and the other entity is an associate of the third entity;
(v) the entity is a post-employment benefit plan for the benefit of employees of either the Association or an entity related to the Association;
(vi) the entity is controlled or jointly controlled by a person identified in (a);
(vii) a person identified in (a)(i) has significant influence over the entity or is a member of the key management personnel of the entity (or of a parent of the entity); and
(viii) the entity, or any member of a group of which it is a part, provides key management personnel services to the Association.

2.5 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Property, plant and equipment and depreciation
Items of property, plant and equipment are stated at cost less accumulated depreciation and any impairment losses. The cost of an item of property, plant and equipment comprises its purchase price and any directly attributable costs of bringing the asset to its working condition and location for its intended use.

Expenditure incurred after items of property, plant and equipment have been put into operation, such as repairs and maintenance, is normally charged to income and expenditure in the period in which it is incurred. In situations where the recognition criteria are satisfied, the expenditure for a major inspection is capitalised in the carrying amount of the asset as a replacement. Where significant parts of property, plant and equipment are required to be replaced at intervals, the Association recognises such parts as individual assets with specific useful lives and depreciates them accordingly.

Depreciation is calculated on the straight-line basis to write off the cost of each item of property, plant and equipment to its residual value over its estimated useful life. The principal annual rates used for this purpose are as follows:

Owned assets	
Buildings	50 years
Leasehold improvements	Over the shorter of the lease terms and 8 years
Machinery, motor vehicles, furniture, fixtures and computer equipment	3 years to 15 years
Programme and training equipment	4 years
Right-of-use assets	
Leasehold land	Over the lease terms
Other properties leased for own use	Over the lease terms

The gain or loss on disposal of items of property, plant and equipment is the difference between the net sales proceeds and the carrying amount of the relevant asset and is recognised in the statement of income and expenditure.

The assets' residual values, useful lives and the depreciation method are reviewed, and adjusted if appropriate, at least at each financial year end.

Where parts of an item of property, plant and equipment have different useful lives, the cost of that item is allocated on a reasonable basis among the parts and each part is depreciated separately.

An item of property, plant and equipment including any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss on disposal or retirement recognised in income and expenditure in the year the asset is derecognised is the difference between the net sales proceeds and the carrying amount of the relevant asset.

2.5 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Impairment of non-financial assets
The Association assesses at the end of each reporting period whether there is an indication that an asset may be impaired. If such an indication exists, the Association makes an estimate of the asset's recoverable amount.

The recoverable amount of an asset is the higher of its fair value less costs of disposal and its value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the assets. Where an asset does not generate cash inflows largely independent of those from other assets, the recoverable amount is determined for the smallest group of assets that generates cash inflows independently (i.e., a cash-generating unit).

An impairment loss is recognised in income and expenditure whenever the carrying amount of an asset, or the cash-generating unit to which it belongs, exceeds its recoverable amount. The impairment loss is reversed if there has been a favourable change in the estimates used to determine the recoverable amount. A reversal of the impairment loss is limited to the asset's carrying amount that would have been determined had no impairment loss been recognised in prior years. The reversal of the impairment loss is credited to income and expenditure in the year in which it arises.

Leases
Lessee
A contract is, or contains, a lease if the contract conveys a right to control the use of an identified asset for a period of time in exchange for consideration. Control is conveyed where the customer has both the right to obtain substantially all of the economic benefits from use of the identified asset and the right to direct the use of the identified asset. All leases with a term of more than 12 months are recognised as assets representing the right of use of the underlying asset and liabilities representing the obligation to make lease payments, unless the underlying asset is of low value. Both the assets and the liabilities are initially measured on a present value basis. Right-of-use assets are recognised at the commencement date of the lease (that is the date the underlying assets is available for use) and are measured at cost less any accumulated depreciation and impairment losses, and adjusted for any remeasurement of the lease liabilities. Right-of-use assets are depreciated on a straight-line basis over the shorter of the useful lives of the assets and the lease terms. Lease liabilities are initially measured at the present value of lease payments to be made under the lease terms and subsequently adjusted by the effect of the interest on and the settlement of the lease liabilities, and the re-measurement arising from any reassessment of the lease liabilities or lease modifications.

Lessor
Where the Association is the lessor, assets leased by the Association are included in non-current assets, and rentals receivable are credited to the statement of income and expenditure on the straight-line basis over the lease terms.

2.5 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Financial assets
Trade receivables that do not contain a significant financial component or for which the Association has applied the practical expedient of not adjusting the effect of a significant financial component are measured at the transaction price determined under HKFRS 15. All the other financial assets are initially recognised at fair value plus transaction costs that are attributable to the acquisition of the financial assets, except in the case of financial assets recorded at fair value through income and expenditure. Regular way purchases and sales of financial assets are recognised on the trade date, that is, the date when the Association commits to purchase or sell the assets.

(a) Classification and measurement
Debt instruments are measured at amortised cost using the effective interest rate method, subject to impairment if the assets are held for the collection of contractual cash flows where those contractual cash flows represent solely payments of principal and interest.

Equity investments are measured at fair value through profit or loss unless, on initial recognition, the Association has irrevocably elected to designate such investments that are not held for trading as equity investments at fair value through other comprehensive income. Dividends of such investments are recognised in the statement of profit or loss when the Association's right to receive payment is established. Changes in the fair value of such investments are recognised in other comprehensive income and are never recycled to the statement of profit or loss even when the assets are sold.

(b) Impairment
The Association applies the expected credit loss model on all the financial assets that are subject to impairment. For trade receivables without a significant financing component, the Association applies the simplified approach which requires impairment allowances to be measured at lifetime expected credit losses.

For other financial assets, impairment allowances are recognised under the general approach where expected credit losses are recognised in two stages. For credit exposures where there has not been a significant increase in credit risk since initial recognition, the Association is required to provide for credit losses that result from possible default events within the next 12 months. For those credit exposures where there has been a significant increase in credit risk since initial recognition, a loss allowance is required for credit losses expected over the remaining life of the exposure irrespective of the timing of the default.

The Association considers that a default has occurred when a financial asset is more than 90 days past due unless the Association has reasonable and supportable information to demonstrate that a more appropriate default criterion should be applied.

(c) Derecognition
Financial assets are derecognised when the rights to receive cash flows from the assets have expired; or where the Association has transferred its contractual rights to receive the cash flows of the financial assets and has transferred substantially all the risks and rewards of ownership; or where control is not retained.

2.5 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Financial liabilities
Financial liabilities include lease liabilities, trade payables, other payables, accruals and amounts due to related parties. They are initially recognised at the fair value of the consideration received less directly attributable transaction costs. After initial recognition, they are subsequently measured at amortised cost using the effective interest rate method.

