

Active Citizenship Badge Series – Anti-Deception Badge

The World Organization of the Scout Movement promotes active citizenship education in various ways, fostering youth's sense of social responsibility, leadership, and personal growth. The Scout Association of Hong Kong also focuses on enhancing civic awareness and social responsibility among youth. To this end, we have introduced the "Active Citizenship Badge Series," which encourages youth members to actively participate in social affairs, developing their leadership skills and teamwork through various challenges.

Background and Purpose of the Active Citizenship Badge Series

This series aims to nurture youth members to become active citizens who possess strong morals, knowledge, and skills by engaging them in activities focusing on fulfilment of civic responsibility, participation in community service programmes, and development of leadership abilities, which allow them to actively serve the community and prepare them to contribute to the society's progress and development.

Introduction of the "Anti-Deception Badge"

The "Anti-Deception Badge" aims to educate youth members on identifying and responding to fraud, enhancing their alertness and self-protection abilities.

Overview and Learning Content of the "Anti-Deception Badge"

Understanding Fraud:	Introducing the common scams and strategies, such as scam calls, fake emails, and online fraud.
Identifying Scams:	Teaching how to recognise characteristics and warning signs of scams, including false promises, intensive sales, and misinformation.
Responding to Fraud:	Offering practical response strategies, such as staying vigilant, protecting personal information, reporting scams, and seeking help.

A webpage dedicated for the "Active Citizenship Badge Series" is available on the [website](#) (QR code provided below), detailing information of the badge.

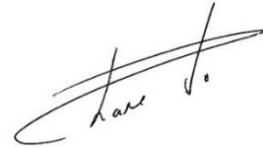

Application Process and Certificate Arrangement

1. After the assessment, fill out the online form and submit the necessary information, including the leader's contact, unit, number of Scouts completed, and section.
2. The leader will receive a proof of purchase and instructions via email (ensure the correct email address is provided in the form).
3. Kindly complete the electronic certificate or print it out as hardcopy.
4. Leaders can purchase the badges at the Scout Shop using the email proof of purchase.

Badge Placement

The badge shall be worn on the right sleeve below the region and district badges, in the designated area for badges issued by the World Organization of the Scout Movement. A maximum of four badges issued by the World Organization of the Scout Movement or the "Active Citizenship Badge Series" can be worn in such area.

We look forward to cultivating more positive citizens who possess a sense of social responsibility with you, in order to contribute to society's sustainable development. For any questions or enquiries, please contact us via email at prog.learning@scouting.org.hk.