Financial liabilities are derecognised when they are extinguished, i.e., when the obligation is discharged or cancelled, or expires.

Offsetting of financial instruments
Financial assets and financial liabilities are offset and the net amount is reported in the statement of financial position if, and only if, there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, or to realise the assets and settle the liabilities simultaneously.

Inventories
Inventories are stated at the lower of cost and net realisable value. Cost is determined on the first-in, first-out basis. Net realisable value is based on estimated selling prices less any estimated costs to be incurred to completion and disposal.

Cash and cash equivalents
For the purpose of the statement of cash flows, cash and cash equivalents include cash on hand, deposits held at call with banks, and other short term highly liquid investments with original maturity of three months or less when acquired.

For the purpose of the statement of financial position, cash and cash equivalents comprise cash on hand and at banks, including term deposits, which are not restricted as to use.

Provisions
A provision is recognised when a present obligation (legal or constructive) has arisen as a result of a past event and it is probable that a future outflow of resources will be required to settle the obligation, provided that a reliable estimate can be made of the amount of the obligation.

When the effect of discounting is material, the amount recognised for a provision is the present value at the end of the reporting period of the future expenditures expected to be required to settle the obligation. The increase in the discounted present value amount arising from the passage of time is included in the statement of income and expenditure.

2.5 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Income tax
Income tax comprises current and deferred tax. Income tax relating to items recognised outside profit or loss is recognised outside profit or loss, either in other comprehensive income or directly in equity.

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period, taking into consideration interpretations and practices prevailing in the countries in which the Association operates.

Deferred tax is provided, using the liability method, on all temporary differences at the end of the reporting period between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes.

Deferred tax liabilities are recognised for all taxable temporary differences, except:

(a) when the deferred tax liability arises from goodwill or the initial recognition of an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss; and

(b) in respect of taxable temporary differences associated with interests in subsidiaries and joint ventures, when the timing of the reversal of the temporary differences can be controlled and it is probable that the temporary differences will not reverse in the foreseeable future.

Deferred tax assets are recognised for all deductible temporary differences, and the carryforward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carryforward of unused tax credits and unused tax losses can be utilised, except:

(a) when the deferred tax asset relating to the deductible temporary differences arises from the initial recognition of an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss; and

(b) in respect of deductible temporary differences associated with interests in subsidiaries and joint ventures, deferred tax assets are only recognised to the extent that it is probable that the temporary differences will reverse in the foreseeable future and taxable profit will be available against which the temporary differences can be utilized.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are reassessed at the end of each reporting period and are recognised to the extent that it has become probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be recovered.

2.5 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Income tax (continued)
Deferred tax assets and liabilities are measured at the tax rates that are expected to apply to the period when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax assets and deferred tax liabilities are offset if and only if the Association has a legally enforceable right to set off current tax assets and current tax liabilities and the deferred tax assets and deferred tax liabilities relate to income taxes levied by the same taxation authority on either the same taxable entity or different taxable entities which intend either to settle current tax liabilities and assets on a net basis, or to realise the assets and settle the liabilities simultaneously, in each future period in which significant amounts of deferred tax liabilities or assets are expected to be settled or recovered.

Revenue recognition
Revenue from contracts with customers
Revenue from contracts with customers is recognised when the control of goods or services is transferred to the customers, at an amount that reflects the consideration to which the Association expects to be entitled in exchange for those goods or services.

When the consideration in a contract includes a variable amount, the amount of consideration is estimated to which the Association will be entitled in exchange for transferring the goods or services to the customer. The variable consideration is estimated at contract inception and constrained until it is highly probable that a significant revenue reversal in the amount of cumulative revenue recognised will not occur when the associated uncertainty with the variable consideration is subsequently resolved.

When the contract contains a financing component which provides the customer with a significant benefit of financing the transfer of goods or services to the customer for more than one year, revenue is measured at the present value of the amount receivable, discounted using the discount rate that would be reflected in a separate financing transaction between the Association and the customer at contract inception. When the contract contains a financing component which provides the Association with a significant financial benefit for more than one year, revenue recognised under the contract includes the interest expense accreted on the contract liability under the effective interest method. For a contract where the period between the payment by the customer and the transfer of the promised goods or services is one year or less, the transaction price is not adjusted for the effects of a significant financing component, using the practical expedient in HKFRS 15.

2.5 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Revenue recognition (continued)
Revenue from contracts with customers (continued)

(a) Hostel room and hall revenue
Revenue from hostel room and hall is recognised when the services have been rendered. Hostel room and hall revenue are recognised over the stay of customers within the hostel and usage of the hall, respectively. The Association receives deposits from customers when the reservation is made. The deposits received from the contracts prior to meeting the criteria for revenue recognition are recognised as contract liabilities. Prices invoiced to the customers are representative of their stand-alone selling prices.

(b) Sale of merchandise, food and beverages
Revenue from the sale of merchandise, food and beverages is recognised at the point in time when the control of the assets is transferred to the customer, generally when the customer takes possession of and accepts the merchandise, food and beverages.

(c) Others
Revenue from the rendering of services is recognised when the services have been rendered.

Revenue from other sources
Subventions and donations are recognised when there is a reasonable assurance that the Association will comply with all conditions attaching to it and that the subventions and donations will be received.

License income is recognised on a time proportion basis over the lease terms.

Income from fund raising activities is recognised when the events are completed.

Other income
Interest income is recognised on an accrual basis using the effective interest method by applying the rate that exactly discounts the estimated future cash receipts over the expected life of the financial instrument or a shorter period, when appropriate, to the net carrying amount of the financial asset.

Dividend income is recognised when the shareholders' right to receive payment has been established, it is probably that the economic benefits associated with the dividend will flow to the Association and the amount of the dividend can be measured reliably.

2.5 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Contract liabilities
A contract liability is the obligation to transfer goods or services to a customer for which the Association has received consideration (or an amount of consideration that is due) from the customer. If a customer pays the consideration before the Association transfers goods or services to the customer, a contract liability is recognised when the payment is made or the payment is due (whichever is earlier). Contract liabilities are recognised as revenue when the Association performs under the contract.

Foreign currency transactions
Transactions in foreign currencies are translated into the functional currency of the Association using the exchange rates prevailing at the dates of the transactions. Exchange differences arising from the settlement of such transactions and from the retranslation at the year-end exchange rates of monetary assets and liabilities denominated in foreign currencies are recognised in income and expenditure.

Employee benefits
The Association pays contributions to a defined contribution retirement scheme and a mandatory provident fund scheme ("MPF scheme") in Hong Kong. The assets of the schemes are held in separate trustee administered funds. The defined contribution retirement scheme and MPF scheme are funded by payments from employees and the Association. The Association's contributions to the defined contribution retirement scheme and MPF scheme are based on a fixed percentage of the employees' basic salary.

The Association has no further payment obligations once the contributions have been paid. The contributions are recognised as an employee benefit expense when they are due and, for the defined contribution retirement scheme, are reduced by contributions forfeited by those employees who leave the defined contribution retirement scheme prior to vesting fully in the contributions. Prepaid contributions are recognised as an asset to the extent that a cash refund or a reduction in the future payments is available.

Designated funds
Designated funds are funds established from specific donations which are earmarked for specific purposes at the request of the donors.

(a) Air Activities Development Fund
The Air Activities Development Fund is represented by funds available for purchasing facilities related to the development of air activities.

(b) Foundation Fund for The Aged
The Foundation Fund for The Aged is represented by funds available for functions organised for the aged.

2.5 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Designated funds (continued)
(c) Karson Choi Scout Foundation
The Karson Choi Scout Foundation is represented by funds available for the thematic events and community services in the New Territories Region.

(d) Lee Kui Nang Foundation
The Lee Kui Nang Foundation is represented by funds available for Scout development and camping activities.

(e) New Territories East Regional Headquarters Fund
The New Territories East Regional Headquarters Fund is represented by funds available for repair, maintenance and other operating expenses of the New Territories East Regional headquarters.

(f) Ng Tor Tai Scout Fund
The Ng Tor Tai Scout Fund is represented by funds available for provision of financial assistance for activities with the aim of developing the Scout Movement of the East Kowloon Region.

(g) Promoting and Developing Scout Fund
The Promoting and Developing Scout Fund is represented by funds available for assisting the Association to promote and develop scouting.

(h) Scout Performing Arts Foundation
The Scout Performing Arts Foundation is represented by funds available for assisting the Association for performing arts development of Scouts.

(i) Samson Sun Scout Fund
The Samson Sun Scout Fund is represented by funds available for provision of subsidies for the procurement of uniforms for under-privileged youth members of the Association.

(j) Sichuan Relief Fund
The Sichuan Relief Fund is represented by funds available for donation to support the rehabilitation work and related service plans for earthquake victims in Sichuan.

(k) SAHK Leadership Training Institute Foundation
The SAHK Leadership Training Institute Foundation is represented by funds available for supporting leaders' training and continuing education.

Internal designated funds
Internal designated funds are funds established by the Association and are earmarked for special purposes.

(a) Amortisation Reserves
The Amortisation Reserves are represented by the net book value of property, plant and equipment funded by various internal designated funds. Transfers from the internal designated funds represent additions during the year. Transfers to the statement of income and expenditure represent the corresponding depreciation charged for the year.

2.5 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Internal designated funds (continued)

(b) Baden-Powell Scout Fund
The Baden-Powell Scout Fund is represented by funds available for provision of grants, loans or revolving funds for major units of the Scout Movement in the HKSAR.

(c) Building Fund
The Building Fund is represented by funds available for future renovation, decoration and repair of the Scout Headquarters.

(d) Campsite Development Fund
The Campsite Development Fund is represented by funds available for the major development and improvement projects of campsites and activity centres.

(e) Centennial Building Reserve
The Centennial Building Reserve is represented by funds available for major repair and maintenance, improvement works and facilities upgrading of the Hong Kong Scout Centennial Building.

(f) Chau Cham Son World Jamboree Fund
The Chau Cham Son World Jamboree Fund is represented by funds available for subsidising Scout members to participate in the World Jamboree.

(g) Development Fund
The Development Fund is represented by funds available for provision of funds and assistance for the development of the Scout Movement in the HKSAR.

(h) District Fund
The District Fund is represented by funds available for subsidising District activities in the Kowloon Region.

(i) General Project Fund
The General Project Fund is represented by funds available for provision of grants, loans or revolving funds for the Scout Movement in the Kowloon Region.

(j) International Brotherhood Fund
The International Brotherhood Fund is represented by funds available for the development of the Scout Movement in other countries, especially in developing countries.

(k) New Territories East Region Eddie Kwan Scout Fund
The New Territories East Region Eddie Kwan Scout Fund is represented by funds available for the operations of the New Territories East Region.

(l) New Territories East Region Scout Band Fund
The New Territories East Region Scout Band Fund is represented by funds available for subsidising the New Territories East Region Scout Band activities.

2.5 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Internal designated funds (continued)

(m) New Territories East Region Training Team Development Fund
The New Territories East Region Training Team Development Fund is represented by funds available for provision of funds and assistance for the development of the training team of the New Territories East Region.

(n) Programme and Training Project Fund
The Programme and Training Project Fund is available for provision of funds for supporting programmes and training of the Scout Movement of the Kowloon and East Kowloon Regions.

(o) Redevelopment Fund
The Redevelopment Fund is represented by funds available for future redevelopment of the Tai Tam Scout Centre and the Hong Kong Island Regional Headquarters.

(p) Regional Headquarters Maintenance Fund
The Regional Headquarters Maintenance Fund is represented by funds available for operations of the Regional Headquarters and the Pak Sha Wan Tam Wah Ching Sea Activity Centre.

(q) Regional Scout Fund
The Regional Scout Fund is represented by funds available for the development and operations of the East Kowloon Region, the New Territories Region and the New Territories East Region.

(r) Scout Development Fund
The Scout Development Fund is represented by funds available for financing scouting activities for the purpose of retaining and/or expanding membership in the District and Scout Groups.

(s) Staff Welfare Fund
The Staff Welfare Fund is represented by funds available for staff welfare and recreation.

(t) Subsidy Scheme for Needy Youth Members' Training
The Subsidy Scheme for Needy Youth Members' Training is represented by funds available for Scout members who have financial difficulties to participate in training courses or activities organised by the Association.

(u) Tai Tam Scout Centre Development Fund
The Tai Tam Scout Centre Development Fund is represented by funds available for development of the Tai Tam Scout Centre.

2.5 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Internal designated funds (continued)

(v) Wong Fuk Hong Memorial Fund
The Wong Fuk Hong Memorial Fund is represented by funds available for the development of the Scout Movement in the HKSAR.

Replacement reserve
The Replacement reserve is to provide for future capital expenditure relating to B P International House. The provision for the current year is HK$25,000,000 (2022: HK$25,000,000) which has been approved by the Board of Management of B P International House. If capital expenditure from this reserve is capitalised as property, plant and equipment, an equal amount will be transferred out of this reserve into the Replacement amortisation reserve.

Replacement amortisation reserve
The Replacement amortisation reserve is represented by the net book value of property, plant and equipment funded by the Replacement reserve. Transfers from the Replacement reserve represent additions of HK$2,792,000 (2022: HK$2,835,000) during the year. Transfers to the Accumulated fund represent the corresponding depreciation charged for the year.

The gains or losses arising from the disposal of property, plant and equipment are credited/(charged) to the statement of income and expenditure. The net book value of the disposed assets is transferred from the Accumulated fund to the Replacement amortisation reserve.

Sinking fund
The Sinking fund is represented by funds provided for future redevelopment of the Hong Kong Scout Centre building of the Association. The provision for the current year is HK$19,000,000 (2022: HK$19,000,000).

3. SIGNIFICANT ACCOUNTING ESTIMATES

The key assumptions concerning the future and other key sources of estimation uncertainty at the end of the reporting period, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below.

Impairment of property, plant and equipment and right-of-use asset

Items of property, plant and equipment and right-of-use asset are tested for impairment if there is any indication that the carrying value of these assets may not be recoverable and the assets are subject to an impairment loss. The recoverable amount is the higher of an asset's fair value less costs to sell and value in use. The calculation of the fair value less costs of disposal is based on available data from binding sales transactions in an arm's length transaction of similar assets or observable market prices less costs for disposing of the asset.

4. REVENUE

Revenue is analysed as follows:

	Notes	2023 HK$'000	2022 HK$'000
Revenue from contract with customers	(i)		
Accommodation and equipment fee		1,275	821
Air-conditioning, management fee and utilities recovered from related parties		895	481
Camp fee		1,619	812
Course fee		3,266	2,206
Hostel room and hall revenue		104,811	46,730
Sale of merchandise, food and beverage		27,623	18,770
Vehicle park		31,518	29,413
		171,007	99,233
Revenue from other sources			
Donations		2,575	3,019
License fee		2,053	6,327
Raffle income	(ii)	512	503
Subvention and other government grants	(iii)	25,221	26,396
		30,361	36,245
Total revenue		201,368	135,478

(i) Disaggregated revenue information for revenue from contracts with customers

	2023 HK$'000	2022 HK$'000
Timing of revenue recognition		
Goods and services transferred at a point in time	27,623	18,770
Services transferred over time	143,384	80,463
Total revenue from contracts with customers	171,007	99,233

4. REVENUE (continued)

(i) Disaggregated revenue information for revenue from contracts with customers (continued)

The following table shows the amounts of revenue recognised in the current reporting period that were included in contract liabilities at the beginning of the reporting period and recognised from performance obligations satisfied in previous periods:

	2023 HK$'000	2022 HK$'000
Revenue recognised that was included in contract liabilities at the beginning of the reporting period:		
Hostel room and hall revenue	9,449	3,449
Others	559	565
	10,008	4,014

(ii) Raffle income

	2023 HK$'000	2022 HK$'000
Raffle sales and donations	2,695	2,566
Less: Expenditure for the year	(505)	(543)
Transfer to funds and projects	(288)	(198)
	1,902	1,825
Less: Allocation to Districts and Scout groups	(1,390)	(1,322)
	512	503

4. REVENUE (continued)

(iii) Subvention and other government grants

	Notes	2023 HK$'000	2022 HK$'000
Subvention from the Government of the HKSAR for			
- Uniformed units	(a)	18,686	18,874
- Campsites and activity centre	(b)	4,762	5,057
- The Friends of Scouting	(c)	53,082	51,999
		76,530	75,930
Less: Transfer to the Friends of Scouting	(c)	(53,082)	(51,999)
		23,448	23,931
Other government grants	(d)	1,773	2,465
		25,221	26,396

Notes:

(a) This subvention was received in respect of Scout Headquarters and Regions.

(b) This subvention was received in respect of two campsites and one sea activity centre.

(c) The Friends of Scouting is a separate body of the Association which supplements the Association's services to the community by conducting training, developmental activities and other programmes with an emphasis on young people who are not uniformed members of the Association. Subvention funds from the Government of the HKSAR are received initially by Scout Headquarters and then transferred to the Friends of Scouting.

(d) The other government grants include funding support from Anti-epidemic Fund of the Government of the HKSAR and subvention from Leisure and Cultural Services Department in respect of repair and maintenance of Campsites.

There are no unfulfilled conditions or contingencies relating to these subventions and grants.

5. OTHER INCOME AND GAINS, NET

Other income and gains include the following:

	2023 HK$'000	2022 HK$'000
Bank interest income	334	190
Interest and dividend income from investments and fixed deposits	23,253	11,088
Donations and other income of internal designated funds and reserves	4,206	2,588
Foreign exchange (loss)/gain	(9,022)	10,411
Fair value gains on financial assets at fair value through profit or loss	6,663	-
Other income	3,128	5,133
	28,562	29,410

6. DEFICIT FOR THE YEAR (BEFORE TAX AND MOVEMENTS IN DESIGNATED FUNDS)

The Association's deficit for the year (before tax and movements in designated funds) is arrived at after charging/(crediting):

	2023 HK$'000	2022 HK$'000
Cost of sales - Hostel	62,062	49,002
Cost of sales - Scout Shop	5,125	3,687
Depreciation of property, plant and equipment	22,277	23,487
Depreciation of right-of-use assets recognised under property, plant and equipment	2,672	1,243
Amortisation of discount on acquisition of financial assets at amortised cost	(1,688)	(22)
Auditors' remuneration	500	490
Staff costs		
Wages and salaries*	76,997	81,314
Pension scheme contributions	5,413	5,582
Other staff benefits	3,851	1,136
	86,261	88,032
Electricity, water, fuel and gas	10,801	7,518
Government rent, rates and permit fee	7,318	6,533
Hostel management fee	2,049	353
Interest on lease liabilities	266	18
Property, plant and equipment written-off	17	43

6. DEFICIT FOR THE YEAR (BEFORE TAX AND MOVEMENTS IN DESIGNATED FUNDS) (continued)

* During the year ended 31 March 2023, wage subsidy of HK$7,919,000 was granted from the Employment Support Scheme under Anti-Epidemic Fund in Hong Kong. The amount was recognised in the "General and administrative expenses" and "Cost of sales" and offset against the amount of wages and salaries. There are no unfulfilled conditions or contingencies relating to this grant.

To provide additional information, the Executive Committee presents the major operations' results of the Association as follows:

For the year ended 31 March 2023

	Hostel HK$'000	Vehicle Park HK$'000	Scout Shop HK$'000	Scout Headquarters Offices HK$'000	Others including Regions, Campsites and the Foundation HK$'000	Total HK$'000
Revenue, other income and net income	127,247	31,518	9,590	1,819	59,756	229,930
Cost of sales, departmental and programme expenses and general and administrative expenses	(118,268)	(4,131)	(9,160)	(62,223)	(41,637)	(235,419)
Surplus/(deficit) for the year (before tax and movements in designated funds)	8,979	27,387	430	(60,404)	18,119	(5,489)

For the year ended 31 March 2022

	Hostel HK$'000	Vehicle Park HK$'000	Scout Shop HK$'000	Scout Headquarters Offices HK$'000	Others including Regions, Campsites and the Foundation HK$'000	Total HK$'000
Revenue, other income and net income	65,929	29,413	7,209	4,864	57,473	164,888
Cost of sales, departmental and programme expenses and general and administrative expenses	(99,448)	(3,987)	(7,793)	(65,216)	(44,203)	(220,647)
Surplus/(deficit) for the year (before tax and movements in designated funds)	(33,519)	25,426	(584)	(60,352)	13,270	(55,759)

7. REMUNERATION OF EXECUTIVE COMMITTEE MEMBERS

No Executive Committee members received any fees or emoluments in respect of their services rendered to the Association during the year (2022: Nil).

8. INCOME TAX

The Association is exempted from Hong Kong Profit Tax by virtue of Section 88 of the Inland Revenue Ordinance, except for the taxable profit arising from Hostel operation.

The Inland Revenue Department granted a transition period of profit tax exemption of all taxable profits of the Association arising from Hostel operation up to the year of assessment 2021/2022.

Hong Kong profits tax has been provided in accordance with the two-tiered profit tax rate regime. Under the two-tiered profits tax rates regime, the first HK$2 million of profits of the Association will be taxed at 8.25%, and profits above HK$2 million will be taxed at 16.5%.

	2023 HK$'000	2022 HK$'000
Provision for the year	4,330	-
Deferred tax credit	(7,156)	-
Tax credit for the year	(2,826)	-

A reconciliation of the tax expense applicable to deficit for the year (before tax and movements in designated funds) at the statutory rate to the tax expense at the effective tax rate is as follows:

	2023 HK$'000	2022 HK$'000
Deficit for the year (before tax and movements in designated funds)	(5,489)	(55,759)
Tax at the statutory tax rate	(906)	(9,200)
Income not subject to tax	(12,730)	(27,206)
Expenses not deductible for tax	18,915	36,406
Tax effect of two-tiered profits tax regime	(165)	-
Tax rebate	(6)	-
Under provision of deferred tax assets in prior year	(7,934)	-
Tax credit at the effective rate	(2,826)	-

9. PROPERTY, PLANT AND EQUIPMENT

	Leasehold land HK$'000	Other properties leased for own use HK$'000	Buildings HK$'000	Leasehold improvements HK$'000	Machinery, motor vehicles, furniture, fixtures and computer equipment HK$'000	Programme and training equipment HK$'000	Total HK$'000
Cost							
At 1 April 2021	30,200	2,155	301,031	333,082	173,421	421	840,310
Additions	-	6,442	-	493	6,025	21	12,981
Written-off and disposals	-	-	-	-	(1,945)	-	(1,945)
At 31 March 2022 and 1 April 2022	30,200	8,597	301,031	333,575	177,501	442	851,346
Additions	-	-	-	1,892	2,364	-	4,256
Written-off and disposals	-	-	-	(1,312)	(1,486)	-	(2,798)

9. PROPERTY, PLANT AND EQUIPMENT (continued)

Notes:

(a) The Association's right of use of leasehold land represents prepaid lease payments. The leasehold land, together with the owned buildings, is held for own use.

Leasehold land includes a piece of land owned by the Association which was bequeathed by the late Mr. Wong Fuk Hong and is held under a medium-term lease and situated at Lot 3934 RP, 3936, 4679 and 4680 RP in Demarcation District No. 51 in Fanling, the New Territories. It is stated at a nominal value of HK$4 in the financial statements.

Leasehold land also includes the following parcels of land which were donated to the Association in previous years for no consideration. They are stated at a nominal value of HK$1 in the financial statements.

Location of leasehold land	Lease period
1. Inland Lot No. 8961, North Point, Hong Kong	Up to year 2023
2. Lot No. 131 in DD 60, Au Tau, Yuen Long, New Territories	Up to year 2024
3. Tai Po Town Lot No. 190, Tai Po, New Territories	Up to year 2025
4. Lot No. 1207 in DD 217, Sai Kung, New Territories	Up to year 2027
5. 4th & 5th of Tang Shiu Kiu Scout & Guide Centre, Kwai Chung, New Territories	Up to year 2027
6. Sha Tin Town Lot No. 591, Shatin, New Territories	Up to year 2027
7. Sha Tin Town Lot No. 592, Shatin, New Territories	Up to year 2027
8. New Kowloon Inland Lot No. 6530, Kowloon Tong, Kowloon	Up to year 2026
9. Inland Lot No. 8261, Wan Chai, Hong Kong	Up to year 2046
10. Flat A & B on 7th Floor, Lee Ka Industrial Building, No. 8 Ng Fong Street, Kowloon	Up to year 2047
11. Rural Building Lot No. 873, Tai Tam, Hong Kong	Up to year 2060

(b) The Association holds several buildings and is the registered owner of these property interests, including the whole or part of undivided share in the underlying land. Lump sum payments were made upfront to acquire these property interests from their previous registered owners, and there are no ongoing payments to be made under the terms of the land lease, other than payments based on rateable values set by the relevant government authorities. These payments vary from time to time and are payable to the relevant government authorities.

(c) The Association leases certain of its offices and centres through tenancy agreements. Leases for these assets are negotiated for terms of three years with extension options. All the lease payments are fixed and are usually reviewed every 3 years to reflect market rentals.

(d) At 31 March 2023, the Association had right-of-used assets, including leasehold land and other properties leased for own use, with an aggregate carrying amount of HK$17,033,000 (2022: HK$19,705,000).

10. OTHER FINANCIAL ASSETS

	Notes	2023 HK$'000	2022 HK$'000
Financial assets at fair value through other comprehensive income			
Listed equity investments, Hong Kong	(i)	69,900	77,774
Financial assets at fair value through profit or loss			
Unlisted fund, overseas	(ii)	113,862	-
Listed equity investments, overseas	(iii)	94,670	-
Listed debt investments, overseas	(iii)	90,454	-
Financial assets at amortised cost			
Listed debt investments, Hong Kong	(iv)	327,576	25,252
		696,462	103,026
Financial assets included in current assets		(192,925)	-
		503,537	103,026

Notes:

(i) The above equity investments were irrevocably designated at fair value through other comprehensive income as the Association considers these investments to be strategic in nature.

(ii) The above unlisted fund were mandatorily classified as financial assets at fair value through profit or loss as their contractual cash flows are not solely payments of principal and interest.

(iii) During the year, the Association appointed a licensed corporation as an investment manager to invest on behalf of the Association, in order to preserve the Association's capital and seek for a steady and stable return in the long run. The above equity and debt investments were mandatory classified as financial assets at fair value through profit or loss as the investment manager will monitor the market condition and adjust the investment strategy of the equity and debt investments, when necessary.

10. OTHER FINANCIAL ASSETS (Continued)

Notes: (Continued)

(iv) The above listed debt investments were classified as financial assets at amortised cost as their contractual cash flows are solely payments of principal and interest.

Impairment assessment of debt investments at amortised cost
As at 31 March 2023, none of the debt investments were overdue (2022: Nil) and all the debt investments were categorised within Stage 1 for the measurement of expected credit losses. The debt instruments are bonds issued by corporations that are graded as investment grade among rating agencies, therefore the loss allowance for the impairment of these debt investments was considered to be not significant to the Association during the years ended 31 March 2023 and 2022.

11. INVENTORIES

	2023 HK$'000	2022 HK$'000
Food and beverages	733	815
Uniforms and accessories	3,821	4,709
	4,554	5,524

12. RECEIVABLES, DEPOSITS AND PREPAYMENTS

	Notes	2023 HK$'000	2022 HK$'000
Trade receivables	(i)	1,750	802
Other receivables	(ii), (iii)	39,575	3,572
Deposits		6,829	4,235
Prepayments		13,851	11,060
		62,005	19,669

The credit period granted by the Association is generally within one month. The Association seeks to maintain strict control over its outstanding receivables and has a credit control department to minimise the credit risk and overdue balances are reviewed regularly. Trade receivables are non-interest-bearing.

12. RECEIVABLES, DEPOSITS AND PREPAYMENTS (Continued)

Notes:

(i) The Association's customers normally settle their bills in a timely manner and the Association's trade receivables as at the end of the reporting period aged less than three months. As such, the Association's exposure to credit risk is insignificant and management of the Association was of the opinion that the expected credit losses of these trade receivables are minimal.

(ii) The carrying amount of other receivables approximated to their fair value as at 31 March 2023 and 2022. Their recoverability was assessed with reference to the credit status of the debtors, and the expected credit loss as at 31 March 2023 is considered to be minimal.

(iii) Other receivables include the net balances of HK$995,680 (2022: HK$1,619,650) and HK$12,297,855 (2022: HK$347,040) for capital redevelopment of Tai Tam Scout Centre and Pak Sha Wan Tam Wah Ching Sea Activity Centre respectively. During the year, donation received from The Hong Kong Jockey Club Charities Trust for these two projects were HK$3,751,783 (2022: Nil) and HK$867,600 (2022: Nil).

13. AMOUNTS DUE FROM/TO RELATED PARTIES

Related parties represent other Scout Units, mainly the Friends of Scouting, Commissioners' Club, the Baden-Powell Scout Club of Hong Kong, Education Centre, Asia-Pacific Regional Scout Foundation and Scout Districts.

The balance due from/to related parties are unsecured, interest-free and recoverable/repayable on demand.

Included in amounts due to related parties are amounts totaling HK$24,285,000 (2022: HK$21,883,000) which are held by the Association on behalf of other Scout Units for the purpose of investment.

14. CASH AND CASH EQUIVALENTS

	2023 HK$'000	2022 HK$'000
Cash and bank balances	172,142	134,715
Time deposits	256,232	904,856
Cash and cash equivalents	428,374	1,039,571

Cash at banks earns interest at floating rates based on daily bank deposit rates. Short term time deposits are made for varying periods of between one day and one year depending on the immediate cash requirements of the Association, and earn interest at the respective short term time deposit rates. The carrying amounts of the cash and cash equivalents are approximate to their fair values.

At the end of the reporting period, the Association had the following cash and cash equivalents that were denominated in the following currencies:

	2023 HK$'000	2022 HK$'000
HK$	308,971	621,473
Renminbi ("RMB")	113,619	255,054
United States dollar ("USD")	5,784	163,044
	428,374	1,039,571

15. TRADE AND OTHER PAYABLES AND CONTRACT LIABILITIES

	Notes	2023 HK$'000	2022 HK$'000
Trade payables and non-trade payables		27,807	26,325
Receipts in advance		37,880	17,558
Deferred income		1,233	2,173
Accrued expenses, deposits and temporary receipts	(a)	21,431	21,486
		88,351	67,542
Contract liabilities	(b)	4,744	11,322

The trade and other payables of the Association are non-interest-bearing and are normally settled on within one year (2022: one year).

Notes:

(a) Temporary receipts include receipts of HK$445,500 (2022: HK$450,000) from the Home and Youth Affairs Bureau of the HKSAR in the current year. During the year, HK$571,185 (2022: HK$388,408) was expended for "Assistance Scheme operated by Uniformed Groups and the Hong Kong Award for Young People for Needy Student Members" and HK$61,592 (2022: HK$240,095) was refunded to Home Affairs Bureau. As at 31 March 2023, the remaining balance was HK$99,315 (2022: HK$286,592).

(b) Details of contract liabilities are as follows:

	31 March 2023 HK$'000	31 March 2022 HK$'000	1 April 2021 HK$'000
Short-term advances received from customers			
Hostel room and hall revenue	4,223	10,763	9,256
Others	521	559	565
	4,744	11,322	9,821

16. LEASES

The Association as a lessee
The Association has lease contracts for properties used for its operations with lease periods of 3 years.

Maturity profile of lease liabilities

	2023 HK$'000	2022 HK$'000
Within one year	2,307	2,307
After one year but within five years	2,308	4,615
Lease liabilities (undiscounted)	4,615	6,922
Discount amount	(214)	(480)
Lease liabilities (discounted)	4,401	6,442
Current	2,146	2,041
Non-current	2,255	4,401

Movements of carrying amounts of lease liabilities as at 31 March 2023 and 2022

	2023 HK$'000	2022 HK$'000
At 1 April	6,442	754
Additions	-	6,442
Accretion of interest	266	18
Payments	(2,307)	(772)
At 31 March	4,401	6,442

16. LEASES (Continued)

Amounts recognised in the statement of income and expenditure for years ended 31 March 2023 and 2022

	2023 HK$'000	2022 HK$'000
Depreciation expense of right-of-use assets	2,672	1,243
Interest expense on lease liabilities	266	18
	2,938	1,261

The Association had total cash outflows for leases of HK$2,307,000 in 2023 (2022: HK$772,000). The Association does not had non-cash additions of right-of-use assets and lease liabilities in 2023 (2022: HK$6,442,000).

The Association as lessor

Rental income recognised by the Association during the year was HK$2,053,000 (2022: HK$6,327,000).

As 31 March 2023, the Association had total future minimum lease receivables under non-cancellable operating leases with its tenants falling due as follows:

	2023 HK$'000	2022 HK$'000
Within one year	468	460

17. DEFERRED TAX

The movements in deferred tax assets during the year are as follows:

	Depreciation allowance in excess of related depreciation HK$'000
Deferred tax credited to profit or loss during the year	7,156
Gross deferred tax assets at 31 March 2023	7,156

18. NOTES TO THE STATEMENT OF CASH FLOWS

The table below details the cash flows and non-cash changes in the Association's liabilities arising from financing activities. Except as disclosed below, there were no non-cash changes in the Association's liabilities arising from financing activities.

	Lease liabilities HK$'000
At 1 April 2021	754
Changes from financing cash flows	(772)
New lease	6,442
Other changes:	
Finance charges on lease liabilities	18
At 31 March 2022 and 1 April 2022	6,442
Changes from financing cash flows	(2,307)
Other changes:	
Finance charges on lease liabilities	266
At 31 March 2023	4,401

19. FUNDS AND RESERVES

(a) Funds and reserves other than designated funds

Movements in funds and reserves other than designated funds during the year ended 31 March 2023 were as follows:

	Balance as at 1 April 2022 HK$'000	Net transfer (to)/from Accumulated fund HK$'000	Transfer between funds HK$'000	Net movement in investment revaluation reserve HK$'000	Balance as at 31 March 2023 HK$'000

20. COMMITMENTS

The Association had the following capital commitments at the end of the reporting period.

	2023 HK$'000	2022 HK$'000
Contracted, but not provided for		
Purchase of items of property, plant and equipment and improvement projects	2,737	1,451
Redevelopment of Tai Tam Scout Centre	88,528	6,462
Redevelopment of Pak Sha Wan Tam Wah Ching Sea Activity Centre	6,492	1,388
Renovation of the Hong Kong Scout Centre	6,605	7,078
	104,362	16,379

21. FINANCIAL INSTRUMENTS BY CATEGORY

Except for equity investments which are categorised as financial assets at fair value through other comprehensive income and financial assets at fair value through profit and loss, the financial assets of the Association comprise debt investments, trade and other receivables, deposits, amounts due from related parties and cash and bank balances which are categorised as financial assets at amortised cost. The carrying amounts of these financial assets are the amounts shown in the statement of financial position or notes to the financial statements.

The financial liabilities of the Association comprise trade and other payables, contract liabilities, lease liability, and amounts due to related parties which are categorised as financial liabilities at amortised cost. The carrying amounts of these financial liabilities are the amounts shown in the statement of financial position or notes to the financial statements.

22. FAIR VALUE HIERARCHY OF FINANCIAL ASSETS AND LIABILITIES

Fair value hierarchy
The following tables illustrate the fair value measurement hierarchy of the Association's financial instruments:

As at 31 March 2023

Financial assets measured at fair value

	Fair value measurement using			
	Quoted prices in active markets (Level 1) HK$'000	Significant observable inputs (Level 2) HK$'000	Significant unobservable inputs (Level 3) HK$'000	Total HK$'000
Equity investment at fair value through other comprehensive income				
Listed equity investments	69,900	-	-	69,900
Financial assets at fair value through profit or loss				
Unlisted fund	-	113,862	-	113,862
Listed equity investments	94,670	-	-	94,670
Listed debt investments	90,454	-	-	90,454
	255,024	113,862	-	368,886

22. FAIR VALUE HIERARCHY OF FINANCIAL ASSETS AND LIABILITIES (continued)

As at 31 March 2022

Financial assets measured at fair value

	Fair value measurement using			
	Quoted prices in active markets (Level 1) HK$'000	Significant observable inputs (Level 2) HK$'000	Significant unobservable inputs (Level 3) HK$'000	Total HK$'000
Equity investment at fair value through other comprehensive income				
Listed equity investment	77,774	-	-	77,774
Financial assets at fair value through profit or loss				
Unlisted fund	-	-	-	-
Listed equity investments	-	-	-	-
Listed debt investments	-	-	-	-
	77,774	-	-	77,774

There have been no transfers between Level 1 and Level 2 during the year (2022: Nil). The fair values of listed equity investments in Hong Kong are derived from quoted prices in active markets.

23. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The main risks arising from the Association's financial instruments are foreign currency risk, credit risk and liquidity risk. The Executive Committee members review and agree policies for managing such risk and it is summarised below.

Foreign currency risk

In the opinion of the Exeecutive Committee, the Hong Kong dollar to United States dollar exchange rate is reasonably stable under the Linked Exchange Rate System. In this respect, it is assumed that the pegged rate between the Hong Kong dollar and the United States dollar would be materially unaffected by any changes in movement in value of the United States dollar against other currencies and, therefore, the Association considers the risk of movements in exchange rates between the Hong Kong dollar and the United States dollar to be insignificant. In respect of balances denominated in Renminbi, the Association ensures that the net exposure is kept to an acceptable level by buying or selling foreign currencies at spot rates where necessary to address short-term imbalances.

23. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES (continued)

Foreign currency risk (continued)

The following table demonstrates the sensitivity at the end of the reporting period to a reasonably possible change in RMB exchange rate, with all other variables held constant, of the Association's surplus for the year and total funds (due to changes in the fair values of monetary assets and liabilities).

	Increase/ (decrease) in RMB rate %	Increase/ (decrease) in surplus and total fund HK$'000
2023		
If the Hong Kong dollar weakens against the RMD	5	5,681
If the Hong Kong dollar strengthen against the RMB	(5)	(5,681)
2022		
If the Hong Kong dollar weakens against the RMB	5	12,753
If the Hong Kong dollar strengthen against the RMB	(5)	(12,753)

Equity price risk

The Association's equity investments are listed on the Stock Exchange of Hong Kong and have been chosen based on their longer term growth potential and are monitored regularly for performance against expectations. The portfolio is diversified in terms of industry distribution, in accordance with the limits set by the Association.

23. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES (continued)

Equity price risk (continued)

The following table demonstrates the sensitivity to every 5% change in the fair values of the equity investments, with all other variables held constant and before any impact on tax, based on their carrying amounts at the end of the reporting period. For the purpose of this analysis, for the equity investments at fair value through other comprehensive income, the impact is deemed to be on the investment revaluation reserve.

	Carrying amount of equity investments HK$'000	Increase/ (decrease) in profit before tax HK$'000	Increase/ (decrease) in equity HK$'000
2023			
Investments listed in:			
Hong Kong – Equity investments at fair value through other comprehensive income	69,900	-	3,495
Overseas – Equity investments at fair value through profit or loss	94,670	4,734	-
2022			
Investments listed in:			
Hong Kong – Equity investments at fair value through other comprehensive income	77,774	-	3,889
– Equity investments at fair value through profit or loss	-	-	-

Interest rate risk

The Association is exposed to fair value interest rate risk in relation to debt instruments at amortised cost and at fair value through profit or loss. The Association mitigates the risk by monitoring closely the movements in interest rates and has not used any derivative to hedge its exposure to interest rate risk.

The Association is exposed to cash flow interest rate risk through the impact of rate changes on interest bearing financial assets. Interest bearing financial assets are mainly cash and deposits at banks which are all short term in nature. Therefore, any future variations in interest rates will not have a significant impact on the results of the Association.

23. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES (continued)

Credit risk

The Association's credit risk is primarily attributable to listed debt investments, cash and bank deposits and receivables. Management has a credit policy in place and the exposures to these credit risks are monitored on an ongoing basis.

Investments are normally only in liquid securities quoted on a recognised stock exchange and with counterparties that have high credit ratings.

Cash and bank deposits are placed with financial institutions with sound credit ratings to minimise credit exposure.

Maximum exposure and year-end staging as at 31 March 2023

The table below shows the credit quality and the maximum exposure to credit risk based on the Association's credit policy, which is mainly based on past due information unless other information is available without undue cost or effort, and year-end staging classification as at 31 March 2023. The amounts presented are gross carrying amounts for financial assets.

	12-month expected credit losses	Lifetime expected credit losses			
	Stage 1 HK$'000	Stage 2 HK$'000	Stage 3 HK$'000	Simplified approach HK$'000	Total HK$'000
Trade receivables	-	-	-	1,750	1,750
Financial assets included in other receivables and due from related parties - Normal*	40,196	-	-	-	40,196
Financial assets measured at amortised cost included in other financial assets - Normal*	327,576	-	-	-	327,576
Cash and cash equivalent - Not yet past due	428,374	-	-	-	428,374
	796,146	-	-	1,750	797,896

* The credit quality of the financial assets included in other receivables and financial assets measured at amortised cost in other financial assets is considered to be "normal" when they are not past due and there is no information indicating that the financial assets had a significant increase in credit risk since initial recognition. Otherwise, the credit quality of the financial assets is considered to be "doubtful".

23. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES (continued)

Credit risk (continued)

Maximum exposure and year-end staging as at 31 March 2022

The table below shows the credit quality and the maximum exposure to credit risk based on the Association's credit policy, which is mainly based on past due information unless other information is available without undue cost or effort, and year-end staging classification as at 31 March 2022. The amounts presented are gross carrying amounts for financial assets.

	12-month expected credit losses	Lifetime expected credit losses			
	Stage 1 HK$'000	Stage 2 HK$'000	Stage 3 HK$'000	Simplified approach HK$'000	Total HK$'000
Trade receivables	-	-	-	802	802
Financial assets included in other receivables and due from related parties - Normal*	3,572	-	-	-	3,572
Financial assets measured at amortised cost included in other financial assets - Normal*	25,252	-	-	-	25,252
Cash and cash equivalent - Not yet past due	1,039,571	-	-	-	1,039,571
	1,068,395	-	-	802	1,069,197

* The credit quality of the financial assets included in other receivables and financial assets measured at amortised cost in other financial assets is considered to be "normal" when they are not past due and there is no information indicating that the financial assets had a significant increase in credit risk since initial recognition. Otherwise, the credit quality of the financial assets is considered to be "doubtful".

Liquidity risk

Prudent liquidity risk management implies maintaining sufficient liquid cash. Due to the nature of the underlying operations, the Association aims to maintain flexibility in funding by keeping sufficient cash and bank balances to fulfil its commitments and current working capital requirements.

The remaining contractual maturities at the end of the reporting period of the Association's financial liabilities are within one year or on demand.

In order to manage the above liquidity demands, at 31 March 2023, cash and cash equivalents amounting to HK$342,625,000 (2022: HK$495,268,000) is considered readily realisable.

Capital management

The primary objective of the Association's capital management is to safeguard the Association's ability to continue as a going concern in order to maintain an optimal capital structure.

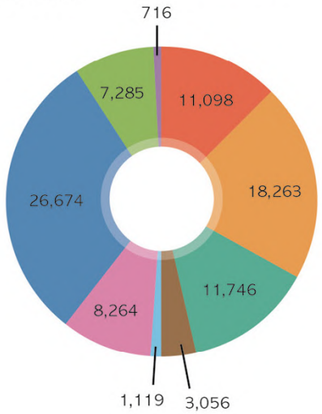

24. APPROVAL OF THE FINANCIAL STATEMENTS

The financial statements were approved and authorised for issue by the Executive Committee members on 3 July 2023.

(As at 31 December of each year)

Brief Introduction

Scout Movement is founded in 1907 by Lord Robert Baden-Powell, known as B-P, in England. Scout activities were first brought to Hong Kong in 1909. In 1911, some British merchants and military personnel started organizing Scout Groups. Scout Movement is a voluntary non-political educational movement for young people globally. Nowadays, The World Organization of the Scout Movement is made up of more than 170 National Scout Organizations, from over 220 countries and territories, with Scout members (without distinction of race, religion, creed or gender) exceeding 50 million all over the world. Developing for over a century, Scout Association of Hong Kong is the largest local youth uniformed group.

Vision

To be the best voluntary organisation for the development of young people in Hong Kong for the betterment of our society.

Mission

To operate an education movement for young people providing them with challenging and progressive training programmes for their physical, intellectual, social, spiritual and aesthetic development.

Values

We recognize the importance for adults to act as role models to nurture young people:

- to develop a sense of self-worth, national identity and civic responsibility;
- to respect equality and fairness in dealings with all people;
- to appreciate diversity and inclusion, to possess global perspectives, and to promote world peace and sustainable development.
